Symbiosis International (Deemed University)

Content

A Foreign Affair that founded Symbiosis

The journey of a thousand miles begins with a single step. But, it is the first step that involves deliberation and much hesitation. The Symbiosis journey however began with a surge of enthusiasm spurred on by an incident that, in itself, makes a poignant tale. It was an afternoon on a hot day. I was standing near the window of my house overlooking the first hostel block, of which I was the rector. A strange thing happened. A girl walked up to the window of the boys' hostel room, quickly handed over something and disappeared. My curiosity was aroused and I kept watching the girl walking up to the window day after day and suspected, like any other rector would, that an affair was afoot. So one day, I made up my mind and walked up to the door and knocked. When the door opened, I saw a Mauritian student lying in bed. His face was pale and his eyes seemed to have sunken low. I was puzzled." "When I turned to the boy for an explanation, he said, 'Sir, I have an attack of jaundice & I'm feeling extremely weak. I cannot stand up, nor walk a few steps. A girl from my country brings me food. However, since ladies are not allowed to enter the boys' hostel, she hands over the tiffin box through the window.' I was stunned. After all, it wasn't the type of 'affair' I had expected. I was very much pained & decided something had to be done about this. That was the instance, the golden moment that Symbiosis was born. "Symbiosis is a term in life science, meaning 'living together of two different organisms, for the benefit of each other'. Dr. Mujumdar, himself a professor of botany, thought this name apt for the institution. Thus the institution was founded to alleviate the problems faced by foreign students coming to India. At the time, these problems included - accommodation, meals, medical care, guidance, coaching, information about the city, etc. Symbiosis has come a long way since then. Today it is home to students from more than 80 different countries. These students are offered the best learning resources, industry exposure, a strong international students' alumni network, a global recognition, and above all, a truly enriching Indian experience.
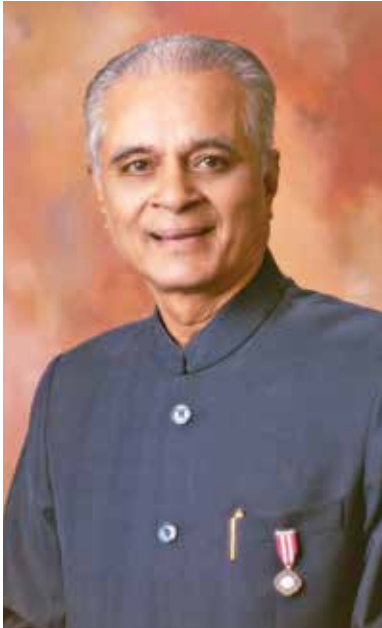

Chancellor's Message

I am delighted to welcome you to the Symbiosis International (Deemed University). The University, founded on the guiding ideal of international understanding and excellence in education, is a proud member of the larger Symbiosis family.

I have no doubt that as you become more familiar with the University, you will find yourself presented with an abundance of possibilities in academics and more. The University is firm in its belief that academics is but one segment of education. You will discover the most progressive choices in teaching-learning, extra-curricular activities, wellness-recreation facilities, and all round infrastructural support. We take tremendous pride in our talented teaching staff, many members of which are academics of international standing. I am confident that as you begin to settle down, you will find your experience at Symbiosis to be rewarding and to be equal to the expectations you might have of an international institution.

Our end goal is to meet and exceed your higher education goals, of course, but also to prepare you to be leaders as you join the workforce, and, most importantly, to be responsible members of global citizenry. As you embark on your journey of higher education at Symbiosis, you will find yourself in the company of students from over eighty-five countries and from all over India.

I do hope that your association with Symbiosis will provide you with endless opportunities to harness your capabilities and put them to good use.

May God bless you!

Prof. Dr. S. B. Mujumdar
Chancellor

Pro Chancellor's Message

It is my delight to welcome you to the new academic year at the Symbiosis International (Deemed University).

We, at Symbiosis, are confident that you will find all that you are looking for in an institution. You will discover a world of opportunities, both academic and otherwise, at Symbiosis. I have not the least doubt that, as a student, you will be amazed with our offerings within the classroom and also outside: library, sports grounds, recreational facilities, and an endless variety of extra-curricular activities. You will benefit from all this at your institute and beyond: At Symbiosis, we are a big family indeed, and we encourage cross-exchange of ideas. Of particular significance are our achievements related to internationalization. The University's commitment to internationalization is an institutional mission. The institution owes its origin to the guiding ideal of Vasudhaiva Kutumbakkam—the world is one family. Internationalization is an organizational focus across the length and breadth of our pursuits.

Part of this obligation is our pledge to prepare graduates to succeed as members of the global workforce. We believe that higher education must contribute to the human resource base by arming students with career-preparedness capabilities. At Symbiosis, we offer every leading-edge possibility to strengthen the academe-industry interface, which we consider to be the cornerstone of job-readiness skills. The successful track record of our alumni speaks to our efforts towards aligning classroom knowledge with industry-oriented skills training.

Above all of this we hold our responsibility to foster the values of global citizenship, social responsibility, and volunteerism. As members of the Symbiosis family, you will learn to see yourself as responsible contributors to the civic life on the global platform.

I welcome you to the University, and wish you every success in your endeavors!

Dr. Vidya Yeravdekar
Principal Director, Symbiosis Society
Pro Chancellor, Symbiosis International (Deemed University)

Vice Chancellor's Message

Dear Students,

Symbiosis International (Deemed University) [SIU] is one of the most sought-after destinations for Indian and International students. It has gained a reputation for its commitment to high-quality learning and teaching. The beautiful sprawling 350 acres campus at Lavale and several campuses in Pune and other cities attract students from different regions, ethnicity and cultures and provide a vibrant and symbiotic ecosystem.

The last year has seen many more accolades awarded to the University.

The University has been awarded the Category -I status by UGC and an A++ grade by NAAC. The National Institutional Ranking Framework (NIRF) 2022 has ranked the University 32nd among all Universities in India.

Outlook-ICARE University Rankings 2022 has ranked the University 10th in India.

On the International front, SIU has been ranked amongst the top 801-1000 Universities in the World and 23rd in India by Times Higher Education (THE) World University Rankings-2023 and 251-300 in Asia in Times Higher Education (THE) Asia Rankings 2022. SIU has been ranked amongst the top 351-400 in Asia and 78th in Southern Asia in QS Asia University Rankings 2023 . SIU has been awarded QS I-GAUGE - DIAMOND rating in Indian colleges and universities. QS world university ranking by subject 2022 has ranked Symbiosis International (Deemed University) between 501-550 in the World, 11th in India, and 2nd Private Institution in India for Business & Management under Business & Management.

At Symbiosis, enquiry, investigation and innovation are encouraged and nurtured. SIU offers industry-accepted academic programmes in contemporary disciplines of Law, Management, Computer Studies, Medical and Health Sciences, Media and Communication, Humanities and Social Sciences, Engineering, and Architecture and Design. The academic programmes aim at imparting interdisciplinary vision, compassion, value systems and critical awareness of national and global issues. With a collaborative network of several Universities and organisations from across the world, SIU provides a conducive, interactive and inspiring environment to create true global citizens ready to contribute to their respective countries and humankind. This has never been truer than in today's uncertain economic scenario.

Continuously building innovative technologies in the teaching-learning and evaluation process, enhancing research, encouraging innovation, empowering students to become entrepreneurs, and offering a holistic environment as a Health Promoting University, SIU has recently established the Symbiosis University and Hospital Research Centre, which is a 300 bedded hospital (scalable to 900 beds) which offers free medical treatment to the needy. The University has also established the first fully residential Symbiosis Medical College for Women exclusively for women in India.

I invite you to experience, explore, learn, play, work and get motivated to meet the challenges to shape your career and to meet the challenges of the new exciting world!

Welcome to the Symbiosis family!

Dr. Rajani Gupte
Vice Chancellor

The University

Prof. Dr. S. B. Mujumdar established Symbiosis in 1971 on the principles of the Vedic thought of 'Vasudhaiva Kuttumbakam' i.e. the world is one family. With changes sweeping across India's higher education scenario, Symbiosis International (Deemed University) established need-based Institutes / Departments across eight faculties namely Law, Management, Computer Studies, Medical and Health and Sciences, Media, Communication & Design, Humanities & Social Sciences, and Engineering.

Due to excellence and quality of education imparted by Institutes of Symbiosis, the Ministry of Human Resource Development, Government of India conferred the 'Deemed to be University' status on Symbiosis in 2002.

Today, the University is ranked amongst the topmost Universities nationally and internationally. The university is awarded the Category-I status by UGC, and an 'A++' grade by NAAC, and is also ranked 32nd by NIRF 2022 in the Universities Category. Atal Ranking of Institutions on Innovation Achievement (ARIIA) 2021, has ranked the University tenth under the category of 'University & Deemed to be University (Private-Self-Financed).

Internationally, the QS world university ranking agency has ranked Symbiosis International (Deemed University) between 501-550 in the World, 11th in India, and 2nd Private Institution in India for Business & Management under Business & Management (a sub category in Social Science and Management). The Times Higher Education (THE) World University Ranking 2022 has ranked the University amongst the top 800 – 1000 Universities in the World, and among the top 251 – 300 Universities in Asia. The University is also ranked between 301-400 Globally & 10th in India Overall by The Times Higher Education Impact University Rankings 2022. It is the only Indian university to have received the Asia Pacific Quality Label.

The University has 40 Institutes/ Departments spread across campuses at Pune, Nasik, Bengaluru, NOIDA, Hyderabad & Nagpur. The establishment of every institute of Symbiosis has some history. Some institutes were established for a certain cause and some out of the needs of the industry and society at large. Every institute has created its own identity and has become a choice for students wanting to pursue higher education. The University offers various programmes at Doctoral, Postgraduate, Under graduate and Diploma levels under its eight faculties.

The University has academic collaborations with reputed foreign universities like the University of Cologne - Germany, University of Queensland – Australia, Aston University – UK, University of Leeds – UK, Washburn University – USA, Nanyang Technological University in Singapore, University of Houston in USA, Berlin School of Economics and Law in Germany, University of Malaya – Malaysia, and many more.

The University's Symbiosis Centre for International Education (SCIE) promotes internationalization and invites international students to the Symbiosis International (Deemed University) for a Semester Abroad Programme. The University is actively involved with student and faculty exchange programmes and has also introduced the Scholar-

Biodiversity at Main campus, Lavale, Pune

Biodiversity at Main campus, Lavale, Pune

in- Residence Programme. SCIE conducts intensive 'Study India' programme for the benefit of international students from over 85 countries that study here. A variety of activities are organised where international students of Pune city are able to meet on a common platform and display their many talents.

Cutting edge technologies, smart classrooms and modern infrastructure positively impact the delivery of world class education. Diversity in the classroom and faculty rooms, service learning projects, internships and value-added activities lead to a more holistic development of students. Access to several learning resources via the library, availability of housing facilities on several campuses, scholarship programmes to promote academic excellence, several co-curricular and sports activities organised by the University facilitate well rounded overall development of students.

Health and wellness are vital issues relevant to the academic success of students at Symbiosis. The Symbiosis Centre of Health Care (SCHC), is the in-house health care centre for the entire Symbiosis family. SCHS makes conscientious efforts for the overall development of its staff & students by providing preventive, curative and health promotion programs to enhance optimal health, reduce risk of disease and injury and promote healthy lifestyle choices.

The University has established several research centres led by the researchers of repute in respective disciplines. It has established the Symbiosis Centre for Advanced Legal Studies and Research (SCALSAR), Symbiosis Centre for Waste Resource Management (SCWRM), Symbiosis Centre for Stem Cell Research (SCSCR), Symbiosis Centre for Behavioural Studies (SCBS), Symbiosis Centre for Nanoscience and Nanotechnology (SCNN), Symbiosis Centre for Medical Image Analysis (SCMIA), Symbiosis Centre for Applied Artificial Intelligence (SCAAI), Symbiosis Centre for Research on International Higher Education (SCRIHE), Symbiosis Centre for Climate Change and Sustainability (SCCCS), Symbiosis Centre for Urban Studies (SCUS) and the Symbiosis Centre for Australian Studies (SCAS). These Centres are being developed as the Centres of Excellence of the future.

The University dreams of becoming a World Class University and continuously strives to build innovative technologies in the teaching learning and evaluation process, enhancing research, encouraging innovations empowering students to become entrepreneurs and provide a holistic environment as a Health Promoting University. In its pursuit in becoming a health promoting University, the University has established the Symbiosis Medical College for Women and its attached Symbiosis University Hospital and Research Centre which has state-of-the-art infrastructure and facilities.

Social Sciences (FoHSS)

Academic Programmes

The University offers academic programmes in eight faculties at Undergraduate, Postgraduate and Doctoral level. The programmes are offered by the Constituents and Departments of Skills and Continuing Education of the University across campuses at Pune, Nashik, Bengaluru, NOIDA, Hyderabad and Nagpur. The medium of instruction for all programmes is English. The University offers the Doctoral programme in all its seven faculties.

SYMBIOSIS CENTRE FOR RESEARCH AND INNOVATION (SCRI)

Symbiosis Centre for Research and Innovation (SCRI) was established in 2009 with an objective of achieving high standards of research at SIU that resulted into quality contribution to the knowledgebase of the disciplines of Law, Management, Computer Studies, Health Sciences, Media and Communication, Humanities and Social Sciences, Engineering and Architecture and Design.

SCRI aligns its functions with the University's commitment to stay connected with the community by the way of understanding its major issues and problems and to suggest relevant and flexible means to resolve them. In accordance to the University's endeavor to make meaningful contributions to the dialogue around the development of knowledge and policies for the society, SCRI facilitates the research journey of the SIU's academic fraternity. The department provides intellectual, academic and administrative support to the research endeavors of the members of the Faculties and students.

SCRI's activities revolve around the Research and Development mandate of SIU that states the following:

- The Research and Development must be socially relevant, locally need based, nationally important and globally significant.
- The focus of Research and Development in the University is aligned with the national priorities of the Government, reflected through various schemes and grants.
- The Research and Development must be applied, translational and leading to innovation.
- To create Research and Development hub comprising medical facilities, diverse research centres and constituent institutes that promotes interdisciplinary, multidisciplinary and transdisciplinary research significant to society, and The University's Research and Development must lead to the development of capable and responsible human resource.

SCRI offers SIU's Ph.D. programme, doctoral fellowships, seed money and support for extramural funding, publication, intellectual property and research collaboration to the researchers of the University. The department is a nodal unit for enabling the research activities of SIU fraternity. Continuous improvement in quality of research at SIU is facilitated by the University's research collaboration with the organizations such as Indian Council for Medical Research (ICMR), Larsen and Toubro Ltd., Society for Development Studies, Lupin Research Park, Serum Institute of India Pvt. Ltd., KEM Hospital Research Centre and many more.

The collective research experience at SCRI has supported Faculty Members of SIU in terms of attracting prestigious research grants from the Government under various schemes (such as SPARC, DST-SERB, DBT, NABARD, ICSSR) and Non-Government agencies (such as ABTL, Huvepharma SEA Belgium and India., IBM, TCS) in addition to the internal funds provided for research to the Faculty and students by SIU. The department's support through hands-on, sensitization and FDPs has contributed to the publication of a number of high-quality research papers and patents, registration of designs and copyrights and new collaborative opportunities and recognitions. SIU is an empanelled research agency for conducting evaluation studies for the Government of Maharashtra. Doctoral research of SIU's 1000+ Ph.D. Scholars in different disciplines is facilitated by SCRI.

With commitment, focus and determination, SCRI is tirelessly contributing to the enhancement of research activities at SIU and strengthening its culture of good quality research.

Main focus of SCRI

- To develop institutional research agenda and to formulate policies to reflect a conscious effort for creating a congenial and scholarly climate that nurtures the quality research culture in the University.
- To establish the minimum standards for research activities at SIU that leads to good quality contribution to the existing knowledge.

- To build research capacity and mentor the researchers to translate their effort into high quality research outcome.

- To set up a systematic procedure for administration of research programmes.

RESEARCH CENTRES

SYMBIOSIS CENTRE FOR NANOSCIENCE AND NANOTECHNOLOGY (SCNN)

Symbiosis Centre for Nanoscience and Nanotechnology has been established in Sept. 2017 considering that potential impact of Nanoscience and Nanotechnology on evolution of Science, technology and societal growth.

The Centre envisages promoting basic and applied research in the fields of healthcare, technology and environment, with primary impetus to fulfill national strategic needs. The major ventures of the centre are synthesis of advanced functional nano-materials, fabrication of nano-micro-devices, & its multidisciplinary applications. The major thrust of centre includes opportunities for international research collaborations; conduction of seminars/workshops/conferences/extension lectures to promote Nanoscience & Nanotechnology to common people and to bridge the gap between nanotechnology research and its social acceptance.

SYMBIOSIS CENTRE FOR STEM CELL RESEARCH (SCSCR)

The centre is unique, as it is the only research centre in Pune that will perform research exclusively on stem cells. Research in Experimental Hematology at a cellular and molecular level will be carried out with respect to aging of stem cells, microenvironment – mediated regulation of hematopoietic stem cells, leukemia/lymphoma biology, development of 3D cultures, mesenchymal stem cell biology with special focus on exosomes and micro-vesicles and signal transduction. Department of Biotechnology (DBT), Ministry of Science & Technology, Government of India has identified Stem Cell Research as one of the most exciting fields of life science in view of its potential clinical applications. With this understanding Symbiosis Centre for Stem Cell Research will serve in strengthening research in one of the targeted areas as identified by DBT's Medical Biotechnology programme.

SYMBIOSIS CENTRE FOR BEHAVIOURAL STUDIES (SCBS)

Keeping in mind that experimental research methods have a rich academic tradition both in psychology and marketing, Symbiosis Centre for Behavioural Studies has been established with aim to conduct experimental research in order to publish quality research papers in reputed journals. Its allied agenda of providing consultancy to organizations has also been kept in mind while marshaling the centre amongst industry and academia.

SYMBIOSIS CENTRE FOR WASTE RESOURCE MANAGEMENT (SCWRM)

Symbiosis International (Deemed University) in the year 2015, established Symbiosis Centre for Waste Resource Management (SCWRM) to be a pioneer in building knowledge, disseminating awareness and improving practices in the area of sustainable waste management. The centre promotes inter- and multi-disciplinary approach for basic and need-based, applied research and efforts in bridging the gap between lab and society with respect to solid and liquid waste management. The centre is involved in conducting workshops, training, and awareness programs to promote national agenda of 'Swachh Bharat Mission. The centre also works towards developing academic curriculum for undergraduate and post graduate courses. Furthermore, SCWRM is committed to interdisciplinary approach to develop insights, build awareness, and seek to identify, analyze, and implement key issues and challenges pertaining to waste management and sustainability involving all levels of stakeholder's viz. Government, statutory bodies, policy makers, corporates, academia, research institutes, civil society and many others. A key activity of SCWRM involves providing professional technical consultancy to various stakeholders in the field of solid waste management. SCWRM has consultancy projects with Pune Municipal Corporation (PMC), APMC Mumbai, Lonavala Municipal Corporation etc. on diverse aspects of municipal waste management. The centre is also an empaneled technical agency with the Government of Maharashtra to implement the national GOBAR-DHAN scheme in Maharashtra state at district levels under Swatch Bharat Mission (G)-II. The centre has several national and international collaborations to develop a network of researchers across the globe to address the issue of waste management and climate change.

SYMBIOSIS CENTRE FOR MEDICAL IMAGE ANALYSIS (SCMIA)

In recent years there has been an increased thrust to understand and quantify the complex information conveyed by medical images. Developing modern computational techniques that offer the potential for extracting diverse and complex information from imaging data and applying the setoaplethora of clinical studies is crucial. These techniques not only support precise quantification but also overcome the limitations of subjective visual interpretation. Furthermore, these methods can facilitate finding specific markers that relate to pathologies as well as aid in treatment planning. Building on this background, the objectives of this center are as follows:

1) evelopment of novel computer-based image analysis methods and their application to a wide variety of clinical research studies

2) Translating the techniques to the clinic thereby aiding early diagnosis and understanding of the underlying pathology.

Currently, the center focuses on neuroimaging (MRI) and breast imaging (ultrasound). Image analysis methodologies include volumetric analysis, diffusion MRI processing and analysis, structural and functional connectomics, statistical learning in imaging, radiomics, population-based analysis and deep neural networks for image classification. In future, the center plans to diversify research to image analysis of various organs and include multiple modalities in imaging.

SYMBIOSIS CENTRE FOR APPLIED ARTIFICIAL INTELLIGENCE (SCAAI)

Symbiosis Centre for Applied AI (SCAAI) was established in May 2019 and is affiliated to Symbiosis Centre for Research and Innovation (SCRI). SCAAI is a constituent of Symbiosis International (Deemed University). The primary aim of this centre is to spearhead the advancement and novel developments in various application areas and promotion of the advanced research and education in the field of AI. Along with this SCAAI engages in interdisciplinary research to address pertinent issues that could involve a huge spectrum such as finance and banking to healthcare.

SYMBIOSIS CENTRE FOR ADVANCED LEGAL STUDIES AND RESEARCH (SCALSAR)

Symbiosis Centre for Advanced Legal Studies and Research (SCALSAR) was informally organized in 2007 and formalized in February 2013 by the Board of Management, SIU. It has been established to facilitate advanced legal studies and research.

SCALSAR facilitates and provides:

- The means including idea architecture and resources for advanced legal studies for post graduate, including LLM students and PhD Students.
- Infrastructure and resources for advanced legal research to the faculty, researchers and post graduate students promoting and facilitating publications in SCOPUS, Web of Science and UGC recognised journals
- To collaborate with institutes under the faculty and departments within SIU, National and International Universities and Agencies for research, consultation, training and extension
- Research, training and consultancy in selected areas of 4 excellence centres aligned with SIU clusters, other research centres and contemporary areas of national and global importance
- Interdisciplinary and multidisciplinary studies and research while interlinking with SIU research clusters
- To act as a think-tank to the Government, hosts Scholars in residence, undertake interdisciplinary legal studies and research projects, train teachers and design training modules.
- Collaboration with institutes under the faculty and departments within SIU, National and International Universities and Agencies for research, consultation, training and extension
- To disseminate and ensure the outcome of research, training, advocacy and consultation to stakeholders including businesses, law makers, government and non-governmental entities, people of India and the world
- Positive and measurable impact on the society and justice system through inclusive research and training

Since 2012 SCALSAR has been organizing an Annual Research Conference. It grew drawing international participation by 2015. The conference has been drawing on Symbiosis International (Deemed University)'s

new impetus to thrust areas, excellence centers and innovation and is titled as SYMROLIC representing an interdisciplinary conference in relation to Rule of Law. The conference also includes a research skills workshop. SCALSAR undertakes Minor and Major Research and Consultancy Projects. In addition to the completed projects including 2 ICSSR Impress Major Projects, there are 4 Major International Projects that are going on. SCALSAR also collaborates with Government bodies and undertakes Law reform initiatives such as Transformation of Criminal Justice System in India submitted to Ministry of Home Affairs, Initiative with Supreme Court of India on Digital Courts Vision & Roadmap: Phase III of the E- Court project, Regional consultation on Review of Criminal law- Improvement in Status of Women organized in collaboration with National Commission for Women etc. The research agenda of SCALSAR will be further strengthened by the recently received Jean Monnet Chair on EU Climate change Law Policy and Governance as well as the Jean Monnet Module. The Community Legal Care Centre, which is a part of SCALSAR, carries out legal aid as well as community-based projects for various disadvantaged sections of society. Some of the legal aid activities are carried out in collaboration with Pune District Legal Services Authority, Yerwada Central Prison, Criminal Investigation Department Maharashtra and various NGOs. The Centre has adopted Sus village, Tal. Mulshi, Dist. Pune as a part of community outreach programme.

SYMBIOSIS CENTER FOR URBAN STUDIES (SCUS)

The Centre will be operational from the AY 2022-23, and will undertake activities to focus on Capacity Building, and being responsible for creating human capital to help transform India's urban landscape.

Research activities of the Centre will include:

- Organizing Guest Lectures Workshop, Seminars, Symposiums, Conferences, Hackathon.
- Strengthen the PhD Department under this specialization
- Collaborative Inter-disciplinary Research with our sister institutions
- To provide excellent opportunities to collaborate with supranational institutions and urban diplomacy
- To collaborate with leading think tanks and organizations supporting the Indian urban agenda

SYMBIOSIS CENTER FOR CLIMATE CHANGE AND SUSTAINABILITY (SCCCS)

The SCCCS is established with the following proposed activities:

- Collaborative Research in thematic areas
- PhD program, post-doctoral research
- Education by developing courses in Climate Change for UG & PG institutions
- Social Outreach by conducting Workshops, lectures, taking up Restoration projects, Park / Devrai conservation.

SYMBIOSIS CENTER FOR RESEARCH ON INTERNATIONAL HIGHER EDUCATION (SCRIHE)

SCRIHE is established for conducting research in the area of international higher education. The NEP 2020 has earmarked a whole chapter on Internationalization of Higher Education. With the COVID pandemic, there have been different challenges that higher education faced, but one positive outcome has been internationalization at home. Collaborative online international learning, co-teaching and co-learning have been promoted due to online education. New concepts of international co-operation and intra-regional cooperation have emerged which enhance internationalization of Higher Education. Knowledge diplomacy and how higher education can be a tool for development and soft power is also coming into discussions at the global level.

Other than the above Research Centres, the Symbiosis Centre for India- Australia Studies (SCIAS), Symbiosis Centre for Research in Media and Creative Industries (SCRMCI), Symbiosis Centre for Ambedkar Studies (SCAS), and Symbiosis Centre for Research in Vaccines and Biologicals (SCRVB) are newly established centres by the University.

Symbiosis Center for Climate Change and Sustainability - Laborator

Main Library – Lavale campus

Learning Resources:

Library:

Symbiosis International University is one of the leading Universities in the country and an educational hub of academic institutions/departments, promoting higher education in Management, Information Technology, Bio-medical Sciences, Engineering, Liberal Arts, Health Sciences and Legal education. These institutes are spread over the country and each institute has its own library, serving and catering to the needs of the students and faculty members as a creative and innovative partner in supporting the teaching, learning, scholarship and research activities of the University.

There is a rapid increase in the library's collection of books and journals/periodicals in both, print and digital form, using state-of-the-art facilities. Libraries are trying to build a strong and balanced collection of books, journals and other resources to cope up with the needs of entire Symbiosis community. With this mission, we are trying to bring the entire collection available to search with just one click.

SIU has implemented KOHA integrated library Management software for all its constituent units. OPAC (Online Public Access Catalogue) of books and other reading material are accessible from any location. OPAC consists of books, AV material, print journals and magazines, Theses (http://symbiosis-koha.informindia. co.in).

The SIU Central Library is housed in a newly constructed, independent and spacious building located at the Lavale campus. The location of the Central Library overlooks the beautiful landscape around the building. The pleasant environment and the well-furnished reading area inspire students to learn and conduct research. University subscribes 181430 e-books for their users of all institutes and made accessible to them.

SIU also subscribes to a total of 123 online databases as per the requirements of the institutes. EBSCO, Emerald, Scopus, Web of Science, JSTOR, Frost and Sullivan, are the major databases accessible to all institutes and other online Databases subscribe by institutes are accessible to respective institutes on their IP address of the campus.

The Central Library is trying to establish an excellent co-operative arrangement with many resourceful libraries and consortia with INFLIBNET in the country. The Central Library has developed a Library Portal to provide remote access to its E-resources for all. (https://library.siu.edu.in)

SUPPORT DEPARTMENTS:

SYMBIOSIS TEACHING LEARNING RESOURCE CENTRE (STLRC):

The Symbiosis Teaching Learning Resource Centre i.e. STLRC was established in November 2011, with the aim to help raise the effectiveness and productivity of the Symbiosis faculty in terms of teaching - learning as well as research.

The Symbiosis Teaching Learning Resource Centre (here after referred as STLRC) is Symbiosis International University's catalyst to inspire and mentor the faculty in their roles as Teachers, Researchers and more so as Educational parents. STLRC strives to complement the academic mission of the university by improving the teaching effectiveness and enhancing research ability of the faculty.

STLRC always strives to:

- • Improve the Teaching Effectiveness of faculty.
- Sensitize faculty members in the areas of diversity and inclusion, in the teaching learning environments.
- Enable faculty to design innovative assessments.
- Facilitate increased research output.
- Coordinate Domain specific interventions to improve discipline knowledge of the faculty members.

There are various Activities of STLRC which are as follows:

- Planning and execution of various Faculty Development Programmes under the verticals of Teaching, Learning, Evaluation, Research, and domain specific areas for all the eight faculties of the University. 500 Faculty development programmes have been conducted by STLRC. (from May 2011 till February 2023)
- MOOC Development Activity: SIU has started various interventions such as completing online courses, face-to-face workshops, and face-to-face meetings to familiarize SIU faculty members about learner-centric MOOCs. As a result of which four MOOC proposals have been submitted to CEC i.e. Consortium for Educational Communication, and we are looking forward to offer these courses and ten more on the SWAYAM platform.

SYMBIOSIS CENTRE FOR EMOTIONAL WELLBEING (SCEW):

Mental health encompasses our emotional, social and psychological wellbeing and is an essential part of ensuring overall health and wellness. It has a widespread impact on the different facets of one's life. Recognizing the importance of good mental health, the Symbiosis Centre for Emotional Well-being (SCEW) was established in August 2018. SCEW aims to provide promotive, preventive, and curative mental health care services within the Symbiosis community and emphasizes a model of collaborative care.

Our team comprises of diverse and skilled Mental Health Professionals, deputed to various campuses of SIU and led by their Head, Dr. Girija Mahale, and Deputy Head, Dr. Rahul Bagale. We offer counselling, psychotherapy, and psychiatric consultation services to students, staff, and faculty members across SIU while emphasizing privacy, confidentiality, comfort, and a sense of security for our clients. To ensure extensive outreach and impact, the team undertakes various initiatives and conducts awareness drives, workshops, training programs, and webinars for all stakeholders.

Under the aegis of SIHS, a full-time Undergraduate Degree Program, B.Sc. in Mental Health is been recently launched by SCEW with due consideration to bringing mental health into education and reducing the stigma.

SYMBIOSIS COMMUNITY OUTREACH PROGRAMME AND EXTENSION (SCOPE):

Universities have recognized the enormous potential of higher education to positively impact the health and well-being of students, staff, and the wider community through education, research, knowledge exchange, and institutional practice. With this view, Symbiosis launched Symbiosis Community Outreach Programme and Extension (SCOPE) on 02nd July 2012. The objective is to positively impact the community around.

SCOPE works towards achieving sustainable, comprehensive, and integrated development of the 32 identified villages in Mulshi taluka of the Pune district. SCOPE through its Mobile Medical Units (MMUs) and Rural Digital Literacy Labs offers doorstep delivery of healthcare and digital literacy services in several access compromised and service deficient villages.

Initiatives:

SCOPE undertakes various Health and Community development initiatives in and around the university campus associated with Primary Health Care, Health Awareness and Promotion, and Personal - Social Development. SCOPE also celebrates various health days in our area by conducting health education, general health check-up camps, and other activities in the community. These initiatives are also part of the activities pertaining to Institutional Social Responsibility, Creation of a Healthy Environment, Developing Links with the Community, and Academic and Action Research in the Community. Additionally, students take up community research projects for Master's and Ph.D. programs in the villages.

MMUs visit the identified villages per the fixed weekly schedule and covers 32 such villages located in Mulshi taluka catering to a population of 40836 individuals. Since 2012, MMU has delivered preventive, promotive, and curative healthcare services to more than 339953 beneficiaries from villages and also during mega events such as Pandharpur Wari and Bhima Koregaon. We also partner with SUHRC for various activity conduction like the inauguration of the extension center at Kondhwe – Dhavde (Haveli block), Specialist visits at various PHCs of Mulshi and Vadgaon Mawal blocks, Key Opinion Leaders (KOL) visits, Speciality Camps, etc. The Rural Digital Literacy Labs currently offers services in 9 villages and reaches over 200 learners.

Way forward:

SCOPE in the coming years is working towards increasing the number of villages where its healthcare and other services would be delivered. We firmly believe that our role as a university goes beyond imparting knowledge and skills to our students and as active agents of change and nation-building.

SYMBIOSIS CENTRE FOR ENTREPRENEURSHIP AND INNOVATION (SCEI):

Symbiosis Centre for Entrepreneurship & Innovation (SCEI) is a Technology Business Incubator (TBI) of Symbiosis International (Deemed University) funded by "Department of Science and Technology". SCEI leverages on the advanced research capabilities that Symbiosis has in the areas of Health-tech, Medical Imaging, Waste Management, AI/ML, Nano Technology, etc to act as a catalyst of growth for technology start-ups. Being a part of the Symbiosis family, SCEI is well connected to innovation and Entrepreneurship ecosystem in India. SCEI Provides office space, Innovation Lab access and mentoring support to start-ups and potential entrepreneurs.

SCEI conducts the following activities:

Pre Incubation Programme - SCEI has 12 weeks long pre-incubation Programme with an aim of developing entrepreneurial mind-set and nurturing innovative ideas. The pre-incubation programme involves Training, Mentoring and Ideation workshop.

Incubation Programme - SCEI incubate early-stage manufacturing/ technology start-ups that demonstrate ability to innovate, create new products and services to solve real world problems. The incubation Programme involves Training, Mentoring, Prototyping and POC Validation and Ecosystem Access.

SYMBIOSIS CENTRE FOR ALUMNI ENGAGEMENT (SCAE):

The alumni of the constituent Institutes of Symbiosis International (Deemed University) (SIU) have been spread across all States of India and across the globe, working in various professions in reputed organizations. To accelerate and create a deeper engagement with its alumni, SIU has established the Symbiosis Center of Alumni Engagement (SCAE) to execute meaningful and long-lasting philanthropic, academic pursuits and networking events, and programs for the Symbiosis Alumni fraternity at a central level.

SCAE has connected a total alumni base of approximately 1.5+ Lakhs of SIU alumni through digital means such as web portal, messaging platforms, portal, and social media through which alumni constantly interact with SIU students, fellow alumni, and SIU leadership. SCAE arranges face-to-face and virtual alumni meetings wherein alumni share their ideas with senior Leadership of SIU on changing trends in their respective industries, employability readiness, Academia-Industry partnership in cutting-edge technologies or domains, and also what more alumni can do for their fellow students and SIU stakeholders.

SIU creates lots of student-driven opportunities where fellow Students and Entrepreneurs amongst students get to constantly work with this diverse pool of alumni for getting guidance for their careers, sharing experiences and knowledge, mentoring, and coaching for their academic, professional, and entrepreneurial pursuits.

SYMBIOSIS CENTRE FOR INTERNATIONAL EDUCATION:

The Symbiosis Centre for International Education (SCIE) is an integral part of the University, providing leadership and support to internationalize the campus and the curricula. International students from over 85 countries pursue their undergraduate and postgraduate studies at Symbiosis. Students and faculty are provided with opportunities to pursue their international academic interests to the fullest, be it through academic exchanges, or exposure to international conferences, seminars, workshops and other resources.

Internationalization at Symbiosis works on multiple tracks, for which the Symbiosis Centre for International Education has three departments:

• International Student Admissions & Student Events
• International Initiatives and Collaborations
• International Promotions and International Student Relations

International Student Admissions & Student Events

International Students' Admissions: Admissions of international students are centralized for all the constituent institutes of Symbiosis International (Deemed University) and routed through the SCIE. The procedure for applying for admissions at SCIE is designed taking into consideration the requirements and difficulties faced by international students. The online admission procedure has made it accessible to each and every student to apply from different parts of the world and in the comfort of their homes. The student needs to come to India only when the applicant is shortlisted for a particular program chosen by the student. Software has been tailor-made to suit the admission procedure. The admission procedure is simplified in easy steps starting from the basic eligibility, checking of important documents to be submitted until the final payment, and confirming the admission. Through the system of online admissions, students are also able to make all their payments online and check the admission status online.

International Student Events:

Apart from all admission related activities, SCIE organizes a variety of activities where international students of Pune city are able to meet on a common platform and display their many talents. As a part of enriching students' international experience, SCIE organizes the International Food Festival, the Flag Hoisting Ceremony, NGO visits, Blood Donation Camps, Tree Plantation, Iftar Party, Christmas Party, Diwali Party, Dance Competitions and Sports activities like football tournaments and many more.

SCIE also organizes the International Students' Convocation Ceremony. The convocation ceremony is an important landmark in a student's life. It is normally organized by universities in India during the month of December. But since most foreign students have already left India by this time, they are deprived of this wonderful memory. SCIE aims to fulfil a students' dream of walking down the aisle with a robe and cap by organizing the International Students Convocation Ceremony.

SCIE is assisted in such activities by the International Students' Council. The International Students' Council is an elected body for the smooth functioning of the activities and events of international students.

International Initiatives and Collaborations:

At Symbiosis International (Deemed University), our every endeavor is to look at ways to promote international understanding through quality education. The university believes that internationalisation imparts broadened knowledge and understanding of other nations, cultures, and global issues for students, strengthens research and knowledge production, the diversify of faculty and staff assists in bringing innovative pedagogies and enhances the teaching learning process. To achieve these objections the university has international collaborations across the globe and framed policies for encouraging student and faculty mobility and designed programs for increasing and ensuring sustainability.

Student Programme:

Study India Programme: SCIE offers two to four weeks customized program imparting international students an unparalleled opportunity to experience a combination of academic content and cultural activities. This program is designed to give the students understanding of the socio-economic, cultural, political, technological aspects of India. The program also includes visits to NGO's, Cultural heritage sites.

Global Immersion Programme:

Under this initiative students from Symbiosis get an opportunity to experience semester abroad, Semester Exchange program, attend Summer School, undertake short term internships. The university accepts the credits earned by students who undertake these programs.

Symbiosis encourages the collaborating universities to send their students for a semester at any of its institutes and transfers the credits earned by these students. The students have the flexibility to choose courses across disciplines.

Faculty Programs:

Scholar-In-Residence:

This program was developed to share best academic practices, developing in house global competencies and international links. Through this program international faculty is encouraged to visit Symbiosis on short/long term engagement. The main activities envisaged are to conduct guest lecturers / workshops / Symposia, teaching, reviewing and internationalizing the curriculum, conducting faculty development programs / seminar, conceptualizing, contributing and editing research journals, joint paper presentations in international conferences.

Distinguished Visiting Professor:

This is an initiative taken to attract distinguished academicians/ personalities to Symbiosis International (Deemed University) for short term period to teach courses in their area of expertise, conducting special course / expert workshops, developing grant projects.

Faculty Exchange:

SIU is actively involved in sending Faculty to foreign Universities on short term. This encourages the faculty to get an opportunity to teach at international partners. The faculty gets an opportunity to learn new methods of teaching, conducting joint research with faculty having similar research interests and imparting knowledge to the international students while focusing on the Indian or comparative perspectives.

Lecture Series:

SCIE organizes lectures by eminent faculties of International repute at different institutes of Symbiosis.

International Promotions and International Student Relations:

International Promotions:

This department has the dual goal of ensuring student comfort while at Symbiosis International (Deemed University) and also communicating with foreign students in their home countries. SCIE has undertaken the exercise of planning promotional campaigns in Africa and Asia. This includes participating in Educational Exhibitions / fairs and also visiting schools and educational counsellors.

International Student Relations:

Understanding the importance of ensuring a fulfilling experience, both academic and social, this department will focus totally on assisting foreign students to adapt to their new home. The students are encouraged to contact this department when faced with problems – academic, administrative, and even issues that are not directly related to the University, such as dealing with formalities at the Foreigners' Registration Office (FRO).

We have "buddy" system, which refers to the practice of assigning a mentor to each international student. The "buddy" will be a domestic Indian student, who is familiar with the city of Pune. The "buddy" will be encouraged to help the student overcome challenges big and small – that are related to the institute and the University, as well as everyday problems related to settling down in India.

The department will conduct periodic meetings with international students in their individual institutes. The informal meetings are aimed at providing an opportunity to the students to share their experiences, both good and bad, giving an opportunity to solve these by initiating changes either in policy or regular activities.

Foreigners' Registration

Every foreigner coming to India must have a valid Passport and Visa to enter and to continue his /her stay in India.

The foreigner should always carry identification documents, namely:

1. Passport with an endorsed visa
2. Certificate of Residence issued by the concerned Police Station
3. Residential Permit issued by FRRO/FRO

The foreigner is under obligation to produce the above documents to any Police Officer on demand for inspection.

Foreigners entering India on a long term visa i.e. for a period more than 180 days, on a Student Visa, Employment Visa, Research Visa, Medical Visa and Missionary Visa are required to get themselves registered within 14 days of their arrival with the concerned FRRO/FRO. Students arriving on short term Provisional Student Visa (Valid for 180 days or less) must also register and confirm their admission within the stipulated visa period to avoid deportation. Upon confirmation of admissions, the students on short term Provisional Student Visa should approach the concerned FRRO/FRO for registration and extension.

The above rules will not be applicable to Pakistani, Bangladeshi and Afghani nationals.

- Pakistani Nationals must report within 24 hours of their arrival
- Afghan Nationals must report within 7 days of their arrival
- Bangladesh Nationals on Student Visa must report within 7 days of their arrival, and within 24 hours of their arrival for other visas

For more details, visit www.punepolice.gov.in / https://indianfrro.gov.in/eservices/home.jsp

SIU's Engagement with Europe

Symbiosis has partnered with European Universities in different consortiums under the Erasmus + Program with an intention to enhance cooperation for facilitating students, faculty mobility and Strategic Partnerships for capacity building exchange of best practices. Partnerships with Universities in Germany under the DAAD- DIES (Dialogue on Innovative Higher Education Strategies) and DAAD-A New Passage to India have facilitated mobility and workshops for promoting internationalization of higher education. In addition, we have organized Annual Leadership Series & Conferences on the contemporary issues focusing on the European Union and its relationship with the world. These forums have witnessed think tanks, diplomats and Ambassadors share their insights with our students and faculty.

SYMBIOSIS CENTRE FOR EUROPEAN STUDIES (SCES):

SCES is a multidisciplinary support department within Symbiosis Centre for International Education launched at the hands of the former Prime Minister of Czech Republic, Mr. Andrej Babiš in January 2019.

SCES lays emphasis on facilitating people-to-people, organisation-to-organisation and institute-to-institute connections with Europe, bringing the best of scholarly expertise to India and encouraging Symbiosis students, faculty and staff mobility to Europe for research projects, engaging with Training & Consultancy projects with European companies and learning through partnerships. SCES is envisioned to be an umbrella support system for all academic/ scholarly/ generic activities with European nations, institutes and companies.

Its purview includes all European countries and the European Union.

Symbiosis has been actively working with European partners for exchanges, Study in India Programmes and Erasmus+ projects.

SCES ACTIVITIES & PROGRAMMES

Internationalisation @ Home initiatives

EXCLUSIVE OPPORTUNITIES FOR SIU STUDENTS -

(a) **E- Academies on Internationalisation–** Offered as three weekend programmes, these E-Academies help students develop intercultural competencies and prepares them to work effectively in multicultural environments. Symbiosis students get to work with students from other parts of the world who join as "E-Buddy Mentors" in this E-Academy.

(b) **Your Gateway to Europe–** This is a special edition offered bi-annually for students highly focused on higher education in Europe. Illustrious speakers who are serving as diplomats, representing higher education bodies in European member states and European Parliament are the key facilitators for this E-Academy. Besides sessions, students from Europe join as buddy mentors for students enrolled in this programme.

Both these E-Academies are a blend of learning and fun with cultural, language and food exchanges. As an outcome, we release an annual culinary book "The World Kitchen" which features the recipes of all Indian and International students.

(c) Beyond Borders Work from Home Internships for Indian and European students studying in universities in and outside India in the area of Research, Corporate Relations (Europe), Social Media Management (Content, Graphics, Graphics & Motion/Film Making). SIU students get international exposure through these WFH internships and work on international projects.

(d) **SCES Student Think Tank**

SIU students are invited to get involved in our student led think tank under the Symbiosis Centre for European Studies. The Think Tank is also the first and only Indian Chapter of European Horizons, a global student-led policy incubator, founded at Yale University.

Other initiatives

Student & faculty exchanges, credit transfer arrangements, Summer & Winter Schools (Study India Programmes (SIP) & Bespoke).

E-Symposiums, Webinars and other such opportunities to engage with Europe

For further queries please reach out to us at sces@scie.ac.in

ADMISSION PROCESS FOR INDIAN STUDENTS - from STS

A. Registration process:

SET/SLAT/SITEEE 2023 will be conducted on two different dates. Candidates can appear for the dates, i.e. May 06, 2023 (Saturday) and May 14, 2023 (Sunday). Please note these dates and the respective test timings carefully.

| Date of SET/SLAT/SITEEE 2023 and Time ||
May 06, 2023 (Saturday) and May 14, 2023 (Sunday)	Time
SLAT	09.00 AM to 10.00 AM
SET	11.30 AM to 12.30 PM
SITEEE	02.00 PM to 03.00 PM

A candidate can appear for SET/SLAT/SITEEE on both the dates (May 06 and May 14, 2023). If a candidate appears for more than one test, the higher score will be considered for the final percentile calculation. There will be no normalization. A rigorous process that has been statistically tested will be administered to ensure that unique types of questions are framed under a specific topic across the question papers. The normal spread will ensure that there is no unfair advantage to candidates who opt for any specific test / multiple tests. This will ensure the normalisation of the spread of questions across sections. Furthermore, the question papers will be normalised for the level of difficulty across all two tests. No correspondence regarding this will be entertained.

From 2018 onwards, "SET General" is known as Symbiosis Entrance Test (SET), "SET – Law" test is known as Symbiosis Law Admission Test (SLAT), "SET – Engineering" as SIT Engineering Entrance Exam (SITEEE). Registration for these tests are done from the same portal as per the process mentioned below:

1. Register online on the website set-test.org (Registration closes on April 12, 2023). Note: No changes shall be permitted after the registration under any circumstances.

2. A candidate can appear for SET/SLAT/SITEEE on both the dates (May 06 and May 14, 2023). If a candidate appears for more than one test, the higher score will be considered for the final percentile calculation.

   Note: For Engineering, if a candidate applies to seek admission on the basis of test other than SITEEE, he/she need not register for SITEEE; rather he/she may apply directly to the concerned institute through the institute website (https://www.sitpune.edu.in/ and https://sitnagpur.edu.in/).

3. Upload your latest scanned colour passport size photo at the time of Online Registration. (Your photograph should not be more than 3 months old).

4. Ensure that the information you have filled is accurate. No changes shall be permitted after the registration under any circumstances. Candidates are fully and solely responsible to provide correct information during the application process. If it is found that any information provided by the candidate at the time of filling / submitting the application form is not true, SIU has the right to cancel the application or admission, at any stage, in accordance with its rules and regulations. Any direct or indirect attempt to influence the management and employees of the Institute will lead to automatic disqualification of the candidate.

5. All communication with candidates will be done through the official email address (info@set-test.org) only. Please ensure that this email address is whitelisted in your registered email.

Candidate should note that SET/SLAT/SITEEE 2023 is only the first step. Each Symbiosis institute has its subsequent independent selection process.

Day and Date	Time	Entrance Test	Institutes
May 06, 2023 (Saturday) and May 14, 2023 (Sunday)	9:00 AM to 10:00 AM	SLAT	Symbiosis Law School [SLS] - Pune Symbiosis Law School [SLS] -Noida Symbiosis Law School [SLS]- Hyderabad Symbiosis Law School [SLS] - Nagpur
May 06, 2023 (Saturday) and May 14, 2023 (Sunday)	11.30 AM to 12.30 PM	SET	Symbiosis Institute of Computers Studies and Research [SICSR] Symbiosis Centre for Management Studies [SCMS] - Pune Symbiosis Center for Media & Communication [SCMC] Symbiosis School of Economics [SSE] Symbiosis Centre for Management Studies [SCMS]-Noida Symbiosis School for Liberal Arts [SSLA] Symbiosis Centre for Management Studies [SCMS]-Nagpur Symbiosis Centre for Management Studies [SCMS]-Bengaluru Symbiosis Centre for Management Studies [SCMS]-Hyderabad Symbiosis Statistical Institute (SSI), Pune
May 06, 2023 (Saturday) and May 14, 2023 (Sunday)	02.00 PM to 03.00 PM	SITEEE	Symbiosis Institute of Technology [SIT], Pune Symbiosis Institute of Technology [SIT], Nagpur

B. Modes of payment

Candidates may pay through –

i) Billdesk Payment Gateway
ii) EASEBUZZ Payment Gateway
iii) Indian Bank Payment Gateway
iv) Demand Draft.

The entrance test registration fee for SET/SLAT/SITEEE is INR 1950/- per test. (Non- refundable and non-transferable).

In addition to that, you are also expected to pay the programme registration fee of INR 1000/- for each programme that you wish to apply for. (Non-refundable and non-transferable)

Payment Through Demand Draft:

Submit a Demand Draft (DD) from any Nationalized Bank in favour of "Symbiosis Test Secretariat" payable at Pune.

Choose the mode of Payment as 'DD Payment' in "Make Payment" Tab. Take a print of the payment advice form, fill in the DD Details, sign and send it along with the DD to the Symbiosis Test Secretariat only at:

SYMBIOSIS TEST SECRETARIAT
SYMBIOSIS INTERNATIONAL
(DEEMED UNIVERSITY)
Gram: Lavale, Tal: Mulshi, Dist.: Pune – 412115
Phone: 020-61936226/27.

The Symbiosis Test Secretariat will authenticate the details of Demand Draft and will send you an email confirming the payment. Only after the realization of payment, would you be able to view your Admit Card.

IMPORTANT: SET/SLAT/SITEEE 2023 fee is non-refundable and non-transferable.

Note:

1. Please note that Symbiosis Test Secretariat will not be responsible for non-delivery or any delay on the part of courier / postal services.

2. It is also mandatory to complete the payment process of desired institute for desired programme(s) before the closing date of payment of the respective programme. Payment towards the programme(s) also needs to be done through the website set-test.org only.

   For disputes between the candidate and the Symbiosis Test Secretariat, the candidate should first send an Email to registrar@siu.edu.in with details about his/her grievance. If the candidate is not satisfied with the decision of the Registrar, he/she can appeal to the Ombudsman of the University. Information regarding the same is available in https://siu.edu.in/student-affairs.php. All disputes between the candidate and STS in this regard are subject to the legal jurisdiction of Pune.

3. SET/SLAT/SITEEE 2023 Score will be valid only for admission to select programmes of Symbiosis International (Deemed University) for the academic year 2023-24.

4. Admissions to the select programmes at SIU are strictly based on merit, assessment of individual performance in the respective Entrance Test for Undergraduate Studies and other processes prescribed by the University.

   (Note: - SET/SLAT/SITEEE Result will be declared on Wednesday, May 24, 2023, on set-test.org and will be available up till Monday, June 26, 2023).

C. The Institutes and Programmes for which SET/SLAT/ SITEEE is mandatory.

SIU announces the four-year degree programme with multiple entry and exit options as envisioned in the NEP 2020*. The highlights of the new programme offerings are as under

- The Programme framework allows exciting options to pursue single major, double majors, minors, opportunity to pursue multidisciplinary, Ability and Skill enhancement courses.
- Offers a good blend of immersive learning, research and community engagement
- Includes opportunities for semester exchange programmes with foreign universities
- Offers the following exit options
  a) A Certificate at the end of the first year of the programme with 44 credits
  b) A Diploma at the end of the first two years of the programme with 84 credits
  c) A UG Degree at the end of 3 years of the programme with 120 credits
  d) A UG Degree with Honours / Research at the end of the 4 years of the programme with 160 credits
- Offers option of Re-entry within 3 years of exit and 7 years as the maximum permissible period to complete the programme.
* Not applicable for programmes under SLAT, SITEEE and SSLA.

D. The Institutes and Programmes for which SET/SLAT/SITEEE is not mandatory –

Sr.	Name of the Institute	Name of the Programmes
1	Symbiosis Institute of Technology (SIT)* (Pune and Nagpur)	B. Tech
2	Symbiosis Institute of Health Sciences (SIHS)	B.Sc. (Medical Technology)
		B. Sc (Radio Technology)
		B.Sc (Mental Health)
3	Symbiosis College of Nursing (SCON)	B.Sc. (Nursing)
4	Symbiosis School of Visual Arts and Photography (SSVAP) [Formerly Symbiosis School of Photography (SSP)]	B.A. (Visual Arts and Photography)
5	Symbiosis Institute of Design, Pune (SID)	B. Des.
6	Symbiosis School of Planning, Architecture and Design, Nagpur (SSPAD)	B. Des.
7	Symbiosis School of Culinary Arts (SSCA)	B.Sc. (Culinary Arts)
		B.Sc. (Hospitality and Culinary Management)
8	Symbiosis School of Sports Sciences (SSSS)	B. Sc. (Sport & Exercise Science)

* **The Symbiosis Institute of Technology (SIT) (Pune and Nagpur) also admit students through JEE Mains/ MHT-CET/ other state-level entrance test.**

** **Symbiosis School for Liberal Arts (SSLA): Candidates who have a valid score of SAT may enter the details provided in the registration form under SSLA.**

Note:

Symbiosis Institute of Health Sciences (SIHS), Symbiosis School of Nursing (SCON), Symbiosis School of Visual Arts and Photography (SSVAP) "[Formerly Symbiosis School of Photography (SSP)], Symbiosis Institute of Design, Pune (SID), Symbiosis School of Planning, Architecture and Design, Nagpur (SSPAD), Symbiosis School of Culinary Arts (SSCA) and for Symbiosis School of Sports Sciences (SSSS) should visit the respectiveinstitute website for further details.

E. The cities where SET/SLAT/SITEEE will be conducted:

SSET/SLAT/SITEEE 2023 will be conducted in CBT mode across 76 cities all over India. A candidate may choose three preferences of test cities of the following:

Sr No	State	City
1	Bihar	Patna
2	Jharkhand	Dhanbad
3	Jharkhand	Jamshedpur
4	Jharkhand	Ranchi
5	ODISHA	Bhubaneshwar
6	ODISHA	Cuttack
7	Andhaman & Nicobar	Port Blair
8	Assam	Dibrugarh
9	Assam	Guwahati
10	Meghalaya	Shillong
11	Sikkim	Gangtok - Bardang
12	West Bengal	Asansol
13	West Bengal	Hooghly - Kalyani
14	West Bengal	Kolkata
15	West Bengal	Siliguri
16	Delhi NCR	Delhi - Gurugram
17	Delhi NCR	Faridabad
18	Delhi NCR	Noida - Greater Noida - Ghaziabad
19	Uttar Pradesh	Meerut
20	Uttar Pradesh	Agra
21	Uttar Pradesh	Aligarh
22	Uttar Pradesh	Bareilly
23	Uttar Pradesh	Jhansi
24	Uttar Pradesh	Kanpur
25	Uttar Pradesh	Lucknow
26	Uttar Pradesh	Prayagraj (Allahabad)
27	Uttar Pradesh	Varanasi
28	Uttarakhand	Dehradun
29	Uttarakhand	Roorkee
30	Rajasthan	Ajmer
31	Rajasthan	Jaipur
32	Rajasthan	Jodhpur
33	Rajasthan	Kota
34	Haryana	Ambala
35	Himachal Pradesh	Bilaspur
36	Jammu and Kashmir	Jammu
37	Punjab	Chandigarh - Mohali
38	Punjab	Jalandhar

Sr No	State	City
39	Punjab	Amritsar
40	Punjab	Patiala
41	Andhra Pradesh	Vijayawada
42	Andhra Pradesh	Visakhapatnam
43	Karnataka	Belagavi (Belgaum)
44	Karnataka	Bengaluru
45	Karnataka	Mangaluru (Mangalore)
46	Karnataka	Mysuru (Mysore)
47	Telangana	Hyderabad
48	Kerala	Ernakulam - Kochi
49	Kerala	Kottayam
50	Kerala	Kozhikode
51	Kerala	Thiruvananthapuram
52	Kerala	Thrissur
53	Tamil Nadu	Chennai
54	Tamil Nadu	Coimbatore
55	Tamil Nadu	Madurai
56	Goa	Panaji - Madgaon
57	Gujarat	Ahmedabad - Gandhinagar
58	Gujarat	Rajkot
59	Gujarat	Surat
60	Gujarat	Vadodara
61	Maharashtra	Ahmednagar
62	Maharashtra	Amravati
63	Maharashtra	Aurangabad
64	Maharashtra	Kolhapur
65	Maharashtra	Mumbai
66	Maharashtra	Nagpur
67	Maharashtra	Nashik
68	Maharashtra	Navi Mumbai
69	Maharashtra	Pune
70	Maharashtra	Thane District
71	Chattisgarh	Bhilai Nagar
72	Chattisgarh	Bilaspur
73	Chattisgarh	Raipur
74	Madhya Pradesh	Bhopal
75	Madhya Pradesh	Indore
76	Madhya Pradesh	Jabalpur

Note:

1. No change of test city requests will be entertained once candidate has completed payment for SET/SLAT/SITEEE 2023. Test City allocation is made based on date of payment for SET/SLAT /SITEEE. The earlier you pay, the higher chances of securing a Test City of your choice.

2. It is advisable that candidate decides prior to registration, which test(s) he/she wants to appear for as in a computer-based test, the test center capacities are limited.

3. The Test Centre and its address will be printed on the Admit Card.

4. While all efforts will be made to ensure that the candidate gets a test city as per his/her preferences, however, in some exceptional circumstances, a different test city in a nearby area may be allotted.

5. Symbiosis Test Secretariat reserves the right to change or allot a city other than the one requested by the candidate in the event of the requested city not being available for any reason.

F. Procedure of Programme Payment:

A candidate desirous to submit his candidature to select UG programmes, is also required to complete the payment process of desired programme before the closing date of payment of the same. Payment towards the programmes must be made through the website only (set-test.org). After making the payment for SET/SLAT/SITEEE, proceed to complete the online registration form (Part II) for Programme (s) registration and the respective institute(s). A candidate is required to make separate non-refundable and non-transferable payment of INR 1000/- per programme per institute at this stage.

If candidates want to pay programme payment through Demand Draft, make Demand Draft of INR 1000/- for each programme in the name of "Symbiosis Test Secretariat".

The institutes and their programmes are as follows:

Sr. No	Institute	Programme
1	Symbiosis Law School. [SLS] – Pune www.symlaw.ac.in	Bachelor of Arts & Bachelor of Laws B.A (LL.B.) Hons.
		Bachelor of Business Administration & Bachelor of Laws B.B.A (LL.B.) Hons.
2	Symbiosis Institute of Computer Studies and Research [SICSR] www.sicsr.ac.in	Bachelor of Computer Applications (BCA)
		Bachelor of Business Administration (Information Technology) BBA – (IT)
3	Symbiosis Centre for Management Studies [SCMS] – Pune www.scmspune.ac.in	Bachelor of Business Administration (BBA)

Sr. No	Institute	Programme
8	Symbiosis School for Liberal Arts [SSLA] www.ssla.edu.in	Bachelor of Arts (B.A)- (Liberal Arts) Hons. Bachelor of Science (B. Sc)- (Liberal Arts) Hons.
9	Symbiosis Law School- Hyderabad [SLS]- Hyderabad www.slsh.edu.in	Bachelor of Arts & Bachelor of Laws B.A (LL.B.)
		Bachelor of Business Administration & Bachelor of Laws (B.B.A LL.B.)
10	Symbiosis Law School- Nagpur [SLS]- Nagpur www.slsnagpur.edu.in	Bachelor of Arts & Bachelor of Laws B.A (LL.B.)
		Bachelor of Business Administration & Bachelor of Laws (B.B.A LL.B.)
11	Symbiosis Centre for Management Studies- [SCMS]- Nagpur www.scmsnagpur.edu.in	Bachelor of Business Administration (BBA)
12	Symbiosis Institute of Technology [SIT], Pune https://www.sitpune.edu.in/	Bachelor of Technology (Artificial Intelligence and Machine Learning)
		Bachelor of Technology (Civil Engineering)
		Bachelor of Technology (Computer Science and Engineering)
		Bachelor of Technology (Electronics and Telecommunication)
		Bachelor of Technology (Mechanical Engineering)
		Bachelor of Technology (Robotics and Automation]
13	Symbiosis Centre for Management Studies- [SCMS], Bengaluru https://scmsbengaluru.edu.in/	Bachelor of Business Administration (BBA)
14	Symbiosis Centre for Management Studies- [SCMS], Bengaluru https://scmsbengaluru.edu.in/	Bachelor of Business Administration (BBA)
15	Symbiosis Centre for Management Studies- [SCMS],Hyderabad	Bachelor of Business Administration (BBA)
16	Symbiosis Statistical Institute (SSI) https://ssi.edu.in/	Bachelor of Science (Applied Statistics and Data Science)

Note:

Even after closing of the payment for SET/SLAT/SITEEE 2023, a candidate may still pay through website till the last date of payment for the programme(s). An institute may offer more than one programme. A candidate should ensure that the preferred programme(s) is / are selected and paid before the last date.

Indian nationals and NRI candidates shall have to apply under SET/SLAT/SITEEE 2023 to seek admission to the select Undergraduate programmes of Symbiosis International (Deemed University).

A student is eligible to apply as a Non-Resident Indian (NRI) if he/she has appeared for either 10th or 10+2 (equivalent to the Indian 10th or 12th) examination outside India. It is mandatory for NRI students who have appeared for their 10th standard exam outside India and 12th in India to appear for SET/SLAT/SITEEE as applicable.

However, OCI/ PIO/ Foreign Nationals are exempted from appearing for SET/SLAT/SITEEE 2023 and have to apply through Symbiosis Center for International Education (www.scie.ac.in). For details regarding OCI/PIO/ NRI/FN admission process, please refer to Sub Section J: Process for International Candidates.

After the declaration of the SET/SLAT/SITEEE 2023 result, the institute (offering the programme(s) for which you have paid) will conduct further selection processes for short-listed candidates. The schedule for the same will be published on the website of the respective institute(s).

Any attempt to impersonate or indulge in any malpractice, identified at any stage of the admission process would disqualify the candidate from the admission processes to all UG programmes of Symbiosis International (Deemed University) and may also lead to appropriate legal action as deemed fit.

G. Reservation Policy of SIU:

Reservation Policy

As per the UGC guideline 2006, the reservation policy for all the institutes under the University is as follows:

a. Within Sanctioned Intake –

- Scheduled Caste (SC) : 15%
- Scheduled Tribes (ST) : 7.5%
- Differently Abled # : 3%
- Children/wards of Defence Personnel : 5 % for SLS-Pune, SICSR.

* The definition for Children / Wards of Defence Personnel is:

The term Defence Personnel would mean only those serving / retired Defence personnel from Army, Navy, Air Force. Retired defence personnel are those who fall in the category of ex- servicemen as laid down in Ministry of Defence letter no 36035/5/85- Estt (SCT) dated 14 April 1987. It includes children of defence personnel who died while in service or after retirement.

b. Over & Above Intake :

Kashmiri Migrants and Kashmiri Pandits / Kashmiri Hindu Families living in Kashmiri Valley (Non-Migrants)	2 seats per programme
International Candidates	a maximum of 20%

Note:

- Candidates applying for any of the above-mentioned categories will be required to upload their relevant supporting documents at the time of registration and the same will be verified at the time of PI-WAT/ST-PI.

- Candidates applying for Children/wards of Defence Personnel other than above mentioned two institutes (SLS-Pune and SICSR) will be considered as candidates in OPEN Category.

Differently Abled Category (DAC) at SIU

In compliance to Government directives on disability guidelines issued by the office of the Chief Commissioner for Persons with Disabilities vide Ministry of Social Justice & Empowerment, New Delhi notification no. 16-18/97 dated 01st June 2001 and University Grants Commission Notification No. F.6-1/2006 (CPP-II/SCT) dated 30/09/2009, SIU has made provision of reserving 3% seats for Differently Abled Category (DAC) candidates in all the programmes offered by all the Institutes of SIU.

The types of disabilities covered are: -

a) Vision Impairment

b) Hearing Impairment

c) Locomotors Disabilities

d) Mental Retardation

e) Multiple Disabilities

f) Dyslexia

A candidate claiming admission under DAC will be provisionally admitted under the said category. Thereafter, the candidate will be required to obtain an 'Authentication Certificate'. The candidate will have to get the disability certificate authenticated by Medical Board of Symbiosis University Hospital and Research Centre (SUHRC). Once the certificate is found authentic and correct by the Medical Board, SUHRC, his/her eligibility will be certified under the DA category.

\# Differently Abled (DA) candidate means a candidate having any of the disabilities in accordance with the Persons with Disabilities Act – 1995 and as per revised Gazette of India Registered no: DL – (N)04/0007/2003-16 dated December 28,2016. The candidate will have to get the disability certificate authenticated by Medical Board of Symbiosis University Hospital and Research Centre (SUHRC). Once the certificate is found authentic and correct by the Medical Board, SUHRC, his/her eligibility will be certified under the DA category. Process to be followed for Differently Abled Candidates (DAC):

A Differently Abled category candidate is requested to upload his/her Medical Certificate issued by a competent authority at the time of registration for ascertaining percentage of the disability. The candidate failing to do this will be considered under the Open Category.

Note – If a candidate selects a Differently Abled Category in the Registration form and s/he requires scribe/writer facility please note SIU will not be providing scribe/writer. The candidate has to make her/his own arrangement for scribe/writer. The qualification of scribe/writer should be a maximum 9th standard candidate or a maximum 9th standard passed candidate (Or Appearing 10th Standard). The scribe should not have completed studies beyond the 9th standard. Candidate should send the request to info@set-test.org , on or before April 12, 2023, in case scribe/writer is required.

During the test, as per SIU Examination norms, a Differently Abled Candidate is provided with 20 minutes of compensatory time for every 60 minutes of the test.

- A candidate applying under any of the reserved category (Scheduled Caste/ Scheduled Tribes/ Differently Abled/ Kashmiri Migrants/ Children/wards of Defence Personnel) are mandatorily required to upload and submit relevant document issued by competent authority. Any participation at any stage of admission process by such candidate is purely provisional and always subject to verification and authentication of such relevant document.

- In case a candidate falls under more than one of the above categories (e.g. Scheduled Caste as well as Differently Abled or any other combination), he would need to select any one Category (i.e. Either Scheduled Caste OR Differently Abled in the case of example mentioned above) at the time of filling up the registration form. The category selected by the candidate at the time of filling the registration form will be considered to be his category for the entire admission process and his benefits and entitlements shall be according to such selected category. He will not be able to claim benefit under the other category/s at any stage of admission on any account whatsoever.

- Please also note that if any information provided by the candidate in respect of his category is found to be incorrect, the University shall have right to cancel the candidature of such candidate.

H. Reservation of seats for Nagpur Domicile (SLS, Nagpur, SCMS, Nagpur and SIT, Nagpur):

1. 25% (Twenty-five percent) seats are reserved for candidates domiciled in Nagpur.

2. Meaning of 'Nagpur Domiciled' Candidates for admission to UG programme only.

3. UG programme 'Nagpur Domiciled' means persons, who are domiciled in Nagpur for a period of 5 (five) years as on the date of commencement of the academic year, and who have class XII from Maharashtra State Board or equivalent exam or Degree certificate or are appearing for the qualifying examination of Nagpur University before admission to the programme. For more information visit institute website

Please carry your following documents at the time of PI-WAT if shortlisted. Please note that if you do not have both these documents, you will not be allowed to appear for the PIWAT process and will be marked as ineligible for admission. No communication will be entertained in this regard.

1) Domicile certificate issued by the competent authority (Collector's office).

2) Standard 12th Marksheet. Applicants appearing Standard 12th can submit Bonafide certificate from the current institution and Standard 10th Mark sheet.

I. Programme Eligibility:

Sr. No.	Name of the Institute	Name of the Programme	Eligibility Criteria
1	**SLS- Pune**	Symbiosis Law School, (SLS) Pune [B.A. LL.B.] Honours	Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 45% marks or equivalent grade (40% marks or equivalent grade for Scheduled Caste / Scheduled Tribes).
		Symbiosis Law School, (SLS) Pune [B.B.A. LL.B.] Honours	
2	**SLS- NOIDA**	Symbiosis Law School, (SLS) NOIDA [B.A. LL.B.]	Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 45% marks or equivalent grade (40% marks or equivalent grade for Scheduled Caste / Scheduled Tribes).
		Symbiosis Law School, (SLS) Noida [B.B.A. LL.B.]	
3	**SLS- Hyderabad**	Symbiosis Law School, (SLS) Hyderabad [B.A. LL.B.]	Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 45% marks or equivalent grade (40% marks or equivalent grade for Scheduled Caste / Scheduled Tribes).
		Symbiosis Law School, (SLS) Hyderabad [B.B.A. LL.B.]	
4	**SLS- Nagpur**	Symbiosis Law School, (SLS) Nagpur [B.A. LL.B.]	Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 45% marks or equivalent grade (40% marks or equivalent grade for Scheduled Caste / Scheduled Tribes).
		Symbiosis Law School, (SLS) Nagpur [B.B.A. LL.B.]	
5	**SCMS- Pune**	Symbiosis Centre for Management Studies, (SCMS), Pune [B.B.A.]	Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes)
6	**SCMS- NOIDA**	Symbiosis Centre for Management Studies, (SCMS), NOIDA [B.B.A.]	Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes)
7	**SCMS- Nagpur**	Symbiosis Centre for Management Studies, (SCMS), Nagpur [B.B.A.]	Standard XII (10+2) pass or equivalent examination from any recognized board with minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste/ Scheduled Tribes).

Sr. No.	Name of the Institute	Name of the Programme	Eligibility Criteria
8	SICSR	Symbiosis Institute of Computer Studies and Research, (SICSR) [B.B.A.(Information Technology)]	Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste / Scheduled Tribes)
		Symbiosis Institute of Computer Studies and Research, (SICSR) [B.C.A.]	
9	SCMC	Symbiosis Centre for Media and Communication, (SCMC) [B.A.(Mass Communication)]	Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste/ Scheduled Tribes).
10	SSE	Symbiosis School of Economics, (SSE) [B.Sc. (Economics) Honours]	Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste/ Scheduled Tribes).
11	SSLA	Symbiosis School for Liberal Arts, (SSLA) [B.Sc. (Liberal Arts) Honours /B.A. (Liberal Arts) Honours]	Standard XII (10+2) pass or equivalent examination from any recognized board with minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste/ Scheduled Tribes).

Sr. No.	Name of the Institute	Name of the Programme	Eligibility Criteria
12	SIT, Pune	Symbiosis Institute of Technology, Pune • Symbiosis Institute of Technology, (SIT) Pune • Bachelor of Technology (Artificial Intelligence and Machine Learning) • Bachelor of Technology (Robotics and Automation] • Bachelor of Technology (Civil Engineering) • Bachelor of Technology (Computer Science and Engineering) • Bachelor of Technology (Electronics and Tele-Communication Engineering) • Bachelor of Technology (Mechanical Engineering)	Passed Standard XII (10+2) or equivalent examination with Physics and Mathematics as compulsory subjects along with one of the Chemistry/ Biotechnology/ Biology/ Technical Vocational subject/ Computer Science/Information Technology/ Informatics Practices/ Agriculture/ Engineering Graphics/ Business Studies from any recognised Board with a minimum of 45% marks or equivalent grade (40% marks or equivalent grade for Scheduled Caste/ Scheduled Tribes). Passed 10+2 examination with Physics and Mathematics as compulsory subjects along with one of Chemistry/ Biotechnology/ Biology/Technical Vocational subjects. Obtained at least 45% marks or equivalent grade (40% marks or equivalent grade for Scheduled Caste/Scheduled Tribes) in the above subjects taken together. **B. Tech (Lateral Entry to Second Year) :** a) Passed Diploma examination from an AICTE approved Institution; with at least 45% marks or equivalent grade (40% marks or equivalent grade for Scheduled Caste /Scheduled Tribes) in ANY branch of Engineering / Technology. b) Passed B.Sc. Degree from a recognized University as defined by UGC, with at least 45% marks or equivalent grade (40% marks or equivalent grade for Scheduled Caste /Scheduled Tribes) and passed XII standard with mathematics as a subject. c) Provided that in case of students belonging to B. Sc. Stream, shall clear the subjects of Engineering Graphics / Engineering Drawing and Engineering Mechanics of the first year Engineering program along with the second year subjects. d) Provided further that, the students belonging to B. Sc. Stream shall be considered only after filling the supernumerary seats in this category with students belonging to the Diploma stream. e) Provided further that students, who have passed Diploma in Engineering and Technology from an AICTE approved Institution or B. Sc.Degree from a recognized University as defined by UGC, shall also be eligible for admission to the first year Engineering Degree courses subject to vacancies in the first year class in case the vacancies at lateral entry are exhausted. However the admissions shall be based strictly on the eligibility criteria as mentioned in a, b, c, and d above.

Sr. No.	Name of the Institute	Name of the Programme	Eligibility Criteria
13	**SCMS, Bengaluru**	Symbiosis Centre for Management Studies, (SCMS) Bengaluru [B.B.A.]	Passed Standard XII (10+2) or equivalent examination from any recognized board with minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste/ Scheduled Tribes).
14	**SIT, Nagpur**	Symbiosis Institute of Technology, Nagpur • Bachelor of Technology (Computer Science and Engineering)	Passed 10+2 examination with Physics and Mathematics as compulsory subjects along with one of Chemistry/ Biotechnology/ Biology/ Technical Vocational subjects. Obtained at least 45% marks or equivalent grade (40% marks or equivalent grade for Scheduled Caste /Scheduled Tribes) in the above subjects taken together. **B. Tech (Lateral Entry to Second Year) :** a) Passed Diploma examination from an AICTE approved Institution; with at least 45% marks or equivalent grade (40% marks or equivalent grade for Scheduled Caste /Scheduled Tribes) in appropriate branch of Engineering / Technology. b) Passed B.Sc. Degree from a recognized University as defined by UGC, with at least 45% marks or equivalent grade (40% marks or equivalent grade for Scheduled Caste / Scheduled Tribes) and passed XII standard with mathematics as a subject. c) Provided that in case of students belonging to B. Sc. Stream, shall clear the subjects of Engineering Graphics / Engineering Drawing and Engineering Mechanics of the first year Engineering program along with the second year subjects. d) Provided further that, the students belonging to B. Sc. Stream shall be considered only after filling the supernumerary seats in this category with students belonging to the Diploma stream. e) Provided further that students, who have passed Diploma in Engineering and Technology from an AICTE approved Institution or B. Sc. Degree from a recognized University as defined by UGC, shall also be eligible for admission to the first year Engineering Degree courses subject to vacancies in the first year class in case the vacancies at lateral entry are exhausted. However the admissions shall be based strictly on the eligibility criteria as mentioned in a, b, c, and d above.

Sr. No.	Name of the Institute	Name of the Programme	Eligibility Criteria
15	**SCMS, Hyderabad**	Symbiosis Centre for Management Studies-, (SCMS) Hyderabad [B.B.A.]	Passed Standard XII (10+2) or equivalent examination from any recognized board with minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste/ Scheduled Tribes).
16	**SSI, Pune**	Symbiosis Statistical Institute, (SSI) [B. Sc. (Applied Statistics and Data Science)]	Passed Std. XII (10 + 2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes), with Mathematics as one of the subjects.

Disclaimer:

Candidates are advised to check the eligibility criteria for the programme(s) which they are desirous to pursue. SIU / Institute will not be responsible, if the candidate applies for programme(s) for which he/she is not eligible.

Every candidate is urged to note that no donation or capitation fee is required to be paid for admission to any of the Symbiosis institutes. Parents and students are cautioned against falling prey to any such assurance/ offer by any individual or outside agency.

J. Process for International Candidates:

Admissions of international students are centralized for all the constituent institutes of Symbiosis International Deemed University and are routed through the Symbiosis Center for International Education (SCIE).

SCIE earmarks 20% of the total intake of the respective program for international students which include, Foreign Nationals (FN), Person of Indian Origin (PIO) Card Holders, Overseas Citizens of India (OCI) Card Holders, and Non-Resident Indians (NRI).

Foreign National (FN):

A student is eligible to apply as a Foreign National (FN) if he/she is a citizen of any country other than India and holds a foreign passport.

Person of Indian Origin (PIO):

As per the Government of India notification dated 9th January 2015, all the existing Persons of Indian Origin cardholders registered as such shall be deemed to be Overseas Citizens of India cardholders.

Overseas Citizen of India (OCI):

A student is eligible to apply as OCI if he/she is granted with Overseas Citizenship of India and has an OCI card.

Non-Resident Indian (NRI):

A student is eligible to apply as a Non-Resident Indian (NRI) if he/she has appeared for either 10th or 10+2 (equivalent to the Indian 10th or 12th) examination outside India. It is mandatory for NRI students who have appeared for their 10th standard exam outside India and 12th in India to appear for the following exams as applicable. Please refer www.set-test.org for more details.

For SCMS (Pune/NOIDA/Nagpur/Bengaluru), SCMC, SICSR, SSE and SSLA – **Symbiosis Entrance Test (SET)**

For SLS (Pune/NOIDA/Hyderabad/Nagpur) – **Symbiosis Law Admission Test (SLAT)**

For SIT (Pune/Nagpur)– **Symbiosis Institute of Technology Engineering Entrance Exam (SITEEE)**

To assist candidates with their application to Symbiosis International (Deemed University) a detailed stepwise procedure is available on www.scie.ac.in. Interested candidates can apply online through their user-friendly online application facility. For more information, please write to intadmissions@symbiosis.ac.in

Entrance Test Structures

Structure of SLAT 2023

Date: May 06, 2023 (Saturday) and May 14, 2023 (Sunday)

Timing: 09.00 am to 10.00 am

Session	Entrance Test	Pattern	No of Questions	Marks
May 06, 2023 (Saturday) and May 14, 2023 (Sunday) 09.00 AM to 10.00 AM	**Symbiosis Law Admission Test (SLAT)**	Logical Reasoning	12	12
		Legal Reasoning	12	12
		Analytical Reasoning	12	12
		Reading Comprehension	12	12
		General Knowledge	12	12
		Total	**60**	**60**

Structure of SET 2023

Date: May 06, 2023 (Saturday) and May 14, 2023 (Sunday)

Timing: 11.30 am to 12.30 pm

Session	Entrance Test	Pattern	No of Questions	Marks
May 06, 2023 (Saturday) and May 14, 2023 (Sunday) 11.30 AM to 12.30 PM	**Symbiosis Entrance Test (SET)**	General English	16	16
		Quantitative	16	16
		General Awareness	16	16
		Analytical & Logical Reasoning	12	12
		Total	**60**	**60**

Structure of SITEEE 2023

		Mathematics	30	60
		Total	**60**	**120**

* **Note:** Depending on any unavoidable circumstances, the schedules as well as the nature/structure of the test can change, and all tests can be conducted entirely online or entirely offline or in a combination of both modes at the discretion of SIU.

Note: -

✓ **Please note that the SET/SLAT/SITEEE 2023 will be conducted in Computer Based Test (CBT) mode. ***

✓ **The duration of each test is of 60 minutes.**

✓ **Dates:**

Date of SET/SLAT/SITEEE 2023 and Time	
May 06, 2023 (Saturday) and May 14, 2023 (Sunday)	Time
SLAT	09.00 AM to 10.00 AM
SET	11.30 AM to 12.30 PM
SITEEE	02.00 PM to 03.00 PM

✓ **There is no negative marking for wrong answers.**

✓ All sections are mandatory.

A. Important Instruction regarding Test Day / Admit Card

i.   SET/SLAT/SITEEE 2023 Admit Card should be printed (color printouts only. B&W printouts will not be accepted) from the SET website [set-test.org]

ii.   If candidate has selected multiple tests, (s)he should carry separate Admit Cards for each test.

iii.   SLAT - May 06, 2023 (Saturday) and May 14, 2023 (Sunday) 09.00 am to 10.00 am. Please ensure that you arrive at your assigned Test Centre latest by 07.30 AM and occupy your assigned seat latest by 08.30 AM.

iv.   SET – May 06, 2023 (Saturday) and May 14, 2023 (Sunday) 11.30 am to 12.30 pm. Please ensure that you arrive at your assigned Test Centre latest by 10.00 AM and occupy your assigned seat latest by 11.00 AM.

v.   SITEEE – May 06, 2023 (Saturday) and May 14, 2023 (Sunday) 02.00 pm to 03.00 pm. Please ensure that you arrive at your assigned Test Centre latest by 12.30 PM and occupy your assigned seat latest by 01.30 PM.

vi.   Please ensure that your latest passport size, colour photograph is pasted on the Admit Card at the place provided for before appearing for the test (Your photograph should not be more than 3 months old).

vii.   Admit Card along with valid original Photo Identity proof should be carried to the Test Centre at the time of the test. An acceptable photo identity is any one of the following.

- Passport.
- Driving license.
- Voter ID Card.
- Pan Card
- AADHAR Card (UID)
- College ID Card

Note: Soft copy of identity proof will not be accepted.

viii.　An authorized person will verify and authenticate your Admit Card against the photo-id on the day of the test. Please preserve this authenticated Admit Card for further PI-WAT or ST-PI processes.

ix.　Candidates should note that an authenticated Admit Card is an important document without which the candidate will not be permitted to appear for further selection processes of SIU. If the Authenticated Admit card is lost, a duplicate Authenticated Admit Card will not be issued. It should be retained till the admission process is over.

x.　Cell phones, calculators, watch calculators, alarm clocks, digital watches with built in calculators/ memory or any electronic or smart devices are not allowed in the test hall.

xi.　Candidates will not be allowed to leave the test hall till the test is completed. After submission of the test, candidate will not be allowed to re-enter the test hall.

xii.　Candidates are advised to locate allocated test center at least a day in advance to avoid any issue on the day of the test. Candidates who reach the test centre late due to any reason, will not be allowed to enter the same under any circumstances after the gates are closed.

xiii.　Travel and staying arrangements will need to be done by the candidates.

xiv.　The scores published by the Symbiosis Test Secretariat shall be final and shall not be subject to any appeal or revaluation.

xv.　Differently Abled/ Scheduled Caste/ Scheduled Tribes / Kashmiri Migrants and Kashmiri Pandits/ Kashmiri Hindu Families (Non-Migrants) living in Kashmiri Valley category candidates are requested to upload their relevant document (s) while registering for the SET/SLAT/ SITEEE. Candidates failing to do this will be considered under the Open Category.

xvi.　Any attempt to impersonate or indulge in any malpractice, identified at any stage of the admission process would disqualify the candidate from the admission processes to all UG programmes of Symbiosis International (Deemed University) and may also lead to appropriate legal action as deemed fit.

xvii.　Any malpractice / use of unfair means will lead to your disqualification from the admission process of SIU. Instances of any incorrect information or process violation detected at any stage of the selection process will lead to immediate disqualification of the candidate from the selection process and he/she will not be allowed to appear for SIU Entrance Tests in the future. If such instances go undetected during the current selection process but are detected in subsequent years, such disqualification will take place with retrospective effect.

Shortlisting and Selection Process

Shortlisting for Personal Interaction and Writing Ability Test (PI-WAT) or Studio Test and Personal Interaction (ST-PI):

Candidates will be shortlisted for PI-WAT/ST-PI based on their respective Entrance Test marks. Please check the respective institute website for information and dates of PI-WAT/ST-PI.

** Disclaimer:

It is mandatory to attend all components / tests of PI-WAT/ST-PI to be eligible for admission to any UG programmes. Only candidates who attend all components / tests of selection process (PI-WAT/ST-PI) shall be considered as eligible for generation of merit / wait / reject list. Candidates who remain absent for any one of the component / tests will be considered as ineligible for selection process of UG degree programmes of SIU.

Merit List Declaration and Admission

Merit list will be based on the following parameters **:

Sr. No	Institute	Entrance Test Applicable	Entrance Test (60 marks)	PI-WAT (50 marks)		
			Scaled down to 50 marks	PI	WAT	Total
1	SLS, Pune (BA LLB & BBA LLB) Hons	SLAT	50	30	20	100

14	SCMC	SET	50	30	10	10	100
	BA (MC)						

**Subject to change

Category-wise cut off for Merit List and Wait List will be displayed on the website of the respective institutes. Wait list movement will depend upon the vacant seats available.

Please note that all admissions are provisional and will be confirmed on payment of fees on or before the due date and subject to fulfilment of eligibility conditions of the respective programme(s) and in accordance with the rules of the Symbiosis International (Deemed University).

Admission Process for International Students

To assist students with their application to Symbiosis International (Deemed University), a detailed stepwise procedure is available on the official website at www.scie.ac.in where students can avail the user friendly online application.

The application will be considered and authenticated only after SCIE receives full payment towards application fee. Foreign National students will pay the application fee along with the administrative fee after the receipt of pre offer letter.

Fees remitted must be exclusive of bank charges.

Category

- **Foreign National (FN):** A student is eligible to apply as a Foreign National (FN) if he/she is a citizen of any country other than India and holds a foreign passport.

- **Overseas Citizenship of India (OCI):** A student is eligible to apply as OCI if he/she is granted with Overseas Citizenship of India and has an OCI card.

- **Person of Indian Origin (PIO):** A student is eligible to apply as a Person of Indian Origin (PIO) if he/she has a PIO card, and is a citizen of a country other than India

[As per the Government of India Notification dated 9th January 2015, the existing Persons of Indian Origin card holder registered as such shall be deemed to be Overseas Citizens of India card holders (OCI).]

English Proficiency Test is mandatory for the foreign nationals / OCI / PIO students. Student has an option to either appear for IELTS (conducted by British Council) or IELA (conducted by Symbiosis). The minimum score required for IELTS is 6 and for IELA band 4.

- **Non Resident Indian (NRI):** A student is eligible to apply as a Non Resident Indian (NRI) if he/she is an Indian National and has appeared for either 10th or 10+2 (equivalent to the Indian 10th or 12th) examination outside India. It is mandatory for one of the two qualifying examinations to be given outside India.

  Entrance exam is not mandatory requirement

Recognition of Board and University

Admissions are in conformity with the guidelines set by the Association of Indian Universities and the Statutory Bodies of India like the Indian Nursing Council, All India Council for Technical Education, Bar Council of India, etc.

Only candidates who have the requisite qualification from foreign universities or Boards of Higher Education accredited and recognized by the Association of Indian Universities (AIU), Govt. of India, New Delhi are eligible to apply at Symbiosis institutes for admission.

If required, candidates will be asked to obtain the 'eligibility certificate/equivalency certificate' from the Equivalence branch, Association of Indian Universities (AIU), New Delhi on the given below address.

Association of Indian Universities

AIU House,
16 Kotla Marg,
New Delhi – 110 002
Tel No: +91 – 11 – 23230059
Fax No: +91 – 11 – 23232131
Email: info@aiuweb.org
Website: http://www.aiuweb.org

Eligibility

Prospective students must have completed 10+2 or equivalent examination from recognized Board/ University.

Students who have appeared for their 10+2 or equivalent examination and awaiting their final results are also eligible to apply subject to their passing before commencement of the program.

The following is a list of 10+2 level qualifications and their nomenclatures recognized in Symbiosis International University.

International Baccalaureate Diploma Programme (IBDP): In order to receive the IB diploma, students must complete examinations in six subject areas (3 at HL and 3 at SL) and successfully complete the core requirements including an Extended Essay (EE) of minimum 4000 words, Creativity Action Service (CAS) and Theory of Knowledge (TOK). Successful IB diploma candidates receive an IB Diploma and the transcript with Diploma Results stating "Diploma Awarded" listing the total IB diploma points score, the subject grades, the completion of all CAS requirements and individual grades for the combination of TOK and the EE.

International Baccalaureate Course (Certificate): AIU shall accord equivalence to IB Diploma Course (i.e. IB Certificate) provided that a student has secured a minimum of 24 credits and has passed a minimum of three subjects at Higher Level (HL) and three at Standard Level (SL).

GCE/IGCSE/GCSE: examinations of the approved British Examination Bodies, with Minimum 5/4 subjects in A, B, C Grades including English at ORDINARY("O") Level and 2/3 subjects at ADVANCED ("A")LEVEL has been equated with +2 stage qualification. Candidates intending to join Professional courses are required to have passed the subjects of Physics, Chemistry, Biology/ Mathematics in ADVANCED LEVEL & English at AS LEVEL.

Candidate having passed Ontario Secondary School Diploma of the Ministry of Education, Ontario should have acquired minimum 6 "U/M"(University Preparatory Courses).

Note:
- Students having compartments in their final results are not eligible for admission.

- Each program has specific eligibility criteria; please check the respective institute information for the same.
- The admission to the program is subject to fulfilment of the specific eligibility criteria.
- It is the responsibility of the student to ascertain whether they possess the requisite qualifications for admission.
- Completion of the application and payment of the application fee does not mean acceptance of eligibility.
- Final eligibility for admission will be decided by Symbiosis International University after submission of all the required documents.

Documents to upload at the time of online application
- 10th or equivalent Final Mark sheet.
- 10+2 or equivalent Final Mark sheet.
- (Both – front and back side of the mark sheet have to be uploaded. If the content in the marks sheet is not in English, then the certified English translated version must also be submitted in addition to the native language certificate.
- Predicted Score or Pre Board Marks (If awaiting for 12th Final results)

  (A Candidate's predicted score is an expected score, based on his or her performance on previous examination. Please note Predicted Score or Pre Board Score should be duly endorsed by the Principal of the School on the School Letter Head.)

Note: While applying candidate may not have their final result of the qualifying examination, in this case the candidate should upload Predicted Score or Pre Board Score duly endorsed by the Principal of the School on the School Letter Head. On declaration of the board results the candidate must upload the final result immediately. If the final board result is not uploaded immediately, the application will not be consider for merit list.

- Portfolio (Applicable only for students who wish to apply to Bachelor of Design Programme)
- 12th Hall Ticket (If waiting for 12th final results)
- Photocopy of Valid Passport

- Statement of Purpose (Write a description of yourself, stressing those personal qualities, assets and liabilities that you feel will influence your education. Describe what you feel is your most important professional / academic achievement till date. Write your Goals & Objectives of studying at Symbiosis International University (SIU). (Word Limit 1000 words))

Students who wish to apply to Bachelor of Design Programme:

- Why Design career? What are your career goals and future plans? What are your strengths and weaknesses? What are your hobbies? If they are among one / more of these – Painting, Sketching, Drawing, Craft, Model Making, Sculpting, Photography, upload five specimens of your work as visual examples of your hobbies, in high-resolution.jpeg file format by mail to intadmissions@symbiosis. ac.in

- Two Letters of Recommendations in original (The letter must be written by a teacher/ principal who has known you for a period of at least two years. The letter must mention the capacity in which he/she has known the student, the length of time he/she has known the student. The letter should attest the student's character, capabilities and the track record of achievement and excellence through leadership roles. The recommendation has to be on the school / College/ Institute letter head and duly signed along with the official stamp and seal of the said School/ College/ Institute.)

- IELTS Score Card/ Proof of IELTS Registration.(Not applicable for NRI students)

Document Verification & Evaluation

When online application reaches SCIE along with the payment of Application fee and all the required documents; SCIE will verify uploaded documents and check the requisite qualifications for admission. Application will be forwarded to the Admission Committee for Evaluation. The Admission Committee will shortlist the applications based on the previous academic track record, English Proficiency Test (if applicable), Statement of Purpose, Letters of Recommendation, CV (Curriculum Vitae).

For NRI Students
10+2 or equivalent Transcript - 90% weightage
Statement of Purpose - 5% weightage
2 Letters of Recommendation - 5% weightage

For OCI/PIO Students
10+2 or equivalent Transcript - 90% weightage
Statement of Purpose - 5% weightage
2 Letters of Recommendation - 5% weightage

For FN Students
10+2 or equivalent Transcript - 90% weightage
Statement of Purpose - 5% weightage
2 Letters of Recommendation - 5% weightage
A final verification of original documents will be done at the time of joining.

Please Note: Foreign National students will pay the application fee along with the administrative fee after the receipt of pre offer letter.

Merit List

After evaluation by Admission Committee, SCIE will send an email informing about the status of your admission. You will receive an offer letter through email depending on evaluations done on your application. Once you receive an offer letter, you need to confirm your intention of joining the said program by making a payment of administrative fee and part payment of annual academic fee within stipulated period mentioned in the offer letter.

Administrative & Part Payment of Annual Academic Fee:

*USD $ 550 towards administrative fee (Non-refundable). This includes eligibility, medical, insurance, admin and processing charges.(*50% concession has been given to the Foreign National Students on Administrative Fees)

USD $ 275 towards part payment of annual academic fee and institute deposit (refundable)

To make this payment, you will have to log on to https://scieaccounts.ishinfo.com/UGStudent Admission with your 'SCIE ID' and 'Password'. Accordingly follow Payment instructions mentioned in the link.

Kindly ensure that this payment is to be made within the stipulated date mentioned in the offer letter. The balance payment of annual academic fee is to be paid on or before the date of reporting.

Applicants who fail to make the payment within stipulated date will not be able to secure a provisional admission to 'Symbiosis International (Deemed University)' and their seat will be offered to the next applicant in the Waitlist.

Provisional Admission Letter

SCIE will issue a "Provisional Admission Letter" to the foreign national students who require the Student Visa, only after receipt of administrative and part payment of academic fee. Applicant can use this letter as a supporting document while applying for his/her student visa at the Indian Mission in his/her country.

Note:

The Visa should be Student Visa and should mention the name of "Symbiosis International (Deemed University)". Any other type of visa is invalid and final admission will not be granted to students who do not have a valid visa. For the interview at the Indian Embassy make sure that you carry relevant documents to prove how you intend to finance your education in India.

Reporting Mail

On confirmation of the receipt of administrative fee and part payment of academic fee, applicant will be considered as 'Provisionally Admitted' to Symbiosis International (Deemed University). Subsequently, SCIE will send the letter regarding the formalities to be completed at the time of reporting.

The student provisionally admitted to Pune campus have to report to SCIE and the student provisionally admitted to out of Pune campus will have to report to their respective institutes on the dates mentioned in the prospectus to complete the reporting formalities.

Kindly check the respective institute information in the prospectus or SCIE website for specific reporting date to SCIE and the respective institute.

Reporting Formalities

Medical Test

International students will have to undergo a medical examination. Medical check-up will be conducted at Symbiosis Centre for Health Care (SCHC) within the Campus. Collect the Medical Test Form for Medical Check-up. After undergoing medical test submit the counterfoil of the Medical Test form.

Payment Confirmation

Take the confirmation of Fee details from Accounts Department. Pay the balance amount or short fall if any.

Eligibility Formalities

The clearance of the Eligibility is an essential factor for admission to any program of Symbiosis International (Deemed University) (SIU). The admission will be provisional till the clearance of the same. The student is liable to fill the online Eligibility form and submit all the necessary documents mentioned above as per the category. Few documents which are not possible to be submitted at the time of reporting must reach at SCIE latest by 31st August. Students who fail to submit the documents within the stipulated date will not be allowed to appear for the semester I examination. They may have to forfeit the academic fee and may lose an academic year or face cancellation of admission (as per SIU rules).

Submission & Verification of all the required documents with originals

The students are advised to carry all original documents along with 2 sets of attested photocopies

Documents required from Foreign Nationals/ PIO/ OCI:

- 10th Std./Equivalent
- 12th Std./Equivalent
- 12th Std. Passing Certificate/ Provisional Certificate
- Portfolio (Applicable only for students who wish to apply to Bachelor of Design Programme)
- English Proficiency Test Result
- Gap certificate (applicable for students with the gap of one year or more)
- Migration certificate in Original (in case 12th from Indian Board)
- Transfer certificate in Original (in case 12th from Indian Board)
- Passport
- PIO card (only for PIO students)
- OCI Card (only for OCI students)
- Citizen card (only in case of Nepali nationals)
- Valid VISA (not applicable for Nepal & Bhutan students)
- Valid Residential Permit (not applicable for Nepal & Bhutan students)

Documents required from NRI:

- 10th Std./Equivalent
- 12th Std./Equivalent
- 12th Std. Passing Certificate/ Provisional Certificate
- Portfolio (Applicable only for students who wish to apply to Bachelor of Design Programme)
- Gap certificate (applicable for students with the gap of one year or more)
- Migration certificate in Original (in case 12th from Indian Board)
- Transfer certificate in Original (in case 12th from Indian Board)
- Passport
- Please ensure you carry all original documents for verification including passport.

- The students provisionally admitted to Pune campuses have to report to SCIE and the students provisionally admitted to out of Pune campuses will have to report to their respective institutes on the date mentioned in the prospectus in order to complete the reporting formalities.
- Joining Letter to respective institutes (Applicable to Pune Campus)
- Before you proceed to your respective institute ensure that you have collected the Joining Letter duly signed and stamped. Submit your 'Joining Letter' to the International Students' Coordinator of your institute and complete the remaining formalities at the institute like payment of hostel fee, mess fee, uniform fee, etc. which are not included in annual academic fee.

Payment Information Important Points to be noted

- Except students from Nepal and Bhutan, it is mandatory for all the students to make all the transactions in USD currency.
- The payment has to be made in USD value.
- Authentication of all the payments will be made only after its realization in SIU account.
- Incomplete details of the payment (either through SWIFT/ RTGS/ NEFT) will not be entertained.
- The application fee, IELA fee and administrative fee is not refundable.
- Kindly note that currency exchange rate for all the transactions will be at actuals and student will have to bear all applicable transaction charges or card payment charges.
- The applicant must upload the SWIFT/NEFT/RTGS transaction copy and fill the transaction details in the payment window of online registration portal.
- The bank details are available in the payment window of online registration portal.
- For more information about payment, you can contact us on +91 020 25925266.

Application Fee (Non-Refundable):

- **Foreign National (FN):** USD $ 65 (As per SIU internationalization mission)
- **Non Resident Indian (NRI):** USD $120
- **Overseas Citizen of India (OCI):** USD $120
- **Person of Indian Origin (PIO):** USD $120

International English Language Assessment (IELA) Examination:

US Dollars 50 (Non Refundable)

Students enrolling for the 'International English Language Assessment' exam will have to pay the 'IELA examination fee'.

During the Online Application, the system will prompt you about IELA details and accordingly, at the time of payment this fee will be added along with your 'Application fee'. Note - Your application will be considered and authenticated only after SCIE receives full payment.

Administrative and part payment of Annual Academic fee:

- USD $ 550 is the Administrative fees for NRI, OCI & PIO students

- USD $ 275 is the Administrative fees for the Foreign National Students

- After assessing and evaluating the application, SCIE will send an offer letter to selected candidates. Once the candidate receives the offer letter, he/ she will need to confirm his/her intention of joining the said program by making a payment of 1st installment, the amount mentioned in the offer letter.

- In case of Foreign National students, SCIE will issue a Provisional Admission Letter (PAL) only after receiving this payment to enable candidates to apply for a visa.

Note :

- Pre-Induction Charges (if any) and 'Administrative fee' are non-refundable.

Modes of payment:

Once you complete your Online Application, the system will prompt you to select the mode of payment and accordingly it will guide you through the procedure.

Online Payment:

You can make your payment by using an International Credit / Debit Card.

Offline Payment:

- **NEFT/RTGS Transfer: (Only For Nepalese and Bhutanese Students)**

  Students who wish to make any of their payments through NEFT/RTGS transfer must approach a bank and request for a NEFT/RTGS transfer. Please mention student's name and SCIE ID while making the transaction.

  Please ensure you upload the bank transaction copy and fill the transaction details in the payment window of online registration portal along with the UTR number.

  The bank details are available in the payment window of online registration portal.

- **Swift Transfer:**

  (Applicable to All Students, except students from Nepal and Bhutan)

  Students who wish to make any of their payments through swift transfer must approach a bank in their home country and request for a Swift transfer. Please mention student's name and SCIE ID while making the transaction.

  Students to ensure that they upload the bank transaction copy and fill the transaction details in the payment window of online registration portal.

  The bank details are available in the payment window of online registration.

Scholarships:

Symbiosis has announced the Golden Jubilee Scholarship in celebration of 50 glorious years of offering quality education to International students

Special Scholarships for Foreign Nationals only as below

- All Undergraduate Programs (Except MBBS) - USD $ 1300 per year

- All MBA Programs - USD $ 2600 per year

- All Other Post Graduate programs: USD $ 1950 Per year

- One time Application fees USD $ 65

- English Test Fees (if Applicable) USD $ 50

- One time Administrative fees USD $ 275

- Annual Hostel Fees USD $850 per year (if applicable)

- Annual Meal Plan USD $ 560 per year (if applicable)

Exceptions:

This policy does not cover the following categories:

- Indian, NRI, OCI and PIO students

- International Students on short term programs

- Doctoral programs

- Part time programs

EXAMINATIONS:

Programme: The programmes conducted by the University follow semester/ annual pattern. A programme means a set of pre-defined courses selected from the Course Catalogue and approved by the Academic Council of the University. Successful completion of the courses will lead to the award of a Degree or Diploma e.g. Master of Business Administration.

Programme Outcome: Programme outcome represents broad statements that incorporate many areas of inter-related knowledge and skills developed over the duration of the programme through a wide range of courses and experiences.

Course Catalogue: A set of approved courses that includes the course objectives, syllabi, pedagogy and assessment approaches.

Course: A course means an individual subject that would be included from the course catalogue to become a part of the pre-defined courses of a programme e.g. Marketing Management.

Audit Course: Audit courses are the courses which are offered as additional/ optional learning opportunities over and above the programme requirements. They shall not exceed 10% of the semester credits in which it is offered and will be reflected as 'Pass' grade courses (only if, completed successfully) and would not contribute to the GPA/ CGPA.

Course Outcome: Course outcomes are statements clearly describing the meaningful, observable and measurable knowledge, skills and/ or dispositions that students will learn in the course.

Term: A term in semester pattern means one semester and in annual pattern means one year.

Semester: A semester consists of a minimum of 90 days of teaching-learning and requires about five months to complete. Any programme of 2 years duration will have 4 semesters, any programme of 3 years duration will have 6 semesters, any programme of 4 years duration will have 8 semesters and the programme of 5 years duration will have 10 semesters.

Credit: A credit is defined as follows:

a) 1 Credit = 12 hours of face to face contact sessions including continuous assessment as per SIU norms: not exceeding 2 hours* + 3 hours for continuous assessment linked to experiential learning.

b) 1 Credit = 30 hours of Laboratory or Studio or practical hours

c) 1 Credit = 60 hours of Internship/ Project/ Dissertation

d) For courses which employ combination of practical and theory, the practical hour be converted to contact hours in the ratio of 1:2 meaning 1 face to face contact hour = 2 hours of practical (Lab and/ or Studio hours)

Assessment: The assessment includes continuous and term-end assessment. Continuous assessment in general, is formative while the term-end assessment is summative in nature.

Term-End Assessment: At the end of every term the University shall conduct 'Term-end' examination, under its supervision and jurisdiction.

Continuous Assessment: The University has adopted the policy of continuous assessment, which shall be carried out by the respective constituents in accordance with the rules and regulations of the University. Continuous assessment aims at multi-level assessment and may include components like class room/ online test, surprise tests, open book test, research essay, assignments, quizzes, case studies, practical, presentations, viva and others as approved by the Board of Studies of the respective Faculty. All the components of assessment should be spread across the term. Award of marks for attendance should be strictly avoided.

Examination: The examination is the entire process of assessment carried out at the Constituent and University level which includes both continuous and term-end assessment.

Examination Season: Each academic year is divided into two examination seasons. Generally, one will be called as ODD season and the other will be EVEN season. All examinations held between September to December will be counted as held in ODD season. All examinations held between January to June will be counted as held in EVEN season. Unless change occurs due to unforeseen circumstances.

Term Not Granted (TNG): Minimum 75% attendance in aggregate is mandatory for all the students to be eligible to appear for the term end examination of all courses of the term. If the aggregate attendance and attendance in each and every course is below 75% then the student will not be granted the permission to appear for the term-end examination.

Course Not Granted (CNG): If a student falls in TNG category (i.e. aggregate attendance is less than 75%), then the CNG rule is applied, by checking course wise attendance. In the course/s where the student has more than 75% attendance, he/ she may be allowed to appear for the examination and the remaining courses are termed as 'Course Not granted'.

Allowed To Keep Terms (ATKT)

ATKT Rules for 3 Year to 5 Year Programmes

A student will attend classes of all the years with his/ her batch. The following rule will be applicable as per the total number of semesters in a programme:

He/ she cannot appear for Term End Examination of Semester-5 if he/ she has CGPA less than 4.00 up to **Semester-2.**

He/ she cannot appear for Term End Examination of Semester-6 if he/ she has CGPA less than 4.00 up to **Semester-3.**

He/ she cannot appear for Term End Examination of Semester-7 if he/ she has CGPA less than 4.00 up to **Semester-4.**

He/ she cannot appear for Term End Examination of Semester-8 if he/ she has CGPA less than 4.00 up to **Semester-5.**

He/ she cannot appear for Term End Examination of Semester-9 if he/ she has CGPA less than 4.00 up to **Semester-6.**

He/ she cannot appear for Term End Examination of Semester - 10 if he/ she has CGPA less than 4.00 up to **Semester-7.**

Validity of Terms for Under Graduate Degree Programmes

Students admitted to the under graduate degree programmes of the University are allowed to keep term for a period of two years from the date of admission beyond the normal period of the programme, i.e. a student joining three years programme must complete the programme in five years from the date of admission.

Expiry of Validity

Students who are not able to complete their programme within the stipulated period will have to take fresh admission to the programme as per the prevalent rules and his/ her performance at the examinations and the terms kept earlier will be treated as null and void.

Global Immersion Programme (GIP):

GIP is a special feature of SIU wherein student gets an opportunity to study abroad for a semester at the University of their choice. Students go to the partner Universities and study some courses. Courses offered by foreign partner Universities are studied carefully and adapted into SIU curriculum in such a way that a student can choose the courses of his/ her choice which are equivalent to the regular courses at SIU.

To be eligible for GIP the student should have obtained more than 7 CGPA/ GPA out of 10 in the previous semester or as an average across all previous semesters, with good conduct. The student should not have any backlog or Terms Not Granted (TNG) in any semester (they must have 75% attendance in each semester).

Re-evaluation: It is a mechanism which facilitates the students to get the answer scripts reassessed by a different examiner.

Credit Point System for Under Graduate Programmes

- UG Programmes will be conducted on semester / annual pattern over a period of three/ four/ five years consisting of six/ eight/ ten semesters.

- Credits for UG Programme shall not exceed a total of 50 per year.

- Each credit is assessed for 25 marks at the UG level, unless otherwise explicitly mentioned by the respective statutory councils.

Choice Based Credit System (CBCS):

- Cumulative Grade Point Average (CGPA) System for Academic Programmes.

- All programmes of University shall follow the total credits as recommended by Board of Studies and approved by the Academic Council and will adhere to the distribution of continuous evaluation and term end examination prescribed in the approved programme structure.

- Over and above, Integrated Disaster Management, Core Environmental Studies and Fitness for Life courses are mandatory for award of Degree.

- There is no provision to appear in exam to improve marks or grades

Relative Grading: The grading of students will be done based on the relative performance of the students compared to the class. The students will be awarded letter grades.

Calculation of Grade Points corresponding to grades based on relative grading:

Letter Grade	Proportion	Grade Point
O (Outstanding)	Top 3%	10
A+ (Excellent)	12%	9
A (Very Good)	21%	8
B+ (Good)	28%	7
B (Above Average)	21%	6
C (Average)	12%	5
P (Pass)	Bottom 3%	4
F (Fail)		0
AB (Absent)		0

Absolute Grading: Under the absolute grading, the marks are converted to grades based on pre-determined class intervals.

Courses based on absolute grading:

- The absolute grading system is applicable to Projects/ Dissertations/ Thesis/ Internships Courses under all Faculties from the October 2020 season, as per the requirement of assessment.

- Absolute grading system shall also be applicable for all the courses where the student number is 15 or less.

- Absolute grading system courses (if any) during each semester be informed to the Controller of Examinations during the respective Board of Examination (BoE) Sub-Committee meeting.

- Absolute grading system courses shall be marked with a symbol (~) on the grade sheets.

Calculation of Grade Points corresponding to grades based on absolute grading:

Percentage	Grade	Grade point
90% and above	O	10
80% to 89.99%	A+	9
70% to 79.99%	A	8
60% to 69.99%	B+	7
50% to 59.99%	B	6
45% to 49.99%	C	5
40% to 44.99%	P	4
Below 40%	F	0

Time slot for Term End Examinations:

Term End Marks	Duration of Examination	Compensatory Time in case of Writer
less than 40	1 hour	20 min.
40 to less than 60	1 hour and 30 minutes	30 min.
60 to less than 80	2 hour and 30 minutes	50 min.
80 and more than 80	3 hours	60 min.

Examination Schedule and Registration

The University shall declare term end examination schedule one month prior to commencement of examination. Maximum fifteen days will be allotted to students without late fees to fill online examination forms for regular and backlog attempts. Additional one week (maximum) will be given to fill forms with late fee after the declared last date of late fees; a super late fees per day will be applicable.

Award of Degree: A student will be awarded the degree only if he/ she has a CGPA of minimum 4.00 on the completion of programme. The student has to clear courses which are mandatory for award of degree such as Integrated Disaster Management Programme, Core Environmental Studies, Fitness for Life, Certificate in COVID-19 Care for the Community, etc.

Marking System / Grading System & Award of Class for Symbiosis College of Nursing (SCON):

As per the requirement of Nursing Council, the following rules shall apply –

- A student must have minimum of 80% attendance (irrespective of the kind of absence) in theory and practical in each course for appearing University examination.

- A student must have 100% attendance in each of the practical areas before award of degree.

- Minimum pass marks shall be 50% in each of the theory and practical examination separately.

- Minimum pass mark shall be 40% for English only for B.Sc. (Nursing).

- A candidate has to secure minimum of 33% in qualifying subject (English) for passing in P.B. B.Sc. (Nursing).

- Time duration for the external examination shall be as per INC Guidelines.

- A candidate can take maximum three attempts per course inclusive of first attempt with a condition that he/ she completes the course successfully within the maximum period allowed.

- The maximum period to complete the programme successfully should not exceed 8 years for 4 years programme and 4 years for 2 years programme.

- If a student fails in either theory or practical paper he/ she has to re-appear for both the papers (Theory and practical).

- The candidate, in spite of failing in more than two courses he/ she can be promoted to next year except for the final year. To get promoted into the final year the student has to pass in all courses of previous years.

- Internal and External assessment ratio is 25:75.

Award of Class as per INC Rules & Regulations:

Percentage Range	Class
50%	Pass in each of the head (Theory & Practical)
50.01 to 59.99%	Second Division
60.00 to 74.99%	First Division
75% and above	Distinction

CGPA System

- Bachelor of Science (Nursing) degree will be awarded after taking into consideration, the performance of candidates in all 8 semesters taken together. The degree will be awarded only to those who have completed 100% attendance in the clinical field.

- The student has to pass in all mandatory modules placed within courses and the pass mark for each module is 50% (C Grade). The allotted percentage of marks will be included in the internal assessment of College/University Examination.

- If the student has failed in only one subject and has passed in all the other subjects of a particular semester and Grace marks of up to 5 marks to theory marks can be added for one course/subject only, provided that by such an addition the student passes the semester examination.

- The candidate shall appear for exams in each semester:

- The candidate shall have cleared all the previous examinations before appearing for fifth semester examination. However, the candidates shall be permitted to attend the consecutive semesters.

- The candidate shall have cleared all the previous examinations before appearing for seventh semester examination. However, the candidates shall be permitted to attend the consecutive semesters.

- The candidate has to pass separately in internal and external examination

Award of Class for B. Sc. (Nursing) programme as per INC Rules & Regulations:

Letter Grade	Grade point	Percentage
O (Outstanding)	10	100%
A+ (Excellent)	9	90-99.99%
A (Very Good)	8	80-89.99%
B+ (Good)	7	70-79.99%
B (Above Average)	6	60-69.99%
C (Average)	5	50-59.99%
P (Pass)	4	40-49.99%
F (Fail)	0	

- For Nursing Courses and all other courses – pass is at C Grade (5 grade point) 50% and above

- For English and electives – Pass is at P grade (4 grade point) 40% and above

Standard of Passing for B. Sc. (Nursing) programme of SCON

- First Class with Distinction – CGPA of 7.5 and above

- First Class – CGPA of 6.00 – 7.49

- Second Class – CGPA of 5.00 – 5.99

DEPARTMENT OF STUDENT WELFARE

CODE OF CONDUCT

Article I: PREAMBLE

The student Code of conduct [Code] is established to foster and protect the core missions of the Symbiosis International University, Pune. It aims at fostering the scholarly and civic development of the students of the University, in a safe and secure learning environment. It also protects the people, properties and processes that support the University and its missions. An appropriate sense of order provides a safe environment, free of invidious disruption. It helps to establish and maintain a community where there is freedom to teach and to learn. It helps pursue the set objectives. Rules and regulations are necessary to mark the boundaries of this needed order.

Article 2: APPLICABILITY

The Code is applicable to all students, which includes all persons taking programmes at various constituent institutes /departments of the University, either fulltime or part-time, pursuing undergraduate, graduate, professional studies. Persons who withdraw after allegedly violating the Code, who are not officially enrolled for a particular semester or term, but have a continuing relationship with the University, or who have been notified of their acceptance for admission are considered as "students". The Code applies to all locations of the University.

Article 3: JURISDICTION

The Code applies to the on-campus conduct of all students at all the location / campus of the University. The Code also applies to the off-campus conduct of students in direct connection with:

A. Academic course requirements or any credit bearing experiences, such as internships, field trips, study abroad / student exchange;

B. Any activity supporting pursuit of a degree, such as research at another institution or a professional practice assignment;

C. Any activity sponsored, conducted, or authorized by the University or by registered students' organizations;

D. Any activity that causes substantial destruction of property belonging to the University or members of the University community or causes serious harm to the health or safety of members of the University community; or

E. Any activity in which a police report has been filed, a summons or indictment has been issued or an arrest has occurred for any act or omission. Students continue to be subject to the law of the land while at the University, and violations of those laws may also constitute violations of the Code. In such instances, the University may proceed with University disciplinary action under the Code independently of any criminal proceeding involving the same conduct and may impose sanctions for violation of the Code even if such criminal proceeding is not yet resolved.

Article 4: RESPONSIBILITIES OF STUDENTS

Students are members of the University community and citizens of the state. As citizens, students are responsible to the community of which they are a part, and, as students, they are responsible to the academic community of the University. Admission to the University carries with it the presumption that students will conduct themselves as responsible members of the academic community. As a condition of enrollment, all students assume responsibility to observe standards of conduct that will contribute to the pursuit of academic goals and to the welfare of the academic community. They are expected to practice high standards of academic and professional honesty and integrity and also to respect the rights, privileges, and property of other members of the academic community and the society. They should refrain from any conduct that would interfere with University functions or endanger the health, welfare, or safety of other persons. As a citizen of the State, a student should not discriminate on the basis of race, color, creed, age, religion, gender, national or ethnic origin, marital status, sexual preference, physical disability, or any other legally protected status. They

should at all times, conduct themselves in a manner, which is not prejudicial to any law of the land. Their conduct should aim to achieve the meaning, mandate and manifestation as enshrined in the Constitution of India.

Article 5: DISCIPLINARY MISCONDUCT

Any student found to have committed or to have attempted to commit the following misconduct is subject to appropriate disciplinary action under this Code. The instances of misconduct are not to be interpreted as all-inclusive of situations in which disciplinary action will be invoked. These instances are illustrative, and the University reserves the right to take disciplinary action in appropriate circumstances not set out in this article. The illustrative list of misconduct is as follows (Not exhaustive):

DMC1: Academic Misconduct-Academic Misconduct means plagiarizing; cheating on assignments or examinations.

DMC 1 a) Cheating or Unfair Means: The act of obtaining or attempting to obtain credit for work by use of dishonest, deceptive, or fraudulent means.

DMC 1 b) Plagiarism: The act of taking ideas, words, or specific substances of another and offering them as one's own.

DMC 2: Disruptive conduct - conduct that intentionally and substantially obstructs or disrupts teaching or freedom of movement or other lawful activities on University premises or in connection with any University-sponsored event or activity;

DMC 3: Discrimination - Engaging in verbal or physical behavior directed at an individual or group based on origin, race, creed, gender, religious beliefs, or sexual orientation that, according to a person of reasonable sensibilities, is likely to create an intimidating or demeaning environment that impedes the access of other students, faculty and staff to the educational benefits available to them. It also includes wearing articles of clothing with derogatory, racist discriminatory, patently offensive, profane, sexually explicit, or graphic messages either in words or pictures, which demonstrate bias or discrimination against any individual or group within the University.

DMC 4: Falsification - Falsification means willfully providing University offices or officials with false, misleading, or incomplete information; forging or altering official University records or documents or conspiring with or inducing others to forge or alter University records or documents.

DMC 5: Refusal to Identify - Refusal to identify or falsely identifying one's self when requested by an authorized University official.

DMC 6: Illegal or Unauthorized Possession or Use of Weapons - Illegal or unauthorized possession or use of weapons means possessing or using weapons or articles or substances usable as weapons, including, but not limited to, firearms, incendiary devices, explosives, and dangerous biological or chemical agents.

DMC 7: Illegal or Unauthorized Possession or Use of Drugs or Alcohol, Smoking - Symbiosis strongly supports the goals of "Drug / Alcohol / Smoking Free Campuses". It is policy of Symbiosis that no student shall distribute, possess, or use illegal drugs, a controlled substance, on its premises. Possession of paraphernalia associated with the illegal use, possession, or manufacture of a controlled substance is also prohibited. It is also the policy of the University that smoking is prohibited in all the campuses of Symbiosis. A student should not indulge in abetting, aiding, instigating or causing any of acts of commission/omission related to illegal use, possession, delivery or

manufacture of a controlled substance. A student shall not also enter the Symbiosis Campus, under influence of alcohol or any prohibited substance.

DMC 8: Unauthorized Access and Use of property & facilities - Unauthorized access means accessing without authorization University property, facilities, services, or information systems, or obtaining or providing to another person the means of such unauthorized access, including, but not limited to, using or providing without authorization keys, access cards, or access Codes.

DMC 9: Act of Violence, Threatening, Harassing, or Assaultive Conduct - Act of Violence, Threatening, harassing, or assaultive conduct means engaging in conduct that has caused injury to other residents of the campus, endangers or threatens to endanger the health, safety, or welfare of another person, including, but not limited to, threatening, harassing, or assaultive.

DMC 10: Theft, Property Damage, and Vandalism - Theft, property damage, and vandalism include theft or embezzlement of, damage to, destruction of, unauthorized possession of, or wrongful sale or gift of property.

DMC 11: Recording of Images without Knowledge - Using electronic or other means to make a video or photographic record of any person in a location where there is a reasonable expectation of privacy without the person's prior knowledge, when such a recording is likely to cause injury, distress, or damage to reputation. This includes, but is not limited to, taking video or photographic images in shower/locker rooms, residence hall rooms, and restrooms. The storing, sharing, and/ or distributing of such unauthorized records by any means is also prohibited.

DMC 12: Causing Disrepute to other students - Engaging or inciting other students to engage by any means whatsoever and performing or attempting to perform an act, which bring disrepute to other students/ faculty of the University.

DMC 13: Failure to comply with University or any other authority - Failure to comply with legitimate directives of authorized University officials, law enforcement agency in the performance of their duties or violation of the terms of a disciplinary sanction.

DMC 14: Ragging - Any act which amounts to ragging in any form as defined under the Maharashtra Prohibition of Ragging Act, 1999 and also under the UGC Prohibition of Ragging Regulations, 2009.

DMC 15: Illegal Contracts - Students are prohibited from entering into verbal or written agreements or contracts that purport to bind, obligate, or create liability of any kind for University. The University will hold all such students individually liable for any financial or legal consequences or damages that may result from such unauthorized actions.

DMC 16: Abuse of Electronic Communication – Using University or personal telecommunications, data communication networks for illegal or improper purposes or in violation of University regulations and policies, or related laws.

DMC 17: Media Contact - Students are expressly prohibited from speaking on behalf of, or for, University with any media organization or publication, or from inviting the same to any University-owned or operated property, facility, or even without the express written permission of the Office of University Communications.

DMC 18: Organization and Event Registration – A student or group of students shall not form any organization, society or organize any event or collect any fund or subscription without the specific written permission of the University.

DMC 19: Presenting False Testimony – Knowingly making false statements regarding a disciplinary matter before, during or after the disciplinary adjudication process.

DMC 20: Violation of University rules - Violation of other published University regulations, policies, or rules, or violations of law. These University regulations, policies, or rules include, but are not limited to, those rules, which regulate dress Code, which regulate submission of assignments, which regulate examinations, which prohibit the misuse of library, misuse of computing resources, misuse of laboratory, which regulate acts which amount to sexual harassment, rules for students and hostel rules and regulations.

Article 5 (a): Grievance Redressal Committee of the Institute:

Every Institute/Department shall constitute a Grievance Redressal Committee to address grievances of students. The students should be informed about the existence of such a committee, the members and the procedure of submitting grievances. Constitution of Grievance Redressal Committee: The committee shall be constituted by the Vice Chancellor and shall have following members:

i.   Professor / Associate Professor-Chairperson

ii. Three Senior Faculty members on rotation basis nominated by Vice Chancellor - Member

iii. A student representing the college nominated based on the academic merit- Special Invitee

iv. Administrative Officer / Office Superintendent (Convener of the meetings)

v.   Procedure:

- The aggrieved student would submit in writing his/her grievance to the Administrative Officer/ Office Superintendent.

- The Administrative Officer/ Office Superintendent would convene a meeting of members within five days of receiving the complaint.

- The report of the committee must be submitted to the Director within 2 working days of the meeting.

- The decision taken would be communicated the student within further 3 days working days.

- Further, if the student is aggrieved by the decision of the Grievance Redressal Committee he/she may appeal to the Ombudsman within 6 working days. The details of the same are uploaded on the website of the University.

Procedure in redressal of grievances by Ombudsman and Grievance Redressal Committee:

1) Each institution shall establish a registry, headed by Administrative Officer / Office Superintendent where any aggrieved student may make an application seeking redressal of grievance.

2) The address of the registry shall be published on the notice board and placed on the website of the Institute/Department.

3) On receipt of an application by the registry, Administrative Officer / Office Superintendent shall inform the Ombudsman or the Grievance Redressal Committee, and shall immediately provide a copy of application to the institute for providing reply to the aggrieved student within seven days.

4) The Ombudsman or the Grievance Redressal Committee shall fix a date for hearing the complaint which shall be communicated to the institute and the aggrieved student either in writing or electronically.

5) An aggrieved student may appear in person.

6) The Ombudsman or the Grievance Redressal Committee shall ensure disposal of every application as early as possible as and not later than a month of receipt of the grievance.

7) The institution shall co-operate with the Ombudsman or the Grievance Redressal Committee, in redressal of grievances.

8) On the conclusion of proceedings, the Ombudsman or the Grievance Redressal Committee shall pass order, with reasons for order, to redress the grievance.

9) Every order shall be provided to the aggrieved student and the institute shall be placed on the website of the institute.

10) The institute shall comply with the order of the Ombudsman or the Grievance Redressal Committee In case of any false or frivolous complaint, the Ombudsman may order appropriate action against the complainant/student.

Article 6: HEARING AND APPEALS

Any student charged with violation of the Code shall have the opportunity to receive a fair hearing. To safeguard the rights of students, the Vice Chancellor shall ensure that there is an appeal procedure to govern the alleged violations of this policy. The appeals procedure shall provide both substantive and procedural fairness for the student alleged to have violated the Code and shall

provide for resolution of cases within a reasonable period of time.

Composition;

- The Vice - Chancellor-Chairman
- The Head – Student Welfare
- The Registrar
- The Faculty Member (Female) other than the institute from where the student submits a grievance.
- The Campus Administrator - Lavale Campus.

Article 7: PUNISHMENT AND PENALTIES

One or more of the following punishments may be taken when a student has been found to have violated the student Code of conduct:

1. Warning: A written letter of reprimand resulting from a student's misconduct.

2. Suspension: Suspension is a sanction that terminates the student's enrollment at the University for a specified period of time.

3. Monetary Fines: Monetary Fines is a sanction in which a student is required to deposit amount as penalty or any amount deposited by him is forfeited or adjusted, resulting from misconduct. It also includes Restitution which means making compensation for loss, injury, or damage.

4. Confiscation: Confiscation means confiscation of goods used or possessed in violation of University regulations.

5. Restriction of Privileges: Restriction of privileges means the denial or restriction of specified privileges, including, but not limited to, access to a student facilities, placement programmes, University events for a defined period of time.

6. Withholding of Diploma or Degree: Withholding of diploma or degree means the withholding of diploma or degree otherwise earned for a defined period of time or until the completion of assigned sanctions.

7. Rustication: Rustication is a sanction which permanently separates a student from the University without opportunity to re-enroll in the future.

8. Other sanctions: Other appropriate sanctions may be imposed by the Competent Authority of the University singularly or in combination with any of the above-listed sanctions.

Anti-Ragging Measures at Symbiosis International (Deemed University)

I. Any conduct by any student or students whether by words spoken or written or by act which has the effect of teasing, treating or handling with rudeness a fresher or any other student

II. Indulging in rowdy or indiscipline activities by any student or students which causes or is likely to cause annoyance, hardship, physical or psychological harm or to raise fear or apprehension thereof in any fresher or any other student

III. Asking any student to do any act which such student will not in the ordinary course do and which has the effect of causing or generating a sense of shame, or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student

IV. Any act by senior student that prevents, disrupts or disturbs the regular academic activity of any other student or a fresher

V. Exploiting the service of a fresher or any other student for completing the academic tasks assigned to an individual or a group of students

VI. Any act of financial extortion or forceful expenditure burden put on a fresher or any other student by students

There is a strict code of conduct practised at all Symbiosis Hostels. Students wishing to stay at any Symbiosis Hostel will have to abide by the code of conduct. Ragging in any form is strictly prohibited in all Symbiosis campuses as well as hostels.

HEALTH, RECREATION & SPORTS:

About the SCHC

The Symbiosis Centre of Health Care (SCHC) was established on 14th June 1997 as an 'In-house Health Care Unit' of Symbiosis. Under the Health Promoting University (HPU) initiative of Symbiosis International (Deemed University), SCHC undertakes a host of preventive, promotive & curative healthcare services for the students and staff of the Symbiosis family. The vision of SCHC is 'Envisioning a state of positive health in the community' and its mission statement is 'To promote health & wellness amongst students, staff, and community.

It is operational at all the campuses of Symbiosis across India.

Promotive health care facilities:

1. Health Promotion Program: With an aim to spread health awareness and promote positive health amongst students, interactive sessions are organized by subject experts on various healthcare-related issues.

2. The Campus Wellness Advisory Committee promotes stakeholder engagement to evaluate and improve existing healthcare services, processes, policies, and the quality of programs

3. Advice on best practices for Environmental Assessment & Modification to ensure the creation & maintenance of environments that promote good health through

   • Inspection of Campus

   • Inspection of eating establishments thrice a year- of Canteen, Mess & Food counters (e.g.coffee shops, juice centers, ice cream parlors)

   • Guidance for water testing for the availability of potable water on campus

Preventive health care facilities:

1. Annual Health Checkup (AHC) of the students/ staff of Symbiosis is conducted and health records are maintained electronically. The comprehensive health check-up comprises clinical examination from different disciplines (Physician, Ophthalmologist, ENT specialist & Dentist) & basic Lab investigations (Haemogram, Blood group & Urine examination).

2. Pre-employment Health Check-up: Before joining Symbiosis, every prospective candidate is required to complete a Pre-Employment health check-up at the SCHC. The objective is to identify any health conditions or illnesses that may affect an individual's ability to perform their job safely.

3. Health Check-up of food handlers working at catering establishments is conducted annually and before joining the catering establishments. This helps to identify any health conditions or diseases that food handlers may have, which could potentially spread to the food they handle & facilitate the identification of these health issues early.

Curative health care facilities:

1. Outpatient Department (OPD): Primary care is provided by medical officers.

   Campus Medical Officer is available on call 24X7. Contact numbers of campus medical officers are:

No.	Campus	EMS No.
1	S.B.Road	+ 91 9552525651

12	Nagpur	+ 91 8669987754

2. Patients/ students/ staff can be referred to a specialist/ consultant for treatment as per their condition.

3. Medical Insurance: Every student at Symbiosis is covered under a unique group medical insurance scheme with the National Insurance Company (NIC) for hospitalization up to INR 50,000 under a Mediclaim policy & INR 1,00,000 in case of Road Traffic Accidents. Policy terms & conditions of NIC are available on www.schcpune.org.

Guidelines for Medical Leave Authentication for Symbiosis students

Procedure to avail Medical Leave: Any absence due to sickness should be notified by the concerned student or relative/ friend/ local guardian on the first day of illness on phone/ SMS/ Email/ WhatsApp/ in-person to the authorized Admin Officer of the institute and Campus Medical Officer, SCHC on EMS No.

Authentication of 'Differently Abled Category (DAC)

Students who apply for admission under the DAC: Please note: admission of all students admitted under the above category will be provisional until authenticated by the Medical Board, Symbiosis.

Whom to Contact:

1. Officer-Healthcare, SCHC: 7796656108, Email ID: healthcare@schcpune.org

2. DMS, SCHC: 7796677078, Email ID: dms@schcpune.org

3. Sr. Officer, SCHC: 9552500357, Email ID: sr.officer@schcpune.org

   Please visit www.schcpune.org & download the SymbiCare mobile application - IOS / Android.

SYMBIOSIS UNIVERSITY HOSPITAL AND RESEARCH CENTRE (SUHRC)

SUHRC is a teaching hospital attached to SMCW. SUHRC is currently a 516 bedded hospital (scalable to 900 beds), and is located within the SIU campus at Lavale, Pune. Besides the basic specialties like Medicine, Surgery, Obstetrics & Gynecology, Pediatrics with Neonatology (including an NICU), Pulmonology (Chest Medicine) Orthopedics, ENT, Ophthalmology, Dermatology, Psychiatry and Dentistry. We also have the complete range of super-specialty services including Cardiology and Cardiac Surgery, Neurology and Neurosurgery, Nephrology and Urology, Plastic Surgery, Pediatric Surgery, Medical and Surgical Oncology. These clinical services are supported by a state-of-the-art Radiology department, a fully automated Pathology laboratory and an all-components Blood Centre.. There are 78 ICU beds with 6 High Dependency Unit (HDU) beds. SUHRC has 16 large Operation Theatres (OTs), which cater to all the surgical disciplines, including one exclusively for Obstetrics & Gynecology. All OTs are 'modular' with 2-way data transfer facilities. The hospital currently draws an Out Patient load of close to 1000 patients per day and has around 250-270 indoor patients daily. About 10 – 12 major operations are performed daily.

The SUHRC provides top quality clinical services, which are protocol driven and evidence based. ETHICS with transparency of operations are accorded topmost priority.

The hospital caters primarily to the population in a radius between 25-50 kms. from SUHRC. It also provides healthcare services to the large community of students and faculty currently residing at the University campus (around 4000). The efforts of Symbiosis Community Outreach Program & Extension (SCOPE) team have created awareness about Symbiosis among the villages around the University campus, which the university has adopted under the SCOPE initiative.

DEPARTMENT OF SPORTS, RECREATION AND WELLNESS (DSRW)

Sports and Games are essential components of human resource development, helping to promote good health, comradeship and spirit of healthy competition which in turn has positive impact on holistic development of personality of the Youth who is potential source of energy, enthusiasm and inspiration for development, progress and prosperity of a Nation. Symbiosis International (Deemed University) established its University Sports Board in 2010 and the Department of Sports, Recreation & Wellness (DSRW) was established in 2019. The DSRW particularly is responsible for the development of sports infrastructure, participation in sports at grass-root level, fitness testing for students and staff as well as excelling in National Sports Tournaments. Our emphasis is on Physical Literacy for our students, faculty and staff for lifelong improvement in their quality of life. The Department provides access to state of art playfields and Gymnasiums at all campuses, fitness and wellness programs, multiple group classes, sports competitions and counselling.

Objectives of the SIU Sports Board

- To create a culture of sports by imbibing a desire to excel, spirit of comradeship and high moral and Ethical values

- To provide equal opportunities and encourage students and staff to participate in sports and fitness activities.

- To annually organize Symbiosis International (Deemed University) / Inter institute competitions in specified games and sports for the students & staff.

- To promote excellence in sports by encouraging participation in National and International championships in large numbers.

- To recognize talent in sports and reward young women and men, achieving excellence in sports.

- To offer sports scholarship, prizes and other awards to outstanding athletes and sportsmen and women

- To develop, maintain and plan for optimal utilization of sports and fitness infrastructure.

- To organize workshops, seminars, conferences on sports and fitness related subjects.

- To sensitize the staff and students to be Active for Life, and work towards achieving an excellent quality of life

Activities at the Department of Sports, Recreation & Wellness

- **Infrastructure and facilities**

  On campus sports and recreation facilities are some of the best and offer many outdoor recreation options for all. We boast of 13 indoor and outdoor fitness centres, Tennis Courts, Basketball courts, Volleyball Courts, Futsal Courts, Football Field, Cricket Field, Indoor Badminton Hall, Squash Courts, Gymnasiums, Swimming Pools, Yoga and Aerobic studios, meditation centre and offer many group classes, Coaching facilities, Yoga for rejuvenation and stress management and options to participate in outbound programs and competitions at all levels.

- **Inter Institute Championships and Participation in Inter Varsity Competitions**

  Inter Institute Competitions are conducted in 13 sport disciplines and from amongst them teams are selected and coaching imparted so as to represent Symbiosis International University at the Inter Varsity Competitions. Tournaments for staff are also organized annually.

- **Assessment of Physical Fitness**

  Standard Fitness tests are conducted every year to have a base level understanding of Physical Fitness standards of all students, faculty and staff, analyze data, suggest interventions and offer free counselling and personal training.

- **Mass Sporting and Physical Activity events**

  Emphasis is given to large scale one-of its kind Mass Sporting and Physical Activity events which are Live events, highly visual and very inspiring. These are accessible and welcoming for all ages, shapes and paces. They work towards personal wellness rather than fitness and build confidence rather than competitiveness. Some examples are Happy Healthy campus (a 3 hour activity taking you back to school, Rhythmic activity, fitness challenges and adventure sport with 500 to 1200 participants), International day of Yoga (at all 13 campuses), Symbi- Fit (Competition to showcase your fitness with 400-500 participants) Institutional Social Responsibility (Fitness challenge for children from underprivileged schools), Fitness for Freedom Run (a run to celebrate the Independence day) and several Fitness challenges that are held at our gyms located in every campus.

- **Innovative activities:**

    These activities provide the variation and challenge that everyone is looking for and include - Sports dating (Exercising with a person of your choice), Activity breaks (Short Rhythmic activities 5-7mins in academic meetings, conferences in offices etc.), Yoga Pop ups on the screen, Stair Snacking (using the stairs to improve fitness), 10,000 steps challenge and the 108 days Yoga challenge.

- **Symbithon**

    Symbithon is a run/walk event organized to raise public awareness of NCDs, with particular emphasis on exercise and fitness as a component of preventing and managing these diseases. It aims to create healthy working, learning and living environments for students, staff and the community at large, encourage, inspire and motivate youth from varied backgrounds to improve their health through running and exercise. Symbithon had participation of more than 5700 students and staff in each of its three editions covering 21 countries.

- **Sports Scholarship**

  The Sports Scholarship Scheme aims at recognizing achievements of young sports persons, their outstanding performance at the International, National, State and Inter University levels. The scholarship provides cash benefits to five promising sportspersons.

- **Credit Courses**

  Courses in Physical fitness, Wellness are offered as floating credit courses and value-added courses in the existing Post Graduate and Under Graduate programs. Fitness for Life Credit course is a 30 hours mandatory course for undergraduates in their first year of the program.

RULES FOR REFUND OF FEES AND NON-RETENTION OF ORIGINAL CERTIFICATES

The UGC has vide its Notification dated October 2018 issued an elaborative guideline on 'REFUND OFFEES AND NON-RETENTION OF ORIGINAL CERTIFICATES'

1. APPLICABILITY AND ENFORCEMENT:

It shall be applicable to Undergraduate, Postgraduate, Research Degree, Diploma and Certificate Programmes offered by Symbiosis International (Deemed University).

It shall come into force with immediate effect and shall have regulatory force on extent as well as future grievances over issues and matters covered herein.

2. VERIFICATION AND NON-RETENTION OF STUDENTS' ACADEMIC AND PERSONAL TESTIMONIALS:

None of the Constituent Institute/ Department shall insist upon a student to submit the original academic and personal certificates and testimonials like Mark Sheets, School Leaving Certificates and all other such documents at the time of submitting application form.

Students shall be allowed to submit self- attested documents such as Mark Sheets, Birth Certificates etc. for all purposes of administrative requirements.

The office shall verify the original certificates and testimonials before the finalization of the process of admission of the students in his / her presence and return them immediately after satisfying about their authenticity and veracity, keeping the attested copies for office records.

At any stage, if there is a need of any other kind of documents the self-attested copies be accepted and physical verification of originals be undertaken in the presence of student. Such verified originals certificates and testimonials shall be immediately returned to the student.

None of the Constituent Institute/ Department shall keep certificates and testimonials of any student into institutional custody under any circumstances or pretexts, as it is strictly prohibited for it is a coercive tactic which can be misused for black mailing students who wish to withdraw admission from the Institute for better prospects or other compulsions.

In case of any suspicion over the authenticity or genuineness of the testimonials, the reference may be made to the University or the Board which issued certificates to the student and the admission be subjected to the authentication, but original certificates shall not be retained under any circumstances.

3. RULES FOR REFUND OF FEES:

Rules for Remittance and Refund of Fees and other students centric issues were revised on the basis of UGC Notification No.F.No.1-3/2016 (CPPPI/DU) dated July 11, 2016 and and the notification issued on 6th December, 2016.

Now the UGC has issued a Notification on Refund of fees and Non-Retention of Original Certificates' in October 2018. Therefore, the Rules on refund of fees and non-retention of original certificates' have been revised as under:

4. PROCEDURE:

CANCELLATION/ WITHDRAWAL OF ADMISSION:

A student shall apply for cancellation of admission in the prescribed format to the Constituent Institute / Department.

The Constituent Institute/ Department after following due procedure will cancel the admission of the applicant and shall refund fees to the student within 15 days from the date of his / her application.

The Constituent Institute/ Department shall cancel the admission of the student in the following situations:-

Non - payment of fees for more than 1 semester.

Non - reporting to the institute for more than 30 days, without prior intimation in writing to the concern authority.

5. PART A:

REFUND OF FEES (ACADEMIC AND NON-TUITION INCLUDING HOSTEL AND MESS):

If a student applies to withdraw/ cancel his/ her admission from the programme of study in which he/ she is enrolled, the Constituent Institute/ Department concerned shall follow the following five-tier system for the refund of fees remitted by the student.

S. no.	Percentage of Refund of fees*	Point of time when notice of withdrawal of admission is received in the HEI
(1)	100%	15 days or more before the formally-notified last date of admission
(2)	90%	Less than 15 days before the formally-notified last date of admission
(3)	80%	15 days or less after the formally- notified last date of admission
(4)	50%	30 days or less, but more than 15 days, after formally-notified last date of admission
(5)	00%	More than 30 days after formally-notified last date of admission

NOTE:*

In case of (1) in the table above, the University shall deduct an amount not more than 5% of the fees paid by the student, subject to a maximum of Rs. 5,000/- as processing charges from the refundable amount.

Fees shall be refunded by the University to an eligible student within fifteen days from the date of receiving a written application from him/her in this regard.

In case of (2) in the table above, the University shall deduct an amount of 10% of the academic fees paid by the student as processing charges.

6. LAST DATE OF ADMISSION:

For the purpose of refund of Fees, the last date of admission will be considered as one day prior to the date of commencement of programme.

7. MEDICAL INSURANCE:

Medical Insurance premium of the student is deposited to the Insurance Company, immediately after the student obtains provisional admission. Hence, this amount is NON REFUNDABLE.

In case the student's admission is cancelled for reasons what so ever, he/she will continue to draw all benefits under the said insurance scheme for the period insured (policy year). Students may contact Symbiosis Centre of Health Care (SCHC) at 9552525015 (24 X 7) for any query / assistance

8. REFUND OF DEPOSIT:

Refund of Institution deposits shall be subject to such deductions as may be necessary on account of any damage to the property of the Institution concerned such as breakages to laboratory equipment, assets such as computers, gadgets etc., loss of library books for which the student would be responsible.

Refund of the Hostel deposit shall be subject to such deductions as may be necessary on account of any damage to the property of the Institution concerned such as fans, cupboards, glass panes, tables, chairs etc. for which the student would be responsible.

9. REFUND OF FEES IN OTHER CASES:

In case, admission of student is cancelled on account of disciplinary action or violation of Anti Ragging Regulations or Substance Abuse or breach of Code of Conduct or any other Rules & Regulations of the University, No Refund of fees is permissible. Only the respective deposits would be refunded to the student.

In case, admission of student is cancelled on account of ineligibility, the refund of fees (academic and non-tuition including hostel and mess) will be on prorata basis.

In any other case which is not covered in these rules, the decision would be taken by the Vice Chancellor.

10. TRANSFER OF FEES IN CASE OF TRANSFER OF ADMISSION TO ANOTHER CONSTITUENT/ DEPARTMENT OF SIU:

In case student applies for transfer of admission from one constituent of SIU to another constituent of SIU, the transfer application shall be processed and if approved by the University; the transfer of fees shall be as under:

If the student applies for transfer of admission to another Constituent Institute/ Department of the University before commencement of the programme, then 100% fees shall be transferred to the other Constituent Institute/ Department. In case, the programme fees are different, then the student will have to pay the difference in the fees or else the amount will be adjusted in the next instalment/ refunded to the student.

If the student applies for transfer of admission to another Constituent Institute/ Department of the University, after commencement of the programme, then the proportionate amount of academic, hostel and mess fees shall be deducted and remaining amount after deductions shall be transferred to the other Constituent Institute/ Department. In case, the programme fees are different, then the student will have to pay the difference in the fees or else the amount will be adjusted in the next instalment/ refunded to the student.

If the student applies for transfer of admission to another constituent of the University and his/her transfer is approved by the University then the first constituent from where the student has been transferred will hand over certificates/ documents to the student, to enable him/ her to submit the documents /certificates in the other constituent.

PART B:

11. NON REFUNDABLE FEES

Insurance Premium

International English Language Assessment (IELA) Test fees (Applicable to Foreign Nationals only) Registration/ Administrative Fees

12. GRIEVANCE REDRESSAL MECHANISM (GRM):

The Constituent Institutes / Departments shall mandatorily have a "Grievance Redressal Mechanism" (GRM) as mandated by UGC (Grievance Redressal) Regulations, 2012, as amended from time to time, to address and effectively resolve complaints, representations and grievances related to any of the issues mentioned in this Notification.

The GRM shall be available on University website.

The University shall ensure that all grievances received are addressed as deemed fit within 30 days.

13. MISCELLANEOUS:

The students shall not be insisted to purchase the institutional prospectus any time during the programme of study, as purchasing prospectus shall be the personal choice of the student. Student can access information from institutional website, if he/ she so desires. It shall be mandatory for all Constituent Institutes / Departments to update their website covering all details.

Constituent Institutes / Departments shall charge fees in advance only for the semester/ year in which a student is to engage in academic activities. Collecting advance fees for entire programme of study or for more than one semester/ year in which a student is enrolled is restricted.

She has presented more than 325 invited lectures, workshops, and seminars across India, Thailand, US, UK, Ireland, Germany, Australia, Canada, and UAE. She has an outstanding career with a wide range of experience in teaching, research, and industry and is continuing with Symbiosis Law School since 2007. She is a pioneer of EU Legal Studies in India.

Dr. Gurpur has more than 81 articles/research papers (16 Scopus and 2 WoS indexed), two co-authored books, and fifteen book chapters to her credit. She guided a national award-winning project on Community-based law reforms for the National Law School of India in 1991, acted as Advisor to a research project and publication of the Asian Network of Women in Communication sponsored by WACC, UK in 1999-2004; won the NPS Sector research grant under Ford Foundation on Gender Advocacy in 2001; European Commission law link grant in 1998, Community Legal Service Project grants from 2007-now in SLS Pune and 3 minor research projects of SIU and the 2017 Erasmus Mundus European Studies Capacity Building with 6 countries Cooperation Grant for SLS, Pune. Dr. Shashikala Gurpur is featured amongst the illustrious 100 women personalities in the book namely 'The Phenomenal She ' launched by the Indian National Bar Association (on 7th March 2022 at the Constitution Club on the occasion of International Women's Day). Dr. Gurpur has been a former member of the Law Commission of India. Currently, she is a member of the Curriculum Development Committee of the Bar Council of India and a member of the Academic Council of the National Judicial Academy, Bhopal. She is the advisor and Ph.D. referee of several National Law Schools and Universities across India including Jawaharlal Nehru University, Delhi University, NLSIU, and other prominent universities. She has been conferred the Annual Kittur Rani Chennamma Award, 2018-19 by the Government of Karnataka for her excellent achievement in the field of education and her contribution to women's empowerment. She has been nominated as the "Member of The MCCIA Corporate Legislation Committee for 2020-2022." She is the Project Manager of 4 EU projects undertaken at SLSP. She has been invited to be a member of the International Advisory Board of the CCLE(Centre for Common Law in Europe, UCD Sutherland School, Ireland) for three years.

Institute Profile:

Symbiosis Law School, Pune (SLS, Pune) stands for excellence in legal education and is nestled in the city of Pune (popularly known as the Oxford of the East, with the glorious heritage of being the capital of the Peshwas). Symbiosis Law School, Pune piloted and enriched by the vision of Dr. S.B. Mujumdar, was established in 1977 under the illustrious banner of Symbiosis Society. SLS, Pune endeavors to secure all-round contributions for the betterment of the field of Law, to create world-class professionals, to produce committed academicians and law

reformers, to train justice dispensers and invigorate community crusaders and, to create a strong watershed of new and upcoming expertise in law relating to business and corporate matters.

In a historic achievement, Symbiosis Law School, Pune has been ranked 3 in 2022 by National Institution Ranking Framework (NIRF) by the Ministry of Human Resource Development, Government of India. SLS Pune is at Rank 1 in CSR-GHRDC 2021 and Rank 1 in the Private category of 'Top10 Private Law Colleges in India' by India Today Survey 2021. SLS Pune has retained the Rank 1 position for 2018, 2019, 2020, and 2021 in this category. In February 2021, SLS Pune Team were applauded for their achievements in the areas of internationalization by awarding 'Excellence in Internationalization of Education' by FICCI conferring the 7th FICCI Higher Education Excellence Awards-2021. SLS Pune also received the Best College Award amongst the top 3 in Virtual 'IPTSE awards & IPTSE Conclave' dated 28 April 2021 during the eve of World IP Day. Symbiosis Law School Pune was conferred Gold Star Award by the Bar Council of India in 2013. SLS, Pune has been ranked top 10 amongst more than 1000 Law Schools in India by the India Today-Nielsen survey.

This stature is attained through its various programs such as 5-year integrated Undergraduate Programs like Bachelor of Arts and Bachelor of Laws [BA. LL.B. (Hons.)] and Bachelor of Business Administration and Bachelor of Laws [BBA. LL.B. (Hons.)], 3-year LL.B. and One-year LL.M program with 8 specializations. SLS, Pune also successfully administers one – a year Diploma Program & Certificate Courses.

The following certificate courses shall be offered by SLS Pune in the coming academic year :

• European Union Climate Justice Law, Governance, Management and Policy

• Critical Thinking Skills and Collaborative Problem-Solving Skills

• Taxation Law

The curriculum and pedagogy are designed around the latest quality initiatives in legal education (including recommendations of the Carnegie Report, USA) combining skill, knowledge, and values. These are imparted through multi-talented, qualified, competent, and enthusiastic faculty members. These efforts are reciprocated by the participation of all the stakeholders including the members of the Bar and Bench, the Corporate Sector, and International Experts.

SLS, Pune has several impressive active international collaborations across prestigious international universities such as Berlin School of Economics and Law, Leibniz University, Hannover Brunswick European Law School, Ostfalia University of Applied Sciences, Germany, University College Cork, Ireland, NUI Galway, Ireland, University College Dublin, Ireland, Sofia University, Bulgaria, Jagiellonian University, Poland, Masaryk University, Czech Republic, Penn State University, USA, UNH School of Law, USA, Deakin University, Australia, University of Johannesburg, South Africa, National University of Singapore and many others. SLS Pune has proactively engaged with Arizona University, New Hampshire University, Washburn University, Seattle University, Pepperdine University, Waikato University, Bristol University, Vienna University of Economics and Business, and Shastri-Indo-Canadian Institute, etc. The collaboration has facilitated student-faculty mobility, participation in summer school, and organization of conferences, guest sessions, webinars, and research projects. SLS Pune has showcased a strong research culture along with an internationalization agenda that has resulted in successful project applications under the Erasmus + program of the EU. SLS, Pune had the unique distinction of being the only Indian partner with the Erasmus Mundus Global Consortium of Law Schools since 2008. SLS, Pune has been the recipient of four Erasmus+ CBHE KA2 under EU projects namely EURASIA, 21 Teach Skills Training, Climate Change Policy, and Law, and International Law and Forced Migration Studies.

The aim of the EURASIA project was to develop the capacity of faculty members in India and China in relation to European Studies by enhancing faculty mobility, developing courses focused on European Studies and incorporating the best practices of European and Asian Universities. Under the Eurasia project , SLS Pune developed 28 courses related to EU studies which have been incorporated into program structures of BA /BBA LLB (Hons), LLB as electives, and European Legal Studies (EU Law and International Law) has been incorporated in the LL.M. program as a unique specialization.

SLS, Pune is a consortium partner of the '21st Century Teach Skills project' which is related to the 'Teacher's Training with specialization on Life and IT skills'. As a part of this project, SLS Pune has developed 10 ECTS Courses on 'Critical Thinking Skills' and 'Collaborative Problem-Solving Skills'.SLS, Pune under SIU is also a consortium partner of the project International Law and Forced Migration Studies. SLS Pune under the agies of SIU has been a part of DAAD -a New Passage to India with Berlin School of Economics and Law that facilitates faculty and student exchange. SLS Pune has also applied for a DAAD grant with Ostfalia University, Brunswick Germany. The institution is also a project partner in the 'DET-Network.' It has institutional memberships of some of the best international bodies recognized globally such as, the membership of IALS (International Association of Law Schools), ASLI (Asian Law Institute), IUCN and GAJE.

On the National front, SLS Pune has undertaken the following projects under the Indian Council of Social Science Research related to 'Law Trafficking and Disasters-tracing the interlinkages'; 'Law Gender and Disasters-case study of Bundelkhand'.SLS Pune has been instrumental in influencing the new transformations in Criminal Justice Systems in India via submitting recommendations to the Ministry of Home Affairs. SLS Pune is also involved in research consultancy for Dr. Veerappa Moily. Also, under the Nyaya Bandhu Scheme(PRO BONO CLUB) SLS Pune received a Grant of Rupees One Lakh (Rs. 1,00,000) from the Department of Justice, Government of India. Adding to its initiatives with the Government of India and the National Commission for Women, SLS Pune, organized the "Regional Consultation on Review of Criminal Law- Improvement in Status of Women" in February 2022 and submitted a detailed report to the National Commission for Women.

SLS, Pune endeavors to secure all-round contributions for the betterment of the field of Law, to create world-class professionals, to produce committed academicians and law reformers, to train justice dispensers and invigorate community crusaders and, to create a strong watershed of new and upcoming expertise in law relating to business and corporate matters. Students can avail of scholarships such as the Government of India's SC/ST Top Class Education Scholarships, Ministry of Social Welfare, Govt. of India and State Merit Scholarships, and also some private scholarships (for other scholarships, please visit www.symlaw.ac.in).

At SLS, Pune one experiences a world-class law school challenging itself year by year soaring to new heights in excellence and quality. Students of Symbiosis Law School Pune have been consistently participating and winning in various International Moot Court Competitions. Oxford Price Media Law Moot Court Competition 2021, 25th Annual Stetson Environment Law Moot Competitions,13th NUJS- Herbert Smith Freehills, National Corporate Law Moot Court Competition 2021,1st National Virtual Moot Court Competition, Argue Action, 2021, Winners of the Global Rounds at the Foreign Direct Investment International Arbitration Moot 2021, etc. Sonal Jain, Vibhor Chandra, and Anoushka Das from SLS Pune emerged out as winners of the 18TH KK Luthra Memorial Moot Court Competition, 2022. Adding another feather Sarakshie Sonawanae, RS Sanjanaa, and Amogh Hebbar won the 4TH National Med-Arb Competition organized by Tamil Nadu National Law University.

SCALSAR:

SLSP has established Symbiosis Centre for Advanced Legal Studies and Research (SCALSAR). It is the cencentre stager research, quality publications, government interface, hosting scholars in residence, undertaking interdisciplinary legal studies and research projects, training teachers and designing training modules. It has 3 research clusters: Science Technology Innovation Law, Rule of Law in Context and Comparative Law. Every year SCALSAR organizes an International Research Conference which has become popular as SYMROLIC representing Rule of Law with Indian and Global perspectives, aligning it with the SIU's vision of an interdisciplinary conference and connecting to different fields such as that of Innovation, Science, Technology, Human Behaviour, Global Policy and Governance.

The purpose of SCALSAR under the Faculty of Law SIU, Symbiosis Law School Pune is to centre- stage research, encourage quality publications, act as think-tank to government, host scholars in residence, undertake interdisciplinary legal studies and research projects, training teachers and designing training modules. SCALSAR contributes under three verticals viz. Science technology and Innovation Law, Rule of Law in Context and Comparative Law.

In the last one year, the Centre has published more than 47 research papers in SCOPUS listed journals and 2 in WoS indexed journals by the SLS Pune faculty members and some PG / Ph.D. students, now totalling upto 547 publications. Balancing the social agenda, the community legal care centre of SLS Pune is engaged in the Prison Advocacy program of Mumbai High Court through Prison Clinic, collaborates with District Legal Aid Services Authority and has clinics in villages and inner city.

The Career & Professional Development Cell:

The Career & Professional Development Cell functions as the primary facilitatory body for the process of professional development and constructive employment for our students. The broad objectives of the cell are campus recruitment, training and development and internship opportunities. The Cell works throughout the year to implement and execute the processes of Campus Recruitments, Internships, Training and Development, Industry & Alumni Relations and Entrepreneurial development. With years of experience, the cell has developed a wide array of networks ranging from litigation firms, corporate firms, solicitors, private practitioners, to governmental commissions and agencies. The Career & Professional Development Cell has been tirelessly facilitating the professional development of our students and has been successful in attaining the aforementioned goals by providing our students with the best opportunities.

Ongoing Placement 2022-23
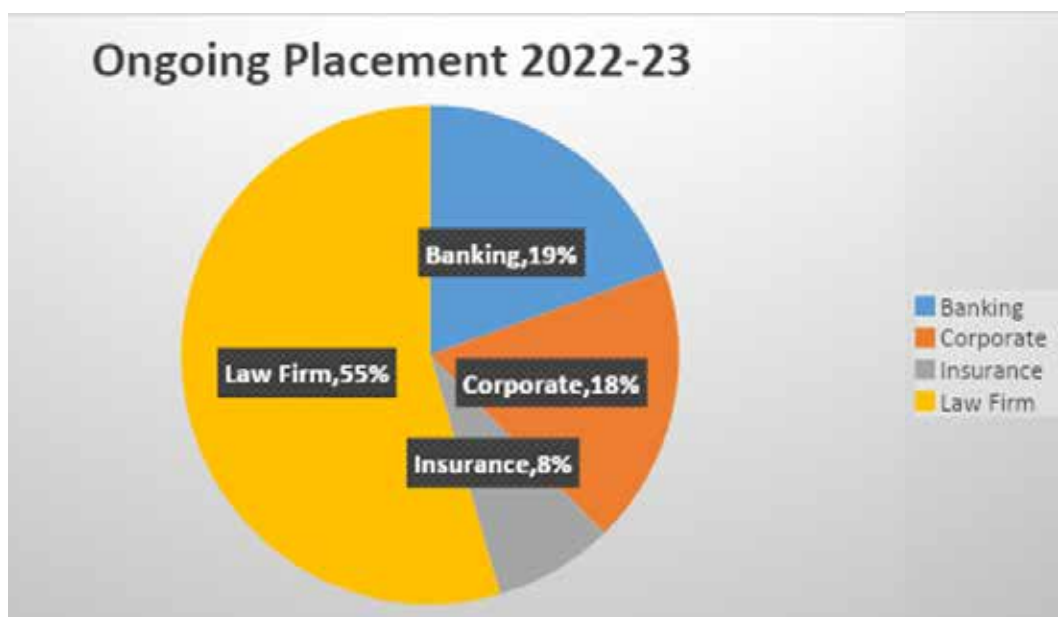

The 14th Edition of Symbhav themed "Upturn 180" was conducted on the 8th to 10th of April, 2022, and conducted at the Symbiosis Viman Nagar Campus Auditorium. The Law Theatre students of SLS-Pune presented a phenomenal film called 'Khel Khilauna'

The Alumni Cell:

The Alumni Cell of Symbiosis Law School, Pune is a voluntary student body working under the guidance of the Director, Symbiosis Law School Pune, and Dean Faculty of Law Symbiosis International (Deemed University). The Cell continuously undertakes to strengthen the relations of the alumni of SLS Pune. It has been instrumental in organizing the Annual Alumni Meet, regular guest lectures by distinguished alumni on the campus, and publishing the annual yearbook 'Alumni Nexus'.SLSP is the proud alma mater to illustrious alumni such as Varuna Agarwal (UPSC AIR-38), Sharmistha Dutta (AIR2 CDSE), Vineet Dhanda Assistant Solicitor General of India, Chhattisgarh's Additional Advocate General Mr. Saurabh Ajay Gupta, Mr. Shashwat Sachdev who won the National Award for the Best Music Direction (Background Music) for Uri: The Surgical Strike, Justice Revati Mohite-Dere, Judge, Bombay High Court, Mr. Krishnav, Argus Partners; Mr. Neeraj Menon, Trilegal; Mr. Upasna Rao Trilegal; Mr. Aninda Pal, DSK Legal; Mr. Bir Bahadur, J.SagarAssociates; Mr. Murtaza Zoonkawala, Saraf and Partners amongst other law firm and corporate firm leaders. SLS, Pune endeavors to secure all-round contributions to the betterment of the field of Law, to create world-class professionals, to produce committed academicians and law reformers, to train justice dispensers and invigorate community crusaders, and, to create a strong watershed of new and upcoming expertise in law relating to business and corporate matters.

Programme Profile:

Names of the Programme(s):

- **Bachelor of Arts & Bachelor of Laws (Honours) [B.A.LL.B. (Honours)]**
- **Bachelor of Business Administration & Bachelor of Laws (Honours) [B.B.A.LL.B. (Honours)]**
- **Bachelor of Laws (LL.B.) (3 Years)**

- **Bachelor of Arts & Bachelor of Laws (Honours) [B.A.LL.B. (Honours)]**
- **Bachelor of Business Administration & Bachelor of Laws (Honours) [B.B.A.LL.B. (Honours)]**

   SLS, Pune offers a 5-year BA BBA LL.B. (Hons.) program. It is one of the pioneer institutions in the country to offer a five-year integrated programme to foster a culture of academic excellence among students. There is an emphasis on an interdisciplinary approach in the study of law to equip the students with skill and knowledge and to equip them to perform various roles of a professional lawyer beyond the traditional role of litigation linking their domain knowledge to the legal profession.

- **Bachelor of Laws (LL.B.) (3 Years)**

   SLS, Pune has re-introduced the Three year LL.B. programme from 2014 which has received an overwhelming response. This three year programme is designed to impart professional legal competence to students from diverse educational backgrounds. The objectives of the programme are-

   a) To equip them with; legal knowledge of various legal spheres and skills to perform various roles of a legal professional beyond the traditional role of a litigator for linking their domain knowledge to legal profession.

b) Give them an edge over their competitors to lead so that the opportunities to shape social, public and corporate enterprises such as the State, Community organizations and Social Enterprises, become justice sentinels and justice crusaders seek them out.

c) Provide hands on experience in legal knowledge, skills, ethics and values so as to be able to work in a fast changing India set in a globalizing world by learning law in a profound way keeping with to contemporary developments.

d) Build competence to find, identify and interpret the law in a given situation.

e) Enhance knowledge to enable them to resolve the legal problems with the correct application of law.

f) Enable them to deploy IT skills to use the electronic resources to find the legal information.

g) Demonstrate cognitive skills, problem solving skills, analytical and independent critical thinking with enhanced research capabilities by using different pedagogical methods using collaborative online international learning.

h) Help cultivate the ability to appreciate the role of lawyers in justice education in a globalising world sensitive to the needs of sustainability, poverty and vulnerability.

i) Acquaint them with the institutions of the legal systems encompassing national, regional, international and multiple aspects of dispute resolution, with intellectual integrity, critical thinking, and as practice-ready lawyers.

Step 2: Symbiosis Law Admission Test (SLAT 2022)- Computer Based Test

Admission to 5 years BA BBA LL.B is offered through Symbiosis Law Admission Test (SLAT), which consists of:

4.1   **SLAT (Computer Based Test):** This comprises of multiple choice questions to assess the General Knowledge, Logical Reasoning, Analytical Reasoning, Basic English and Basic Legal Reasoning. There will be a time limit to answer the questions. Once the time limit is crossed, the candidate will lose the opportunity to answer the questions. The candidate needs to ensure that the answer is recorded within the stipulated time limit.

        Date for SLAT (Computer-Based Test): The SLAT will be conducted twice for the academic year 2023-2024 on May 06, 2023 (Saturday) and May 14, 2023 (Sunday).

        A candidate can appear for SLAT on both dates (May 06 and May 14, 2023). If a candidate appears for more than one test, the higher score will be considered for the final percentile calculation.

        After the declaration of the SLAT result, SLS Pune will publish the list of shortlisted candidates who are eligible for the PI-WAT (Personal Interaction- Written Ability Test) process

        Please note: The name of the candidate will appear in the list of shortlisted candidates for PI-WAT only if he/she has registered and paid (programme-wise fee @Rs.1000/- for each programme) to SLS, Pune while filling the SLAT registration form

4.2   **Online Writing Ability Test (WAT):** WAT is conducted to test the writing ability of the candidate. The candidates are required to write a short essay on the topic given. The topic can be from social, political, and legal domains. WAT will be conducted in Home Based Proctored mode and separate instructions for the same shall be sent to the candidates who are qualified to appear for PI-WAT.

Personal Interaction (PI): Personal Interaction is intended to test the Personal Attributes, inclination towards law as a career, overall personality and communication skills, Extracurricular and Co-curricular activities, and elementary knowledge of the law of a candidate. PI will be done in Online mode and separate instructions for the same shall be sent to the candidates who are qualified to appear for PI-WAT

A) Schedule of Online PI-WAT: PI will be conducted online on different dates for SLS Pune, SLS NOIDA, SLS Nagpur, and SLS Hyderabad. Shortlisted candidates will receive a link and instructions 30 minutes prior to the schedule of the online PI-WAT.

B) Schedule for SLS Pune Online PI-WAT (Personal Interaction- Writing Ability Test): SLS Pune will conduct Online PI (Personal Interaction) & WAT(Writing Ability Test) as updated on the website. PI and Wat will be conducted on different dates. Kindly refer to the 'Important Dates' section on the website.

The candidate needs to book a slot for PI at SLS, Pune. The slot booking link for shortlisted candidates will be available on our website, www.symlaw.ac.in. If a slot is not booked by the candidate within the stipulated date & time a forceful allotment will be done. The candidate needs to check the website of SLS Pune for status (shortlisted or not) and for booking the slot for PI. The candidate can download the call letter for personal interaction from SLS Pune website using their login credentials.

For the PI-WAT of other institutes, please visit the website of the respective institutions.
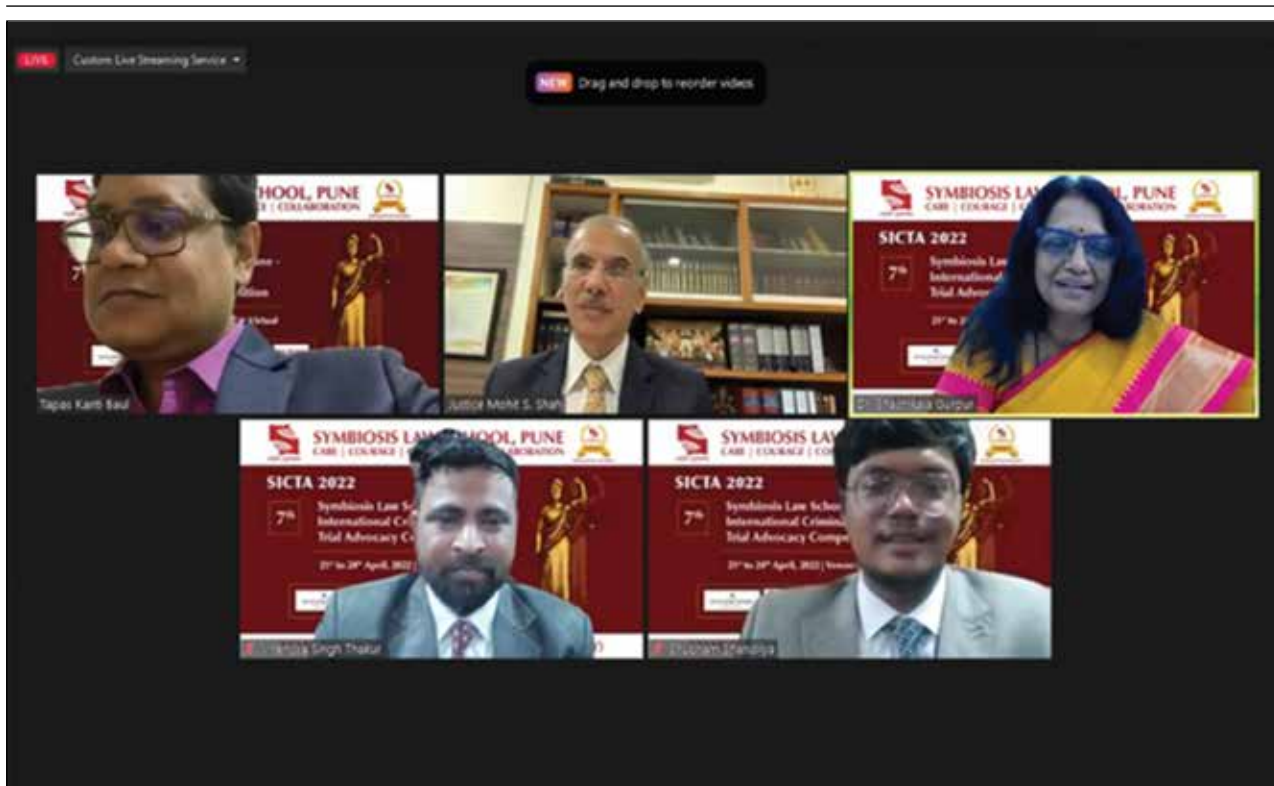

SEVENTH SYMBIOSIS LAW SCHOOL, PUNE - INTERNATIONAL CRIMINAL TRIAL ADVOCACY COMPETITION, 2022 (SICTA) 2022: 21st – 24th April 2022

Conclave 2022 *on the theme, "The Future of Legal Practice in the age of Artificial Intelligence" was graced by Hon'ble Mr. Justice Dipak Misra, Former Chief Justice of India as Chief Guest. The Guest of Honour was Hon'ble Mr. Justice Pradeep Singh Yerur, Permanent Judge, High Court of Karnataka. Mr. Gaurav Bhatia, Senior Advocate, Supreme Court of India delivered the keynote speaker's address.*

** Disclaimer:

It is mandatory to attend all components/ tests of PI-WAT to be eligible for admission to any SLS Pune. Only candidates who attend all components/tests of the selection process (PI-WAT) shall be considered eligible for the generation of merit/wait/reject list. Candidates who remain absent for any one of the components/tests will be considered ineligible for the selection process of SLS Pune.

C) Arrangement for PC/Laptop and internet connectivity for the Online PI-WAT: Candidates are required to make necessary arrangements for PC/Laptop along with camera and internet connectivity on their own. SLS Pune will not be responsible for any technical issues/glitches at the end of the candidate.

For DA (Differently Abled) candidates, separate instructions will be issued by Symbiosis International (Deemed University), Pune.

Negative marking: There will be no negative marking for SLAT and PI-WAT.

4.3   Verification of Educational Qualification Documents and Eligibility: The candidates shortlisted for online PI-WAT should submit educational qualification documents as per the directions of SLS Pune/SIU. If the candidate fails to submit any document at the time of the verification and for eligibility purposes, the claim for admission shall not be entertained.

• **Bachelor of Laws (LL.B.) (3 Years)**

Step 1: Apply Online

To apply please visit - www.symlaw.ac.in

Step 2: All India Admission Test (AIAT)

Admission to three-year LL.B. is offered through Symbiosis All India Admission Test (AIAT). AIAT will be conducted online in Home-Based Proctored Test (HBT) mode.

AIAT broadly consists of Written Test and Personal Interaction:

(A)   Online Home-Based Proctored Written Test (AIAT): AIAT comprising of Writing Sample/subjective/descriptive answer (Writing Sample: two subjective questions for 20 marks each, total 40 marks) for 65 minutes, 10 objective questions for 20 marks related to socio-legal, politico-legal, current and contemporary topics for 20 minutes, immediately followed by an online Psychometric Test of 20 minutes for 10 marks.

There will be a time limit to answer the questions. Once the time limit is over, the candidate will lose an opportunity to answer the questions. An answer given by a candidate will be locked, so the candidate will not be able to change the answer. The candidate needs to ensure that the answer is recorded within the stipulated time limit.

Date for AIAT (HBT mode): The AIAT will be conducted on 24th June 2023.

Step 3: Online Personal Interaction (PI): There will be a total of 30 marks for PI: Personal Interaction is intended to test the personal attributes, fitment, work experience, global outlook, professionalism, ethics, values, and Statement of Purpose of a candidate.

A) Schedule for SLS, Pune Online PI (Personal Interaction): SLS, Pune will conduct Online PI (Personal Interaction) on 5th July 2023 and 6th July 2023 for LL.B programme.

B) Time for PI: Each candidate will get a maximum of 6 to 8 minutes for PI. The candidate needs to be ready at the given time without any excuse by following the instructions given by SLS, Pune-SIU.

Note: Candidates are requested to upload a soft copy of the Statement of Purpose (SOP), not more than 250 words, and a scanned soft copy of the Letter of Recommendation mentioning conduct, character, traits, etc. (the reference letter shall be from the Head/Supervisor/Professor of your Institute/College) and other relevant documents as per the schedule for AIAT. After successful completion of the AIAT, candidates will be invited for the PI process provided by the institute.

Candidates need to keep original documents, including the SOP and reference letter (LOR), for the PI process.

Reservation of Seats: As per University norms.

Dr. Chandrashekhar Jayvantrao Rawandale
Director

Director Profile:

Dr. Chandrashekhar Jayvantrao Rawandale graduated from the University of Pune with LL.B. degree, moving on to complete LL.M in International Law & Human Rights from Dept. of Law, University of Pune, (1997); LL.M. in Commercial Law from Cardiff Law School, Cardiff University (UK) (2003) and Ph.D. in 'Computer Programs: Copyright and Patent Paradigms- A Study' from Symbiosis International University, Pune (2010).

Dr. C J Rawandale has worked as research associate at I.L.S. Law College for a year where he also taught Law of Torts. He then worked with Bharati Vidyapeeth's New Law College for two years as a lecturer, before moving to Symbiosis Law School, Pune in 2000. During his stay at Cardiff, he also worked for Welsh Joint Education Board, Wales and Crossroad Solicitors. During and October-December 2008, He was a Visiting Fellow at Cardiff Law School, Cardiff University, Wales – UK (December 2003), Leibniz University Hannover, Germany (October-December 2008) and Jagellonian University, Krakow, Poland (January - February, 2019).

Dr. C J Rawandale was member of 'Project Review and Steering Group (PRSG)' constituted by Department of Information Technology, Government of India for the project "Cyber Crime related Capacity Development and ICT Training for the Judiciary in States of Assam, Manipur, Meghalaya, Tripura, Nagaland, Arunachal Pradesh, Mizoram & Sikkim" by CDAC, Kolkata under Cyber Security Grant-in-Aid Programme. He also was Member of Thomson Reuters Council for Legal Information and Innovation.

Dr. C J Rawandale research interests lie in the Intellectual Property Law, Information Technology & Telecommunications Law and International Law. He has authored books including: Dr. C J Rawandale & Mr. B P Bhargava, 'New Company Law: An Insight', Corporate Law Advisor: 2013; Dr. C J Rawandale (co-author), 'Corporate Social Responsibility', Thomson Reuters (Westlaw India): 2014 and 'An Introduction to Environmental Law' (1998). He has also chaired and addressed several National and International Conferences/Seminars.

Dr C J Rawandale was selected and felicitated by Corporate Counsel Association of India with 'Distinguished Professor in Imparting in Innovative Legal Education' award on November 20, 2022 and by the Indian National Bar Association (INBA), on the occasion of '67th Constitution Day' on November 26, 2016 with 'Law Professor of the Year' award.

Institute Profile:

Symbiosis Law School, NOIDA (hereinafter referred as SLS-NOIDA) in just eleven years of its inception has carved a niche for itself in the academic circuits. It has become a celebrated name amongst the aspirants of professional legal education. It holistically promotes academic excellence, intellectual discipline and professional leadership. Being a constituent of Symbiosis International (Deemed University), it envisions the reputation of Symbiosis in and around Delhi, the constitutional capital of India. SLS-NOIDA is strategically located in the industrial hub of NCR thereby opening up a plethora of opportunities for the budding lawyers.

SLS-NOIDA strives towards supplementing reforms in the field of law; to groom students to become the unified face of our legal fraternity, to produce knowledge disseminators and to produce individuals who are the torchbearers of the legal system of the country. Our effort is aimed at producing an intellect that believes in reforming rather than punishing and has the potential of hoisting the flag of truth and justice in an unfailing manner.

SLS-NOIDA, in its effort to holistically develop the personality of its learners, has formulated various cells including Research & Publication Cell, Moot Court Society, Legal Aid Center, Training & Placement Cell, Entrepreneurship Cell, Social Responsibility Cell, Cultural Cell, Sports Cell, Debate Society, Literature Society. and International Law Students Association (ILSA) Chapter & Enactus Chapter. These cells not only groom student-leadership but also provide wider opportunities for their overall development in curricular, co-curricular and extra-curricular activities.

SLS-NOIDA believes in orienting the student's intellect towards the attainment of their goals by creating assiduous environment of innovative learning and inter-disciplinary knowledge. The faculty and the students work together towards the accretion and dissemination of knowledge. The pedagogy is designed to haul out the best in each student. To add to the experience of the students and the faculty, theoretical learning coupled with practical exposure provides the right blend of success to the learners at SLS-NOIDA. SLS-NOIDA organizes weekly lectures under the banner of 'Extension Lecture Series' delivered by multi-disciplinary academicians, legal luminaries and corporate honchos. These lectures are extremely instrumental in providing the students with the challenges awaiting them in their career.

SLS-NOIDA makes an ample use of technology for the benefit of its learners which in turn supports in meaningful administrative automation and in introduction of new learning methodologies.

Programme Profile:

Name of the Programme:

- **Bachelor of Arts and Bachelor of Laws (B.A.LL.B.)**
- **Bachelor of Business Administration and Bachelor of Laws (B.B.A.LL.B.)**

Duration:

- Bachelor of Arts and Bachelor of Laws (B.A.LL.B)   : 5 Years Full Time
- Bachelor of Business Administration and Bachelor of Laws (B.B.A.LL.B.)   : 5 Years Full Time

TUSHAR DUBEY

Intake:

- Bachelor of Arts and Bachelor of Laws (B.A.LL.B)   : 120 students
- Bachelor of Business Administration and Bachelor of Laws (B.B.A.LL.B.)   : 180 students

SLS-NOIDA offers two five years integrated undergraduate programmes, namely, BA. LL. B (Bachelor of Arts and Bachelor of Laws) and BBA. LL. B (Bachelor of Business Administration and Bachelor of Laws).

Bachelor of Arts and Bachelor of Laws (BA. LL. B):

The close connection between social sciences and law hardly needs to be articulated. A lawyer needs to be conscious of the intricate and complex problems of the society. Our integrated Bachelor of Arts and Bachelor of Law programme provides a deep insight into the historical perspective of development of law, political factors influencing policies culminating into law and the intricate relationship between legislations and social problems. This Programme aims at creating socially sensitive sentinels of justice.

Bachelor of Business Administration and Bachelor of Laws (BBA. LL. B):

The use of word 'multi' is indeed multiplying in today's world, multi-nationals, multi-tasking, multi- dimensional, and why not multi-disciplinary'. The sweeping changes in the global economic scenario have necessitated a strong demand for a breed of youngsters with the potential knowledge of law coupled with the core essentials of management and business to enhance productivity. With the object of catering to this demand unfolding before the students, and to enable them to explore these vistas of opportunities that lie ahead, we have commenced an integrated Bachelor of Business Administration and Bachelor of Law degree programme (BBA. LL. B). Here we impart exhaustive knowledge to the students not only to survive but also to excel in the increasingly competitive world.

Eligibility:

- **Bachelor of Arts and Bachelor of Laws (B.A.LL.B.)**
- **Bachelor of Business Administration and Bachelor of Laws (B.B.A.LL.B.)**

  Standard XII (10+2) or equivalent examination passed from any recognized board with minimum 45% marks or equivalent grade (40% marks or equivalent grade for Scheduled Caste/Scheduled Tribes).

Reservation of Seats: As per University norms.

Important: It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Admission Process:

Candidate needs to register for Online Symbiosis Law Admission Test (SLAT) 2022 & also register for SLS-NOIDA offering his/ her choice of programmes by paying separate programmes registration fees. If shortlisted, he/she would then need to attend the further admission process conducted by SLS-NOIDA either at NOIDA or Pune.

Selection is done in two phases: Candidates will be short listed on the basis of the SLAT score & the short-listed candidates will be invited for Personal Interview (PI) and Written Ability Test (WAT). Final Merit list shall be drawn on the basis of SLAT Score (50%) and PI-WAT performance (50%). In other words, it will be based on the cumulative marks scored on the scale of 100 marks wherein SLAT score will be scaled down to 50 marks i.e., 50% weight age and the remaining 50% weightage will be assigned as follows: Personal Interaction (PI) - 30 marks i.e., 30% and Written Ability Test (WAT) - 20 marks i.e., 20%.

Orientation and Pedagogy:

SLS-NOIDA is introducing a new era of innovative learning, inter-disciplinary knowledge and industrious environment with unique orientation and methodology of legal pedagogy in place. Classes are highly interactive, delivered not only by the best academicians but also by the legal luminaries of the field. It strongly believes that law students should stick not only to theoretical teaching but also inculcate and improve the court room etiquettes (environment), research experience and advocacy skills through court room and related exercises such as moot court, mock trials, trial advocacy, pre-trial preparation, drafting of pleadings and client counseling. Research is an integral part of studies including interdisciplinary research involving collaboration between academic fraternity, students, and industry. SLS, Noida's efforts are shared by the contribution of members of the bar and bench, corporate sector and international experts (agencies).

The Cumulative Grade Point Assessment (CGPA) method of assessment is followed. In addition to the constant internal assessments, external examination is conducted at the end of each semester. Internal evaluation is characterized by one project and minimum two of the above (following): Tutorial, Case Analysis, Cases and Open problems, Essays, Seminar Presentations, Viva-Voce, Quiz, Drafting, Moot Court, Mock Trial, Learning Logs/ Diaries, Computer Based Assessment, Simulated Interviews, and Objective Structured Clinical Examinations. Internal Assessment involves Open Book Examination, which aims at evaluating understanding of the subject than the recalling and memorization.

Dr. Santosh Aghav
Director

Director Profile:

Education has always been the beacon of universal human values. With education, not only comes knowledge, but also values that sustain society. Realising its responsibility towards according value based education, Symbiosis Law School - Hyderabad (SLS-H), a constituent of Symbiosis International (Deemed University), Pune, (Re-accredited by NAAC with A++ Grade) has been imparting quality legal education, under the visionary guidance of Prof. (Dr.) S. B. Mujumdar, Hon'ble Chancellor, Dr. Vidya Yeravdekar, Pro-Chancellor, Dr. Rajani Gupte, Vice-Chancellor and other members of the statutory bodies, and well-wishers. On their behalf and on that of the Students, Faculty, and Staff of SLS-H, it is my pleasure to extend a warm welcome to you all.

We began our journey towards excellence in the field of legal education in 2014. We offer programs in B.A. LL.B. , B.B.A. LL.B. and LL.M. Our every effort is motivated towards ensuring that the students become committed legal professionals and efficient contributors by providing them with very comprehensive academic and research teaching, vocational training, and professional skills related exposure. The institute aims at developing the overall personality of itsstudents by imparting to them values of respect and empathy, following the University's motto, "Vasudhaiva Kutumbakam" (World is One Family). SLS-H's state-of-the-art infrastructure, skill-based training cells and committees, and its centres of academic specialisation together ensure a well-coordinated and conducive environment for learning and holistic development of its pupils.

We invite you to tour our lush green campus at your convenience. We look forward to hosting you.

Institute Profile:

Symbiosis Law School (SLS), Hyderabad was established in 2014 as a constituent of Symbiosis International (Deemed University), Pune, inheriting splendid novelty, dynamism and excellence in education. It is founded on pillars of Expertise, Justice, and Service and is committed to imparting quality legal education confirming acclaimed international standards. SLS, Hyderabad is cocooned in the upcoming educational zone with state of art infrastructure catering impending needs of the student community. It is located in Modallaguda Village, Nandigama Mandal, Ranga Reddy District in the state of Telangana, near Hyderabad; 45 minutes away from the international airport.

SLS-Hyderabad shares expertise in imparting quality legal education through competent and well-qualified teaching staff, techno-driven research culture, Internationalization, centres of excellence, training and skill enhancement programmes, etc. It is committed to contributing to the justice mission of the state by initiating pro-bono activities to help poor and marginalized people. Further, it endeavours to create value-conscious skilled lawyers with par excellence serving the dynamic needs of the community through Bar and Bench.

SLS Hyderabad strives to inculcate research aptitude in learners by constantly acquainting them with historical judgments, case analysis/discussions, and legal web bases. The learners at SLS-Hyderabad are adept at courtroom etiquette and advocacy skills through the courtroom and related exercises such as Moot Court, Mock Trials, Alternative Dispute Resolution, Drafting, Pleadings, Client Counseling and Simulation exercises. We have on board luminaries of the highest merit to share the expertise and responsibility of grooming our learners into dynamic lawyers of tomorrow. SLSH is always in the process of grooming student leadership which is nurtured by the faculty mentorship.

We at SLS Hyderabad lay strong emphasis on research and publications through various law journals, in-house student magazines, and research projects where students contribute to fostering their professional growth. The social agenda of the institute includes the Legal Aid Centre and Digital Aid Centre to promote digital and legal awareness around campus. SLS Hyderabad believes in orienting students' intellect towards the attainment of their goals by creating an assiduous environment of innovative learning and inter-disciplinary knowledge. The faculty and the students work together towards the accretion and dissemination of knowledge. The pedagogy is designed to haul out the best in each student. To add to the experience of the students and the faculty, SLS Hyderabad organizes weekly lectures delivered by multi-disciplinary academicians, legal luminaries, corporate heads, and experts at the bar and bench. These lectures are extremely instrumental in providing the students with the challenges awaiting them in their careers. Theoretical learning coupled with practical exposure provides the right blend of success to the learners at SLS Hyderabad.

Admission for an undergraduate course in Symbiosis Law School, Hyderabad is through the Symbiosis Law Admission Test (SLAT) which is a common entrance test for the admission processes of undergraduate law institutes of Symbiosis International (Deemed University). The entrance test is followed by Written Aptitude Test (WAT) and Personal Interaction (PI).

Programme Profile:

Name of the Programme:

- **Bachelor of Arts and Bachelor of Laws (B.A.LL.B.)**
- **Bachelor of Business Administration and Bachelor of Laws (B.B.A.LL.B.)**

Duration:

- BBachelor of Arts and Bachelor of Laws (B.A.LL.B.)   : Five Years full time Residential
- Bachelor of Business Administration and Bachelor of Laws (B.B.A.LL.B.)   : Five Years full time Residential

Tree Plantation program was held on 85th Birth Day of Prof. Dr. S.B. Mujumdar Sir

Intake:

- Bachelor of Arts and Bachelor of Laws (B.A.LL.B.)   : 120 students
- Bachelor of Business Administration and Bachelor of Laws (B.B.A.LL.B.)   : 120 students

Bachelor of Arts and Bachelor of Laws (B.A.LL.B.)

The close connection between social sciences and law hardly needs to be articulated. A lawyer needs to be conscious of the intricate and complex problems of society. Our integrated Bachelor of Arts and Bachelor of Law programme (B.A. LL.B.) provides a deep insight into the historical perspective of the development of law, political factors influencing policies culminating into law, and the intricate relationship between legislation and social problems. This Programme aims at creating socially sensitive sentinels of justice.

Bachelor of Business Administration and Bachelor of Laws (B.B.A. LL.B.)

The sweeping changes in the global economic scenario have necessitated a strong demand for a breed of youngsters with the potential knowledge of law coupled with the core essentials of management and business to enhance productivity. With this objective to cater to the demand unfolding before the students, and to enable them to explore these vistas of opportunities that lie ahead, an integrated Bachelor of Business Administration and Bachelor of Law Programme (B.B.A. LL.B.) has been commenced. Here, we impart exhaustive knowledge to the students not only to survive but also to excel in the increasingly competitive world.

Eligibility:

- **Bachelor of Arts and Bachelor of Laws (B.A.LL.B.)**
- **Bachelor of Business Administration and Bachelor of Laws (B.B.A.LL.B.)**

   Qualification: The candidate should have passed the 12th (10+2) standard examination from any government recognized board with a minimum of 45% marks (40% for S.C. / S.T. student) in one attempt only (No Compartment / Supplementary). Candidates who have appeared for their H.S.C. finals and are awaiting results are also eligible to apply, subject to the submission of a passing certificate at the time of final admission. Applicants who have obtained 10+2 through the Open Universities system directly without having any basic qualifications are not eligible for the professional Law Courses.

   Note: It is suggested that those candidates who have studied Arts/Social Sciences subjects for their qualifying examination may apply for the B.A. LL.B programme. Similarly, those candidates who have studied Commerce/ Accounts/Mathematics may apply for the BBA LL.B programme. The candidates are free to make their own choice depending on their ability, interest and opportunity. Please note that these two programmes differ only in First Degree subject (either Humanities OR Business Law) whereas the same Law courses are offered in both the programmes. Graduates in both streams are eligible for diverse legal career opportunities, including Corporate, Lawyering, Civil Services, Advocacy, Judiciary, Academic, International Organization Jobs, International Admissions etc.,

Admission Process:

Step 1: Apply online

Candidate applying to Symbiosis Law School, Hyderabad (SLS, Hyderabad) should complete the following procedure:

- Candidates must complete the SLAT (Symbiosis Law Admission Test) online registration process.
- Candidate must pay Rs. 1950/- as SLAT Registration Fees.

- It is mandatory to appear for SLAT (Symbiosis Law Admission Test).

- Candidate must also complete the SLS, Hyderabad payment of Rs. 1000/- per programme (i.e. B.A. LL.B or/and BB.A. LL.B) while filling out the SLAT registration form.

- Shortlisted candidates will be called for Personal Interaction & Writing Ability Test (PI-WAT).

Note: It is mandatory to Register & Pay for both SLAT & SLS Hyderabad. A candidate registered for SLAT and not for SLS, Hyderabad by paying the aforementioned fees will not be eligible for the next phase of PI-WAT at SLS, Hyderabad.

- For SLAT Registration and other information please visit www.set-test.org

- For SLS Hyderabad, please visitwww.slsh.edu.in

Step 2: Symbiosis Law Admission Test (SLAT 2023) - Centre Based Test

Admission to 5 years BALLB &BBA LLB is offered through the Symbiosis Law Admission Test (SLAT), which consists of:

SLAT (Centre Based Test): This comprises of multiple-choice questions to assess General Knowledge, Logical Reasoning, Analytical Reasoning, Basic English and Basic Legal Reasoning. There will be a time limit to answer the questions. Once the time limit is crossed, the candidate will lose the opportunity to answer the questions. The candidate needs to ensure that the answer is recorded within the stipulated time limit.

Date for SLAT (Centre Based Test): The SLAT will be conducted on 6th May 2023. (1st Test) and 14th May, 2023 (2nd Test)

After the declaration of the SLAT result, SLS Hyderabad will publish the list of shortlisted candidates who are eligible for the PIWAT (Personal Interaction- Written Ability Test) process.

Note: The name of the candidate will appear in the list of shortlisted candidates for PI-WAT only if he/she has registered and paid (programme wise fee @Rs.1000/- for each programme) to SLS, Hyderabad while filling the SLAT registration form.

Step 3: Online Writing Ability Test (WAT):

WAT is conducted to test the writing ability of the candidate. The candidates are required to write a short essay on the topic given. The topic can be from social, political and legal domains.

Step 4: Online Personal Interaction (PI):

Personal Interaction will be conducted only for the candidates, who appeared for WAT Test. Personal Interaction is intended to test the Personal Attributes, inclination toward law as a career, overall personality and communication skills, Extracurricular and Co-curricular activities, and elementary knowledge of the law of a candidate.

(a) Schedule of Online PI-WAT: PI will be conducted online on different dates for SLS Pune, SLS NOIDA, SLS Nagpur, and SLS Hyderabad. Shortlisted candidates will receive a link and instructions 30 minutes prior to the schedule of online PI-WAT.

(b) Schedule for SLS Hyderabad Online PI-WAT (Personal Interaction- Writing Ability Test): SLS Hyderabad will conduct Online PI (Personal Interaction)&WAT(Writing Ability Test)as updated on the website. PI and WAT will be conducted on different dates. Kindly refer to the 'Important Dates' section on the website.

The candidate shall book a slot for PI at SLS, Hyderabad. Slot booking link for shortlisted candidates will be available on our website, www.slsh.edu.in. If a slot is not booked by the candidate within the stipulated date & time, a forceful allotment will be done. The candidate needs to check the website of SLS Hyderabad for status (shortlisted or not) and for booking the slot for PI. The candidate can download the call letter for personal interaction from the SLS Hyderabad website using their login credentials. For the PI-WAT of other institutes, please visit the website of respective institutions.

A) Arrangement for PC/Laptop and internet connectivity for the Online PI-WAT: Candidates are required to make necessary arrangement of PC/Laptop along with camera and internet connectivity on their own. SLS Hyderabad will not be responsible for any technical issues/glitch at the end of the candidate.

Negative marking: There will be **no negative marking** for SLAT and PI-WAT.

1.2 Verification of Educational Qualification Documents and Eligibility: The candidates shortlisted for online PI-WAT should submit educational qualification documents as per the directions of SLS Hyderabad, SIU. If the candidate fails to submit any document at the time of the verification and for eligibility purposes, the claim for admission shall not be entertained.

Reservation of Seats: As per University norms.

Important Dates:

- **Bachelor of Arts and Bachelor of Laws (B.A.LL.B.)**
- **Bachelor of Business Administration and Bachelor of Laws (B.B.A.LL.B.)**

Orientation and Pedagogy:

At SLS Hyderabad, the teaching methodology is essentially learner-centric and research-oriented, strengthening students in reflective and critical thinking skills along with value - orientation. Modern teaching methods are used in a convergent manner along with the lecture method. These include classroom presentations, group discussions, seminars, webinars, conferences, case studies, the Socratic method, project-based method, and computer-assisted learning and experiential learning.

There are thirty active centres of specialization and skill-based training cells functioning under the headship of the faculties of Symbiosis Law School, Hyderabad to provide research-based education, get a practical understanding of the subfields of law, enhance the knowledge of particular sub-fields based on the interest of the students and utilize the leisure time of the students productively. Also, inspirational and instilling talks by legal luminaries and industry specialists are held regularly.

The CGPA method of assessment is followed through ongoing internal assessments and an external examination system is followed at the end of each semester. The students are also part of the Research Cell and are engaged in various research activities. We strictly adhere to appropriate standards of relevance, responsibility, ethics, and originality and encourage academic independence and are committed to supporting students in the pursuit of their own research agenda. SLS, Hyderabad provides a platform that seeks to maximize the opportunities for individuals to produce outstanding work, whether independently or in collaboration with other researchers.

The curriculum and pedagogy are designed around the latest quality initiatives in legal education. These efforts are reciprocated by the participation of all the stakeholders including academicians, members of the bar and bench, experts from the corporate sector, governmental bodies and international experts.

Dr. Sukhvinder Singh Dari
Director

Director Profile:

Dr. Sukhvinder Badan Singh Dari holds a Ph.D. in Corporate Laws from Symbiosis International (Deemed University), Pune. He is an alumnus of Symbiosis and has done his LL. M (Business Law) from Symbiosis Law School, Pune. He had pursued his BA. LL. B from the Nagpur University and holds a Diploma in Human Resource Management & Labour Laws, and Diploma in Corporate Mergers and Acquisition. Dr. Dari has been with Symbiosis Law School, since 2007. Prior to joining the Symbiosis Law School, Nagpur in 2019 as a Director he was with Symbiosis Law School, Hyderabad as a Deputy Director (since inception 2014-19), worked with SLS NOIDA (since inception 2010-14) and Pune (2007-10).

He is a recipient of the Award for "Academic Excellence" contribution to the legal fraternity at Legal Desire Summit & Awards, 2018. He has also been awarded a Certificate of Excellence for International Paris Summit Climate Change Program (Centre for United Nation 2016). He has been a resource person at the Andhra Pradesh Human Resource Development Institute, Telangana Police Academy, UGC HRD (University of Hyderabad) and other distinguished forums. He is also a member of several academic and non-academic bodies of SIU.

He teaches Corporate and Commercial Laws, Forensic Science, Constitutional Law, Contract Law, Jurisprudence and Labour Laws besides guiding Ph.D. Scholars, Research for undergraduate and postgraduate students. He has chaired and attended a plethora of National and International Conferences, with his major research interest in company law and corporate governance. He has National and International publications widely in the area of Company law in leading journals and books. He has many articles/research papers, co-authored books and five edited books to his credit. He is also the Chief Editor of Symbiosis Law School Nagpur Multidisciplinary Law Review and Journal of Women Law and Policy; both initiated under his guidance.

Institute Profile:

Nurtured by the visionary ideas of Dr. S.B. Mujumdar, Chancellor Symbiosis International (Deemed University) on the principles of vedic thought 'Vasudhaiva Kutumbakam' which means 'World is One Family', Symbiosis Law School (SLS) Nagpur is established to inherit the splendid novelty, dynamism and excellence in education.

Being a constituent of Symbiosis International (Deemed University), Pune, Symbiosis Law School, NAGPUR is strategically located in the potential education hub of Maharashtra thereby offering multitude of opportunities for the budding lawyers. Harping on the rich legacy of both Bar and Bench, SLS Nagpur promises to be one of the finest destinations for imparting legal education in central India.

Nagpur, popularly known as the Orange City of India is located at the exact center of the Indian peninsula and is been identified as the best city in India topping in liveability, greenery, public transport, and health care indices. SLS Nagpur at Wathoda is located approximately 10 Kms from the Railway Station, 15 Kms from the Dr. Babasaheb

Ambedkar International Airport and 12 kms from the Bombay High Court, Nagpur Bench, Nagpur. It is also well connected with the other prominent parts of the city including the market area.

Symbiosis Law School, Nagpur providing a platform for students to learn and grow has several cells and centres for facilitating students with diverse interests. These provide multitude opportunities in directly interacting and learning with experts from the field, bar and bench, thereby developing vision, expertise and leadership in students. There is a special focus on the internationalisation with students receiving exposure with frequent lectures and interactive sessions from academicians, legal professionals and experts from abroad. Collaborations and MoUs with Governmental organisations, non-governmental organisations and other academic institutes across the globe have strengthened the quality of teaching-learning process and exposure students receive during their course.

SLS Nagpur has the "State of Art Infrastructure" with remarkable facilities for its students. The pollution free premises of SLS Nagpur have abundant open space and an impressive array of academic, sports and cultural facilities.

Lecture Halls

SLS Nagpur has 20 ICT enabled spacious air-conditioned classrooms, fitted with learning aides such as Projectors, Public Address System, Collar Mikes and Wi-Fi facility. The acoustic, well ventilated and air-cooled lecture halls provide a perfect learning environment for the students.

Assembly Hall

SLS Nagpur has a well-furnished, techno acoustic, and air-conditioned Assembly Hall with capacity of 200 students. Equipped with ICT tools, it is aptly suited for conducting interactive sessions, seminars, workshops and guest lectures by legal stalwarts.

Conference Hall

SLS Nagpur has a well-furnished, air conditioned and ICT enabled conference hall that can accommodate around 40 people and is aptly suited for conducting interactive sessions, workshops, seminars and presentations.

Moot Court Hall

Participating in a moot court competition develops skills that are crucial for growing into a successful lawyer. Mooting as an activity aims to inculcate and improve the research, presentation and argument talent into students so as to equip the budding pleaders with all the courtroom etiquettes, research experience and advocacy skills.

SLS Nagpur, moot court hall provides capacity of 200 students equipped with proper judicial settings, wherein the presentation skills and talents in argument of students are screened and further students are notified about the areas of improvement on routine basis. Apart from this, the Moot Court Association (MCA) organises and hosts Intra Moot Courts and National-level Moot Court competitions.

Library

Recognizing that a law library in true sense is the treasure house for a law student, it is an indispensable component of the SLS Nagpur. To support the dynamic curriculum of Symbiosis Law Programme SLS Nagpur has a well-equipped library with the best and the most updated electronic resources and technologies. The Library exhibits a perfect blend of traditional print resources and online legal databases. The Print resource collection includes text books, reference books, bare acts, bound volumes of law journals & law reports, periodicals and magazines. The technology-based learning resource includes various Legal databases viz. Westlaw India, LexisNexis, Hein Online, Manupatra, SCC Online etc. along with a myriad of e-journals. Additionally, to foster a research acumen in students, access to digital libraries like JSTOR, NDL etc. and research tools like Turnitin, Grammarly are provided. Additionally, the Research and Publication Cell and Specialised Centres facilitate students to hone their research skills and provide sustainable solutions to issues in the industry and society.

Inauguration of Nagpur Campus

It houses a separate section for book lending and book bank facility. The library has an earmarked peaceful reading hall and a separate e-library with a research section for mooters, discussion tables along with separate consultation rooms.

ICT Resource Centre

SLS NAGPUR has a distinct, 120 capacity ICT Resource Center (Computer Lab) for providing e-learning initiative amongst learners and hands on training to access and use various online legal databases. The center provides a perfect platform for conducting online exams, e-research assignments, video lectures etc.

Canteen

SLS, NAGPUR campus has a distinct canteen to cater to the requirements of students. It offers multi cuisine dishes at a concessional rate. The canteen is equipped with modern amenities to ensure hygiene and balanced and nutritional diet of the students.

Health Services And Health Insurance

The Health Center provides all emergency health services and covers all students under a unique and novel medical insurance scheme with a free and compulsory annual health checkup. A well-equipped and modern gymnasium with a yoga hall is within the campus.

Sports facilities on campus includes Indoor facilities and courts for Badminton, Basketball, Futsal courts, Table tennis are available. In-house Competitions, Inter-college competitions and National Sports competitions are organised for students' holistic development.

Auditorium

The auditorium with a seating capacity of 800 guests, is a State-of-art centrally air-conditioned auditorium equipped with all the modern facilities required for E-learning through latest technology to enable this student to keep them abreast of the latest globally emerging trends.

Programme Profile:

At the time of SLAT registration, it shall be mandatory for the candidates to clearly indicate the programme to which they wish to apply. A candidate is free to choose **BOTH** or **ANY ONE** programme.

- **Bachelor of Arts and Bachelor of Laws (B.A.LL.B.)**
- **Bachelor of Business Administration and Bachelor of Laws (B.B.A.LL.B.)**

  SLS Nagpur offers two integrated undergraduate Five year law courses in Bachelor of Arts and Bachelor of Laws (BA. LL. B) and Bachelor of Business Administration and Bachelor of Laws (BBA. LL. B) to cater to diverse needs of the legal profession. These are imparted through well qualified, experienced and enthusiastic faculty, techno-driven research culture, Internationalization, centers of excellence, training and skill enhancement programmes, moot courts etc. The curricular enrichment is ensured with the involvement of learned judges, eminent lawyers, International jurists, academicians, industry experts etc. and best practices are reflected in teaching learning pedagogy. SLS, Nagpur believes in holistic development of nascent legal minds and ensures learning beyond the classroom by planning field visits and workshops in collaboration with various stakeholder and NGOs.

  It provides a conducive and competitive learning environment by encouraging students to take part in national and International competitions. It is committed to contribute to the justice mission of the state by initiating pro-bono activities to help poor and marginalized people through community lawyering, legal aid camps and permanent legal aid clinics. Further, it endeavours to create value conscious skilled lawyers with par excellence serving dynamic needs of the community through Bar and Bench.

Eligibility:

- **Bachelor of Arts and Bachelor of Laws (B.A.LL.B.)**
- **Bachelor of Business Administration and Bachelor of Laws (B.B.A.LL.B.)**

Prof. Mimi Samuel, Associate Professor, School of Law, Seattle University, USA delivering lecture on Legal Writing, Lawyering Skills

Orientation and Pedagogy:

The medium of instruction is English. The methods are essentially learner-centric, which include lectures, Socratic method, Activity Based Learning, field visits, seminars, group discussions, research projects, simulations, case studies, moots, mock trials and ICT-enabled learning by the international guest faculty and guest sessions by the stalwarts.

With the focus on the holistic development of the students, special arrangements are made for the experiential learning. The students get training, orientation and experiential learning through systematic internships in industry, High Courts, Supreme Court and Non-governmental organizations. International Lecture series organised by International Cell aid students be adept with the global trends. Mentor-mentee sessions are scheduled for each student to identify their strengths-weaknesses, their interests and difficulties if any.

Prof. Mark Meirowitz, Professor, Maritime College, the State University of New York delivering a lecture on 'Introduction to the US Constitution'

Programme Structure:

* Bachelor of Arts and Bachelor of Laws (B.A.LL.B.)

Semester: I
Generic Core Courses
- Law of Contract
- Law of Torts including MV Accident and Consumer Protection Laws I
- English
- History I: History of Law and Legal Institutions in Ancient and Medieval India
- Sociology
- Legal Database
- Indian Legal System and Legal Methods
- Foundation of Ethics
- Legal Skills I (Research)

Semester: II
Generic Core Courses
- Special Contract
- Constitutional Law I
- Contemporary Sociological Theories
- Law of Torts including MV Accident and Consumer Protection Laws II
- English (Advanced)
- History II: History of Law and Legal Institutions in Medieval and Modern India
- Political Science I
- Legal Skills II (Advocacy skills)
- Integrated Disaster Management *
- Fitness for Life *

Semester: III
Generic Core Courses
- Constitutional Law II
- Family Law I
- Law of Crimes Paper I: Penal Code
- Economics
- Political Science II
- Jurisprudence (Legal Theory)

Generic Elective Courses Group
- Basic French I
- Basic German I
- Basic Hindi I
- Basic Marathi I
- Basic Sanskrit I
- Basic Spanish I

Semester: IV
Generic Core Courses
- Family Law II
- Property Law
- Political Science III
- Civil Procedure Code and Limitation Act I
- Law of Crimes Paper II: Criminal Procedure Code I
- Service Internship

Generic Elective Courses Group
- Basic Spanish II
- Basic Hindi II
- Basic Sanskrit II
- Basic German II
- Basic Marathi II
- Basic French II

Semester: V
Generic Core Courses
- Administrative Law
- International Relations Theory and Contemporary World Order
- Public Law Skills
- Company Law I
- Civil Procedure Code and Limitation Act II
- Judicial Process and Interpretation of Statutes
- Law of Crimes Paper III: Criminal Procedure Code II
- Health Law

Semester: VI
Generic Core Courses
- Law of Evidence
- Public International Law
- Legal Skills VI (Advocacy, simulation, client counselling)
- Forensic Science
- Company Law II
- Criminal Law Practice
- Principles and Foundations of EU Law

Semester: VII
Generic Core Courses
- Principles of Taxation Law
- Public Administration
- Private International Law
- Corporate Law Practice
- Civil Law Practice

Generic Elective Courses Group

- Competition Law
- Insurance Law
- Intellectual Property Laws
- Penology and Victimology
- Banking Law
- Law and Culture in EU
- Law and Diplomacy: India and EU Perspectives

Semester: VIII
Generic Core Courses

- Alternative Dispute Resolution (Clinical Course II)
- Environmental Law
- Labour and Industrial Law
- Mediation & Conciliation and Arbitration

Generic Elective Courses Group

- Information Technology Law
- International Criminal Law

- International Trade and Economics
- Human Rights Law and Practice
- Right to Information law
- Principles and Practices of Fair Trial in Europe and Asia
- Prosecution Policies in Europe and Asian Nations

Semester: IX
Generic Core Courses

- Drafting, Pleading and Conveyance (Clinical Course I)
- Professional Ethics and Professional Accounting System (Clinical Course III)
- Judicial process and Judicial Services
- Legal Practice Course

Generic Elective Courses Group

- Bankruptcy and Insolvency Law

- Comparative Criminal Procedure
- Investment Law
- Comparative Constitution
- Military Law

Semester: X
Generic Core Courses

- Moot Court Exercise and Internship (Clinical Course IV)
- Project
- Internship

Generic Elective Courses Group

- Startup and Entrepreneurship Law
- Humanitarian and Refugee Law
- UNCITRAL Model Codes
- Law of Injunction

* **Courses are subject to be changed**

---

* Bachelor of Business Administration and Bachelor of Laws (B.B.A.LL.B.)

Semester: I
Generic Core Courses

- Law of Contract
- Business Studies
- Business Accounting
- Law of Torts including MV Accident and Consumer Protection Laws I
- English
- Legal Database
- Indian Legal System and Legal Methods
- Foundation of Ethics
- Legal Skills I (Research)

Prof. Dr. Jatinderkumar R. Saini
Director

Director Profile:

Prof. Dr. Jatinderkumar R. Saini, PhD (Computer Sci.), MCA [Univ. 1st rank & Gold Medals in all 3 years], BSc (Computer Sci.) [Silver Medal], FIETE, MISTE, MISG, MISCA, MISRS, Joint Secretary and Executive Committee Member, ISRS, Pune Chapter (2021-2023), Joint Treasurer & Executive Committee Member, IETE, Vadodara Chapter (2016-18), Joint Secretary & Webmaster & Executive Committee Member, ISG, Vadodara Chapter (2014-2019), Managing Committee Member, CSI, Vadodara Chapter (2016-17), IBM Certified Database Associate – DB2, IBM Certified Associate Developer – RAD, BULATS Certified [CEFR/ALTE C1/4], CPT Certified [CEFR/ALTE C1/4], LASSIB White Belt Certified.

A distinguished and established academician, researcher and administrator, Prof. Dr. Jatinderkumar R. Saini was awarded PhD in Computer Science in 2009. He has 240+ research publications including those published by Hindawi, Elsevier, Taylor & Francis, ACM, Springer, IEEE and InderScience. He has papers with high Thomson Reuters Impact Factor journals, more than 100 Scopus indexed published/in-press papers, more than 60 Web of Science indexed published/in-press papers and best paper awards by AICTE, IEEE, ISTE, etc. With 1300+ citations, h-index of 19 and i10 index of 42, his papers have been cited in 50+ countries by publications included in Elsevier, ACM, Springer, IEEE, Sage, Wiley, ACL, IET, IOS Press, World Scientific, Palgrave Macmillan, IOP Publications, PubMed, etc. including by world's topnotch as well as 1st ranked International Journals with very high Thomson Reuters Impact Factors.

Dr. Saini has reviewed for esteemed and high Thomson Reuters Impact Factor journals published by Elsevier, ACM, IEEE, Springer, Frontiers, MDPI,Emerald, World Scientific, De Gruyter, IGI, ActaPress and InderScience, to name a few. He is also acting as an editorial board member for journals with high Thomson Reuters Impact Factors. Additionally, he has also reviewed papers and chaired sessions for various conferences, both in and outside India. He has been awarded four times with an outstanding reviewer certificate by Thomson Reuters Impact Factor bearing International Journal. Dr. Saini has been named among top 1% (and also in top 50) Computer Science reviewers in the world by Thomson Reuters continuously for two years, i.e, 2018 and 2019. Ten candidates have been awarded PhD and eight more are currently pursuing their doctoral research work under his guidance. He is working as a Co-Principal Investigator in ISRO, Ahmedabad sponsored research project worth approx. 1 million INR. He was invited as a guest faculty at BSEL, Berlin and awarded DAAD fellowship for visiting Germany in 2019.

Prior to joining SICSR, Dr. Saini was working as a State Government University endorsed Professor and Director. His vast experience comprises of working also as Head of Department, University Coordinator, Director of AB Innovation Sankul and Zonal Exam Coordinator for entire South Gujarat under the State government's Gujarat Technological University, Ahmedabad. In the year 2005, he secured first position in the written test and later in the interview too at State level and had a distinct opportunity of working with Gujarat Secretariat, Gandhinagar for the ambitious e-governance project of Govt. of Gujarat as well as the privilege of working at one of the only four licensed certifying authorities under Ministry of Information Technology, Govt. of India.

Dr. Saini is included in the Marquis Who's Who in the World, USA since 2012. His lectures have been live broadcasted at national level and available online as part of NCTEL too. He has completed 50+ international MOOC certifications, almost all with distinction, through various universities like Massachusetts Institute of Technology (MIT), University of Texas at Austin, Stanford University, Rice University, Johns Hopkins University, The Pennsylvania State University, Case Western Reserve University, The Ohio State University, University of Rochester, to name a few.

Academic Achievments :

- Prof. Dr. Jatinderkumar R. Saini, Professor and Director has published more then 240+ research publications with 1300+ citations in 50+ countries

- GoogleScholar h-index: 19 and i10 index: 42

- Reviewer/Editor for journals of ACM Transactions, IEEE Transactions, Elsevier, Taylor & Francis, Sage, Springer, Emerald, Wiley, MDPI, etc.

- Reviewed as well as Chaired Sessions for conferences in India and abroad

- Jt. Secretary & Executive Committee Member, ISRS, Pune Chapter (2021-23),

- 50+ International MOOC Certifications from Google, Massachusetts Institute of Technology, Stanford Univ., Univ. of Texas, Johns Hopkins Univ., Pennsylvania State Univ., Rice Univ., Vanderbilt Univ., Univ. of California, etc.

- Four times recipient of Outstanding Reviewer Certificate from WoS high impact factor bearing journal

Institute Profile:

Symbiosis Institute of Computer Studies and Research (SICSR), a constituent of Symbiosis International (Deemed University), and established in 1985, aims at building future leaders for the Information Technology (IT) industry worldwide by imparting world class IT education to them. We offer state-of-art information technology education for building leading-edge and innovative IT applications. IT is a rapidly changing field where new concepts and technologies are constantly emerging and are leading to the development of new products and innovative applications. IT also plays a vital role in development of next generation technologies in other disciplines. IT has become a critical tool for economic, business and social development and will play a pivotal and catalytic role in a Nation's progress.

We are on the forefront in realizing the vision of our Founder and Chancellor, Honourable Prof. Dr. S. B. Mujumdar Sir, to be a true International University, promoting diversity with students from various countries in the Under Graduate and Post Graduate Courses in IT and Management.

We offer a complete portfolio of IT education programs, including undergraduate programmes Bachelor of Business Administration (Information Technology) and Bachelor of Computer Applications, Bachelor of Computer Applications (Honours) full-time post-graduate programs Master of Business Administration (Information Technology), Master of Business Administration (Digital Transformation) and Master of Science (Computer Applications) programmes.

Programme Profile:

Name of the Programme:

- **Bachelor of Business Administration (Information Technology) - Honours/ Bachelor of Business Administration (Information Technology) – Honours with Research B.B.A. (IT) Honours/ B.B.A. (IT)– Honours with Research**
- **Bachelor of Computer Applications (Honours)/ Bachelor of Computer Applications (Honours with Research) B.C.A. ((Honours)/ B.C.A.(Honours with Research)**

Duration:

- Bachelor of Business Administration (Information Technology) - Honours/ Bachelor of Business Administration (Information Technology) – Honours with Research B.B.A. (IT) Honours/ B.B.A. (IT)– Honours with Research : 4 Years (Full time) Non Residential
- Bachelor of Computer Applications (Honours)/ Bachelor of Computer Applications (Honours with Research) B.C.A. ((Honours)/ B.C.A.(Honours with Research) : 4 Years (Full time) Non Residential

Intake:

- Bachelor of Business Administration (Information Technology) - Honours/ Bachelor of Business Administration (Information Technology) – Honours with Research B.B.A. (IT) Honours/ B.B.A. (IT)– Honours with Research : 120 students
- Bachelor of Computer Applications (Honours)/ Bachelor of Computer Applications (Honours with Research) B.C.A. ((Honours)/ B.C.A.(Honours with Research) : 180 students

- **Bachelor of Business Administration (Information Technology) - Honours/ Bachelor of Business Administration (Information Technology) – Honours with Research B.B.A. (IT) Honours/ B.B.A. (IT)– Honours with Research**

Objective:

The program is a perfect blend of Commerce, Management, and IT subjects that develop Business Administrators empowered with strong IT skills. BBA (IT) offers opportunity for an early entry into Management cadre. The graduating students will be suitable for following roles:

- Business analyst for areas like application software requirement management, quality assurance, and process analysis.

- Business administration for various business management functions like HR, finance, marketing operations, etc.

- Preparing for PG programmes for higher studies in India or abroad in Management field

- Entrepreneurship with multidisciplinary approach.

Highlights of the Programme

- The programme strikes balance between business management, essential IT skills, IT applications, which will enable and enhance business transformations.

- The programme also offers Choice Based Credit System (CBCS) in which Students can choose course/s (up to 10-15%) of their choice from different faculties/disciplines like Humanities, Management, Liberal Arts, and Computer Studies.

- Holistic approach in designing the programme structure focused on providing strong foundations for higher studies, smart careers in IT and Business Administration, and development of Entrepreneurial skills.

- The programme structure, the pedagogy used, the evaluation of learning outcomes are planned in such a way that it helps overall development of students.

- **Bachelor of Computer Applications (Honours)/ Bachelor of Computer Applications (Honours with Research) B.C.A. ((Honours)/ B.C.A.(Honours with Research)**

Objectives :

BCA offers the prequalification for professionals heading for smart career in the IT field, which measures up to international standards. On completing this course, one can do higher studies in any recognised university or in any reputed institution in India or abroad.

Highlights of the Programme

- This program will highlight on recent trends and technology in the areas of web design, mobile technology, data analysis, networking, and database management systems.

- This program gives student an ability to understand and apply knowledge of content management system, mobile computing and cloud computing in software development as well as the best software practices used in industry.

- In this programme students will learn multidisciplinary courses, value added courses and work effectively as an individual and as a member or leader in diverse teams.

- The program will help students to develop professional skills that prepare them for immediate employment or for learning in advanced areas of computer science and related fields.

Japanese students at the time of their industrial visit at Pune

Eligibility:

- **Bachelor of Business Administration (Information Technology) - Honours/ Bachelor of Business Administration (Information Technology) – Honours with Research B.B.A. (IT) Honours/ B.B.A. (IT)– Honours with Research**

  Passed Std. XII (10+2) or equivalent government approved Diploma in Engineering/Technology from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes)

- **Bachelor of Computer Applications (Honours)/ Bachelor of Computer Applications (Honours with Research) B.C.A. ((Honours)/ B.C.A.(Honours with Research)**

  Passed Std. XII (10+2) or equivalent government approved Diploma in Engineering/Technology from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes)

Important:

It is the responsibility of the Candidates to ascertain whether they possess the requisite qualifications for admission. Having been admitted provisionally does not mean acceptance of eligibility . Final eligibility for admission will be decided by Symbiosis International Deemed University (SIU).

Admission Process :

1) Fill up the Online SET Application Form available at www.set-test.org.
2) Make the SET Fees payment.
3) Register for the Institute(SICSR).
4) Make programme-wise fees payment for PI-WAT.
5) Download SET Admit Card.
6) Appear for the SET exam.
7) Check the SET Result.
8) Book your slot for Online Personal Interview-Written Ability Test(PI-WAT) Process for SICSR.
9) Appear for the Online PI-WAT process.
10) Merit list will be displayed.
11) Admission will be confirmed after payment is made.

Dates of PIWAT Process	June 08, 2023 (Thursday) To June 16, 2023 (Friday)
Declaration of First Merit List	June 20, 2023 (Tuesday)
Programme Commencement	July 06, 2023 (Thursday)

Disclaimer:

These dates are tentative and are subject to change. Any changes will be reflected on the institute website : www.sicsr.ac.in

Orientation and Pedagogy:

SICSR's approach to teaching includes a combination of lectures, class discussion, group work, self-study for blended learning with continuous evaluation of students.

Assessment:

As per SIU norms, there are two broad categories of evaluations, Continuous (Internal) and Term End (External). All internal courses will have 100% component as internal evaluation at the institute level. All external courses will have 40% internal component (continuous evaluation) and 60% component as external (University) examination. Continuous evaluation will be carried during the semester using multiple criteria such as written exam, Quizzes, presentations, practicals, projects, etc. At the end of each semester, term-end examination will be conducted by the university.

Fee Structure (Annexure I)

Approved Fee Structure for Batch 2023 in the Academic Year 2023-2024-INDIAN STUDENTS

* The fees mentioned here are only for the First Year of the programme. Please note that Academic Fees can be increased up to 12% over the duration of the entire programme. Government taxes (if any) would be additional as and when applicable.

  The exiting students will have to complete the Additional 4 credit Vocational Course for the award of Certificate or Diploma by paying additional fees at the time of intimation of the exit. The additional fees of 4 credit Vocational course will be informed in due course of time.

Programme Structure:

* Bachelor of Business Administration (Information Technology) - Honours/ Bachelor of Business Administration (Information Technology) – Honours with Research B.B.A. (IT) Honours/ B.B.A. (IT)– Honours with Research

Semester: I

Discipline-Specific Courses/Major Courses- Compulsory

- Web Technologies

Major Courses- Students to Choose ANY ONE

Minor Courses- Compulsory

- Business Accounting

Minor Courses- Choose ANY ONE (cannot be the same as Major specialization)

Multidisciplinary Courses - (To choose from SIU Basket)

- MD1

Ability Enhancement Course- Compulsory/ Choose any one/two – whichever is applicable

- Communication Skills

Skill Enhancement Course- Compulsory/ Choose any one/two – whichever is applicable

- Business Modelling and Business Plan

Common Value-Added Courses (To choose from SIU Basket)

- CVAC1
- CVAC2

Semester: II

Discipline-Specific Courses/Major Courses- Compulsory

- Introduction to Operating System
- Introduction to Python

Major Courses- Students to Choose ANY ONE

Minor Course- Compulsory

- Introduction to Costing

Minor Courses- Choose any one (cannot be the same as Major specialization)

Multidisciplinary Courses - (To choose from SIU Basket)

- MD2

Ability Enhancement Course- Compulsory/ Choose any one/two – whichever is applicable

- Business Communication

Skill Enhancement Course- Compulsory/ Choose any one/two – whichever is applicable

- Banking Operations

Common Value-Added Courses (To choose from SIU Basket)

- CVAC1
- CVAC2

Vocational Courses (Summer): Only for students who wish to exit after the First Year with a Certificate

- Applications of Spreadsheets in Business

Semester: III

Discipline-Specific Courses/Major Courses- Compulsory

- Relational Database Management System
- Introduction to Internet of Things
- IT Tools for Statistics I

Major Courses- Students to Choose ANY ONE

Minor Course- Compulsory

- Human Resource Management

Minor Courses- Choose any one (cannot be the same as Major specialization)

Multidisciplinary Courses - (To choose from SIU Basket)

- MD3

Ability Enhancement Course- Choose any one

- Basic Sanskrit I
- Basic Hindi I
- Soft Skills

Skill Enhancement Course- Compulsory/ Choose any one/two – whichever is applicable

- Creativity and Innovation

Common Value-Added Courses (To choose from SIU Basket)

- CVAC1

Semester: IV
Discipline-Specific Courses/Major Courses- Compulsory

- Optimization Techniques in IT
- Server side Web Technology
- IT Tools for Statistics II
- IT Applications for Business Verticals

Major Courses- Students to Choose ANY ONE

Minor Course- Compulsory

- Innovation Management
- Introduction to Startup

Minor Courses- Choose any one (cannot be the same as Major specialization)

- Multidisciplinary Courses - (To choose from SIU Basket)

Ability Enhancement Course- Choose any one

- Basic Sanskrit I
- Basic Hindi II
- Creative Writing

Skill Enhancement Course- Compulsory/ Choose any one/two – whichever is applicable

Common Value-Added Courses (To choose from SIU Basket)

Vocational Courses (Summer): Only for students who wish to exit after the Second Year with a Diploma

- Applications of Spreadsheets in Business

Semester: V
Discipline-Specific Courses/Major Courses- Compulsory

- Business Taxation and Law
- Enterprise Resource Planning
- Financial Management
- Research Methodology

Dr. Adya Sharma
Director

Director Profile:

Dr. Adya Sharma is a dedicated professional with more than 20 years of experience. She brings with her rich practical experience from the corporate world that perfectly blends with theory and enhances academics. She has also been connected to the industry as a corporate trainer in companies like Goldman Sachs Women Entrepreneurship program, Tata Motors Development Centre, Amdocs, McDonalds, Wipro, Coca Cola, CPHR Services Pvt Ltd, Konnet Solutions Pvt Ltd, Yazaki, Sigatul Mazaraat Al Vazaratus Saifiyah and Zocdoc among others. She brings with her a missionary zeal to keep the learning environment vibrant and energized.

An avid researcher, she has a number of case studies to her credit which are based on real time events. She has also written research papers in reputed journals including Scopus indexed journals and has authored chapters in books. She is also the editor of the book titled 'Marketing Techniques for Financial Inclusion and Development' by IGI Global. She has visited the A4+ Consortium universities in Spain through University of Pompeu Fabra (UPF) mobility Programme under Erasmus grant. She has also been to Leeds Beckett University, London to promote and strengthen international relations. She introduced COIL (Collaborative Online International Learning) as another step to provide international exposure to students.

She has also been the second supervisor for Master thesis of students conducted under Berlin School of Economics and Law, Germany. She is PhD, NET qualified, double Post Graduate and an alumnus of St Stephens College.

Institute Profile:

Symbiosis Centre for Management Studies, Pune, was set up in the year 2004 and is a Department of Symbiosis International (Deemed University). The B.B.A program is a full-time, four-year graduation program spread over eight semesters which aims at transforming a student into a socially responsible global corporate citizen. This program with its intensive and updated syllabus, skill building, research orientation and a wide range of additional modules would indeed enable the students in the next career step of their choice i.e. employment, entrepreneurship or higher studies in premium business schools in India and abroad.

SCMS Pune had been following the cafeteria curriculum from the Academic Year 2011-12. The Cafeteria curriculum had been designed to allow flexibility to the students to take up courses of their choice resulting in the award of a general B.B.A or B.B.A with single or dual specialization. Keeping in line with the New Education Policy (NEP) 2020, the Institute has transitioned to the recently formulated student-centric CCFUP (Curriculum and Credit Framework for Undergraduate Programs) by the UGC. The CCFUP incorporates a flexible choice-based credit system, multidisciplinary approach.

Over the past years, SCMS Pune has attracted students not only from different parts of India but also from different countries. As of now, there are students from 21 countries studying at SCMS Pune. The rich diversity provides an extremely varied and multi-cultural exposure to all the students.

The learning experience is further enriched by a multitude of clubs like – dramatics, music, business games, entrepreneurship and social initiatives, which are all run by the students themselves and cater to the collective need for individual expression of creativity and well-being. This also organically prepares the students to take on bigger roles and responsibilities in the future.

SCMS Pune also provides opportunities for International Exposure through the University's Global Immersion Programme (GIP). Students during the course of the eight semesters at SCMS can also choose to undertake courses for twelve credits in any one of the University's partner Universities abroad. SCMS, Pune was one of the first Institutes to initiate the process of COIL (Collaborative Online International Learning) SCMS Collaborated with Bridge Valley Community and Technical College, US and now with Technical College, FATEC, Centro PAULO SOUZA FATEC, Brazil and completed online projects in the subject areas like: Economics, Accountancy, Marketing & Human Resource.

The track record for placements has been rising over the years. Students can choose from Multinational Companies to Start-ups; SCMS-Pune is the place to be in the placement season. Some of the companies which periodically visit SCMS Pune for the purpose of offering campus recruitment to the students include: KPMG, PWC, Accenture, Deloitte, Wipro, ICICI Bank, Credit Suisse, TresVista, Zomato, MGH Group, Northern Trust, GOMO Group, Planet Spark, Zocdoc, and others. SCMS Pune has a dedicated Placement Division which hand holds the students right from the start to the final selection process.

Students at SCMS are not just academically brilliant but also develop sensitivity and respect for the community around them. The Initiate Club is instrumental in undertaking these activities. Over the years, the College Festival of SCMS Pune, Sympulse which started off as humble celebration of the campus spirit and bonhomie has grown into spectacular extravaganza which draws thousands of students from across India and abroad. It is one of the much-awaited college festivals not only because of the scale at which it is held but because of the activities, experiences and the way it is organized. The festival is managed by the students, which also gives them the live experience in management lessons.

The Institute also offers the students opportunities for research. We provide our students the bridge that helps them cross over from school to either the Corporate World or to Higher Education in prestigious institutions.

Some of the renowned personalities who addressed the students were:

• Mr. Ranjan Kumar Sharma, Deputy Inspector General of Police, CID, Pune

• Mr. Ravi Gogia, the President of FIAT India Automobiles Private Limited.

• Mr. Niranjan Kanade, Vice Managing Director, GO MO group, India

• Dr. Maurício Roberto Ortiz de Camargo, Professor Doutor, Fatec Sebrae, Brazil

• Dr. Osvaldo Succi, Virtual Exchange Coordinator, Centro Paula Souza (FATEC- CESU)

• SAO PAULO, Brazil

Orientation and Pedagogy:

Learning at SCMS happens both inside and outside the classroom. The medium of instruction for all the courses (except foreign languages) is English. The curriculum is designed to ensure that classroom learning is interspersed with Case Studies, Project work, Role Plays, Simulation, Presentation, Article Reviews, Assignments, Experiential learning, Asynchronous classes, Business Games, and field trips, wherever necessary. MOOCs from other premier bodies are an integral part of classroom certifications and hence are woven in the curriculum.

All this ensures that by the end of the course the students get a strong theoretical base and the ability to link theoretical concepts with prevalent Management Practices.

SCMS, Pune students bagged prizes at the various Inter SIU Sports competitions

Senior citizens workshop

Programme Structure:

* Business Administration - (Honours)/ Bachelor of Business Administration -(Honours with Research) B.BA. (Honours) / B.B.A. -(Honours with Research)

Semester: I

Discipline-Specific Courses/Major Courses- Compulsory

- Business Accounting
- Principles and Practices of Management
- Business Mathematics

Minor Courses- Compulsory

- Principles of Microeconomics

Multidisciplinary Courses - (To choose from SIU Basket)

- MD1

Ability Enhancement Course- Compulsory

- Communication Skills

Skill Enhancement Course- Compulsory

- Introduction to Database Management System
- Data Analytics using MS-Excel

Common Value-Added Courses (To choose from SIU Basket)

- CVAC1

Notes: A student has to follow the instructions given against each course category to earn Certificate, Diploma, Degree, Degree (Honours), Degree (Honours with Research).

Semester: II

Discipline-Specific Courses/Major Courses- Compulsory

- Business Functions – A
- Business Functions – B

Minor Course- Compulsory

- Business Statistics

Multidisciplinary Courses - (To choose from SIU Basket)

- MD2

Ability Enhancement Course- Compulsory

- Personality Development

Skill Enhancement Course- Compulsory

- Yoga Therapy Training

Common Value-Added Courses (To choose from SIU Basket)

- CVAC2

Vocational Courses (Summer): Only for students who wish to exit after the First Year with a Certificate

- Advance Excel
- Introduction to Python

Semester: III

Discipline-Specific Courses/Major Courses- Compulsory

- Business Laws
- Business Entrepreneurship
- Organizational Behaviour

Major Courses- Students to Choose Any One

- Training and Development
- Consumer Behaviour and Insights
- Export Import Management
- Financial Management
- Creativity and Innovation

Minor Courses- Choose any one (cannot be the same as Major specialization)

- Training and Development
- Consumer Behaviour and Insights
- Export Import Management
- Financial Management
- Creativity and Innovation
- Business and Environmental
- Basic of Databases

Multidisciplinary Courses - (To choose from SIU Basket)

- MD3

Ability Enhancement Course - Choose Any One

- Basic German I
- Basic French I
- Basic Spanish I
- Basic Japanese I

Common Value-Added Courses (To choose from SIU Basket)

- CVAC3

Semester : IV
Discipline-Specific Courses/Major Courses- Compulsory

- Operations Research

Major Courses - Choose Any One

- Industrial Relations
- Introduction to Digital Marketing
- Banking Operations
- Corporate Accounting
- Social Entrepreneurship

Minor Courses - Choose Any One

- Industrial Relations
- Introduction to Digital
- Banking Operations
- Corporate Accounting
- Social Entrepreneurship
- Wild Life Conservation and Management
- Python for Analytics

Ability Enhancement Course- Choose Any One - Choose part two of the same language

- Basic German II
- Basic French II
- Basic Spanish II
- Basic Japanese II

Skill Enhancement Course- Compulsory

- Service Learning

Vocational Courses (Summer): Only for students who wish to exit after the Second Year with a Diploma

- Advance Excel
- Introduction to Python

Semester: V
Discipline-Specific Courses/Major Courses- Compulsory

- Fundamentals of Quality

Major Courses - Students to Choose Any One Group
Group 1 - Human Resource Management

- Managerial Competencies and Career Development
- Workforce Planning
- Industrial Laws

Dr. Sreeram Gopalkrishnan
Director

Director Profile:

Dr. Sreeram Gopalkrishnan is a PhD and MS in Communications, MBA from NMIMS and has attended Executive Programmes at the Indian Oil Institute of Petroleum Management and Mudra Institute of Communications & Advertising (MICA). He has a UGC NET Lectureship and published research papers in leading peer reviewed and Scopus Indexed Management and Communications Research Journals.

Dr Sreeram has over three decades of experience and started his corporate career in the IT Industry before getting into the media industry as a Scriptwriter and Copywriter in companies like OS Studios & RK Swamy BBDO. He joined Fortune 500 Company Indian Oil as a Probationary Officer and worked in senior leadership positions pan India before shifting to the Atharva Group. In 2016, he received the Best MBA Faculty award from the prestigious Bombay Management Association. Dr. Sreeram's research interests are in Film Studies, Lobbying Studies, CRM, Branding, Film Marketing. He has contributed two books – Petroleum Perspectives and the Future - published by the D.Y.Patil Foundation, Pune & Cloud Computing: The Surge before the Storm by Cambridge Publishing.

Institute Profile:

Widely acclaimed as India's premier mass communication college, Symbiosis Centre for Media & Communication (SCMC) has been successful in carving a niche for itself in the field of media and communication education since its inception in 2008. SCMC is a Department of Symbiosis International University (SIU), under the Faculty of Media & Communication (FoMC). Through our programme, Bachelor of Arts (Mass Communication), we offer a comprehensive learning experience through traditional academics & research, as well as cyber & experiential learning. We are the only media education institute in India to offer specialisation / courses at the undergraduate level supported by extensive coursework, academic sessions by professionals with years of industry experience, immersive internships and projects. Our intake process is highly competitive with acceptance rate of 7-8% and a multi-level and multi task competence through a screening procedure that includes an entrance test, written ability test and personal interviews. Our mission is to nurture their natural talents and aptitudes; equip them with technical knowledge and skills; and prepares them for the media industry or further education, whichever they choose, post their graduation.

SCMC core faculty members possess years of industry, academic and research experience, while our visiting and guest faculty are active media professionals. Together, they help the students gain an understanding of real world scenarios and of the changing demands of the industry, and to create networks within the media community.

We also ensure that we have the resources and infrastructure to back up classroom learning with practical, hands-on experience needed for each of our programme specializations. Our classrooms are acoustically sealed mini-auditoriums, with state-of-art projection and sound systems. We have a professional-grade AV studio and pre- and post-production audio and video laboratories, journalism labs, AV Labs along with a photo studio and computer lab equipped with the latest software. SCMC has a robust placement record and our alumni are spread across the

media sector in India and around the world. Many have gone on to pursue higher education or research; and are excelling in their chosen fields.

The definition of media has undergone a radical change in recent times. The shift is not merely technological, but that of perception of society about media. The media industry needs leaders and change makers and we pride on ourselves as leaders in media education and our core mission is to create exceptional communicators and future ready professionals, capable of understanding, responding to and actively engaging with global issues that need attention.

Orientation and Pedagogy:

SCMC is driven by its commitment to providing the industry with skilled and trained media professionals adept in all fields of communication. SCMC's method of instructing its students in both the theoretical and practical aspects of mass communication and communication management has produced students who not only excel academically but also respond swiftly to professional challenges. Though the medium of instruction is English, certain case studies used by individual resource persons may be in other languages (primarily Hindi).

Dr. Jyoti Chandiramani
Director
Dean, Faculty of Humanities
and Social Sciences

Director Profile:

Prof Jyoti Chandiramani has more than 35 years of experience in teaching and research. She has been the Director of Symbiosis School of Economics and the Dean, Faculty of Humanities and Social Sciences since 2010, at the Symbiosis International University, Pune – India. She teaches Urban Economic Development and Urban Mobility, at the Masters level. She has conducted more than 50 Management Development Programs for corporates, such as WIPRO, AZTEC, HP, Intel, Godrej, Zensar Technologies, WNS, Cognizant, EXL, Deloitte, Deutsche Bank, Continum Solutions, Dr. Reddy's etc.

Prof Jyoti has been a founder core member of the Symbiosis Centre for Liberal Arts. In 2007, Prof Jyoti was awarded a short-term scholarship at the University of DePauw, Indianapolis –to study Liberal Arts Education. In 2013, she was a part of the Indian delegation to Pakistan (Lahore) for the Tenth South Asian Economic Students Meet (SAESM), and in 2015 she was conferred with the iCongo instituted Gold Karmaveer Chakra and Rex Karmaveer Global Fellowship in Delhi, for her contributions to the field of education.

She was invited to the 5th ASEM Rectors' Conference and as a Mentor for the Students' Forum (ARC5, organized by Charles University in Prague and the Asia-Europe Foundation (ASEF) at Prague in 2016. Further, in 2017, she was invited by Niti Aayog, to be a part of Working Group "City Governance and Smart Cities" and later in May 2018, to visit Macquarie University to present the research work undertaken at Symbiosis School of Economics and as visiting faculty. In October 2020, she was appointed as a member of the Board, Forum for International Development Cooperation, which is housed at Research and Information System for Developing Countries - RIS, New Delhi.

Besides writing a couple of textbooks, she has jointly edited a book with Ramanath Jha on 'Perspectives in Urban Development: Issues in Infrastructure, Planning, and Governance.' Her areas of research interest in urban studies include Urban Infrastructure, Urban Transport, Urban Poverty and she is presently working on Pune centric cases. Besides, Prof Jyoti keenly studies and follows trends in International Development Cooperation – from the MDGs to the SDGs. She has been guiding number of PhD scholars over the years, and has undertaken various research projects and consultancy in collaboration with NABARD, ITDP, Sulochana Thapar Foundation and with reputed think tanks in India.

Institute Profile:

Founded in 2008, Symbiosis School of Economics is a vibrant and rapidly growing institute, with more than a decade of proven success. SSE is a niche institute seeking to develop intellectual discipline, critical and analytical assessment which will result in rational thinking along with an understanding of the need for constrained optimization and a strong urge to strive towards achieving equilibrium. We at SSE, achieve these goals in an educational environment committed to excellence and academic freedom.

SSE offers graduate and postgraduate programs in Economics within which students develop the intellectual and professional competencies for successful life, work and leadership. The course content is rigorous and the approach is descriptive as well as investigative; it connects the students with every aspect of economics through various facets – the micro, the macro and the global scenario. It is our endeavour to create a class of future ready resource persons, who will be capable of including innovations and pragmatism into problem solving in varied spheres. With its interdisciplinary flavour, the curricula prepare students for careers in banks, financial institutions, corporate, media and communication, Government, academia and so on. Despite the demanding environment, there is a lot of opportunity and scope for our students to put to test their creativity, originality through the plethora of extra-curricular activities and initiatives they are encouraged to take up. It is indeed a journey of academic pursuits, which is ever evolving incorporating different perspectives from varied stakeholders, making our courses increasingly relevant and meaningful and resulting in lifelong learning.

Programme Profile:

Name of the Programme:

Bachelor of Science (Economics) - Honours/ Bachelor of Science (Economics) - Honours with Research B.Sc. (Economics) – Honours / B.Sc. (Economics) - Honours with Research

Duration:

- Bachelor of Science (Economics) - Honours/ Bachelor of Science (Economics)

Intake:

- Bachelor of Science (Economics) - Honours/ Bachelor of Science (Economics)
  - Honours with Research B.Sc. (Economics) – Honours / B.Sc. (Economics)
  - Honours with Research   : 150 students

Co-curricular and ISR activities

2nd International Conference on Future of Employment Challenges and Opportunities held on 18th - 19th Jan, 2023

Bachelor of Science (Economics) - Honours/ Bachelor of Science (Economics) - Honours with Research B.Sc. (Economics) – Honours / B.Sc. (Economics) - Honours with Research

SSE will be offering the four-year degree programme with multiple entry and exit options as envisioned in the National Education Policy (NEP) 2020. The highlights of the new programme being offered are as under:

- The Programme framework allows exciting options to pursue single major, with minors, opportunity to pursue multidisciplinary, Ability and Skill Enhancement courses and Value Added Courses
- A good blend of immersive learning, research and community engagement
- Includes opportunities for semester exchange programmes with foreign universities
- Offers the following exit options:

  1. Exit after 1 year - will offer a certificate - BSc Certificate in Economics and IT Applications
  2. Exit after 2 years - will offer a diploma - BSc Diploma in Economics

     The Diploma with a vocational training in Fintech + Taxation
  3. Exit after 3 years - BSc Degree in Economics

     A UG Degree- (BSc Economics) at the end of 3 years of the programme
  4. Exit after 4 years - BSc in (Economics) Honours

     Those who wish to continue into the 4th year and have secured CGPA less than 7.5 will be offered a UG Degree with Honours at the end of 4 years of programme
  5. Exit after 4 years - BSc in (Economics) Honours with Research

     Those who wish to continue into 4th year and have secured 7.5 CGPA or more.

     A UG Degree with Honours and Specialization in Research at the end of the 4 years of the programme

In the first year, students will be offered fundamental core courses which then translate into specialisations from the second year. The fundamental courses will help students to understand and analyse the importance of all these studies in economics. The purpose of including these fundamental courses with Skill Enhancement Courses and Value Added Courses in the first year of their UG program is to make students aware of the global trends and build their foundation in economics.

Eligibility:

Bachelor of Science (Economics) - Honours/ Bachelor of Science (Economics) - Honours with Research B.Sc. (Economics) – Honours / B.Sc. (Economics) - Honours with Research

Passed Standard XII (10+2) or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste/ Scheduled Tribes).

Important:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Admission Process:

Dr Nidhi Phutela
Director

Director Profile:

Dr Nidhi Phutela is a University Position holder in her MBA from Punjab Technical University, Jalandhar, Punjab and has been playing a key role in the domain of research, training and teaching in the discipline of Marketing for more than 19 years. She is working as the Officiating Director with Symbiosis Centre for Management Studies, NOIDA; a constituent of Symbiosis International (Deemed University), Pune where she facilitates overall administration. Here, she has also contributed in designing and implementing innovative teaching pedagogies.

Apart from her academic and administrative responsibilities, Dr.Phutela is also passionately working in the domain of sensitizing social responsibility amongst students by designing and implementing empowerment projects for the underprivileged. She has spearheaded 'Project Sahyog' – Women Empowerment Project, 'Project Utthan' – Financial Literary Project; 'Project Parivartan'- Soft Skills Education Project to enhance the confidence and belief of the students and Plantation drive – planted 254 saplings on one day. She received appreciation letters for her active role and participation in the projects by the NGOs - Parimal Pathshala and Vrikshit Foundation.

She has conducted several corporate training programs and workshops in reputed universities. She was also invited as a guest in the programme "Kidz Island" on the topic Social media and its impact that was telecasted on DD National.

Institute Profile:

Symbiosis Centre for Management Studies, NOIDA, a constituent of Symbiosis International (Deemed University), Pune began its operations in 2010. Based in the National Capital Region, it imparts quality management education at the undergraduate level and is one of the best Management Education Providers in India. SCMS NOIDA has made giant strides and is presently catering to over 900+ students in its flagship programme, Bachelor in Business Administration (BBA). The Institute focuses on the three "R"s of Business Education: Relevance, Research, and Re-Invention, which has found wide acceptance in industry and academia. In the quest for excellence, the programme offers a well-designed curriculum comprising of live projects and internship that meets the industry standards. What makes SCMS NOIDA stand out is the adoption of innovative teaching pedagogy - application-based learning and simulation of the decision-making ecosystem provides the learners deeper understanding of management the learners on successful completion of their programme emerge as socially conscious business leaders. This has been comprehensively proven on numerous occasions when SCMS NOIDA students have won various awards at Start-Up Competitions and tournaments at various reputed institutions like IIMs & IITs. The Students Council has its representation in all the major operations at the institute and contribute to a great extent in governance, in the due course learn to apply management principles. It also organizes inter – institute events every year attracting students across the globe to participate in academic and cultural events like BIZCON Inter Collegiate Academic competition, SYMUNC - Model United Nations Conference, SYMCHARCHA – Inter Collegiate Debate Competition, SYMAROH

- Inter Collegiate Cultural Fest, SYMPHENIA - Inter School Cultural Fest and SYMPERIA - Inter Collegiate Sports Fest. It is a regular feature to have international speakers on the Global Talk Series addressing the students on contemporary business practices. The Institute also conducts regular Management Development Programmes for Corporates and is also active in corporate commissioned research activities.

Programme Profile:

Orientation and Pedagogy:

At SCMS NOIDA, the future business leaders are exposed to a number of academic and extracurricular activities for holistic development. The BBA programme is delivered as per Choice Based Credit System (CBCS), this provides flexibility to the students in exercising their choice for courses offered in various specializations. The institute has a strong faculty base with a unique blend of academic and industry experience. With an optimum faculty to student ratio and adopting the student centric learning in an experiential learning setup the engagement among

the learners is effective. Continuous evaluation during the course ensures that students are abreast of relevant and contemporary business practices, which is in line with the prescribed curriculum. Projects, assignments, live projects and market research are blended with the regular classroom sessions for a robust learning. In the first year of the programme, students are introduced to core courses to ensure a strong foundation of business environment. Specializations are introduced in the second year. Students are encouraged to take up additional value add courses which complement their learning. Workshops from reputed organizations like KPMG, IBM, ICICI, Indian Institute of Financial Markets etc. are part of the programme.

Emphasis is laid on introducing the culture of entrepreneurship and social responsibility, the curriculum focuses on these areas to drive young leaders to think on the lines of being self-reliant and at the same time take socially conscious business decisions.

Initiatives in internationalization of education provides global exposure to the students. International Exchange Programs, Global Immersion and Summer Schools at Universities like Deakin University, London School of Economics, Dauphine University, Arizona State University, University of British Columbia help the students to enhance their global competencies.

Infrastructure / Facilities:

SCMS NOIDA is located amidst the IT and knowledge hub and has proximity to Delhi International Airport. The Institute has a sprawling campus at NOIDA with easy connectivity to all the major cities. The Wi-Fi campus has spacious air-conditioned classrooms equipped with audio-visual aids. The seminar hall, conference halls, library and reading room, computer laboratory, auditorium, cafeteria, fully equipped gymnasium and place for outdoor / indoor games truly makes the campus a sought-after learning hub by national and international students. It is a place where progressive management thoughts evolve, witnessing a few business ideas transforming into successful startups.

Hostel Facility:

Hostel facility is provided for female students. The hostel has been planned to meet the requirements of young graduates in making their stay comfortable.

Computer Laboratory:

Two computer labs with total capacity of 125 systems caters to the needs of the students in learning, knowledge dissemination, evaluations and official communication. The labs are equipped with internet connectivity, LCD projector, scanner cum printer and power backup.

Knowledge Resource Centre:

Library, a knowledge resource center possesses a vast collection of learning resource materials like books, periodicals, journals, e-databases from all areas of management. The library, with its resources and innovative information services, fills an essential requisite in the intellectual pursuits for the students, faculty and research scholars. The library is fully automated supported by KOHA integrated library management software. Through the Online Public Access Catalogue (OPAC), e-resources and other reading materials can be accessed anywhere and anytime.

Medical Facilities at Symbiosis Centre for Health Care:

Medical care is provided by an in-house Health Care Centre to the staff and students of the Institute. The medical center has a team of doctors which conducts an annual check-up (compulsory). The students are provided primary medical care whenever required. Health awareness is also conducted by organizing seminars & health education workshops. Each student is insured under Medical claim and Traffic Accident policy.

Recreational and Wellness Facility:

Recreation is a vital component in a student's daily life, for fitness enthusiasts, the college has a Recreation and Wellness Centre (RWC) with a well-equipped gymnasium, aerobics and yoga hall and primary health care facilities are available on campus. The fitness enthusiasts are guided by trained coaches.

Cafeteria and Mess:

A multi-cuisine cafeteria, a Nescafe canteen and a mess cater to the requirements of the students with a variety of tasty food and snack items at reasonable prices in a clean and hygienic environment. The diversity in food served satisfies the appetite of students coming from diverse cultures.

Parking:

The Campus has multi-level parking facility for students and staff, which is well maintained and manned by security guards throughout the day.

ATM:

For the convenience of students, faculty and specially for the hostellers a 24-Hour facility is available on the college premise.

Reprography Centre:

The institute has a reprography centre for the convenience of the students. It also houses a stationery outlet where the student requirements are met.

Indoor Games Room:

For the recreation of the students this room is equipped with various indoor and board games like carom board, scrabble, chess, monopoly etc. The room is effectively used by students to organize tournaments and enthusiastic students participate in large numbers.

Seminar Hall:

The Seminar Hall is equipped with all modern technical aids for guest lectures, screening of films, presentations, and workshops etc.

Auditorium:

The world class auditorium features high-definition screen with LED display, in-built audio system, high-end speakers and special sound system, making it one of a kind facility, capable of enhancing every performance. An opulent seating capacity of 480 people, the auditorium is used for various activities and celebrations like Induction Day, Republic Day, Independence Day, Farewell Functions and other Cultural Functions.

Student Interaction Lounge:

The student interaction lounge is not only a place where students freely interact or relax but also witnesses brainstorming sessions and informal get-togethers.

Dr. Shweta Sinha Deshpande
Director

Director Profile:

Dr. Shweta Sinha Deshpande has a Ph.D. in Archaeology and has contributed to archaeological and associated anthropological research through an interdisciplinary and multidisciplinary approach. She has been associated with Liberal Arts education for more than a decade and has an in-depth and keen understanding of this model and the value addition this model offers to the world and India's growing population dividend, the globalized industry and the service sector. Her current research focus is on Globalization and its influence on the socio-cultural space including religion, trends in migration, education and development. The thrust of her research is on interactions between individuals and cultures, both modern and ancient. Her work has led her to conclude that the key to understanding current social issues is to recognize the often-unrealized cultural baggage that people carry.

She has authored many research articles and books and was the founding President of the India Big History Association and a founding Member of the Society for South Asia Archaeology (SOSAA). She currently serves on the Editorial Board of Migration Letters an international journal on migration and is a member of the Executive Committee of the Nehru Science Centre, Mumbai under the Ministry of Culture, Government of India.

Institute Profile:

Symbiosis School for Liberal Arts (SSLA) is India's first liberal arts college to offer a four-year full time Bachelor of Arts and Bachelor of Science (Liberal Arts) Honours degree. Established in 2011, SSLA offers a wide spectrum of 20 specialisations across diverse fields of the Sciences, Social Sciences, Humanities, Computers, Mathematics and Statistics, and professional courses like Media and Business Studies. The awarding of the Bachelor of Arts (Liberal Arts) Honours or Bachelor of Science (Liberal Arts) Honours degree is dependent on the student's major area of specialization. Major specialization implies that students have to pursue 10 papers in the chosen field, whereas minor specialization requires students to study 6 papers in it. There are 3 pathways to acquiring the honours degree at SSLA –

1. 1 major specialisation + 2 minor specialisations
2. 1 major specialisation + 1 minor specialisation + 6 electives
3. 2 major specialisations + 0 minor specialisation + 2 additional electives

There are no pre-requisites and students may opt for any one of the following as their Major and Minor area of specialization, listed below in alphabetical order:

Majors (can also be included as Minor)	Minors
Anthropology	Biology
Business Studies	Film Studies
Computer Studies	Law
Economics	Peace & Conflict Studies
English	Performing Arts (Dance/Music/Theatre)
History	Physics
International Relations	Women and Gender Studies
Mathematics & Statistics	
Media Studies	
Political Science & Public Policy	
Philosophy	
Psychology	
Sociology	

Apart from the major and minor specializations, SSLA's distinctive programme structure offers mandatory core courses which help students develop skillsets required for employability and professional growth and hone their research, critical thinking and analytical skills. The specializations and the core courses aside, more than 150 elective courses are also present in institute's bouquet of offerings. In order to ensure that the students avail themselves of the many academic opportunities at SSLA, Extra courses and Audit courses are also offered to students across specializations (with specific minimum academic prerequisites/requirements). With an inter-multi and transdisciplinary approach, SSLA offers an education that weaves together various disciplines that are not traditionally or typically offered at the undergraduate level. SSLA thus provides a complete liberal arts education.

SSLA has been nurturing its students for more than a decade to gain transferable skills in preparation for an ever-changing dynamic world, which are in sync with the core skills requirements identified by global and national bodies. SSLA's graduates become global citizens who possess multicultural world views, are open-minded and have been taught to appreciate the greater similarities and minor differences in people and cultures across the globe.

India Film Project attended by SSLA students from batch 2023, 2024 and 2025 on 8th and 9th Oct 2022
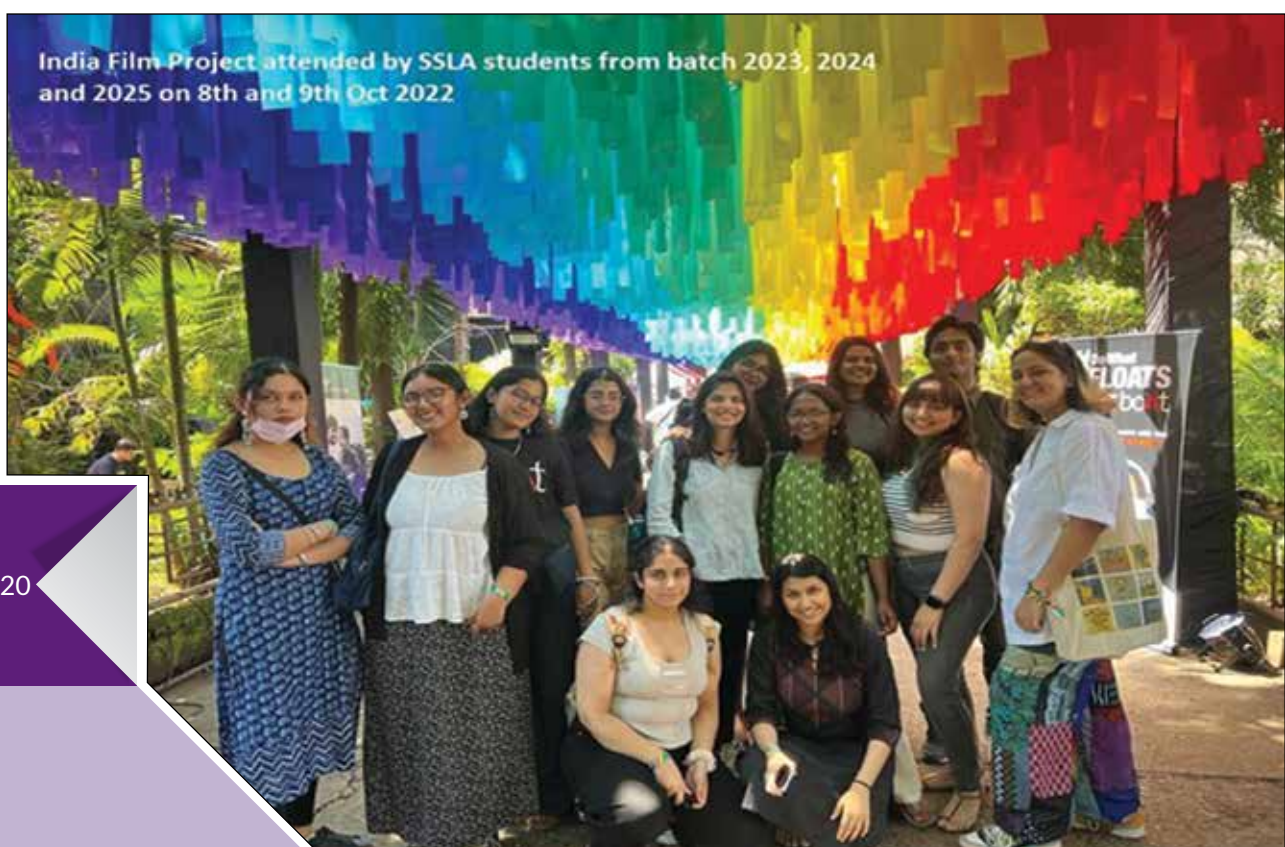

Our alumni, who are placed across the globe, be it in the industry, social sector, academia, or as entrepreneurs, are better equipped to resolve conflict, are gender-sensitive, innovative, and creative. They are better equipped to handle the demands of all fields, no matter which path they choose to traverse, as they develop competencies that enable them to read, think, write and speak logically and coherently. With an emphasis on critical thinking, research, analysis, and writing, along with civic-mindedness, through the four pillars of SSLA's programme structure – Dissertation, Seminar Paper, Internship and Community Outreach, SSLA aspires to help develop individuals, who are critically conscious citizens and able to find a healthy balance between professional and personal growth.

Programme Profile :

Name of the Programme:

Bachelor of Arts (Liberal Arts) Honours and Bachelor of Science (Liberal Arts) Honours [B.A. (Liberal Arts) Honours] / [B.Sc. (Liberal Arts) Honours]

Duration:

- Bachelor of Arts (Liberal Arts) Honours / Bachelor of Science (Liberal Arts) Honours : 4 Years Full Time
  [B.A. (Liberal Arts) Honours] / [B.Sc. (Liberal Arts) Honours]   Non Residential

Intake:

- Bachelor of Arts (Liberal Arts) Honours / Bachelor of Science (Liberal Arts) Honours : 100 students
  [B.A. (Liberal Arts) Honours] / [B.Sc. (Liberal Arts) Honours]

Eligibility:

- **CBSE/ICSE/HSC**:
  - ❖ Applicants are required to secure at least 50% (Open Category) and 45% (SC, ST) in the 12th Standard
  OR

- **IB Certificate or Diploma students are accepted:**
  - ❖ Certificate: Applicants must have a minimum of 24 credits and passed a minimum of three subjects at Higher Level (HL) and three at Standard Level (SL).
  - ❖ Diploma: Applicants must have a minimum of 24 credits and passed a minimum of three subjects at Higher Level (HL) and three at Standard Level (SL) along with core requirements of Extended Essay, Creativity, Activity, Service (CAS) and Theory of Knowledge (TOK). Diploma students should also have their IB Diploma and transcript with Diploma Results stating "Diploma Awarded"
  OR

- **GCE/IGCSE/GCSE:**
  - ❖ Applicants must have a minimum of 5/4 subjects in A, B, C Grades including English at ORDINARY("O") Level and 2/3 subjects at ADVANCED ("A") Levels. (Total of 7 subjects)

Please Note:

ALL APPLICANTS from any of the boards mentioned above, seeking admission to SSLA have to appear for the Symbiosis Entrance Test (SET). Shortlisted candidates will be required to appear for the second round of selection which includes the Written Ability Test (WAT) as well as a Personal Interaction (PI).

Students who have appeared for the Scholastic Assessment Test (SAT) can submit their SAT scores. However, they will still have to appear for the SET. The higher score of the two (SET or SAT) shall be taken only if the students have officially submitted their SAT scores (through the College Board).

Important:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Admission Process:

Indian Students

There are two options for Indian students to apply for admission at Symbiosis School for Liberal Arts (SSLA).

- **Option A - SET (Symbiosis Entrance Test)**
- **Option B - SAT (Scholastic Assessment Test)**

Option A, Step 1:

Students choosing Option A have to follow the procedure mentioned below:

Candidates will have to register for the General Paper of the SET (Symbiosis Entrance Test).

Process for registering:

- ❖ Go to www.set-test.org to register for the examination
- ❖ After successfully creating the username and password, the candidate will have to fill in their personal information in the web portal
- ❖ They will have to select SET General paper in order to be eligible for application to SSLA.
- ❖ SET 2023 will be conducted on two dates. Candidates can appear for one or both the dates, i.e. May 06, 2023 (Saturday) and May 14, 2023 (Sunday).
- ❖ If a candidate appears for more than one test, the higher score will be considered for the final percentile calculation.
- ❖ Details of the same are mentioned on SET Registration 2023: SLAT / SET / SITEEE | Symbiosis Official (set-test.org)
- ❖ Candidates may complete the registration by making a payment of Rs 1950/- towards the SET fee if the candidate is appearing for the SET on either one of the two dates. If the candidate wishes to apply for both the SET dates, they will have to make a payment of 3800/-. In addition to this, the candidate has to make a payment of 1000/- towards SSLA as registration fee. Payment can be made online.
- ❖ Admit cards can be downloaded from this portal in April 2023.

Option B, Step 1

SSLA offers admission via SAT Scores as well. However, candidates who wish to use their SAT scores must also mandatorily fill in the SET application as per the process mentioned below:

Process for registering:

- Go to www.set-test.org to register for the examination.
- After successfully creating the username and password, candidates will have to fill in their personal information in the web portal.
- SAT scores will be requested in the application form.. Once the SAT scores have been filled, candidates are requested NOT TO choose SET General and centre. SAT students are exempt from having to appear for the SET.
- Once the candidate has filled in their SAT scores, they have to complete the registration process by making a payment of Rs1950/- towards SIU registration and Rs1000/- towards the SSLA registration fee. Payment has to be made online.
- In addition to the above, Candidates have to MANDATORILY send in their SAT scores to SSLA via the College Board Platform.
- DI Code for Symbiosis School for Liberal Arts in the College Board is 7840. This DI Code will enable the candidate to find SSLA on the College Board Platform easily.
- Only after SSLA receives scores via the College Board, will the application be treated as complete.

*IMPORTANT

If SSLA does not receive the candidate's SAT scores from the College Board, the application form will be treated as incomplete/invalid and there will be no refund of the fees paid towards the registrations.

Option A & B, Step 2

- SSLA will declare its shortlisted candidates eligible for the Step 2 - PI WAT, after Step 1 of Option A and Option B has been completed by all the candidates. The shortlist for the PI-WAT will be declared after April 14, 2023. (SET/SAT).
- WAT (Writing Ability Test) will be conducted online before PI (Personal Interaction)
- PI (Personal Interaction) will be conducted either in a hybrid or purely online mode. Details will be shared soon.
- Based on the combined scores of SET/SAT and the PI-WAT, the Merit Lists will be published.

Foreign Nationals

Foreign Nationals (FN), Persons of Indian Origin (PIO) & Non-Resident Indians (NRIs) must apply through the Symbiosis Centre for International Education (SCIE)

How to register:

- Go to www.scie.ac.in
- Click on the 'Undergraduate Admissions Procedure' tab under the 'Admissions' tab for complete details

Please note that all international admissions are handled solely by SCIE and not by SSLA. For any information/ clarifications regarding the same, please contact SCIE on their email address -intadmissions@symbiosis.ac.in or on the phone numbers provided on their website.

Reservation Seats: As per University norms.

Orientation and Pedagogy:

SSLA offers an education that weaves together various disciplines that are not traditionally or typically offered at the undergraduate level. In the dynamic world that we live in, the demand for skillsets in the economy and employment sector is ever-changing. SSLA through its inter, multi and transdisciplinary approach ensures that its graduates possess the skills that will enable them to adapt to their future career growth, personal and professional success. The programme finds its footing in the various specialisations and courses offered across the spectrum of Social Sciences, Humanities, Natural Sciences, and Professional courses. SSLA's distinctive programme structure is offered with mandatory or core courses that help in developing research, critical and analytical skills. With more than 150 elective courses in its bouquet of offerings, SSLA provides a complete liberal arts education. SSLA's students become global citizens who possess multicultural world views. They are open-minded and have been taught to appreciate the greater similarities and minor differences in people and cultures across the globe. They are better equipped to resolve conflict, are gender-sensitive, innovative, and creative. Given the unique program structure at SSLA, our graduates are better equipped to handle the demands of all fields, no matter which path they choose to traverse, as they develop competencies that enable them to read, think, write and speak logically and coherently. With an emphasis on critical thinking, research, analysis, and writing, along with civic-mindedness, SSLA aspires to help develop individuals, who are critically conscious and able to find a healthy balance between professional and personal growth.

To enable this integration of knowledge, skills, and attitude into the curriculum and co-curricular activities, SSLA's programme structure, which is its USP, aims to:

• Remove any barriers that limit a student's access to a broad range of courses by offering courses across all disciplines, and encouraging them to explore combinations that are conventionally viewed as being 'academically incompatible'.

• Introduce innovative pedagogies, interactive seminars and group discussions, interactive audio-visuals, lectures and guest speakers/experts, visits and workshops, team learning through projects and assignments, and self-learning. Experiential activities and projects form the four pillars of SSLA's curriculum, which include the Internship Project, the Community Outreach Project, Research Dissertation and Seminar Paper

• Facilitate learning for students by providing them with opportunities to interact with leading experts in various fields from across the globe, who are associated with SSLA as its knowledge partners.

Dr. Sameer Pingle
Director

Director Profile:

Dr. Sameer Pingle has over two decades experience with corporates and management education. He has worked with institutes of repute like NMIMS, Indore campus and Nirma University, Ahmedabad in the past. He has been visiting professor to IIT- Gandhinagar, IIM- Nagpur, Ahmedabad Management Association and many others. He visited Hof University of Applied Sciences, Hof, Germany thrice and also received ERASMUS Fellowship in 2017 as part of International Teaching Week. There are many awards to his credit from reputed associations like AIMS, ISTD, HEF, NIPM, KRDWG, ULektz, Jagranjosh, B-School Affairs, MTC Global, DKRF, Nirma University, etc. for research, teaching and administration and also an International award from Hof university for teaching excellence. He has guided 6 doctoral scholars and conducted management development programmes for reputed organizations from India and abroad. He has done consulting assignments with organizations like Shriram Group, Government of Gujarat, Kalupur Commercial Co-operative Bank, Nirlife and others. Dr. Pingle is certified POSH trainer and certified Yoga teacher. His research interests are employer branding, HR practices in MSMEs, employee engagement and management education. His teaching interests are performance management, International HRM, talent acquisition and others.

Objectives

1. To build the institute as a Centre of excellence for imparting high quality, relevant and contemporary management education at the undergraduate level, thus empowering the students for an early entry into the corporate world.

2. To make education accessible to students across borders of religion, geography, caste or gender.

3. To provide an environment that facilitates holistic development of the student personality.

4. To foster thinking minds that are sensitive to societal needs and issues thus making them good human beings and responsible members of society.

5. To stimulate in students an interest in research and initiate them into research methodologies.

Institute Profile:

Symbiosis Centre for Management Studies, (SCMS) Nagpur, an off campus Institute of Symbiosis International University, Pune began its operations in 2019. Based in the heart of India, it facilitates imparting of quality management education at the under graduate level and aims to be one of the best Management Education Providers in the region, providing relevant, contemporary and practical experiences along with core conceptual inputs. Since commencing operations, in a very short period it has made a name for itself in offering a very contemporary, progressive program structure, which will lead to a real time professional degree, the Bachelor of

Business Administration. The Institute focuses on providing a holistic, value based, yet contemporary education, and its progressive program structure has found wide acceptance in industry and academia for its commitment to professional education. The Institute strongly believes in using the best teaching / learning and innovative pedagogy, and lays great stress on internships and industry connect, with a strong belief in application based education. The Institute encourages student participation in research and other allied activities and believes in producing relevant, skill - equipped graduates, with a social conscience. The Institute believes producing students with an all - round personality, ready to take up the challenges of the real world on passing out. In fact, the Institute believes its objective is to produce "employable "graduates with a social conscience. The Institute has a very active ISR Cell, which is contributing to the overall healthy engagement with the local community. Sports and Extra cultural activities play a major role in the Institute, and the campus boasts of superb recreational and wellness facilities for the students. The first year it saw an overwhelming response with all seats being oversubscribed.

- **Business Administration - (Honours)/ Bachelor of Business Administration -(Honours with Research) B.BA. (Honours) / B.B.A. -(Honours with Research)**

  The Four-year Under-graduate Programme of SCMS, Nagpur

  SCMS, Nagpur has adopted the New Education Policy, 2020 which is a crucial step towards transforming the education system in India. SCMS, Nagpur has begun the process of implementation of the new framework and through a new curriculum and teaching methods to align with the objectives of NEP 2020. The same will be implemented from the academic year 2023-24.

  The programme will use a multidisciplinary approach, which will ensure that a BBA student will be exposed to a wide range of topics outside their major field of study by integrating courses from several disciplines such as economics, psychology, data analytics, and more. The curriculum is more focused on practical and experiential learning, which intends to move from the traditional teaching methods to a hands-on approach. As a result, BBA students will have more opportunity to apply their acquired knowledge to practical contexts and field work.

  The programme will use instructional strategies that inspire students to consider multiple viewpoints and understand challenging business issues. This will help prepare outstanding professionals who are industry-ready and equipped with talents and skills that will meet the standards of modern business organizations on graduation. The use of digital technologies and platforms will assist BBA students to learn more by facilitating their access to online study, databases, e-learning material etc. The programme will focus on peer collaboration,

We can together

and participation in hands-on learning activities with ease of access. The students' overall growth and development will be achieved through focus on fundamental knowledge, vocational education, skill development, ability enhancement courses, language studies as well as opportunities to study internationally through the institution's unique Global Immersion Programme.

SCMS, Nagpur aims to significantly help its graduates by providing them with greater flexibility, expanding their skill set, and enhancing their employability while providing them with entry and exit options as envisaged in the NEP 2020.

Eligibility:

Business Administration - (Honours)/ Bachelor of Business Administration -(Honours with Research) B.BA. (Honours) / B.B.A. -(Honours with Research)

The candidate should have passed 12th (10+2) standard examination from any government-recognized board with minimum 50% marks (45% for S.C. / S.T. students) in one attempt (No Compartment / Supplementary). Students who have appeared for their Std. XII finals and awaiting results are also eligible to apply, subject to submission of passing certificate by the notified date.

Applicants who have obtained 10+2 through Open Universities system directly without having any basic qualification are not eligible for the Course.

Important:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Admission Process:

SET Scores are mandatory for admission to SCMS Nagpur. A Shortlist will be declared based on SET Scores, and shortlisted candidates will be invited for the next round, which is the PIWAT process. Merit Lists will be declared on the basis of Overall Scores with SET scores getting 50 % weightage and PIWAT scores getting 50 % weightage in the overall score.

Reservation of Seats: As per University norms.

Orientation and Methodology:

SCMS Nagpur has a strong faculty base with a unique blend of experienced and youthful faculty. It also has a very good faculty to student ratio. It is interesting to note that all faculty members are Ph.D. Using a variety of pedagogy, SCMS Nagpur utilizes a learning rather than teaching approach. A dynamic, continuous evaluation system ensures that students are kept abreast of relevant contemporary happenings in the market, as well as in line with the syllabus. Projects, assignments, live projects, market research will be part of the normal academics. Students can choose between 3 specialization verticals: Marketing, Human Resource, & Financial Management. A minimum of 25 students are required to offer the specialization vertical. Specializations commence from the second year in Semester III, to allow students sufficient time to understand their aptitude for a stream and choose specializations accordingly. They also will be given advice by industry speakers, on career paths available in the corporates for each of these verticals, so also they will be counselled to find out their suitability for the same. The Institute offers floating credits as per University norms, and this year has offered international exchange programs for students. Students will be offered summer school opportunities abroad, and from the year 2020-21, the institute has organized and facilitated proposed semester abroad programs as well.

13. ASSESSMENT

All internal courses will have 100% component as internal evaluation at the institute level. All external courses will have 40% internal component and 60% external component [University] examination.

14. STANDARD OF PASSING

The assessment of students for each examination is done, based on relative performance. Maximum Grade Point (GP) is 10.000 corresponding to O. For all courses, a student is required to pass both internal and external examination separately with a minimum Grade Point of 4 corresponding to Grade P. Students securing less than 40% absolute marks in each head of passing will be declared FAIL. The University awards a degree to the student who has achieved a minimum CGPA of 4 out of maximum of 10 CGPA for the program.

15. AWARD OF DEGREE/ DIPLOMA/ CERTIFICATE*

Bachelor of Business Administration will be awarded at the end of semester VI examination by taking into consideration the performance of all semester examinations after obtaining minimum 4 CGPA out of 10 CGPA.

* The student who score 7.5 CGPA or above out of 10 CGPA shall be eligible to progress to (fourth year) Honours Degree.

Fee Structure (Annexure I)

Approved Fee Structure for Batch 2023 in the Academic Year 2023-2024-INDIAN STUDENTS

* The fees mentioned here are only for the First Year of the programme. Please note that Academic Fees can be increased up to 12% over the duration of the entire programme. Government taxes (if any) would be additional as and when applicable.

Dr. Aarti Mehta Sharma
Director

Director Profile:

Dr Aarti Mehta Sharma is a passionate academician who believes that quality education enriches lives immensely. Having worked in Industry and Academia at various levels, she brings forth a motivated attitude and a variety of powerful skills. With a strong background in Analytics, she believes that the "future-ready" student is one who has domain knowledge and is strong at Analytics.

She has more than 15 years of teaching experience at the Doctorate, Post-Graduate and Graduate levels and has worked for more than 8 years in the domain of research, which includes working with MODE Market Research, and FORE. Her areas of interest are the applications of decision sciences to management and she is adept at various analytics software such as R, Python, Power BI, Tableau etc. She believes in continuous learning and has participated in various Faculty Development Programmes as both, an instructor and a participant. She has been involved as a senior faculty in corporate programmes conducted for Wipro, Infosys and John Distillers where she has conducted workshops for different management levels on topic wide-ranging as Market Research, Visualization and Statistics. She has published papers in journals of renown and has attended and presented papers at various national and international conferences.

Institute Profile:

Symbiosis Centre for Management Studies, Bengaluru (SCMS-B) is a constituent of Symbiosis International (Deemed University), Pune and began its operations in November 2021. Based in Electronic city, the IT hub of Bengaluru, the institute employs a vibrant academic approach that enables learners to choose topics from a variety of areas. The unique curriculum combines business studies with data sciences and analytics to transform students into skills-driven business managers.

Programme Profile:

Name of the Programme:

- **Business Administration - (Honours)/ Bachelor of Business Administration -(Honours with Research) B.BA. (Honours) / B.B.A. -(Honours with Research)**

Duration:

- Business Administration - (Honours)/ Bachelor of Business Administration -(Honours with Research) B.BA. (Honours) / B.B.A. -(Honours with Research) : 4 Years Full Time Non-Residential (Hostel Facility Available on Request basis)

Intake:

- Business Administration - (Honours)/ Bachelor of Business Administration
-(Honours with Research) B.BA. (Honours) / B.B.A. -(Honours with Research)   : 120 students

- **Business Administration - (Honours)/ Bachelor of Business Administration -(Honours with Research) B.BA. (Honours) / B.B.A. -(Honours with Research)**

  The BBA program is a four-year, Eight-semester full-time graduate program that strives to develop students into socially conscious responsible corporate citizens. This program, with its comprehensive and up-to-date curriculum and a large selection of optional modules, will enable students to pursue higher education at prestigious business institutions in India and overseas or to enter the corporate sector.

Eligibility:

Programme Structure:

* Business Administration - (Honours)/ Bachelor of Business Administration -(Honours with Research) B.BA. (Honours) / B.B.A. -(Honours with Research)

Semester: I
Discipline-Specific Courses/Major Courses- Compulsory

- Management Essentials
- Business Statistics

Minor Courses- Choose ANY ONE (cannot be the same as Major specialization)

- Basics of Database
- Business Accounting
- Organizational Psychology
- Fundamentals of Marketing

Multidisciplinary Courses - (To choose from SIU Basket)

- MD1

Ability Enhancement Course- Choose any one

- Technical English & Communication Skill
- Presentation Skill

Skill Enhancement Course- Choose any one

- Creativity and Design Thinking
- Introduction to Python

Common Value-Added Courses (To choose from SIU Basket)

- CVAC1

Semester: II
Discipline-Specific Courses/Major Courses- Compulsory

- Basics of Microeconomics
- Basics of Management Information Systems

Minor Courses- Choose any one (cannot be the same as Major specialization)

- Business Intelligence for Management
- Financial Services
- Fundamentals of Services Marketing
- Human Resource Management

Multidisciplinary Courses - (To choose from SIU Basket)

- MD2

Ability Enhancement Course- Choose any one

- Kannada
- Communicative English

Skill Enhancement Course- Choose any one

- Web Designing
- Supply Chain Management

Common Value-Added Courses (To choose from SIU Basket)

- CVAC1

Vocational Courses (Summer): Only for students who wish to exit after the First Year with a Certificate

- Data Analytics using MS-Excel
- Exploratory Data Analysis

Semester: III
Discipline-Specific Courses/Major Courses- Compulsory

- Macroeconomics

Major Courses- Students to Choose ANY ONE

- Machine learning
- Financial Statement
- Consumer Behavior

- Organizational Behavior

Minor Courses- Choose any one (cannot be the same as Major specialization)

- Machine learning
- Introduction to R Programming
- Management Accounting
- Introduction to Corporate Finance
- Consumer Behaviour
- Innovation Management and New Product development
- Training and Development
- Introduction to Psychology

Multidisciplinary Courses - (To choose from SIU Basket)

- MD3

Ability Enhancement Course- Choose any one

- Basic French I
- Basic German I
- Business Communication

Skill Enhancement Course- Choose any one

- Personal Finance
- Content Creation in Marketing

Common Value-Added Courses (To choose from SIU Basket)

- CVAC1

Semester: IV
Discipline-Specific Courses/Major Courses- Compulsory

- Research Methodology

Major Courses- Students to Choose ANY ONE GROUP)

- Internet of Things
- Business Analytics
- Strategic Financial Management
- Security Analysis and Portfolio Management
- Digital Marketing
- Marketing Communication - Advertising PR and Events
- Compensation Management
- Training and Development

Minor Courses- Choose any one (cannot be the same as Major specialization)

- Cloud Applications for Business Processes
- Data Warehousing and Mining
- Money, Banking and Finance
- Financial Modelling
- B2B marketing
- From Products to Self: Personal, Image & Reputation Brand Management
- Fundamentals of Quality Management
- Team Building and Inclusive Leadership

Ability Enhancement Course- Choose any one – whichever is applicable

- Effective Communication Skills
- Basic French II or
- Basic German II

Common Value-Added Courses (To choose from SIU Basket)

- CVAC1

Vocational Courses (Summer): Only for students who wish to exit after the Second Year with a Diploma

- Data Analytics using MS-Excel
- Exploratory Data Analysis

Semester: V
Discipline-Specific Courses/Major Courses- Compulsory

- Business Law

Major Courses- Students to Choose ANY ONE GROUP

- Python for Data Science
- Operations Research
- Introductory Econometrics
- Theory and Application of Public Finance
- Business Modeling and Business Plan Fundamentals
- Business Marketing
- Introduction HR Analytics
- Labor and Industrial Law

Minor Courses- Choose any one Group (cannot be the same as Major specialization)

- Statistical Data Analysis Using Microsoft Excel
- Internet of Things
- Product Design and Development
- Designing for apps and websites
- Investment Banking
- Sustainable Finance and Responsible Investment
- Professional Writing Skills
- Cross Cultural Management

Summer Internship

- Summer Internship

Semester: VI
Discipline-Specific Courses/Major Courses- Compulsory

- Project

Major Courses- Students to Choose ANY ONE GROUP

- Introduction to Artificial Intelligence
- Big Data Analytics
- Social Media marketing and analytics
- Sales and Distribution Management
- Mergers and Acquisitions
- Financial Risk Management
- Cross Cultural Management
- Advanced HR Analytics

Minor Courses- Choose any one Group (cannot be the same as Major specialization)

- Neural Network
- Data Visualization
- Global Business Environment
- Project Finance and Infrastructure Financing
- Gender Labour and Work
- Specialized HR Research
- Creativity and Innovations
- International Marketing

Semester: VII (Honours)
Discipline-Specific Courses/Major Courses- Compulsory

- International Economics

Major Courses- Students to Choose ANY ONE

- Multivariate data analysis
- Introduction to Deep Learning
- HRD Instruments
- Conflict management and Negotiation Skills
- Retail Marketing
- Marketing analytics
- Mastering Python for Finance
- International Financial Management

Minor Courses- Choose any one (cannot be the same as Major specialization)

- Open Source Tools for Data Science
- IT Applications for Business Vertices
- Indian Economy I
- Corporate Valuation
- IT Product and Sales Management
- Marketing analytics and CRM
- Global Mental Health
- Industrial Jurisprudence & ILO Jurisprudence (Legal Method, Indian Legal System and Basic Theory of Law) Minor

Semester: VII (Honours with research)

Dr. Ketan Kotecha
PhD (IIT Bombay)
Dean, Faculty of Engineering, Symbiosis International
(Deemed University)
Director, Symbiosis Institute of Technology
Head, Symbiosis Centre for Applied AI (SCAAI)

Director Profile:

Education: PhD & MTech (IIT Bombay)

Expertise: Deep learning; Artificial Intelligence, Computer Algorithms, Machine Learning, Deep Learning Higher Order Thinking Skills & Critical Thinking.

Experience: A researcher – teacher since last 26 + years. A published author of more than 247 Scopus indexed papers and 3 patents.

Research Projects/Grants: Total 9.

1. Ministry of Electronics and Information Technology (MeitY), Government of India Grant for project entitled 'A Multi-Model Neuro-Physiological Framework for Behavior Analysis" in collaboration witn CDAC, Delhi and INMAS Labs, DRDO, approved for funding of 199.04 Lakhs (April 2022- March 2024)

2. Recipient of Going Global Partnerships Exploratory Grant 2021-2022 between Aston University and Symbiosis Institute of Technology by British Council (15,000 GBP)

3. Going Global Partnerships 2022 Exploratory Top-up grant- Grant Agreement- 877629610 between Aston University and Symbiosis Institute of Technology by British Council (£ 13,942)

4. Recipient of UKIERI (UK-India Education and Research Initiative) British council grant in collaboration with Aston University UK, 2019 (grant of 41,880 GBP)

5. DST – IMFA Research Mobility Grant (as Co-PI) for a Project entitled 'Multimodal Explainability for Object Detection and Image Processing in Drone Imagery', Collaborator: University of Milan, Italy. Approved for Funding of 42.36 Lakhs (April 2022- Mar 2025)

6. Indo-Serbia Joint Research Grant (as PI) for a project entitled 'Development of real-time traffic control algorithms for unconventional intersection designs using artificial intelligence methods '. Collaborator: University of Kragujevac, Serbia and Terna Engineering College, India. Approved for Funding of 29.2Lakhs (April 2022- Mar 2025)

7. MHRD SPARC Grant (as Co-PI) for a project entitled 'Development of Explainable AI Techniques for Complex Disease Diagnosis using Genomics Data', Collaborator: The University of Queensland, Australia, Approved for funding of 84.6Lakhs (March 2019-March 2022: Ongoing)

8. MHRD SPARC Grant (as PI) for a project entitled 'Development of Algorithms for Credibility Analysis of Information(CAI)', Collaborator: Arizona State University, USA, approved for funding of 82.6Lakhs (March 2019-March 2022: Ongoing)

9. ASME DUO Professor Fellowship Award 2020 on Responsible AI and Robotics with Brunel University, UK, approved for funding of 4.79Lakhs [Award of Euro 3000] (November 2019- November 2020: Completed).

Keynote speaker: AI at Machine Intelligence lab at USA, Pretoria University, S Africa; IIT Bombay under World Bank Project; Global Meet on Sensors and Sensing Technology, at Italy; 2nd International Congress on AI and Machine Learning at the Czech Republic and many more.

Editorial memeber: IEEE access, PeerJ computer Science journal (by SAGE), Cogent Journal by Taylor & Francis and also editing special issues of MDPI and Frontiers Journals.

Institute Profile:

Symbiosis Institute of Technology, a constituent of Symbiosis International (Deemed University), Pune was established in the year, 2008 and currently offers following B.Tech and M.Tech programmes

B. Tech programmes in:

- Civil Engineering
- Computer Science and Engineering
- Electronics & Telecommunication Engineering
- Mechanical Engineering
- Artificial Intelligence & Machine Learning
- Robotics & Automation

M. Tech programmes in:

- M.Tech (Artificial Intelligence and Machine Learning)
- M.Tech (Robotics and Automation)
- M.Tech (Embedded Systems)
- M.Tech (Engineering Design)
- M.Tech (Geoinformatics and Surveying Technology)

Research Programmes

Research programmes leading to Ph. D. Degree were introduced in Faculty of Engineering of Symbiosis International University in 2010.

The Institute endeavors to provide quality technical education in line with the requirements of today's competitive industry and fast paced technological developments. The curriculum developed by the Institute lays a stress both on basics and latest developments. Realizing the fact that faculty is the most important resource, special efforts have been made to find, recruit and retain highly qualified and competent faculty. Infrastructure created and acquired by the Institute, like all other Symbiosis Institutes, is of a very high quality and includes multimedia classrooms, well equipped labs including latest software for simulations and other applications, well stocked modern library with digital media, auditorium, seminar halls, separate hostels for boys and girls, and playgrounds with all amenities.

The Institute provides a conducive environment for harnessing the potential of both faculty and students through systematic and effective planning of the teaching learning process and other activities, both within and outside the classroom. The basic teaching learning process is supplemented by organizing techfests, ethics cultural programmes, sports competitions, industry-institute meets, guest lectures by renowned personalities from Industry and academia from reputed foreign universities and student exchange programs with foreign universities.

SESMIC - Department of Electronics and Telecommunication Symbiosis Institute of Technology, Pune (SIT Pune), a constituent of Symbiosis International (Deemed University) hosted the 1st International conference on recent and future trends in smart electronics system and manufacturing (SESMIC 2022) in December 2022. This conference was sponsored by Department of Scientific and Industrial research DSIR, New Delhi. Also, it was in collaboration of Universiti of Kebangsaan Malaysia.

The Institute has international collaborations for student and faculty exchange with Nanyang Technological University Singapore, Ingolstadt University Germany, Purdue School of Engineering, IUPUI Indianapolis USA and Leibniz University Hannover.

In an effort to realize the dream of Dr. S. B. Mujumdar Sir, Chancellor of SIU and creator of Symbiosis, of producing Gentlemen Engineers, the students are trained in liberal arts, performing arts, industrial history, human values and ethics. Students attempt to address practical issues with the help of technology driven solutions from the local community through service learning. The students are offered to qualify a special diploma from SIBM and courses from other Symbiosis Institutes. Product design, patent law, copyright law, and many more topics that are directly connected to engineering are among the options available to our engineering students. SIT enrolls students from all over the country. This variety, together with their top-notch education and diverse backgrounds, produces a setting that is ideal for peer learning. They are constantly keen to add to their regular education by working on technological projects, taking part in competitions, planning events, and so on.

Programme Profile:

Name of the Programme:

Bachelor of Technology [B. Tech.] Programme (4 years full time) in:

- **Civil Engineering:** The department aims at imparting a high quality education and producing industry ready professionals and entrepreneurs in Civil Engineering.

- **Computer Science and Engineering:** The department endeavours to impart quality education to students in the areas of computer science and engineering. The department has very competent faculty to teach advanced topics of cloud computing, software quality, cyber security, artificial intelligence and so on.

- **Electronics & Telecommunication Engineering:** The department is enriched with the infrastructural facilities as well as manpower focusing towards the quality education and overall growth of the students. Efforts are made to impart as much project based learning as is feasible that is compatible to technological development.

- **Mechanical:** The department's goals are to create professionals and entrepreneurs who are prepared for the workplace. The multidisciplinary nature of the curricula aims to produce professionals with a wider range of expertise.

- **Artificial Intelligence & Machine Learning:** The primary aim of this department is to spearhead the advancement and novel developments in various application areas and promotion of the advanced research and education in the field of Artificial Intelligence.

- **Robotics & Automation:** Robotics and automation are considered as one of the integral and significant parts of Industry 4.0. In the current era, automated machines like robots have turned out to be extremely beneficial for various sectors - starting from assisting humans around the house to industrial applications like assembling and packing products and helping doctors in performing complex surgeries. This new development has opened a door for enormous opportunities for the skilled and trained professionals.

Duration:

- Bachelor of Technology (Artificial Inteligence and Machine Learning)   : 4 Years Full Time
- Bachelor of Technology (Civil Engineering)   : 4 Years Full Time
- Bachelor of Technology (Computer Science and Engineering)   : 4 Years Full Time
- Bachelor of Technology (Electronics and Tele-Communication Engineering)   : 4 Years Full Time
- Bachelor of Technology (Mechanical Engineering)   : 4 Years Full Time
- Bachelor of Technology (Robotics and Automation)   : 4 Years Full Time

Intake:

Bachelor of Technology [B. Tech.] Programme

- Bachelor of Technology (Artificial Inteligence and Machine Learning)   : 120 Students
- Bachelor of Technology (Civil Engineering)   : 60 Students
- Bachelor of Technology (Computer Science and Engineering)   : 180 Students
- Bachelor of Technology (Electronics and Tele-Communication Engineering)   : 120 Students
- Bachelor of Technology (Mechanical Engineering)   : 60 Students
- Bachelor of Technology (Robotics and Automation)   : 60 Students

Eligibility:

Indian Students

- Passed 10+2 examination with Physics and Mathematics as compulsory subjects along with one of the Chemistry /Biotechnology / Biology / Technical Vocational subject. Obtained at least 45% marks (40% in case of candidate belonging to SC/ST category) in the above subjects taken together.
- Good Scores in any one of the following entrance exams: SIT Engineering Entrance Exam (SIT EEE) or JEE (Main) or Any State Government Engineering Entrance Examination.

International Students (NRI / PIO/ Foreign Nationals)

- Passed 10+2 examination with Physics and Mathematics as compulsory subjects along with one of the Chemistry /Biotechnology / Biology / Technical Vocational subject. Obtained at least 45% marks (40% in case of candidate belonging to SC/ST category) in the above subjects taken together.
- Do not have to appear for entrance exam (SIT EEE/ JEE-Main/ Any State Government Engineering Entrance Examination) in India
- International students' eligibility as per SCIE norms. Please follow link www.scie.ac.in

In total 17 students visited France to get International exposure. During the 15 day visit they visited different universities, industries and heritage sites. They interacted with the professors for the universities and attended session on entrepreneurship.

Important:

It is the responsibility of the Candidates to ascertain whether they possess the requisite qualifications for admission. Having been admitted provisionally does not mean acceptance of eligibility. Symbiosis International (Deemed University) will decide final eligibility for admission.

Admission Process:

Minimum PCM % (45% for General and 40% for Reserved category candidates) is a mandatory eligibility requirement for admissions.

Indian students can get admission via -

1. SITEEE 2023
2. JEE (Main) 2023
3. Any State Government Engineering Entrance Examination (ASGEEE) 2023

Reservations of Seats: As per University norms.

Important Dates:

Counselling/Admission dates for admission through various entrance examinations

Details	Date
Registration commences on	15th December 2022,Thursday
Registration / Payment closes on	April 12, 2023 (Wednesday)
Admit Card Live on (www.set-test.org)	April 22, 2023 (Saturday) for Test 01 April 28, 2023 (Friday) for Test 02
SET Test 2023 (CBT Mode)	11.30 am to 12.30 pm
SLAT	09.00 am to 10.00 am
SET	11.30 am to 12.30 pm
SITEEE	Test 01 - May 06, 2023 (Saturday) SITEEE: 02.00 pm to 03.00 pm Test 02 - May 14, 2023 (Sunday) SITEEE: 02.00 pm to 03.00 pm
Announcement of Result	May 24, 2023 (Wednesday)
Last date to apply for Institute	To be declared
Declaration of shortlist for PIWAT	NA
Dates of PIWAT Process	NA
Declaration of First Merit List	To be declared
Programme Commencement	To be declared
JEE(Main) Registration commences on	4th Jan 2023(Wednesday)
JEE(Main) Registration / Payment closes on	30th Nov 2023 (tentative)
JEE (Main) Admission counselling	To be declared
Any State Government Engg. Entrance Registration commences on	4th Jan 2023(Wednesday)
Any State Government Engg. Entrance Registration / Payment closes on	30th Nov 2023 (tentative)
Any State Government Engg. Entrance Admission counselling	To be declared

Note: The admissions counselling dates will be changed on the basis of the respective entrance exam result declarations. Any changes will be reflected on institute website: www.sitpune.edu.in

Disclaimer:

*These are tentative dates, subject to change. For regular updates, please log on www.sitpune.edu.in

Orientation and Pedagogy:

a. **Method of Instruction**

The Institute uses the most modern teaching tools, such as multimedia/smart boards, in a very effective and dynamic teaching-learning process. The curriculum was created by taking into account the present and future demands of business, higher education, and industry, with an emphasis on professional courses, skill-based courses, and entrepreneurship-based courses. To guarantee that the teaching-learning process is effective, teachers prepare a detailed outline of the course together with the course objectives and outcomes, lab manuals,

and course files. Further hands-on training through lab sessions, workshops led by industry professionals and research paper publications are the key component of the programme.

b. Industry Interface:

The institute ensures industrial participation in curriculum development, guest lectures by experts from Industry, student trainings and internships. In addition to these, several industrial visits are also arranged for students in order to give them an exposure on the practical solutions and industrial environment.

The Industry Institute Interaction Cell (IIIC) at Symbiosis Institute of Technology aims to get associated with Industry to develop strategies for creating a future talent pool compatible to the industry.

The objective of the IIIC is to reduce the gap between the Institute and Industry and to offer real time exposure on recent technologies to the students and faculty members. Along with that, this cell also aims to join hands with Industry to find the solutions of problems faced by the industry and assure symbiotic relationships for the benefit of both Institute and Industry.

We regularly organize following activities

- Establish Center of Excellence in collaboration with Rubiscape Pvt. Ltd in the domain of Artificial Intelligence and Machine Learning
- Establish Makers Lab in collaboration with Tech Mahindra
- Arrange Guest lectures, Industry talks on advance and latest technology trends.
- Promote One Faculty- One Industry connect.
- Invite Industry executives and practicing engineers for possible collaboration in research and development of existing laboratories.
- Participation of experts from industries in curriculum development.
- Organize industrial visits for faculty members and students.
- Invite Industry to co-teach some part of the course.

Visits were made to some renowned companies like

- Spark Minda Technical Centre – SMIT, Chakan Pune
- KPIT Technologies Ltd, Hinjawadi, Pune
- Philips India Limited, Healthcare R&D Centre
- Volkswagen India Pvt. Ltd.
- ARAI, Kothrud Pune
- Bharat Forge
- Kraft Powercon
- Persistent
- Tech Mahindra
- Mapro Industry
- 512 Army Base workshop
- General Electric
- Tata Motors

c. Research and Development

SIU started Ph.D programme in Engineering from the academic year 2010-2011. Presently 285 students are pursuing their Ph.D from faculty of Engineering. 61 students have been awarded Ph.D. till date. SIT has taken various initiatives to mobilize the available knowledge resources for research and innovative solutions. SIT operates in cooperation to identify and initiate applied as well as multi-disciplinary research projects, create and combine patentable Intellectual Property (IP) components, and work to deliver funded research projects.

Research equipment and facilities have been established at SIT to carry out high quality basic and applied research. Faculty members are motivated to send research proposals in emerging areas to funding agencies within India and abroad. They also have a large number of publications in referred journals (SCOPUS and Web of Science) and are actively engaged in publications. Many papers were presented by the faculty and students in conferences held in India and abroad. Publication count in the Scopus database is 342 and that on the web of science database is 180 in the calendar year 2022.

The undergraduate and graduate students also get an opportunity to work on some sub-areas of larger research problems as their major or minor projects. They also have published papers in referred journals. The Institute is in the process of augmenting necessary equipment and facilities in the identified research areas. Currently working on Twelve active projects.24 SIU funded projects are complete.

d. Placements:

The placement and training unit at the Institute is very well organized. Through specialized training on technical and soft skills, all final-year students are prepared for campus interviews that help them win prestigious employment. Final placements feature sought-after profiles and competitive packages from top companies across several industries. A balanced mixture of recruiters from Core engineering, Software, IT, Finance, Digital marketing, and rapidly expanding start-ups made up the recruiter portfolio. Furthermore, some students received PPOs from prestigious organisations for their outstanding performance during internships.

The presence of more than 175 companies was noted in the years 2021- 2022, and 99% of job placements were made, with the highest package being 42LPA. Indeed, Bajaj Health/Finserve/Market, Microsoft, IBM India Pvt Ltd, Netcracker, Precisely, Tiaa Global Business Services(I) Pvt Ltd, Persistent Systems Pvt Ltd, Deloitte, Tresvista, Emerson, Miniorange Security Software Pvt Ltd, and others are among the top IT recruiters. eClerx, Hitachi Vantara, Media.net, Vodafone Intelligent SolutionsPvt Ltd,KPIT Technologies, Gomo Group, growisto, Philips India, HDFC Bank, Dure Technologies Pvt Ltd., HP Inc., DANA India Technical Center Pvt.Ltd., Kirloskar Ferrous, Dar Group, Johnson and Johnson Pvt. Ltd., Godrej One, and others .

The B.Tech. and M.Tech. placement procedure for the 2023 class of students is now underway. There were numerous reputable businesses involved in the process, including Microsoft, Bajaj Finserv Health, Bajaj Market, Credit Suisse Services India Pvt Ltd, Phonepe, Deloitte, Japanese Bank, Persistent Systems Pvt Ltd, Tiaa Global Business Services (India) Pvt Ltd, Futures First, and many more.

The highest package offered for the current batch is 36.5 LPA.

Students team selected to participate in University Challenge, IFAT India in Sept 2022.

e. SIT Library:

SIT Library Details			
Sr No	Description	Numbers	Year
1	Number of Library books Titles Total Volume	17720	Till Date
2	Number of Library Print Books Titles	5832	Till Date
3	Number of Library Journals (National)	76	2021-22
4	Number of Library Journals (International)	20	2021-22
5	List of online National/ International Journals	21028	2021/22
6	E- Library facilities (E-books) (Mc-Graw Hiil, EBSCO, PHI)	6848	Till Date
7	E- Library facilities (E-Database) ASTM, ACM, ASME, ASCE, IEEE, Wiley, Science Direct,	7	Till Date
8	National Digital Library(NDL) subscription details NDLI Club Registration No:	INMHNCSLDTRJGKF	
9	Institutional Membership	DELNET	

f. Sports Events @ SIT:

In the mundane everyday life, sports adds the much needed fun and flavour to liven everyone's spirit. The word 'Sports' defines many things. It positively boost's a person's mood and concentration, builds teamwork and sportsmanship and finally develops a person's overall personality. The best thing about it is that it engages both the players and the spectators. It synchronizes everyone's heart and brings about a sense of unity.

Every year is a new chapter and hence a new beginning. Last year focused on bringing back the spirit of Sports that was lost due to the pandemic. This year, to keep the spirit alive, various innovative sporting activities and events have been planned that will test and unify the bonds of players across different branches and years to achieve glory. For some it will be their first time while for some others it will be their last chance to attain victory. In the end, everything will boil down to man vs man where their skills, perseverance and dedication will decide the victor.

Approved Fee Structure for Batch 2023-2027 in the Academic Year 2023-2024-INDIAN STUDENTS

*   **The fees mentioned here are only for the First Year of the programme. Please note that Academic Fees can be increased up to 10% over the duration of the entire programme. Government taxes (if any) would be additional as and when applicable.**

Program Fees For Bachelor of Technology (Computer Science and Engineering)	1st Year Academic Year 2023-24 (Amount in ₹)
Academic Fees (Per Annum) *	₹ 3,00,000
Institute Deposit (Refundable)	₹ 20,000

Program Fees For Bachelor of Technology (Electronics & Tele-Communication Engineering)	1st Year Academic Year 2023-24 (Amount in ₹)
Academic Fees (Per Annum) *	₹ 3,00,000
Institute Deposit (Refundable)	₹ 20,000

Program Fees For Bachelor of Technology (Mechanical Engineering)	1st Year Academic Year 2023-24 (Amount in ₹)
Academic Fees (Per Annum) *	₹ 3,00,000
Institute Deposit (Refundable)	₹ 20,000

Program Fees For Bachelor of Technology (Civil Engineering)	1st Year Academic Year 2023-24 (Amount in ₹)
Academic Fees (Per Annum) *	₹ 3,00,000
Institute Deposit (Refundable)	₹ 20,000

Loughborough University, UK visited Civil Engineering Department, SIT

Program Fees For Bachelor of Technology (Robotics and Automation)	1st Year Academic Year 2023-24 (Amount in ₹)
Academic Fees (Per Annum) *	₹ 3,00,000
Institute Deposit (Refundable)	₹ 20,000

Program Fees For Bachelor of Technology (Artificial Intelligence and Machine Learning)	1st Year Academic Year 2023-24 (Amount in ₹)
Academic Fees (Per Annum) *	₹ 3,00,000
Institute Deposit (Refundable)	₹ 20,000

Installments for Bachelor of Technology (Computer Science and Engineering)	1st Year 2023-24 (Amount in ₹)	
	1st Installment	2nd Installment
Academic Fees (Per Annum)*	₹ 1,50,000	₹ 1,50,000
Institute Deposit (Refundable)	₹ 20,000	-
Installments	**₹ 1,70,000**	**₹ 1,50,000**
Last date of payment	At the time of Admission	25-Nov-2023

Installments for Bachelor of Technology (Electronics & Tele-Communication Engineering)	1st Year 2023-24 (Amount in ₹)	
	1st Installment	2nd Installment
Academic Fees (Per Annum) *	₹ 1,50,000	₹ 1,50,000
Institute Deposit (Refundable)	₹ 20,000	-
Installments	**₹ 1,70,000**	**₹ 1,50,000**
Last date of payment	At the time of Admission	25-Nov-2023

Installments for Bachelor of Technology (Mechanical Engineering)	1st Year 2023-24 (Amount in ₹)	
	1st Installment	2nd Installment
Academic Fees (Per Annum) *	₹ 1,50,000	₹ 1,50,000
Institute Deposit (Refundable)	₹ 20,000	-
Installments	**₹ 1,70,000**	**₹ 1,50,000**
Last date of payment	At the time of Admission	25-Nov-2023

Installments for Bachelor of Technology (Civil Engineering)	1st Year 2023-24 (Amount in ₹)	
	1st Installment	2nd Installment
Academic Fees (Per Annum) *	₹ 1,50,000	₹ 1,50,000
Institute Deposit (Refundable)	₹ 20,000	-
Installments	**₹ 1,70,000**	**₹ 1,50,000**
Last date of payment	At the time of Admission	25-Nov-2023

Installments for Bachelor of Technology (Robotics and Automation)	1st Year 2023-24 (Amount in ₹)	
	1st Installment	2nd Installment
Academic Fees (Per Annum) *	₹ 1,50,000	₹ 1,50,000
Institute Deposit (Refundable)	₹ 20,000	-
Installments	**₹ 1,70,000**	**₹ 1,50,000**
Last date of payment	At the time of Admission	25-Nov-2023

Installments for Bachelor of Technology (Artificial Intelligence and Machine Learning)	1st Year 2023-24 (Amount in ₹)	
	1st Installment	2nd Installment
Academic Fees (Per Annum) *	₹ 1,50,000	₹ 1,50,000
Institute Deposit (Refundable)	₹ 20,000	-
Installments	**₹ 1,70,000**	**₹ 1,50,000**
Last date of payment	At the time of Admission	25-Nov-2023

**Hostel and Mess Fees (Subject to campus change/allotment and accommodation type wise, e.g. Single Sharing, Twin Sharing, Triple Sharing, Four Sharing, Dormitory) (The fees indicated herein are for Lavale Hill Base Campus Only)	Amount in ₹ for 1st year 2023-24		
	Total Fee	1st Installment	2nd Installment
Mess Fees (Per Annum) @	₹ 86,000	₹ 43,000	₹ 43,000
Hostel Deposit (Refundable)	₹ 15,000	₹ 15,000	-
Hostel Fees (Different, Subject to Sharing, Per Annum) @			
Three Sharing	₹ 1,26,500	₹ 63,250	₹ 63,250
Four Sharing	₹ 93,000	₹ 46,500	₹ 46,500
Last date of payment		At the time of Admission	25-Nov-2023

@ Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

** Academic, Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

Few seats are reserved as Discretionary Quota Seats. Only students with good academic record and with good entrance test scores are considered for Discretionary Quota Seats. The fees for Discretionary Quota seats will be double the academic fees of open category as approved by the Fee Structure Committee, to be paid to the institute by way of online transfer/demand draft.Once admission is taken in Discretionary Quota, the fees applicable to Discretionary Quota will have to be paid by the student for the entire duration of the programme. No donation or capitation fee is charged for admission to any program at any institute of SIU.

Approved Fee Structure for Batch 2023-2027 in the Academic Year 2023-2024-INTERNATIONAL STUDENTS

Note : International students are admitted from two categories and the fees for each are as given below

(a) NRI, PIO, OCI Category

(b) Foreign National Category

*   **The fees mentioned here are only for the First Year of the programme. Please note that Academic Fees can be increased up to 10% over the duration of the entire programme. Government taxes (if any) would be additional as and when applicable.**

(a) Fees Payable by the students taking admission in NRI, PIO, OCI Category.

Program Fees For Bachelor of Technology (Computer Science and Engineering)		Student taking Admission in
		(a) NRI, PIO, OCI Category 1st Year 2023-24 Amount in US$
Academic Fees (Per Annum) *		$5,875
Less: Symbiosis Golden Jubilee Scholarship to Foreign National Students #		-
Academic Fees (per Annum) to be paid	**(A)**	**$5,875**
Institute Deposit (Refundable)	**(B)**	**$275**
Administrative Fees (Non Refundable)		$550
Less: 50% Fee Concession on Administative Fees		-
Administrative Fees (Non Refundable) to be paid	**(C)**	**$550**
Total Fees to be paid	**(D)=(A+B+C)**	**$6,700**

Administrative Fees (Non Refundable)		$550
Less: 50% Fee Concession on Administative Fees		$275
Administrative Fees (Non Refundable) to be paid	**(C)**	**$275**
Total Fees to be paid	**(D)=(A+B+C)**	**$1,850**

Program Fees For Bachelor of Technology (Electronics & Tele-Communication Engineering)		Student taking Admission in
		(b) Foreign National Category 1st Year 2023-24 Amount in US$
Academic Fees (Per Annum) *		$5,875
Less: Symbiosis Golden Jubilee Scholarship to Foreign National Students #		$4,575
Academic Fees (per Annum) to be paid	**(A)**	**$1,300**
Institute Deposit (Refundable)	**(B)**	**$275**
Administrative Fees (Non Refundable)		$550
Less: 50% Fee Concession on Administative Fees		$275
Administrative Fees (Non Refundable) to be paid	**(C)**	**$275**
Total Fees to be paid	**(D)=(A+B+C)**	**$1,850**

Program Fees For Bachelor of Technology (Mechanical Engineering)		Student taking Admission in
		(b) Foreign National Category 1st Year 2023-24 Amount in US$
Academic Fees (Per Annum) *		$5,875
Less: Symbiosis Golden Jubilee Scholarship to Foreign National Students #		$4,575
Academic Fees (per Annum) to be paid	**(A)**	**$1,300**
Institute Deposit (Refundable)	**(B)**	**$275**
Administrative Fees (Non Refundable)		$550
Less: 50% Fee Concession on Administative Fees		$275
Administrative Fees (Non Refundable) to be paid	**(C)**	**$275**
Total Fees to be paid	**(D)=(A+B+C)**	**$1,850**

Program Fees For Bachelor of Technology (Civil Engineering)		Student taking Admission in
		(b) Foreign National Category 1st Year 2023-24 Amount in US$
Academic Fees (Per Annum) *		$5,875
Less: Symbiosis Golden Jubilee Scholarship to Foreign National Students #		$4,575
Academic Fees (per Annum) to be paid	**(A)**	**$1,300**
Institute Deposit (Refundable)	**(B)**	**$275**
Administrative Fees (Non Refundable)		$550
Less: 50% Fee Concession on Administative Fees		$275
Administrative Fees (Non Refundable) to be paid	**(C)**	**$275**
Total Fees to be paid	**(D)=(A+B+C)**	**$1,850**

Program Fees For Bachelor of Technology (Robotics and Automation)		Student taking Admission in
		(b) Foreign National Category 1st Year 2023-24 Amount in US$
Academic Fees (Per Annum) *		$5,875
Less: Symbiosis Golden Jubilee Scholarship to Foreign National Students #		$4,575
Academic Fees (per Annum) to be paid	**(A)**	**$1,300**
Institute Deposit (Refundable)	**(B)**	**$275**
Administrative Fees (Non Refundable)		$550
Less: 50% Fee Concession on Administative Fees		$275
Administrative Fees (Non Refundable) to be paid	**(C)**	**$275**
Total Fees to be paid	**(D)=(A+B+C)**	**$1,850**

Program Fees For Bachelor of Technology (Artificial Intelligence and Machine Learning)		Student taking Admission in
		(b) Foreign National Category 1st Year 2023-24 Amount in US$
Academic Fees (Per Annum) *		$5,875
Less: Symbiosis Golden Jubilee Scholarship to Foreign National Students #		$4,575
Academic Fees (per Annum) to be paid	**(A)**	**$1,300**
Institute Deposit (Refundable)	**(B)**	**$275**
Administrative Fees (Non Refundable)		$550
Less: 50% Fee Concession on Administative Fees		$275
Administrative Fees (Non Refundable) to be paid	**(C)**	**$275**
Total Fees to be paid	**(D)=(A+B+C)**	**$1,850**

(b) Installments for Bachelor of Technology (Computer Science and Engineering) students taking Admission in Foreign National Category	1st Year 2023-24 (Amount in $)		
	1st Installment	**2nd Installment**	**3rd Installment**
Administrative Fees (Non Refundable) # #	$275	-	-
Academic Fees (Per Annum)*	$815	$240	$245
Institute Deposit (Refundable)	$275	-	-
Installments	**$1,365**	**$240**	**$245**
Last date of payment	At the time of acceptance of 'Offer Letter'	At the time of Reporting to SCIE	25-Nov-2023

(b) Installments for Bachelor of Technology (Electronics & Tele-Communication Engineering) students taking Admission in Foreign National Category	1st Year 2023-24 (Amount in $)		
	1st Installment	2nd Installment	3rd Installment
Administrative Fees (Non Refundable) # #	$275	-	-
Academic Fees (Per Annum)*	$815	$240	$245
Institute Deposit (Refundable)	$275	-	-
Installments	**$1,365**	**$240**	**$245**
Last date of payment	At the time of acceptance of 'Offer Letter'	At the time of Reporting to SCIE	25-Nov-2023

(b) Installments for Bachelor of Technology (Mechanical Engineering) students taking Admission in Foreign National Category	1st Year 2023-24 (Amount in $)		
	1st Installment	2nd Installment	3rd Installment
Administrative Fees (Non Refundable) # #	$275	-	-
Academic Fees (Per Annum)*	$815	$240	$245
Institute Deposit (Refundable)	$275	-	-
Installments	**$1,365**	**$240**	**$245**
Last date of payment	At the time of acceptance of 'Offer Letter'	At the time of Reporting to SCIE	25-Nov-2023

(b) Installments for Bachelor of Technology (Civil Engineering) students taking Admission in Foreign National Category	1st Year 2023-24 (Amount in $)		
	1st Installment	2nd Installment	3rd Installment
Administrative Fees (Non Refundable) # #	$275	-	-
Academic Fees (Per Annum)*	$815	$240	$245
Institute Deposit (Refundable)	$275	-	-
Installments	**$1,365**	**$240**	**$245**
Last date of payment	At the time of acceptance of 'Offer Letter'	At the time of Reporting to SCIE	25-Nov-2023

Department of AI and Machine Learning SIT Pune will work on a collaborative project with Aston University Uk, Sylvia Wong Matt Dean Kate Sugden under #britishcouncil grant.

(b) Installments for Bachelor of Technology (Robotics and Automation)students taking Admission in Foreign National Category	1st Year 2023-24 (Amount in $)		
	1st Installment	2nd Installment	3rd Installment
Administrative Fees (Non Refundable) # #	$275	-	-
Academic Fees (Per Annum)*	$815	$240	$245
Institute Deposit (Refundable)	$275	-	-
Installments	**$1,365**	**$240**	**$245**
Last date of payment	At the time of acceptance of 'Offer Letter'	At the time of Reporting to SCIE	25-Nov-2023

(b) Installments for Bachelor of Technology (Artificial Intelligence and Machine Learning) students taking Admission in Foreign National Category	1st Year 2023-24 (Amount in $)		
	1st Installment	2nd Installment	3rd Installment
Administrative Fees (Non Refundable) # #	$275	-	-
Academic Fees (Per Annum)*	$815	$240	$245
Institute Deposit (Refundable)	$275	-	-
Installments	**$1,365**	**$240**	**$245**
Last date of payment	At the time of acceptance of 'Offer Letter'	At the time of Reporting to SCIE	25-Nov-2023

(b) **Hostel and Mess Fees (Subject to campus change/allotment and accommodation type wise, e.g. Single Sharing, Twin Sharing, Triple Sharing, Four Sharing, Dormitory) (The fees indicated herein are for Lavale Hill Base Campus Only)	Student taking Admission in Foreign National Category 1st Year 2023-24 Amount in US$		
	Total Fee	1st Installment	2nd Installment
Mess Fees (Per Annum) @	$560	$280	$280
Hostel Deposit (Refundable)	$200	$200	-
Hostel Fees (Different, Subject to Sharing, Per Annum) @			
Three Sharing	$650	$325	$325
Four Sharing	$650	$325	$325
Last date of payment		At the time of Reporting to SCIE	25-Nov-2023

Note:

\# ONLY Foreign National Students taking Admission in the year 2023 for the Batch 2023, will be eligible for the Symbiosis Golden Jubilee Scholarships. Designed to celebrate 50 glorious years of Symbiosis being established to offer quality education to foreign national students, these include:

(1) 100 Symbiosis Golden Jubilee full Academic Scholarships with need-based reduced hostel fees for foreign national students from developing African- Asian countries.

(2) 100 Golden Jubilee Free-ships for academically and financially deserving foreign national students from conflict ridden/war affected regions by giving them an opportunity to study at SIU by covering not only the cost of all academic fees but also the hostel and mess/food fees (lodging and boarding).

(3) Concessional Hostel fees are applicable to Foreign National students @ 650$ per annum.

(4) Concessional Mess fees are applicable to Foreign National students @50% as mentioned above.

** Academic,Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@ Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

\# \# 50% Concession will be given only to the Foreign National students on Administrative Fees.

Programme Structure:

* Bachelor of Technology (Artificial Intelligence and Machine Learning)

Semester: I
Generic Core Courses
- Linear Algebra
- Chemistry
- Chemistry Lab
- Basic Electrical and Electronics Engineering
- Basic Electrical and Electronics Engineering Lab
- Introduction to Python Programming
- Introduction to Python Programming Lab
- Critical Thinking
- Cyber Security
- Entrepreneurship Venture
- Tinker Lab
- Fitness for Life

Semester: II
Generic Core Courses
- Calculus
- Physics
- Physics Lab
- Programming in C
- Programming in C Lab
- Communication Skills
- Communication skills lab
- Creative Thinking
- Statistics for Data Science
- Software Tools for Artificial Intelligence and Machine Learning
- Environmental Science

Semester: III
Generic Core Courses
- Probability and Random Processes
- Data Structures and Algorithms
- Data Structures and Algorithms Lab
- Data Preprocessing Lab
- Principles of Database Management System
- Data Base Management Systems Lab
- Design Thinking
- Flexi-Credit Course
- Flexi-Credit Course
- Generic Elective Courses Group
- Foundation of Ethics
- Introduction to Indian Philosophy

Semester: IV
Generic Core Courses
- Principles of Economics
- Flexi-Credit Course
- Flexi-Credit Course
- Supervised Machine Learning
- Supervised Machine Learning Lab
- Unsupervised Learning
- Unsupervised Learning Lab
- Applications and use cases of Machine Learning

- Project Based Learning -I
- Discrete Mathematics
- Integrated Disaster Management

Generic Elective Courses Group
- Basic German I
- Basic French I
- Basic Spanish I

Semester: V
Generic Core Courses
- Service Learning
- Flexi-Credit Course
- Deep Learning
- Deep Learning Lab
- Natural Language Processing
- Natural Language Processing Lab
- Data Visualization Lab
- Responsible AI for Robotics
- Computer Networks
- Open Elective Courses Group
- Financial Mathematics
- Smart Materials
- Smart Urban Planning
- Water Resource Planning and Management
- Java
- Web Application Development
- Engineering Simulation and Modeling Tools
- Introduction to Image Processing
- Industrial Revolution and Introduction of Industry 5.0
- Six sigma

Semester: VI

Generic Core Courses

- Generative Adversarial Networks
- Generative Adversarial Networks Lab
- Reinforcement Learning
- Reinforcement Learning Lab
- Capstone Course
- Project Based Learning-II

Generic Elective Courses Group- I

- Computer Vision
- Internet of Things
- Optimization Techniques and Algorithms

Generic Elective Courses Group- II

- Computer Vision Lab
- Internet of Things Lab
- Optimization Techniques and Algorithms Lab

Generic Elective Courses Group - III

- Speech Systems
- Full Stack Development
- Embedded AI

Generic Elective Courses Group - IV

- Speech Systems Lab
- Full Stack Development Lab
- Embedded AI Lab

Generic Elective Courses Group - V

- Organizational Behaviour
- History of Science and Technology

Open Elective Courses Group

- Nanotechnology
- Executive Corporate Communication For Impact
- GIS Applications
- Intelligent Transportation Management
- Software Testing Tools
- Open Source Technologies
- Printed Circuit Board (PCB) Design
- Introduction to Mechatronics
- Design Optimization Techniques
- 3D Printing and Prototyping

Semester: VII

Generic Core Courses

- B.Tech Project
- Multimodal AI
- Multimodal AI Lab
- Big Data Analytics
- Big Data Analytics Lab

Generic Elective Courses Group- I

- Healthcare informatics
- Cognitive Systems
- Block chain Technologies

Generic Elective Courses Group- II

- AI in Wireless Communications
- Responsible AI
- MLOps

Generic Elective Courses Group - III

- AI in Wireless Communications Lab
- Responsible AI Lab
- MLOps Lab

Generic Elective Courses Group - IV

- Robotic Process Automation
- Smart Society
- AI for Banking and Finance

Semester: VIII

Generic Core Courses

- Internship
- Seminar

* **Courses are subject to be changed**

* Bachelor of Technology (Civil Engineering)

Semester: I
Generic Core Courses
- Engineering Mathematics -I
- Programming and Logic Building Lab
- Physics for Civil Engineers
- Physics Lab
- Applied Mechanics
- Applied Mechanics Lab
- Engineering Graphics Lab
- Creative Thinking
- Environmental Science
- Communication Skills
- Communication Skills Lab

Semester: II
Generic Core Courses
- Engineering Mathematics -II
- Chemistry
- Chemistry Lab
- Digital Land Surveying and Mapping
- Digital Land Surveying and Mapping Lab
- Introduction to Python Programming Lab
- Software Tools for Civil Engineers
- Critical Thinking
- Tinker Lab
- Fitness for Life
- Building Construction Technology
- Basics of Sensors and Microcontrollers
- Basics of Sensors and Microcontrollers Lab

Semester: III
Generic Core Courses
- Strength of Materials
- Materials Testing Lab
- Engineering Mathematics-III
- Cyber Security
- Advanced Surveying Lab
- Project Based Learning -I
- Computer Aided Building Design & Drawing Lab
- Introduction to Fluid Mechanics
- Introduction to Fluid Mechanics Lab
- Integrated Disaster Management
- Generic Elective Courses Group
- Basic German I
- Basic French I
- Basic Spanish I

Semester: IV
Generic Core Courses
- Service Learning
- Computer Aided Structural Analysis-I
- Geotechnical Engineering
- Open Channel Flow
- Statistics, Probability and Numerical Methods
- Principles of Economics
- Entrepreneurship Venture
- Geotechnical Engineering Lab
- Open Channel Flow Simulation Lab
- Statistics, Probability and Numerical Methods Lab

Generic Elective Courses Group
- Foundation of Ethics
- Introduction to Indian Philosophy

Semester: V
Generic Core Courses
- Water Treatment and Supply System
- Flexi-Credit Course
- Computer Aided Structural Analysis-II
- Design of RCC Structures
- Design of RCC Structures Lab
- Construction Project Management Lab
- Design Thinking
- Project Based Learning-II
- Hydrology and Water Resource Engineering

Generic Elective Courses Group
- Artificial Intelligence and Machine Learning
- Internet of Things
- Cloud Computing and Blockchain Technology
- Big Data Analytics

Open Electives Courses Group
- Nanotechnology
- Executive Corporate Communication For Impact
- GIS Applications
- Intelligent Transportation Management
- Software Testing Tools
- Open Source Technologies

- Printed Circuit Board (PCB) Design
- Introduction to Mechatronics
- Design Optimization Techniques
- 3D Printing and Prototyping

Semester: VI
Generic Core Courses
- Design of Steel Structures
- Flexi-Credit Course
- Waste Water Treatment and Recycling
- Capstone Course
- Design of Steel Structures Lab
- Highway Engineering Lab
- Water and Waste Water Analysis Lab

Generic Elective Courses Group - I
- Bridge Engineering
- Foundation Engineering
- Green Building Technology
- Introduction to Remote Sensing and GIS
- Railway and Tunnel Engineering
- Smart Cities and Future Urbanism

Generic Elective Courses Group-II
- Advanced Structural Analysis
- Automation in Construction
- Computer Applications in Construction Management
- Design of Hydraulic Structures
- Glass Facade Engineering
- Integrated Water Resource Management

- Pavement Design
- Smart Cities Planning and Development
- Urban Transport Engineering

Open Electives Courses Group
- Financial Mathematics
- Smart Materials
- Smart Urban Planning
- Water Resource Planning and Management
- Java
- Web Application Development
- Engineering Simulation and Modeling Tools
- Introduction to Image Processing
- Industrial Revolution and Introduction of Industry 5.0
- Six sigma

Reverb (Annual Function) was celebrated from 17th to 19th Feb 23 at SIT

Techfest was conducted in SIT during 8th and 9th April 22

Semester: VII

Generic Core Courses

- B.Tech Project
- Advanced BIM Lab
- Project Estimation, Costing and Valuation Lab

Generic Elective Courses Group - I

- Organizational Behaviour
- History of Science and Technology

Generic Elective Courses Group - II

- Harbour and Airport Engineering
- Water and Air Quality Modelling
- Advanced Concrete Technology
- Geoinformatics Application for Emergency Response Management
- Professional Practices in Construction
- Project Management in Smart Cities
- Rock Mechanics

Generic Elective Courses Group - III

- Emerging Technologies in Construction
- Sustainable Construction Methods
- Introduction to Finite Element Methods
- Environmental Geotechniques
- Environmental Impact Assessment
- Traffic Engineering
- Optimization in Civil Engineering

Generic Elective Courses Group - IV

- Digital Image Processing
- Pre-stressed Concrete Structure
- Smart Transport Management
- Smart Solid Waste Management Systems

Generic Elective Courses Group - V

- Digital Image Processing Lab
- Prestressed Concrete Structure Lab
- Smart Transport Management Lab
- Smart Solid Waste Management Systems Lab

Semester: VIII

Generic Core Courses

- Internship
- Seminar

* **Courses are subject to be changed**

* Bachelor of Technology (Computer Science and Engineering)

Semester: I
Generic Core Courses
- Mathematics-I
- Chemistry
- Chemistry Lab
- Basic Electrical and Electronics Engineering
- Basic Electrical and Electronics Engineering Lab
- Programming and Problem Solving
- Programming and Problem Solving Lab
- Engineering Graphics Lab
- Critical Thinking
- Software Tools for Computer Science
- Tinker Lab

Semester: II
Generic Core Courses
- Mathematics II
- Physics for Computer Engineers
- Physics Lab
- Communication Skills
- Communication skills lab
- Programming in C
- Programming in C Lab
- Creative Thinking
- Statistics and Probability
- Environmental Science
- Fitness for Life

Semester: III
Generic Core Courses
- Discrete Mathematics and Graph Theory
- Computer Organization
- Data Structures
- Data Structures Lab
- Programming Paradigms
- Programming Paradigms Lab
- Sensors and Microcontrollers
- Sensors and Microcontrollers Lab
- Entrepreneurship Venture
- Flexi-Credit Course
- Generic Elective Courses Group
- Foundation of Ethics
- Introduction to Indian Philosophy

Semester: IV
Generic Core Courses
- Database Management Systems
- Data Base Management Systems Lab
- Operating Systems
- Operating Systems Lab
- Project Based Learning -I
- Integrated Disaster Management
- Flexi-Credit Course
- Mathematical Transform Techniques

Generic Elective Courses Group
- Basic French I
- Basic German I
- Basic Spanish I

Semester: V
Generic Core Courses
- Flexi-Credit Course
- Service Learning
- Computer Networks
- Computer Networks Lab
- Design and Analysis of Algorithms
- Design and Analysis of Algorithms Lab
- Theory of Computation
- Principles of Economics

Open Elective Courses Group
- Financial Mathematics
- Smart Materials
- Smart Urban Planning
- Water Resource Planning and Management
- Java
- User Interface and Experience Design
- Engineering Simulation and Modeling Tools
- Introduction to Image Processing
- Industrial Revolution and Introduction of Industry 5.0
- Six sigma
- Introduction to Cloud Computing

Semester: VI

Generic Core Courses

- Distributed Systems and Resource Management
- Flexi-Credit Course
- Capstone Course
- Design Thinking
- Project Based Learning-II

Generic Elective Courses Group - I

- Cloud Computing Tools and Techniques
- Data Warehousing and Mining
- Internet of Things

Generic Elective Courses Group - IV

- Artificial Intelligence Lab
- Image Processing Lab
- Information and Network Security Lab

Generic Elective Courses Group -III

- Artificial Intelligence
- Image Processing
- Information and Network Security

Generic Elective Courses Group - V

- History of Science and Technology
- Organizational Behaviour

Semester: VII

Generic Core Courses

- B.Tech Project
- Compiler Construction
- Compiler Construction Lab
- Flexi-Credit Course
- Cyber Security

Generic Elective Courses Group - II

- Big Data Analytics Lab
- Data Science Lab
- Optimization Techniques and Algorithms Lab

Generic Elective Courses Group - I

- Big Data Analytics
- Data Science
- Optimization Techniques and Algorithms

Generic Elective Courses Group - III

- Human Computer Interface
- Introduction to AR/VR
- Introduction to Information Retrieval

Generic Elective Courses Group - IV (Choose Any One Group)

Choose any 4 Credits

- Machine Learning
- Machine Learning Lab

Choose any 4 Credits

- Natural Language Processing
- Natural Language Processing Lab

Generic Elective Course Group

- DevOps
- DevOps Lab

Semester: VIII

Generic Core Courses

- Internship
- Seminar

* **Courses are subject to be changed**

* Bachelor of Technology (Electronics and Tele-Communication Engineering)

Semester: I
Generic Core Courses
- Mathematics-I
- Physics for Electronics Engineers
- Physics Lab
- Communication Skills
- Communication skills lab
- Programming in C
- Programming in C Lab
- Creative Thinking
- Introduction to Electronics and Telecommunication Engineering
- Computational Techniques
- Environmental Science

Semester: II
Generic Core Courses
- Mathematics II
- Fundamentals of Electrical and Electronics Engineering
- Fundamentals of Electrical and Electronics Engineering Lab
- Chemistry
- Chemistry Lab
- Programming and Problem Solving
- Programming and Problem Solving Lab
- Engineering Graphics Lab
- Critical Thinking
- Data Analytics with Excel
- Tinker Lab
- Fitness for Life

Semester: III
Generic Core Courses
- Mathematical Transform Techniques
- Mathematical Transform Techniques Lab
- Signals and Systems
- Electronic Devices and Circuits
- Electronic Devices and Circuits Lab
- Network Theory
- Electronic Measurements Lab
- Digital Circuits and Logic Design
- Digital Circuits and Logic Design Lab
- Flexi-Credit Course

Generic Elective Courses Group
- Basic German I
- Basic Spanish I
- Basic French I

Semester: IV
Generic Core Courses
- Control Systems
- Control Systems Lab
- Electromagnetic Field Theory
- Analog Circuit Design
- Analog Circuit Design Lab
- Principles of Communication
- Principles of Communication Lab
- Entrepreneurship Venture
- Service Learning
- Flexi-Credit Course
- Integrated Disaster Management

Generic Elective Courses Group
- Introduction to Indian Philosophy
- Foundation of Ethics

Semester: V
Generic Core Courses
- Digital Signal Processing
- Digital Signal Processing Lab
- VLSI Design
- VLSI Design Lab
- Microcontrollers and Applications
- Microcontrollers and Applications Lab
- Design Thinking

Generic Elective Courses Group– I
- Microwaves, Radar and Electronic Navigation
- Digital Image Processing
- CMOS VLSI Design
- Operating Systems Fundamentals
- Robotics and Automation
- Power Electronics

Generic Elective Courses Group – II
- Microwaves, Radar and Electronic Navigation Lab
- Digital Image Processing Lab
- CMOS VLSI Design Lab
- Operating Systems Fundamentals Lab
- Robotics and Automation Lab
- Power Electronics Lab

Generic Elective Courses Group - III

- History of Science and Technology
- Organizational Behaviour

Open Elective Courses Group

- Nanotechnology
- Executive Corporate Communication For Impact
- GIS Applications
- Intelligent Transportation Management
- Software Testing Tools
- Open Source Technologies
- Printed Circuit Board (PCB) Design
- Introduction to Mechatronics
- Design Optimization Techniques
- 3D Printing and Prototyping

Semester: VI
Generic Core Courses

- Digital Communication
- Digital Communication Lab
- Capstone Course
- IPR for Engineers
- Project Based Learning
- Flexi-Credit Course
- Principles of Economics

Generic Elective Courses Group – I

- Antenna and Wave Propagation
- Artificial Intelligence
- FPGA Design
- IoT and Applications
- PLC & SCADA
- Biomedical Electronics

Generic Elective Courses Group – II

- Antenna and Wave Propagation Lab
- Artificial Intelligence Lab
- FPGA Design Lab
- IoT and Applications Lab
- PLC Programming Lab
- Biomedical Electronics Lab

Generic Elective Course Group - III

- Computer Networks
- Deep Learning
- Mixed Signal Design
- Real Time Systems
- Modern Control Theory
- Consumer Electronics

Generic Elective Course Group – IV

- Computer Networks Lab
- Deep Learning Lab
- Mixed Signal Design Lab
- Real Time Systems Lab
- Modern Control Theory Lab
- Consumer Electronics Lab

Open Elective Courses Group

- Financial Mathematics
- Smart Materials
- Smart Urban Planning
- Water Resource Planning and Management
- Java
- Web Application Development
- Engineering Simulation and Modeling Tools

- Introduction to Image Processing
- Industrial Revolution and Introduction of Industry 5.0
- Six sigma

Semester: VII
Generic Core Courses

- B.Tech Project
- Cyber Security
- Statistics, Probability and Numerical Methods
- Statistics, Probability and Numerical Methods Lab
- Flexi-Credit Course

Generic Elective Courses Group – I

- 5G Technology
- Speech and Audio Signal Processing
- Low Power VLSI Design
- Embedded Artificial Intelligence
- Electric Vehicles

Generic Elective Courses Group – II

- 5G Technology Lab
- Speech and Audio Signal Processing Lab
- Low Power VLSI Design Lab
- Embedded Artificial Intelligence Lab
- Electric Vehicle Lab

Generic Elective Courses Group – III

- Fiber Optics and Satellite Communication
- Computer Vision
- Digital Design Verification
- Cyber Physical System
- Building Automation
- Wireless Sensor Network

Generic Elective Courses Group – IV

- Fiber Optics and Satellite Communication Lab
- Computer Vision Lab
- Digital Design Verification Lab
- Cyber Physical System Lab
- Building Automation Lab
- Wireless Sensor Network Laboratory

Semester: VIII
Generic Core Courses

- Internship
- Seminar

* Courses are subject to be changed

---

* Bachelor of Technology (Mechanical Engineering)

Semester: I
Generic Core Courses

- Engineering Mathematics -I
- Chemistry
- Chemistry Lab
- Basic Electrical and Electronics Engineering
- Basic Electrical and Electronics Engineering Lab
- Engineering Graphics
- Engineering Graphics Lab
- Programming and Problem Solving
- Programming and Problem Solving Lab
- Critical Thinking
- Environmental Science

Semester : II
Generic Core Courses

- Engineering Mathematics -II
- Physics for Mechanical Engineers
- Physics Lab
- Communication Skills

- Communication skills lab
- Engineering Mechanics
- Engineering Mechanics Lab
- Workshop Practice
- Tinker Lab
- Software Tools for Mechanical Engineering
- Fitness for Life *
- Creative Thinking

Semester : III
Generic Core Courses

- Engineering Mathematics-III
- Strength of Materials
- Strength of Materials Lab
- Engineering Materials and Metallurgy
- Manufacturing Technology
- Manufacturing Technology Lab
- Engineering Thermodynamics
- Engineering Thermodynamics Lab
- Mechatronics and IoT
- Mechatronics and IoT Lab
- Integrated Disaster Management *

Generic Elective Courses Group

- Basic German I
- Basic French I
- Basic Spanish I

Semester : IV
Generic Core Courses

- Service Learning
- Statistics, Probability and Numerical Methods
- Statistics, Probability and Numerical Methods Lab
- Fluid Mechanics
- Fluid Mechanics Lab
- Measurement and Metrology
- Measurement and Metrology Lab
- Theory of Machines - I
- Theory of Machines-I Lab
- Entrepreneurship Venture
- Design Thinking

Generic Elective Courses Group

- Introduction to Indian Philosophy
- Foundation of Ethics

Semester : V

Generic Core Courses

- CAD & CAM
- CAD& CAM Lab
- Heat Transfer
- Heat Transfer Lab
- Machine Design - I
- Introduction to Artificial Intelligence
- Advanced Manufacturing Technology
- Advanced Manufacturing Technology Lab

Generic Elective Courses Group - I A

- Theory of Machines - II
- Industrial Automation and Robotics
- Computational Fluid Dynamics
- PLC & SCADA

Generic Elective Courses Group - I B

- Theory of Machines - II Lab
- Industrial Automation & Robotics Lab
- Computational Fluid Dynamic Lab
- PLC Programming Lab

Open Electives Courses Group I

- Nanotechnology
- Executive Corporate Communication for Impact
- GIS Applications
- Intelligent Transportation Management
- Software Testing Tools

- Open Source Technologies
- Printed Circuit Board (PCB) Design
- Introduction to Mechatronics
- Design Optimization Techniques
- 3D Printing and Prototyping

Semester : VI

Generic Core Courses

- IC Engine and E-Mobility
- I.C. Engines and E-Mobility Lab
- Project Based Learning
- Principles of Economics
- Capstone Course
- Flexi-Credit Course

Generic Elective Courses Group - I A

- Finite Element Methods
- Fluid Machinery
- Jigs and Fixtures

Generic Elective Courses Group - I B

- Finite Element Methods Lab
- Fluid Machinery Lab
- Jigs and Fixtures Lab

Generic Elective Courses Group - II

- Production Management
- Machine Design II
- Power Plant Engineering
- Theory of Innovative Design

Generic Elective Courses Group - III

- Composite Materials
- Engineering Design Optimization
- Industrial Fluid Power
- Industrial IoT with Applications (Industry 4.0)

Open Electives Courses Group II

- Financial Mathematics
- Smart Materials
- Smart Urban Planning
- Water Resource Planning and Management
- Java
- Web Application Development
- MATLAB
- Introduction to Image Processing
- Industrial Revolution and Introduction of Industry 5.0
- Six sigma

Semester : VII

Generic Core Courses

- B. Tech Project
- Cyber Security
- Refrigeration and Airconditioning
- Refrigeration & Airconditioning Lab
- Flexi-Credit Course

Generic Elective Courses Group- I

- Mechanical Vibration
- Automobile Engineering
- Operations Research
- Smart Renewable Energy Harvesting and Storage

Generic Elective Courses Group - II

- Predictive Maintenance
- Simulation Based Turbomachine Design
- Total Quality Management

Generic Elective Courses Group - III

- Organizational Behaviour
- History of Science and Technology

Semester : VIII
Generic Core Courses

- Internship
- Seminar

* Courses are subject to be changed

---

* Bachelor of Technology (Robotics and Automation)

Semester: I
Generic Core Courses

- Engineering Mathematics -I
- Physics
- Physics Lab
- Communication Skills
- Communication skills lab
- Workshop Practice
- Programming and Problem Solving
- Programming and Problem Solving Lab
- Creative Thinking
- Engineering Mechanics
- Environmental Science

Semester: II
Generic Core Courses

- Engineering Mathematics -II
- Chemistry
- Chemistry Lab
- Basic Electrical and Electronics Engineering
- Basic Electrical and Electronics Engineering Lab
- Engineering Graphics
- Engineering Graphics Lab
- Tinker Lab

- Software Tools for Robotics
- Critical Thinking
- Fitness for Life

Semester: III
Generic Core Courses

- Fundamentals of Robotics and Automation
- Statistics and Numerical Methods in Robotics
- Mechanics of Materials
- Mechanics of Materials Lab
- Sensor and Electronics Drives
- Sensor and Electronics Drives Lab
- Introduction to Artificial Intelligence
- Advanced Python Lab
- Basics of Operating Systems
- Basics of Operating Systems Lab
- Integrated Disaster Management

Generic Elective Courses Group

- Basic German I
- Basic French I
- Basic Spanish I

Semester: IV
Generic Core Courses

- Service Learning
- Robotic Control Systems
- Robotic Control Systems Lab
- Kinematics and Dynamics of Robotics
- Kinematics and Dynamics of Robotics Lab
- Application of AI in Robotics and Automation
- Application of AI in Robotics and Automation Lab
- Applied Mathematics for Robotics
- Entrepreneurship Venture
- Hydraulics and Pneumatics for Robots
- Hydraulics and Pneumatics for Robots Lab

Generic Elective Courses Group

- Foundation of Ethics
- Introduction to Indian Philosophy

Semester: V
Generic Core Courses

- Design Thinking
- Materials and Measurement
- Materials and Measurement Lab

- Simulator for Robotics Lab
- Advanced Manufacturing
- Advanced Manufacturing Lab
- Microcontroller and Embedded Systems
- Microcontroller and Embedded Systems Lab
- Computer Vision for Robotics
- Computer Vision for Robotics Lab

Generic Elective Courses Group
- Theory of Universal Robots & Cobots
- Fundamentals of IOT and Cloud Computing
- Optimization for Robotics
- Building Automation
- Digital Signals
- Computational Fluid Dynamics with Artificial Intelligence
- Probabilistic Robotics

Open Elective Courses Group
- Nanotechnology
- Executive Corporate Communication For Impact
- GIS Applications
- Intelligent Transportation Management
- Software Testing Tools
- Open Source Technologies
- Printed Circuit Board (PCB) Design
- Introduction to Mechatronics
- Design Optimization Techniques
- 3D Printing and Prototyping

Semester: VI
Generic Core Courses
- PLC and SCADA
- PLC and SCADA Lab
- Project Based Learning -I
- Capstone Course
- Principles of Economics
- Flexi-Credit Course
- Robotics Operating System
- Robotics Operating System Lab

Generic Elective Courses Group - I
- Mobile Application Development
- Industrial Internet of Things
- Path Planning and Reinforcement Learning
- Additive Manufacturing
- Embedded System and Wireless Sensor Network

Generic Elective Courses Group - II
- Mobile Application Development Lab
- Industrial Internet of Things Lab
- Path Planning and Reinforcement Learning Lab
- Additive Manufacturing Lab
- Embedded System and Wireless Sensor Network Lab

Open Elective Courses Group
- Financial Mathematics
- Smart Materials
- Smart Urban Planning
- Water Resource Planning and Management
- Java
- Web Application Development
- Engineering Simulation and Modeling Tools
- Introduction to Image Processing
- Industrial Revolution and Introduction of Industry 5.0
- Six sigma

Semester: VII
Generic Core Courses
- B.Tech Project
- Robot System Design and Simulation
- Robot System Design and Simulation Lab
- Flexi-Credit Course
- Responsible AI for Robotics
- Flexi-Credit Course

Generic Elective Courses Group - I
- Block Chain Technology For Robotics
- Reliability Engineering
- Lean Manufacturing
- Agile Development for Robotics Application
- Predictive Maintenance

Generic Elective Courses Group - II

- Cyber Physical System
- Sustainable Development
- Augmented Reality and Virtual Reality Technology
- Mobile and Micro Robotics
- Theory of Innovative Design

Generic Elective Courses Group - III

- Organizational Behaviour
- History of Science and Technology

Semester: VIII
Generic Core Courses

- Internship
- Seminar

* Courses are subject to be changed

Prof. Mukesh Raghuwansi
Director

Director Profile:

Prof. (Dr.) Mukesh Raghuwanshi holds a Ph.D. in Computer Sc from VNIT, Nagpur. He did his MTech in Computer Sc from IIT, Kharagpur. He is a highly ingenious mentor and passionate technocrat with more than 35 years of experience in academics, administration, software project development & management, and hardware installations & maintenance. He has proven track record in establishing new institutes & departments. Expertise in the design and delivery of engineering curriculum and courses. He magnificently guided substantial, cross-functional teams in the design and deployment of cutting-edge business solutions to educational institutes, small & medium business houses, industries, and government departments. Work on computer literacy in backward and Naxal-affected areas for many years shows his commitment to social responsibility. He always enjoys the role of mentor that transforms highly talented youths into tech-savvy engineers.

Prof. Raghuwanshi is nominated as Margdarshak under Margdarshan Scheme of AICTE. As a principal, he mentored the college to Win the "STAR NEWS" award for the "Best Upcoming Engineering College in India"-2010. He is recipient of "Inspire faculty Excellence Awards 2017" by Infosys Campus connect and he worked as a subject expert in NBA committee. Worked as a judge for "smart India Hackathon-2018.

He worked with SIEMENS SIETECH, Berlin, Germany and C-DAC, Pune as software developer. Prof. Raghuwanshi visited USA, UK, Germany and Thailand to study higher technical education systems and presented his papers.

He has developed Software for Pharmaceutical Distributor, Pathologist, Petrol Pump Owner, Coal Transporter, Cement Transporter, Hotel Management, education institute. Also worked as system analyst & software developer for "Inventory Management Software" for the major store of Chandrapur Super Thermal Power Station.

His hobby of fabrication and repair of electronic systems has transformed him into an audio, video & computer maintenance engineer. For 12 years offered services for computer hardware & software maintenance. He has planned, installed, and configured many LAN (based on Novel Netware, Windows, and Linux) systems. Offered LAN-WAN solutions to industries like L&T, Ballarpur Industries, Chandrapur Super Thermal Power Station, educational institutions, newspaper publishers, coal & cement transporters.

Prof. Raghuwanshi headed a team of 50 members to manage 12 centres of RIIT-ART, Chandrapur (a C-DAC authorized computer training centre). Trained government employees and local people from the Naxalite-affected and backward districts Chandrapur and Gadchiroli of Maharashtra State.

He has more than 100 papers published/presented at reputed international/national journals/conferences. He authored 2 technical books and published 1 patent & 5 copyrights. 11 scholars have completed PhD under him and 7 are pursuing PhD. Three papers received "the Best paper award" in conferences and 2 scholars got government research grants for research work.

He was In-charge Chairman and member of Board of Studies for Computer Sc. & Tech, RTM Nagpur University, Nagpur. Secretary, Board of studies for Dept of Computer Sc. & Tech, YCCE, Nagpur,

Chairman, Result Review and Moderation committee (RRMC) and Member, Examination Committee and Member, Academic Council of YCCE, Nagpur. He worked as Subject expert, Vice-Chancellor's nominee, and member of the local inquiry committees for RTM-Nagpur University and SGB Amravati University.

His areas of specialization are Genetic algorithm, multi-objective optimization, Algorithms, Data science. His hobbies include singing, listening music & people, reading, programming and traveling.

Institute Profile:

Symbiosis Institute of Technology in Nagpur presently offers B. Tech specialized programmes in Computer Science and Engineering with honours in AI and Machine Learning, Data Science, Computing, Game Design and Development, Security and Privacy, and Internet of Things.

SIT Nagpur has "state-of-the-art infrastructure" and outstanding academic amenities. Its pollution-free campus has plenty of open space as well as a diverse range of academic, sporting, and cultural amenities. The Institute will create an environment conducive to unlocking the potential of both teachers and students by implementing systematic and effective planning and supervision of the teaching-learning process both inside and outside the classroom.

Techfest's, cultural programmes, sports competitions, industry-institute meetings, guest lectures from well-known individuals, and student exchange programmes with international institutions will supplement the fundamental teaching learning process. The institute offers a diverse set of courses ranging from liberal arts, performing arts, industrial history, human values and ethics, and will have the option of earning a special diploma from SIBM as well as courses from other Symbiosis Institutes.

Programme Profile:

Name of the Programme:

Program Fees For Bachelor of Technology (Computer Science and Engineering)

Duration:

Program Fees For Bachelor of Technology (Computer Science and Engineering) : 4 four-year full-time graduation programme for residential as well as non-residential facilities

Intake:

Program Fees For Bachelor of Technology (Computer Science and Engineering) : 240 students

Programme Profile:

Program Fees For Bachelor of Technology (Computer Science and Engineering)

The B. Tech. (CSE) programme is a four-year full-time graduation programme designed to develop students into professionals with academic excellence and research acumen. The curriculum is industry-oriented, with a diverse range of value-added courses in liberal arts, performing arts, and inter-institutional courses in law, media, and management. The programme aims to cultivate students' holistic temperaments,

including domain expertise and leadership abilities, so that they are not only comprehensive technologists but also good human beings who value human and national values. The program also offers students with the unique opportunity to pursue honours in highly specialized domains of computer science that have been carefully selected with the industry demands of a global engineer in mind.

In addition to the core degree, the Department of Computer Science Engineering offers the following Honors in accordance with industry trends.

• AI and Machine Learning

• Data Science

• Computing

• Game Design and Development

• Security and Privacy

• Internet of Things

We aim foster a holistic growth of the scholars and to provide them with a fundamental groundwork in cutting-edge areas of Computer Science Engineering and to further facilitate them in excelling in advanced computer science areas including Machine Learning, Algorithms, Data Science, Internet of Things, Computing, and Data Security and Privacy. We strive to create a league of engineering graduates who are capable of participating in self - reliant and life-long learning in the broad environment of technological transition.

Eligibility:

Indian Students

• Passed 10+2 examination with Physics and Mathematics as compulsory subjects along with one of the Chemistry /Biotechnology / Biology / Technical Vocational subject. Obtained at least 45% marks (40% in case of candidates belonging to SC/ST category) in the above subjects taken together.

• Good Scores in any one of the following entrance exams: JEE (Main) or Any State Government Engineering Entrance Examination or 12th PMC/V

International Students (NRI / PIO/ Foreign Nationals)

• Passed 10+2 examination with Physics and Mathematics as compulsory subjects along with one of the Chemistry /Biotechnology / Biology / Technical Vocational subject. Obtained at least 45% marks (40% in case of candidates belonging to SC/ST category) in the above subjects taken together.

• Do not have to appear for entrance exam (SIT EEE/ JEE-Main/ Any State Government Engineering Entrance Examination) in India

• International student's eligibility as per SCIE norms. Please follow link www.scie.ac.in

IB / Cambridge Board (IGCSE) Students:

Following eligibility rules will be followed for according equivalence to 10+2 school level certificate of International Baccalaureate / Cambridge board student:

a] International Baccalaureate (IB) Board

   • The candidate must have been awarded IB Diploma or the IB Diploma Course (i.e. IB Certificate) as a qualification for entry to the professional course at the institute and is required to have passed the subjects of Physics, Mathematics, and Chemistry at Higher Level (HL), with a minimum score of 24 credits. Students awarded the IB Diploma should also have completed other mandatory requirements (like CAS, TOK and the EE) towards the award of IB Diploma.

- Good Scores in any one of the following entrance exams: JEE (Main) or Any State Government Engineering Entrance Examination or 12th PMC/V
- For more details refer to the Admission Procedure link:Click Here

b] GCE/IGCSE/GCSE Examinations:

- A candidate intending to join a professional course at the institute must have passed the examination of approved British Examination Bodies equivalent to Grade 12, with a minimum of 5 subjects including English. The candidate must have passed subjects of Physics, Mathematics, Chemistry in Advanced Level ("A" Level) and English at a minimum of Ordinary Level ("O" Level)
- Good Scores in any one of the following entrance exams: JEE (Main) or Any State Government Engineering Entrance Examination or 12th PMC/V
- For more details refer to the Admission Procedure link:Click Here
- The conversions of IB and GCE/IGCSE/GCSE Examination grades to the scores that are used are as suggested on the AIU (Association of Indian Universities) web portal. Only candidates who have the requisite qualification from Boards of Higher Education accredited and recognized by the Association of Indian Universities (AIU), Govt. of India, New Delhi are eligible to apply at Symbiosis institutes for admission.

Important:

It is the responsibility of the Candidates to ascertain whether they possess the requisite qualifications for admission. Having been admitted provisionally does not mean acceptance of eligibility. Symbiosis International (Deemed University) will decide final eligibility for admission.

Reservation within sanctioned intake

- Scheduled Caste : 15%
- Scheduled Tribe : 7.5%
- Differently able students : 3%
- Nagpur Domiciled candidates: 25%

Policy of admission against vacant seats under reserved category

In case some seats remain vacant in reserved categories, these will be converted to General Category after seeking approval from the Vice-Chancellor of Symbiosis International University.

Over and above sanctioned intake

- Kashmiri Migrants :2 Seats
- International Students (NRI/Foreign/PIO) : 15%

Admission Process:

They hyperlinks lead to the registration portal.

Disclaimer:

These dates are tentative and are subject to change. Any changes will be reflected on the institute website: https://sitnagpur.edu.in/

Orientation and Pedagogy:

1. Innovative way of teaching using ICT Tools
2. Three teachers to teach subjects of Computer Science (One teacher teach fundamentals and other two teachers help students to clear doubts)
3. Hands- on Practical Training (in IoT, Robotics, Web and Mobile app development, Gaming etc)
4. Prepare and motivate students to participate in national and international competitions
5. Remedial Classes

Fee Structure (Annexure I)

Approved Fee Structure for Batch 2023-2027 in the Academic Year 2023-2024-INDIAN STUDENTS

* The fees mentioned here are only for the First Year of the programme. Please note that Academic Fees can be increased up to 10% over the duration of the entire programme. Government taxes (if any) would be additional as and when applicable.

Program Fees For Bachelor of Technology (Computer Science and Engineering)	1st Year Academic Year 2023-24 Other Than Nagpur Domicile	1st Year Academic Year 2023-24 Nagpur Domicile
	Amount in ₹	Amount in ₹
Academic Fees (Per Annum) *	₹ 2,60,000	₹ 2,60,000
Less: 15 % Fee Concession to the Nagpur Domicile students	-	₹ 39,000
Academic Fees (Per Annum) to be paid	**₹ 2,60,000**	**₹ 2,21,000**

Last date of payment		At the time of Admission	25-Nov-2023

@ Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

** Academic,Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

Few seats are reserved as Discretionary Quota Seats. Only students with good academic record and with good entrance test scores are considered for Discretionary Quota Seats. The fees for Discretionary Quota seats will be double the academic fees of open category as approved by the Fee Structure Committee, to be paid to the institute by way of online transfer/demand draft.Once admission is taken in Discretionary Quota, the fees applicable to Discretionary Quota will have to be paid by the student for the entire duration of the programme. No donation or capitation fee is charged for admission to any program at any institute of SIU.

Fee Structure (Annexure II)

Approved Fee Structure for Batch 2023-2027 in the Academic Year 2023-2024-INTERNATIONAL STUDENTS

Note : International students are admitted from two categories and the fees for each are as given below

(a) NRI, PIO, OCI Category

(b) Foreign National Category

* The fees mentioned here are only for the First Year of the programme. Please note that Academic Fees can be increased up to 10% over the duration of the entire programme. Government taxes (if any) would be additional as and when applicable.

(a) Fees Payable by the students taking admission in NRI, PIO, OCI Category.

Program Fees For Bachelor of Technology (Computer Science and Engineering)		Student taking Admission in
		(a) NRI, PIO, OCI Category 1st Year 2023-24 Amount in US$
Academic Fees (Per Annum) *		$5,100
Less: Symbiosis Golden Jubilee Scholarship to Foreign National Students #		-
Academic Fees (per Annum) to be paid	**(A)**	**$5,100**
Institute Deposit (Refundable)	**(B)**	**$275**
Administrative Fees (Non Refundable)		$550
Less: 50% Fee Concession on Administative Fees		-

Installments	**$1,365**	**$240**	**$245**
Last date of payment	At the time of acceptance of 'Offer Letter'	At the time of Reporting to SCIE	25-Nov-2023

Coding Competition: CompiKODE 1.0

(b) **Hostel and Mess Fees (Subject to campus change/allotment and accommodation type wise, e.g. Single Sharing, Twin Sharing, Triple Sharing, Four Sharing, Dormitory) (The fees indicated herein are for Nagpur Campus Only)	Student taking Admission in Foreign National Category 1st Year 2023-24 Amount in US$		
	Total Fees	1st Installment	2nd Installment
Mess Fees (Per Annum) @	$715	$358	$357
Hostel Deposit (Refundable)	$200	$200	-
Hostel Fees (Different, subject to Sharing, Per Annum)@			
Twin Sharing - Air Conditioned	$650	$325	$325
Three Sharing - Air Conditioned	$650	$325	$325
Four Sharing - Air Conditioned	$650	$325	$325
Last date of payment		At the time of Reporting to SCIE	25-Nov-2023

Note:

\# ONLY Foreign National Students taking Admission in the year 2023 for the Batch 2023, will be eligible for the Symbiosis Golden Jubilee Scholarships. Designed to celebrate 50 glorious years of Symbiosis being established to offer quality education to foreign national students, these include:

(1) 100 Symbiosis Golden Jubilee full Academic Scholarships with need-based reduced hostel fees for foreign national students from developing African- Asian countries.

(2) 100 Golden Jubilee Free-ships for academically and financially deserving foreign national students from conflict ridden/war affected regions by giving them an opportunity to study at SIU by covering not only the cost of all academic fees but also the hostel and mess/food fees (lodging and boarding).

(3) Concessional Hostel fees are applicable to Foreign National students @ 650$ per annum.

(4) Concessional Mess fees are applicable to Foreign National students @50% as mentioned above.

** Academic,Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@ Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

\# \# 50% Concession will be given only to the Foreign National students on Administrative Fees.

Programme Structure:

* Bachelor of Technology (Computer Science and Engineering)

[B. Tech. (Computer Science and Engineering)]

Semester: I

Group - A Generic Core Courses

- Engineering Mathematics -I
- Physics
- Physics lab
- Communication Skills
- Communication Skills Lab
- Programming in C
- Programming in C Lab
- Environmental Science
- Creative Thinking

Group - B Generic Core Courses

- Engineering Mathematics -I

Dr. Sammita Jagdish Jadhav
Director, SIHS

Director Profile:

Dr. Sammita Jagdish Jadhav is a graduate from the prestigious B.J. Medical College, Pune securing top honours in Pathology. She completed her Masters in Medicine and has been awarded a Ph.D. in Healthcare Management from Symbiosis International (Deemed University) under the Faculty of Medical and Health Sciences. She has a vast experience of more than two decades in the Healthcare industry. Dr. Jadhav has contributed her expertise and added value to various Healthcare organizations, and Medical and Paramedical training institutes. She has been appointed as a resource person on the task force of the National Initiative of Allied Health Services (NIAHS), Ministry of Health and Family welfare, Government of India. She has a successful stint in the industry and leads the Healthcare Management, Public Health, Nutrition and Dietetics and Medical Technology departments as a Director of Symbiosis Institute of Health Sciences. Dr. Jadhav has contributed to the commissioning of the Symbiosis University Hospital and Research Centre, a 900 bedded hi-tech healthcare facility, and the Symbiosis Medical College for Women at Pune.

Dr. Jadhav is a recognized Ph.D. Supervisor currently guiding 8 Ph.D. scholars. Her thrust on research has resulted in a number of research publications in National and International Journals indexed in Scopus and Web of Science journals, and her work on 'Clinico - pathological Co-relation in Dengue Fever: A case study of 200 adult patients', has won her the best paper award at the Mapcon Conference of the Indian Association of Pathologists and Microbiologists (I.A.P.M.).

She serves on the elite Board of Studies, Faculty of Medical and Health Sciences, Board of Examination and the Academic Council at Symbiosis International (Deemed University); and on the Board of Studies at KLE university; contributing to the development of niche, innovative and socially relevant academic programs in healthcare management, allied healthcare, biomedical, paramedical and nursing disciplines.

She has a keen interest in pharma management, and has been a key influencer in advocacy of Immuno-protective drugs. Dr. Jadhav has taken up leadership positions in Public Health advocacy, digitalization of the hospital processes, and contributed to promotion of TeleHealth and online healthcare education. Known for her exceptional talents in creating collaborations, teambuilding abilities, communication skills and leadership qualities, she is popular amongst healthcare professionals, industry and the academia for her expertise in Healthcare Management, Clinical Research, Medical Technology, Public Health, Allied health education, Biosafety and Bioethics, Laboratory Management, Quality assurance and accreditation. Dr. Jadhav has been invited as key note speaker at various conferences, and has given talks at various fora including at NATHEALTH, MTaI, AmRef, VIF, CII and FICCI.

Dr. Jadhav has been consistently working for the internationalization of Indian universities and is currently the Regional Representative – Africa; working in areas of Allied health education and manpower training in Medical Technology in African countries; especially in Tanzania, Kenya, Rwanda, and Burundi. She has travelled widely to U.K., France, Germany, Italy, Netherlands, Dubai, Oman, Singapore, Thailand, Austria, Belgium, Switzerland, Nepal and Srilanka as a result of her effort in Internationalization, education, skill training and Public Health initiatives.

Institute Profile:

Symbiosis Institute of Health Sciences (SIHS) has conceptualized and offers need based, non-conventional, innovative & competency driven academic programmes & initiatives designed to raise a cadre of professionals who would facilitate delivery of optimum health care services. It is a conscious response to the growing concern of healthcare education and management across the rapidly growing healthcare sector. SIHS endeavors to create a health momentum towards the ultimate objective of creating a healthy world. Recognitions and accolades from various National & International bodies are a testimony to the contribution of SIHS.

Symbiosis University Hospital & Research Centre (SUHRC)

Symbiosis University Hospital & Research Centre (SUHRC) is a state-of-the-art tertiary care hospital, located within the SIU campus at Lavale, Pune. The SUHRC provides top-quality clinical services, which are protocol-driven, and evidence-based. The nomenclature of a 'University hospital and Research Centre' conveys the thrust on academics and research, which would be both interdisciplinary as well as translational. Symbiosis University Hospital and Research Centre (SUHRC) is providing complete healthcare facility & solution (Super Specialty & Specialty) under one roof. SUHRC will make qualitative difference to one's life and one's health through a comprehensive system with end-to-end Medical services under one roof.

The Symbiosis Medical College for Women (SMCW) is also located at the scenic campus of the Symbiosis International University at Gram Lavale, Pune. The presence of sister institutes within the campus like the Symbiosis Institute of Technology, Symbiosis School of Biological Sciences and the Research Centres such as Symbiosis Centre for Stem Cell Research (SCSCR), Symbiosis Centre for Medical Imaging Analysis (SCMIA), Symbiosis Centre for Emotional Wellbeing (SCEW), Symbiosis Centre for Applied Artificial Intelligence (SCAAI), Symbiosis Centre for Behavioural Studies (SCBS), Symbiosis Centre for Nanoscience and Nanotechnology (SCNN) & Symbiosis Centre for Waste Resource Management (SCWRM) will assist in the strong focus on academics and research.

The Symbiosis Centre for Health Skills (SCHS) is a multidisciplinary educational facility that strives to provide high-tech simulated and virtually created hospital set-up for teaching, training & assessment for all health care professionals in clinical and related management skills. The broad objective is to align with the National Agenda of Skill Development to create a robust and vibrant eco system for quality education and skill development in healthcare sector in the country.

Programme Profile:

Name of the Programme:

- **Bachelor of Science (Medical Technology) - Honours/ Bachelor of Science (Medical Technology) - Honours with Research B.Sc. (MT) Honours / B.Sc. (MT) Honours with Research**

- **Bachelor of Science (Radiotherapy) - Honours/ Bachelor of Science (Radiotherapy) - Honours with Research B.Sc. (Radiotherapy) – Honours/ B.Sc. (Radiotherapy) – Honours with Research**

- **Bachelor of Science (Mental Health) – Honours/ Bachelor of Science (Mental Health) - Honours with Research B.Sc. (MH) – Honours / B.Sc. (MH) Honours with Research**

Duration:

- Bachelor of Science (Medical Technology) - nours/ Bachelor of Science (Medical 4 Years Full Time
Technology) - Honours with Research B.Sc. (MT) Honours / B.Sc. (MT) Honours with
Research

- Bachelor of Science (Radiotherapy) - Honours/ Bachelor of Science (Radiotherapy) - 4 Years Full Time
Honours with Research B.Sc. (Radiotherapy) – Honours/ B.Sc. (Radiotherapy) – Honours
with Research

- Bachelor of Science (Mental Health) – Honours/ Bachelor of Science (Mental Health) - 4 Years Full Time
Honours with Research B.Sc. (MH) – Honours / B.Sc. (MH) Honours with Research

Intake:

- Bachelor of Science (Medical Technology) - nours/ Bachelor of Science (Medical Technology) : 120 students
- Honours with Research B.Sc. (MT) Honours / B.Sc. (MT) Honours with Research

- Bachelor of Science (Radiotherapy) - Honours/ Bachelor of Science (Radiotherapy) - : 06 students
Honours with Research B.Sc. (Radiotherapy) – Honours/ B.Sc. (Radiotherapy) – Honours
with Research

- Bachelor of Science (Mental Health) – Honours/ Bachelor of Science (Mental Health) - : 40 students
Honours with Research B.Sc. (MH) – Honours / B.Sc. (MH) Honours with Research

- **Bachelor of Science (Medical Technology) - Honours/ Bachelor of Science (Medical Technology) - Honours
with Research B.Sc. (MT) Honours / B.Sc. (MT) Honours with Research**

   Objective:

   As technology advances and better investigative and treatment options are introduced, the need for
professionals equipped to handle newer diagnostic & therapeutic modalities are on the rise. The ever-changing
& ever-expanding horizon of the health care sector demands formal training programmes in all its allied areas.
The diagnostics sector today is witnessing a tremendous growth in terms of volume and sophistication. With
increasing advances and super specialization, the scope for tomorrow's technologists does not remain limited
to just routine tests. Advanced complex instrumentation & equipment require technocrats not only to operate
but also to care & maintain them as well. These experts have to possess a strong scientific foundation & be able
to perform at a much higher level than the traditionally trained technicians of the past. The students thus trained
in the technological aspects of medical care with a good scientific foundation will be in a position to competently
assist the Physician or Surgeon, especially in high-tech medical procedures to cater to the healthcare industry
globally.

   Specializations

   The programme offers specializations in the following areas:

   1. **Cardiac Care Technology:** The Cardiac Care Technologist is responsible for direct and indirect patient
care, hemodynamic monitoring, equipment set up and its operation. They assist the physician during cardiac
procedures and assume responsibility for completion of other cardiac lab functions.

2. **Respiratory Therapy:** The Respiratory Therapist is a key member of the medical team, specializing in diagnostics, treatments and procedures in the care of patients with respiratory problems. They evaluate, treat, and care for patients with breathing disorders.

3. **Dialysis Technology:** Dialysis Technologists operate machines that remove waste and excess fluids from the blood of patients whose kidneys can no longer carry out those functions satisfactorily. The programme is designed to provide competencies & technical skills necessary in the field of dialysis.

4. **Imaging Sciences Technology:** Imaging Sciences Technologists are health professionals who facilitate diagnosis and management through the creation of medical images using modalities like X-ray, Ultrasound, Magnetic Resonance and Computed Tomography.

5. **Clinical Lab. Technology:** Clinical Lab. Technology is concerned with the analysis of biological specimens to support diagnosis and treatment of disease. Laboratory Technologists perform a full range of laboratory tests, the information of which influences the medical treatment a patient will receive.

6. **Operation Theatre and Anaesthesia Technology:** The Operation Theatre and Anaesthesia Technologist is responsible for direct and indirect patient care, equipment set up, Pre, Intra & Post-operative procedures.

7. **Laparoscopy & Endoscopy:** Technologists learn the fundamentals & skills required to assist the Surgeons conducting Laparoscopy procedures and Physicians in Endoscopy procedures at various clinical establishments.

8. **Ophthalmic Sciences:** Technologists pursuing Ophthalmic Sciences specialization deal with the technical aspects of ophthalmic procedures required for diagnosis and treatment of eye disorders & diseases. The technologists so trained would be in a position to competently assist the Ophthalmologists.

9. **Neurosciences Technology:** The students will acquire skills to assess the patient, plan various electro-diagnostic procedures, and implement them in the neurosciences field.

Cardiac Care

- **Bachelor of Science (Radiotherapy) - Honours/ Bachelor of Science (Radiotherapy) - Honours with Research B.Sc. (Radiotherapy) – Honours/ B.Sc. (Radiotherapy) – Honours with Research**

  Objective:

  To train students in Radiotherapy techniques with specific objective driven learning such as Radiation safety, Special patient preparation before the study to obtain the most accurate result in radiotherapy procedures and handling the machines used for the procedures effectively.

  These students would be in a position to competently assist the Oncologist, to cater to the branch of Radiotherapy globally.

- **Bachelor of Science (Mental Health) – Honours/ Bachelor of Science (Mental Health) - Honours with Research B.Sc. (MH) – Honours / B.Sc. (MH) Honours with Research**

  Objective:

  This programme has a robust and holistic curriculum which helps students of any stream imbibe skills along with in-depth knowledge of mental health. This gives them the required educational qualifications to be workforce ready. Mental health disorders are usually viewed as an individual issue - this programme focuses on busting that myth by adopting a multi-disciplinary approach to mental health. It equips students to gain a thorough understanding of how life experiences, community, culture, law, the economic and political climate, environmental concerns, physical and mental health systems contribute to an individual's experience of mental health and mental illness across an individual's lifespan. This programme focus on building core competencies and skills. This allows students to choose upon graduation, whether they would like to join the workforce in different roles or continue their study in varied specialties of mental health around the world.

Eligibility:

- **Bachelor of Science (Medical Technology) - Honours/ Bachelor of Science (Medical Technology) - Honours with Research B.Sc. (MT) Honours / B.Sc. (MT) Honours with Research**

  Std. XII pass with any two of the following subjects: Physics, Chemistry, Biology, Botany, Zoology, Biochemistry, Microbiology, Mathematics OR equivalent as decided by competent authority.

- **Bachelor of Science (Radiotherapy) - Honours/ Bachelor of Science (Radiotherapy) - Honours with Research B.Sc. (Radiotherapy) – Honours/ B.Sc. (Radiotherapy) – Honours with Research**

  Std. XII pass with any two of the following subjects: Physics, Chemistry, Biology, Botany, Zoology, Biochemistry, Microbiology, Mathematics OR equivalent as decided by competent authority.

- **Bachelor of Science (Mental Health) – Honours/ Bachelor of Science (Mental Health) - Honours with Research B.Sc. (MH) – Honours / B.Sc. (MH) Honours with Research**

  Std. XII pass with any two of the following subjects: Physics, Chemistry, Biology, Botany, Zoology, Biochemistry, Microbiology, Mathematics OR equivalent as decided by competent authority.

Important:

It is the responsibility of the Candidates to ascertain whether they possess the requisite qualifications for admission. Having been admitted provisionally does not mean acceptance of eligibility. Symbiosis International (Deemed University) will decide final eligibility for admission.

Reservation of Seats: As per University norms

Admission Procedure:

- **Bachelor of Science (Medical Technology) - Honours/ Bachelor of Science (Medical Technology) - Honours with Research B.Sc. (MT) Honours / B.Sc. (MT) Honours with Research**

  STEP I: Online registration: Complete the registration by filling the registration form and making payment of registration charges of Rs.1250/-

  STEP II: Eligible candidates will be called for Entrance Test, Personal Interaction and Written Ability Test (PI-WAT).

  STEP III: Selected candidates for provisional admission will be intimated through email.

  STEP IV: Provisional Admission process will be completed after the verification of all the submitted documents and payment of 1st installment of the academic fees.

- **Bachelor of Science (Radiotherapy) - Honours/ Bachelor of Science (Radiotherapy) - Honours with Research B.Sc. (Radiotherapy) – Honours/ B.Sc. (Radiotherapy) – Honours with Research**

  STEP I: Online registration: Complete the registration by filling the registration form and making payment of registration charges of Rs.1250/-

  STEP II: Eligible candidates will be called for Entrance Test, Personal Interaction and Written Ability Test (PI-WAT).

  STEP III: Selected candidates for provisional admission will be intimated through email.

  STEP IV: Provisional Admission process will be completed after the verification of all the submitted documents and payment of 1st instalment of the academic fees.

- **Bachelor of Science (Mental Health) – Honours/ Bachelor of Science (Mental Health) - Honours with Research B.Sc. (MH) – Honours / B.Sc. (MH) Honours with Research**

  STEP I: Online registration for B.Sc. Mental Health programme by submitting the form on the link below and making online payment of registration charges of Rs.750/-

  STEP II: Candidates have to submit Statement of Purpose (SOP) within 3 days of submitting the registration form

  STEP III: Selected candidates will be invited for an online Personal Interview (PI) based on a preliminary screening. The schedule for the same will be intimated via email and phone call.

  STEP IV: Final selection will be intimated to the candidate through email & phone call. Admission process will be completed after verification of all the submitted documents and payment of 1st instalment of academic fees.

Orientation and Pedagogy:

Bachelor of Science (Medical Technology) - Honours/ Bachelor of Science (Medical Technology) - Honours with Research B.Sc. (MT) Honours / B.Sc. (MT) Honours with Research

The program is formatted such that apart from the classroom didactic lectures, students spend a substantial amount of their learning time at Symbiosis University Hospital & Research Centre (SUHRC), a tertiary care hospital related to their specialization where they are exposed to actual "hands on" practical training. Various academic visits are organized related to each specialization. The students participate actively in a number of co-curricular & extra-curricular activities thereby developing self-confidence and ability to realize his /her full potential. Eminent guest faculty further enrich the course content. Students are exposed to the community through the service-learning component, wherein they conduct community-based activities. Innovative teaching methods and sessions contribute to all-around personality development in addition to academic excellence and practical competencies.

The program has been designed considering the NEP guidelines for the curriculum with the courses categorized into Major, Minor, Ability Enhancement, Skill Enhancement, Value Added and Multidisciplinary.

Bachelor of Science (Radiotherapy) - Honours/ Bachelor of Science (Radiotherapy) - Honours with Research B.Sc. (Radiotherapy) – Honours/ B.Sc. (Radiotherapy) – Honours with Research

The program is formatted such that apart from the classroom didactic lectures, students spend a substantial amount of their learning time at Deenanath Mangeshkar Hospital & Research Center (DMHRC), a tertiary care hospital related to their specialization where they are exposed to actual "hands-on" practical training. The students participate actively in a number of co-curricular & extra-curricular activities thereby developing self-confidence and ability to realize his /her full potential. Eminent guest faculty further enrich the course content. Students are exposed to the community through the service-learning component, wherein they conduct community-based activities. Innovative teaching methods and sessions contribute to all-around personality development in addition to academic excellence and practical competencies.

The program has been designed considering the NEP guidelines for the curriculum with the courses categorized into Major, Minor, Ability Enhancement, Skill Enhancement, Value Added and Multidisciplinary.

Bachelor of Science (Mental Health) – Honours/ Bachelor of Science (Mental Health) - Honours with Research B.Sc. (MH) – Honours / B.Sc. (MH) Honours with Research

The program is formatted such that apart from the classroom didactic lectures, students spend a substantial amount of their learning time at Symbiosis Centre for Emotional Wellbeing (SCEW), a support department of SIU, Psychiatry department of (SUHRC) where they are exposed to actual "hands on" practical training. The students participate actively in a number of co-curricular & extra-curricular activities thereby developing self-confidence and ability to realize his /her full potential. Eminent guest faculty further enriches the course content. Students are exposed to the community through the service-learning component, wherein they conduct community-based activities. Innovative teaching methods and sessions contribute to all-around personality development in addition to academic excellence and practical competencies.

The program has been designed considering the NEP guidelines for the curriculum with the courses categorized into Major, Minor, Ability Enhancement, Skill Enhancement, Value Added and Multidisciplinary.

Fee Structure   (Annexure I)

Approved Fee Structure for Batch 2023 in the Academic Year 2023-2024-INDIAN STUDENTS

* The fees mentioned here are only for the First Year of the programme. Please note that Academic Fees can be increased up to 12% over the duration of the entire programme. Government taxes (if any) would be additional as and when applicable.

Program Fees For Bachelor of Science (Medical Technology) - Honours/ Bachelor of Science (Medical Technology) - Honours with Research	1st Year Academic Year 2023-24 (Amount in ₹)
Academic Fees (Per Annum) *	₹ 1,66,000
Institute Deposit (Refundable)	₹ 20,000

Program Fees For Bachelor of Science (Radiotherapy) - Honours/ Bachelor of Science (Radiotherapy) - Honours with Research	1st Year Academic Year 2023-24 (Amount in ₹)

Three Sharing	₹ 1,26,500	₹ 63,250	₹ 63,250
Dormitory	₹ 69,000	₹ 34,500	₹ 34,500
Last date of payment		At the time of Admission	25-Nov-2023

@   Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

**   Academic, Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

\#   Few seats are reserved as Discretionary Quota Seats. Only students with good academic record and with good entrance test scores are considered for Discretionary Quota Seats. The fees for Discretionary Quota seats will be double the academic fees of open category as approved by the Fee Structure Committee, to be paid to the institute by way of online transfer/demand draft. Once admission is taken in Discretionary Quota, the fees applicable to Discretionary Quota will have to be paid by the student for the entire duration of the programme. No donation or capitation fee is charged for admission to any program at any institute of SIU.

Imaging Sciences

Fee Structure (Annexure II)

Approved Fee Structure for Batch 2023 in the Academic Year 2023-2024-INTERNATIONAL STUDENTS

Note : International students are admitted from two categories and the fees for each are as given below

(a) NRI, PIO, OCI Category

(b) Foreign National Category

* The fees mentioned here are only for the First Year of the programme. Please note that Academic Fees can be increased up to 12% over the duration of the entire programme. Government taxes (if any) would be additional as and when applicable.

(a) Fees Payable by the students taking admission in NRI, PIO, OCI Category.

Program Fees For Bachelor of Science (Medical Technology) - Honours/ Bachelor of Science (Medical Technology) - Honours with Research		Student taking Admission in
		(a) NRI, PIO, OCI Category 1st Year 2023-24 Amount in US$
Academic Fees (Per Annum) *		$3,250
Academic Fees (per Annum) to be paid	**(A)**	**$3,250**
Institute Deposit (Refundable)	**(B)**	**$275**

Three Sharing	$650	$325	$325
Dormitory	$650	$325	$325
Last date of payment		At the time of Reporting to SCIE	25-Nov-2023

Note:

\# ONLY Foreign National Students taking Admission in the year 2023 for the Batch 2023, will be eligible for the Symbiosis Golden Jubilee Scholarships. Designed to celebrate 50 glorious years of Symbiosis being established to offer quality education to foreign national students, these include:

(1) 100 Symbiosis Golden Jubilee full Academic Scholarships with need-based reduced hostel fees for foreign national students from developing African- Asian countries.

(2) 100 Golden Jubilee Free-ships for academically and financially deserving foreign national students from conflict ridden/war affected regions by giving them an opportunity to study at SIU by covering not only the cost of all academic fees but also the hostel and mess/food fees (lodging and boarding).

(3) Concessional Hostel fees are applicable to Foreign National students @ 650$ per annum.

(4) Concessional Mess fees are applicable to Foreign National students @50% as mentioned above.

** Academic,Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@ Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

\#\# 50% Concession will be given only to the Foreign National students on Administrative Fees.

Program Structure:

* Bachelor of Science (Mental Health) – Honours/ Bachelor of Science (Mental Health) - Honours with Research B.Sc. (MH) – Honours / B.Sc. (MH) Honours with Research

Semester: I

Discipline-Specific Courses/Major Courses- Compulsory

- Core Concepts in Mental Health
- Psycho Socio-Cultural Determinants of Mental Health-I
- Developmental Psychology
- Practical

Major Courses- Students to Choose ANY ONE
Minor Courses- Compulsory

- Self-care management

Minor Courses- Choose ANY ONE (cannot be the same as Major specialization)

- Multidisciplinary Courses - (To choose from SIU Basket)
- Foundation of Sport and Exercise psychology

Ability Enhancement Course- Compulsory/ Choose any one/two – whichever is applicable

- Creative Writing

Skill Enhancement Course- Compulsory/ Choose any one/two – whichever is applicable

- Personality Development for Allied health professional

Common Value-Added Courses (To choose from SIU Basket)

- Introduction to Culture & India

Semester: II

Semester: III

Major Courses- Students to Choose ANY ONE
Minor Course- Compulsory

- Mental Health Advocacy

Minor Courses- Choose any one (cannot be the same as Major specialization)
Multidisciplinary Courses - (To choose from SIU Basket)

- Social Entrepreneurship

Ability Enhancement Course- Compulsory/ Choose any one/two – whichever is applicable

- Basic French /German

Skill Enhancement Course- Compulsory/ Choose any one/two – whichever is applicable

- Critical thinking and problem solving skills

Common Value-Added Courses (To choose from SIU Basket)

- Core Environmental Studies

Semester: IV

Discipline-Specific Courses/Major Courses- Compulsory

- Psychopathology - I,
- Substance and Behavioral Addictions
- Positive Psychology
- Practical

Major Courses- Students to Choose ANY ONE
Minor Course- Compulsory
Minor Courses- Choose any one (cannot be the same as Major specialization)

- Global mental health

Multidisciplinary Courses - (To choose from SIU Basket)
Ability Enhancement Course- Compulsory/ Choose any one/two – whichever is applicable

- Introduction to better language skill

Skill Enhancement Course-Compulsory/ Choose any one/two – whichever is applicable

- Group Entrepreneurship and Self Help Groups

Semester: V

Discipline-Specific Courses/Major Courses- Compulsory

- Child and Adolescent Mental Health
- Geriatric Mental Health
- Psychopathology – II
- History taking in Mental Health,
- Practical
- Internship

Major Courses- Students to Choose ANY ONE

Minor Course- Compulsory

- Yoga and mental health

Semester: VI

Discipline-Specific Courses/Major Courses- Compulsory

- Research Methodology - I,
- Assessment of Mental Health
- Health Psychology
- Practical

Major Courses- Students to Choose ANY ONE

Minor Course- Compulsory

- Emerging trends in Mental health

Minor Courses- Choose any one (cannot be the same as Major specialization)

- Fundamentals of Human Resource Management/HR /

- Community Mental Health Care,
- Collaborative Case Management / CM

Semester: VII (Honours)

Discipline-Specific Courses/Major Courses- Compulsory

- Research Methodology - II
- Statistics for research
- Comprehensive Management Plans in Mental Health
- Recovery and Rehabilitation in Mental Health
- Modalities of Intervention in Mental Health
- Practical

Major Courses- Students to Choose ANY ONE

Minor Course- Compulsory

Minor Courses- Choose any one (cannot be the same as Major specialization)

- Introduction to social work/ Organizational Behavior

Semester: VIII (Honours)

Discipline-Specific Courses/Major Courses- Compulsory

- Ethics and Legalities in Mental Health,
- Practical

Major Courses- Students to Choose ANY ONE

- Specialization: Clinical or Counseling, or Criminal & Forensic Course- Compulsory

Minor Courses- Choose any one (cannot be the same as Major specialization)

- Consumer behavior/mental health in India

Research Project/ Dissertation

- Research Project

Semester: VII (Honours with Research)

Discipline-Specific Courses/Major Courses- Compulsory

- Research Methodology - II
- Statistics for research
- Comprehensive Management Plans in Mental Health
- Recovery and Rehabilitation in Mental Health
- Modalities of Intervention in Mental Health
- Practical

Major Courses- Students to Choose ANY ONE

Minor Course- Compulsory

Minor Courses- Choose any one (cannot be the same as Major specialization)

- Introduction to social work/ Organizational Behavior

Semester: VIII (Honours with Research)

Discipline-Specific Courses/Major Courses- Compulsory

- Ethics and Legalities in Mental Health,
- Practical

Major Courses- Students to Choose ANY ONE

- Specialization: Clinical or Counseling, or Criminal & Forensic

Minor Course- Compulsory

Minor Courses- Choose any one (cannot be the same as Major specialization)

- Consumer behavior / Mental Health in India

Research Project/ Dissertation

- Dissertation

* Courses are subject to be changed

* Bachelor of Science (Radiotherapy) - Honours/ Bachelor of Science (Radiotherapy) - Honours with Research B.Sc. (Radiotherapy) – Honours/ B.Sc. (Radiotherapy) – Honours with Research

Semester: I
Discipline-Specific Courses/Major Courses- Compulsory

- Anatomy I
- Physiology I
- Minor Courses- Compulsory
- Basic Sciences
- Medical Physics
- Computer Skills
- Psychology & Sociology

Multidisciplinary Courses - (To choose from SIU Basket)

- MD1

Ability Enhancement Course- Compulsory/ Choose any one/two – whichever is applicable

- Communication Skills for Allied Health I

Skill Enhancement Course- Compulsory/ Choose any one/two – whichever is applicable

- Personality Development for Allied Health Professionals

Common Value-Added Courses (To choose from SIU Basket)

- CVAC1
- Core Environmental Studies*

Semester: II
Major Courses

- Anatomy II
- Physiology II
- Basics of Epidemiology

Minor Courses

- Hospital Information System
- Applied Mathematics

Multidisciplinary Coursex

SIU Multidisciplinary Course

Ability Enhancement Course

- Communication Skills for Allied Health Professionals II

Skill Enhancement Courses

- Soft Skills for Allied Health Professionals
- Creative Writing

Semester: III
Discipline-Specific Courses/Major Courses- Compulsory

- Basic Biochemistry
- Basic Pharmacology
- Applied Clinical Sciences (Radiotherapy)
- Principles of Practical Radiotherapy
- MD1
- SIU Multidisciplinary Course

Ability Enhancement Course- Compulsory/ Choose any one/two – whichever is applicable

- Communication Skills for Allied Health III

Common Value-Added Courses (To choose from SIU Basket)

- CVAC1
- Integrated Disaster Management*
- Contemporary India and The World

Semester: IV
Discipline-Specific Courses/Major Courses- Compulsory

- Basic Microbiology & Parasitology
- Pathology
- Introduction to Medical Imaging
- Radiation Protection & Safety

Semester: V
Discipline-Specific Courses/Major Courses- Compulsory

- Hospital Practices and Patient Care
- Basic Patient Assessment
- Principles of Brachytherapy & Teletherapy
- Clinical Oncology- I
- Radiotherapy Dosimetry-I

Minor Course- Compulsory

- Medical Ethics and Legal Aspects
- Radiotherapy Machines, Instrumentation and Quality Assurance

Summer Internship Programme (Healthcare Organization)

Semester: VI
Discipline-Specific Courses/Major Courses- Compulsory
- Research Methodology
- Practical Brachytherapy and Teletherapy
- Radiotherapy Dosimetry-II
- Clinical Oncology- II
- Principles of Radiation Oncology
- Radiobiology

Major Courses- Students to Choose ANY ONE
- Principles and Practices of Management

Semester: VII (Honours)
Discipline-Specific Courses/Major Courses- Compulsory
- Basic Life Support
- Biostatistics
- Research Proposal Writing
- Patient Set-up in Radiotherapy Treatment
- Advances in Radiotherapy Unit

Minor Course- Compulsory
- Quality in Healthcare
- Telemedicine Technology
- Artificial Intelligence in Healthcare
- Applied Management in Radiotherapy Unit

Semester: VIII (Honours)
Discipline-Specific Courses/Major Courses- Compulsory
- Research Grant Writing
- Data Analysis & Management

Minor Course- Compulsory
- Patent & Intellectual Property Rights
- Emerging Trends in Allied Health Care

Dissertation/Project Work
- Project Work

Respiratory Therapy

Clinical Laboratory

Semester: VII (Honours with Research)
Discipline-Specific Courses/Major Courses- Compulsory

- Basic Life Support
- Biostatistics
- Research Proposal Writing
- Patient Set-up in Radiotherapy Treatment
- Advances in Radiotherapy Unit

- Integrated Disaster Management*
- Contemporary India and the World

Semester: IV

Discipline-Specific Courses/Major Courses- Compulsory
- Basic Microbiology & Parasitology
- Pathology
- Echocardiography Techniques
- Respiratory Therapy Technology II
- Fundamentals of Medical Image Processing

- Hematology
- Theory and Principles of Dialysis
- Procedures prior & during Anaesthesia
- Endoscopy setup & patient preparation
- Ophthalmic Procedures
- Electroencephalography II

Multidisciplinary Courses – (To choose from SIU Basket)

- SIU Multidisciplinary Course

Skill Enhancement Course- Compulsory/ Choose any one/two – whichever is applicable

- Nutrition & Dietetics

Common Value-Added Courses (To choose from SIU Basket)

- Service Learning

Semester: V
Discipline-Specific Courses/Major Courses- Compulsory

- Hospital Practices and Patient Care
- Basic Patient Assessment
- Cardiovascular Diseases
- Cardiac Pharmacology
- Cardiopulmonary Diseases
- Cardiopulmonary Pharmacology
- Mechanical Ventilation I
- Radiation Physics & Protection – Basic
- Physics & Instrumentation of X-Ray & USG
- Operations of Computed Tomography

- General and Clinical Pathology
- Bacteriology
- Renal Diseases & Disease Management
- Renal Pharmacology
- Instrument Trays for Surgical Procedure
- Assistance in Perioperative Complications
- OT setup for Laparoscopy & Patient preparation
- Care of Specific Endoscope Procedures
- Ocular Pharmacy And Pharmacology
- Ocular Microbiology
- Neuro Pharmacology
- Neurobiology

Minor Course- Compulsory

- Medical Ethics and Legal Aspects
- Introduction to Medical Devices & Instruments (Cardiac Care)
- Introduction to medical devices & Instruments (Respiratory Therapy)
- Physics and Instrumentation of Computed Tomography
- Introduction to Medical Devices & Instruments (Clinical Laboratory)
- Introduction to Medical Devices & Instruments (Dialysis)
- Introduction to Medical Devices and Instruments (Operation Theatre & Anaesthesia)
- Introduction to Endoscopy Instruments

- Introduction to Medical Devices & Instruments (Ophthalmic Sciences)
- Introduction to Medical Devices & Instruments (Neurosciences Technology)

Summer Internship Programme (Healthcare Organization)

- Summer Internship Programme (Healthcare Organizations)

Semester: VI
Discipline-Specific Courses/Major Courses- Compulsory

- Research Methodology
- Electrocardiography II
- Embryology of Heart
- Clinical Cardiology
- Electrophysiology Procedure
- Cardiac Catheterization Basic
- Mechanical Ventilation II
- Pulmonary Rehabilitation and Home Care
- Infection Control in Respiratory Care
- Operations of Magnetic Resonance Imaging
- Interventional Radiology
- Physics and Instrumentation of Magnetic Resonance Imaging
- Cross Sectional Anatomy
- Basics of Diagnostic Immunology
- Blood Banking- Basic
- Diagnostic Parasitology & Microbiology
- Histopathology & Cytology
- Water Treatment in Dialysis
- Principles of Peritoneal Dialysis & Other Procedures

- Safety Practices and Patient Care in Dialysis
- Quality Assurance
- Common Investigations in Dialysis
- Advanced Sterilization Techniques and Infection control in Operation Theatre
- Assistance in Speciality Surgical Procedures
- Pre-Operative Preparation & Anaesthetic Management of Surgical Procedures
- Post-Operative Care
- Introduction to Laparoscopy Instruments
- Infection control & Sterilization in Laparoscopy set up
- Basic principles of Laparoscopy Technique
- Laparoscopy Procedures & Pre-requisites
- Ocular Biochemistry
- "Investigative Ophthalmology & Refraction"
- "Ophthalmic Visual Diagnostic Equipment, Vision Aids & Dispense"

Dr. Sonopant Joshi
Director

Director Profile:

Dr. Sonopant G. Joshi – M.Sc. (N), M.Sc. (DM), Ph.D. has qualified P.C.B.Sc. (N) from Institute of Nursing Education J. J. Hospital, Mumbai. He completed his Doctorate in Management from Tilak Maharashtra University. He is an alumnus of Bharati Vidyapeeth Deemed University where he completed his masters in Community Health Nursing and a master's degree in Disaster Management. He has a commendable 32 years of rich teaching and admin experience. Dr. Joshi is one of the trained NAAC assessors and is the Member Secretary of the Institutional Ethics Committee – Symbiosis International (Deemed University), Pune. He also is a visiting professor at the Kent State University, USA. He is a crucial member of professional bodies like Asian Association of Agricultural Medicine and Rural Health India (AAAMRHI), Indian Association of Occupational Health Nursing (IAOHN), Trained Nurses Association of India and the Society of Midwives India (SOMI). He has been awarded with prestigious honors like the Best Researcher Award by the Trained Nurses Association of India – 2020; The Scroll of Honor at the International Conference - Dubai –2017 and the Gold medal of Bombay Ambulance College – Mumbai – Specialist Instructors Course in First Aid. Dr. Joshi is a Reviewer & Editorial Board Member of National/International Journals and has to his credit many Web of Science and SCOPUS indexed publications. He has written chapters in books published by IGI Global publication. He has written book titled 'Disaster Management for Health Care Professionals', which is popular among Nursing and Management students. He was invited as a speaker at an International Conference in LONDON where he spoke on 'Challenges of Higher Education in India' in Oct 2018. He is life member of various professional organizations. Presently he is also a Ph.D. supervisor of Symbiosis International University under public Health domain with 08 Ph.D. scholars including 02 International research scholars under his guidance. He has bagged the prestigious GRIP funding for Study Japan Program.

Institute Profile:

Symbiosis College of Nursing (SCON) was established in the year 2007 with an aim to create leaders in the nursing profession by providing unique, innovative Programme that are responsive to the market needs. SCON is recognized by Indian Nursing Council, New Delhi and Maharashtra Nursing Council, Mumbai & affiliated to Symbiosis International (Deemed University), Pune. SCON runs programmes like Bachelor of Science (Nursing), Post Basic Bachelor of Science (Nursing), Master of Science (Nursing) and Ph.D. (Nursing). The programme offered by SCON ensures numerous career avenues for a graduate and a postgraduate in the healthcare industry across the world. Symbiosis College of Nursing (SCON) is attached to the parent hospital - Symbiosis University Hospital & Research Centre (SUHRC) to provide necessary 'hands-on' clinical and para-clinical experience necessary for the students pursuing hospital based academic Programmes. Symbiosis College of Nursing thus aims to create a benchmark in nursing education in India. The overall aim of nursing programme is to prepare a graduate nurse

to work as a frontline worker in the clinical, community areas, research facilities & educational arena. SCON is recognized as one of the top 10 promising Nursing Colleges by thehighereducationreview.com in the year 2018 and also is featured on Telegraph Online Edugraph as the best nursing institution in India in the year 2023.

Programme Profile:

Name of the Programme:

- **Bachelor of Science (Nursing)**
- **Post Basic Bachelor of Science (Nursing)**

Duration:

- Bachelor of Science (Nursing) : 4 Years
- Post Basic Bachelor of Science (Nursing) : 2 Years

Intake:

- Bachelor of Science (Nursing) : 50 students
- Post Basic Bachelor of Science (Nursing) : 30 students

Note:

1. Prime Minister's Scholarship Scheme (PMSS) – 08 seats. This scholarship is available for B.Sc. Nursing students and the intake is 08 seats over and above the sanctioned intake.

2. For B.Sc. Nursing programme, as per the Indian Nursing Council (INC) Notification No. 8 of 2022, supernumerary seats for foreign students is 25 % of total seats over and above the sanctioned intake.

3. For P.B.B.Sc. Nursing programme, SCON has proposed the reduction of seats from 60 to 30 (subject to the council's approval)

4. For B.Sc. Nursing programme, SCON has proposed to increase the seats from 50 to 80 (subject to the council's approval)

Important:

It is the responsibility of the candidates to ascertain whether they possess the requisite qualifications for admission. Having been admitted provisionally does not mean acceptance of eligibility. Symbiosis International (Deemed University) will decide final eligibility for admission.

Eligibility :

Bachelor of Science (Nursing)

As per Indian Nursing Council requirements

1. The minimum age for admission shall be 17 years on 31st December of the year in which admission is sought. The maximum age limit for admission shall be 35 years.

2. Minimum Educational Qualification

   a) Candidate with Science who have passed the qualifying 12th Standard examination (10+2) and must have obtained a minimum of 45% marks in Physics, Chemistry and Biology taken together and passed in English individually.

   b) Candidates are also eligible from State Open School recognized by State Government and National Institute of Open School (NIOS) recognized by Central Government having Science subjects and English only.

   c) English is a compulsory subject in 10+2 for being eligible for admission.

3. Colour blind candidates are eligible provided that colour corrective contact lens and spectacles are worn by such candidates.

4. Candidate shall be medically fit.

5. Married candidates are also eligible for admission.

Post Basic Bachelor of Science (Nursing)

As per Indian Nursing Council requirements

1. Passed the Higher Secondary or Senior Secondary or Intermediate or 10+2 or an equivalent examination recognized by the university for this purpose. Those who have done 10+1 in or before 1986 will be eligible for admission.

2. Obtained a certificate in General nursing and Midwifery and registered as R.N.R.M. with the State Nurses Registration Council. A male nurse, trained before the implementation of the new integrated course besides being registered as a nurse with State Nurses Registration Council, shall produce evidence of training approved by Indian Nursing Council for a similar duration in lieu of midwifery in any one of the following areas: O.T. Techniques, Ophthalmic Nursing, Leprosy Nursing, TB Nursing, Psychiatric Nursing, Neurological & Neurosurgical Nursing, Community Health Nursing, Cancer Nursing, Orthopaedic Nursing.

3. Candidate shall be medically fit.

Admission Process:

Step	B.Sc. Nursing	Step	P.B.B.Sc. Nursing:
1.	Students are selected based on the eligibility criteria	1.	Students are selected based on the selection criteria
2.	Written Entrance examination is conducted based on 12th std Science syllabus (Aptitude 20 MCQ questions + English 20 MCQ questions + Physics 20 MCQ questions + Chemistry 20 MCQ questions +Biology 20 MCQ questions = Total 100 MCQs for 100 marks)	2.	Written Entrance examination is conducted based on RGNM syllabus (Total 100 MCQs marks)
3.	Merit list is prepared and sent to SIU for approval	3.	Merit list is prepared and sent to SIU for approval
4.	Once the list is approved, provisional admission letter is sent to the candidate.	4.	Once the list is approved, provisional admission letter is sent to the candidate.

Documents required at the time of Admission

Bachelor of Science (Nursing)

1. 10th & 12th Mark sheet and Passing Certificate
2. Migration Certificate
3. Leaving Certificate
4. Cast Certificate/Cast Validity if applicable
5. Certificate of change of name, if applicable supported by documentary evidence like Government Gazette Notification
6. Gap certificate if applicable
7. Aadhar Card
8. Photo

Post Basic Bachelor of Science (Nursing)

1. 10th & 12th Mark sheet and Passing Certificate
2. GNM Mark sheet 3 years
3. GNM Passing Certificate
4. GNM Transfer Certificate
5. GAP Certificate (if applicable)

Orientation and Pedagogy:

Orientation to the programme is offered during Induction programme. The programme is divided into Theory and Clinical blocks..

Theory:

It is mandatory for the students to attend the classes in the college as well as at clinical field as per the course structure.

- Lectures
- Lecture cum demonstration
- Seminars
- Discussions
- Panel discussion
- Field visits
- Research Projects
- Online lectures using Microsoft teams, Google meet, Zoom, Schoology etc.,
- Programme instructions is used in providing teaching learning experience.

Clinical Field:

Students are expected to write patient oriented assignments as outlined in the Programme Structure. Teaching pedagogies used in the clinical area for training are:

- Simulation
- Bed side clinics
- Case presentations
- Case studies
- Procedure demonstrations
- Projects
- OSCE

Teaching and Learning Resources:

- ICT enabled classrooms
- Nursing Laboratories
- Advanced Skill lab: Skill based and competency driven centre to align with the National agenda of skill development for quality education and skill development.

Library details:

SCON is a splendid learning resource center. It includes books, journals, projects reports and dissertation, periodicals, CDs and DVDs

Dr. Gagan Prakash
Director

Director Profile:

Dr. Gagan Prakash, an academician, and a photographer has a Ph.D. in visual media ethics from Symbiosis International (Deemed University). He has 13 years of teaching experience in the areas of Photography, Cinematography and Visual Communication. He has also worked as a photojournalist and documentary filmmaker. He has specialization in Photography and Cinematography, and his research interests are in Visual design, Visual media ethics, Identity and media & Spirituality. He has authored a textbook on visual communication has written several book chapters and has published his research work in reputed journals. Prior to the current responsibility, he was heading the Audio-Visual department at Symbiosis Institute of Media and Communication, Pune.

Institute Profile:

The Symbiosis School of Visual Arts and Photography (SSVAP) is situated at the picturesque Lavale hilltop in Pune with spacious indoor studios, library & a digital post – production lab. SSVAP was a dream project of the legendary photographer Late Shri Gautam Rajadhyaksha and the school was inaugurated on Oct 3, 2011 by the current CM of Maharashtra hon'ble Shri Uddhav Thackeray. The school also hosts various Masters of the Visual Media Industry and Photography Industry for talks under Gautam Rajadhyaksha Chair.

A student gets a complete on-field & off- field learning experience under the guidance of senior professionals in a professional studio set–up including lights & high – end equipment. The Symbiosis School of Visual Arts and Photography offer a 3 year Bachelor of Visual Arts and Photography program, One year full time Diploma in Digital Cinematography, Part-time course in Certificate in Image processing: - Digital and Film and Part-time course in Certificate in Studio Photography.

Programme Profile:

Name of the Programme:

- **Bachelor of Arts (Visual Arts and Photography)**
- **Diploma in Digital Cinematography**
- **Certificate in Image processing Digital and Film**
- **Certificate in Studio Photography**

Duration:

- Bachelor of Arts (Visual Arts and Photography) : 3Years (Full Time) non- residential program
- Diploma in Digital Cinematography   : 12Months (Full Time) non- residential program
- Certificate in Image processing Digital and Film : 3 Months course (150 Hours); Part Time Jan & July
- Certificate in Studio Photography   : 3 Months course (150Hours); Part Time Jan & July

Intake:

- Bachelor of Arts (Visual Arts and Photography)   : 50 students
- Diploma in Digital Cinematography   : 15 students
- Certificate in Image processing Digital and Film   :
- Certificate in Studio Photography   :

- **Bachelor of Arts (Visual Arts and Photography)**

  The BA program provides candidates with a thorough grounding in the fields of commercial, fine art, and documentary photography along with other visual art forms like Visual effects and digital film making.

  The first year is a foundation year with basic visual art courses along with basic courses in photography.

  Students get to take courses not only in the Visual Art domain but also in related domains such as Liberal Arts, Media Studies and Design. Second-year of the program is the core photography year where students get training in all the major areas of photography. In the final year students specialize in two photography genres and also get an opportunity to choose another visual art specialization such as Visual effects, digital Ad film making, and Visual communication.

- **Diploma in Digital Cinematography**

  The course has been designed to nourish the technical and aesthetic sense of cinematography and encourage students to create their own work. This ensures a clear conceptual and practical knowledge about the fundamentals of digital cinematography.

- **Certificate in Image processing: Digital and Film**

  With leading software of the digital industry, get skilled in professional photo editing techniques and darkroom developing and processing. This certificate course gives you space to explore the editing skills in photography. It makes you understand the fundamental concepts of image editing. You will learn everything you need to know for creative picture editing. This course is also a very strong basic darkroom course especially for the photographers to introduce them to film-based image capture and processing. Students will learn about all basic darkroom processes and printing.

- **Certificate in Studio Photography**

  In this part-time Certificate Course you will learn important principles and practical step-by-step techniques for getting started in a career as a studio photographer. The course focuses on two specific areas: Portrait Photography and Table-top- Photography.

Eligibility:

- **Bachelor of Arts (Visual Arts and Photography)**
- **Diploma in Digital Cinematography**
- **Certificate in Image processing Digital and Film**
- **Certificate in Studio Photography**

    Passed Standard XII (10+2) or equivalent examination from any recognised Board.

Important:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Admission Process:

- **B.A. Visual Arts and Photography**

    Admission begins with registrations where aspirants register for BA in Visual Arts and Photography. Post registrations, aspirants appear for CVPI in which they share their creative work and a personal interaction is scheduled. Once PIs are conducted, a merit list is published and aspirants are invited to take admissions for BA in Visual Arts and Photography program.

- **Diploma in Digital Cinematography**

    Admission begins with registrations where aspirants register for Diploma in Digital Cinematography. Post registrations, aspirants appear for CVPI in which they share their creative work and a personal interaction is scheduled.

    Once PIs are conducted, a merit list is published and aspirants are invited to take admissions for Diploma in Digital Cinematography program.

- **Certificate in Image processing - Digital and Film**

    Registered candidates selected for certificate course on First come First basis

- **Certificate in Studio Photography**

    Registered candidates selected for certificate course on First come First basi

Reservations of Seats: As per University norms.

Orientation and Pedagogy :

At Symbiosis School of Visual Arts and Photography, the new batch is welcome with various expert sessions and activities. The 6-day induction program usually starts with a chief guest speaker talk following up with 4 days of intense expert talks by the industry experts. We also engage our new students in Alumni talks during this program.

The visual art program has courses, academic curriculum and examination process which is updated regularly. In order to give over-all and industry related learning, pedagogy of the program is multi- dimensional. With the help of academic council, alumni experts, industry experts, internal faculty and students we structure our teaching methodology.

Keeping the skills and requirements of the industry in mind, SSVAP engages in various pedagogy methods suchas in-class teaching, group learning, studio-based classes, on-field classes, field projects, live projects, guest lectures, simulation, industry visits and interaction.

Programme Structure:

* Bachelor of Arts (Visual Arts and Photography)

Semester: I
Generic Core Courses

- History of Art and Photography
- Creative Writing
- Photography Essentials
- Basic Art and Visualization
- Integrated Disaster Management
- Introduction to Theatre
- Global Culture and Emerging Issues

Generic Elective Courses Group

- Basic French I
- Basic Spanish I

Semester: II
Generic Core Courses

- Fitness for Life
- Introduction to Visual Aesthetics
- Visual Lensing
- Dark Room Processes
- Indian Art and Culture
- Communication Skills
- Project I

Generic Elective Courses Group

- Basic French II
- Basic Spanish II

Semester: III
Generic Core Courses

- Basic Psychology
- Fine Arts Photography
- Digital Design Software
- Project II
- Introduction to Photojournalism
- Fashion Photography fundamentals
- Fundamentals of Product Photography
- Flexi-Credit Course

Semester: IV
Generic Core Courses

- Flexi-Credit Course
- Social Responsibility Project
- Global Environmental Challenges

Specialization Core Courses : Commercial Photography

- Art Direction for Fashion Photography
- Set design skills for Product Photography
- Lighting for fashion & portrait Photography
- Interior and Architectural Photography
- Conceptual Photography
- Lighting for product photography

Specialization Core Courses: Film Techniques and Cinematography

- Storyboarding
- Cinematic Lighting basics
- Emerging Editing Techniques

Specialization Core Courses: Photojournalism and Documentary Photography

- Rise of Street Photography
- Photojournalistic practices
- Sports Photography
- Interior and Architectural Photography
- Conceptual Photography
- Conceptual Photography
- Medical and forensic photography

Specialization Core Courses: Visual Effects

- Art of Visual Effects
- Introduction to animation skills
- Art of Storytelling
- Pixilation and Stop motion

Specialization Core Courses: Wildlife and Travel Photography

- Travel and wild life Photography Techniques
- Indian Culture & Landscapes
- Interior and Architectural Photography
- Interior and Architectural Photography
- Interior and Architectural Photography
- Medical and forensic photography
- Conceptual Photography

Semester: V
Generic Core Courses
- Curation and Review
- Digital Printing
- Flexi-Credit Course
- Internship
- High End Retouching

Generic Elective Courses Group - I
- Motion graphics and CGI
- Craft of Astro & underwater Photography
- Post processing in Fine Arts Photography
- Post processing in product photography
- High End Retouching
- Marketing and Communication
- Post Production for Video Film
- Documentary Photography & Photojournalism

Generic Elective Courses Group - II
- Studying the Masters of product photography
- Masters of commercial photography

- Allied skills in Fashion Photography
- Encoding Fine arts Photography greats
- Learning and Creating Exhibition Display

Specialization Core Courses: Commercial Photography
- Automobile Photography
- Allied skills in Fashion Photography
- Craft of wedding & event photography
- Story of Brands

Specialization Core Courses: Photojournalism and Documentary Photography
- Photojournalistic Laws & Ethics
- Documentary Photography & Photojournalism
- Documentary Filmmaking

Specialization Core Courses: Visual Effects
- Motion graphics and CGI
- Rotoscopy Animation

Specialization Core Courses: Wildlife and Travel Photography
- Craft of Astro & underwater Photography
- Documentary Filmmaking
- High End Retouching
- Environmental Documentation & conservation

Semester: VI
Generic Core Courses
- Personality Development
- Flexi-Credit Course
- Portfolio Making

* **Courses are subject to be changed**

Prof. Sanjeevani Ayachit
Director

Director Profile:

Dr. Sanjeevani Ayachit is currently the Director at the Symbiosis Institute of Design and Dean of the Faculty of Architecture and Design at Symbiosis International (Deemed University). She holds a PhD from SIU, a Master's degree in Clothing and Textiles from M. S. University of Baroda and 22+ years of experience in the field of apparel design, design education and consultancy.

On completing her Masters' education, she worked at the prestigious men's apparel company Raymond Apparel Ltd. (RAL), Thane, where she oversaw their finishing and quality control department. After spending a few years at RAL, she took up a temporary teaching position at the S. N. D. T. College of Home Science, Pune. This was soon followed by a three-year period of teaching fashion design at a private fashion institute. She has also worked as Manager – Quality Control at a Pune based apparel brand, Sleepins Apparel Pvt. Ltd.

Dr. Sanjeevani headed the departments of Fashion Design and Fashion Communication at SID for several years and has also served as Deputy Director. She has completed her PhD at Symbiosis International (Deemed University) examining cross-cultural subtleties of costumes of the Peshwas of Pune. Her research interests lie in the areas of heritage Indian textiles and costumes, fashion design process, design thinking and inclusive design. An avid reader and researcher, Sanjeevani has co-authored a book documenting the historic textiles and costumes in the collection of the Kelkar Museum in Pune, India. She has presented research papers at several conferences and published her research in reputed journals. She has been invited as a PhD thesis examiner by a university of repute in Rajasthan and is a Board of Studies member at a Bengaluru based university. She has also been a reviewer of research papers for Illinois based Common Ground Research Network, USA.

Institute Profile:

A constituent of Symbiosis International (Deemed University), Symbiosis Institute of Design, Pune is a premier design school of the country. The institute offers Bachelor of Design (B.Des) program in four major disciplines; Communication Design, Industrial Design, Fashion Design and Fashion Communication. The Communication Design discipline offers further specializations in Graphic Design, Video Film Design, Animation Film Design and User Experience Design. The Industrial Design discipline offers further specializations in Product Design and Interior Space Design.

The design curriculum at SID generates opportunities to incubate original thoughts and implement design knowledge and skills on a creative platform. The simulative environment galvanizes students to imbibe contemporary skills while exploring non–conventional techniques to achieve design goals. The curriculum aims at creating professionals

who with their creative impulse and skillful ability participate and contribute to the highly dynamic and competitive world of design. This is ensured by a team of professional faculty who instruct, inspire and mentor students utilizing their technical and design expertise while also encouraging the development of individual style. The well-stocked library, access to latest research databases, state-of-the-art infrastructure, labs, studios and workshops ensure a conducive learning environment where students can nurture their creative ideas to fruition. This has ensured that SID holds a coveted position among the top design schools in the country. As an added bonus, several courses are supported by leading industry practitioners and many others have well known visiting lecturers. Internships and design projects are built into the curriculum to ensure industry exposure and field trips and industrial visits add on to the professional experience. An active Industry Interaction Cell ensures a continuous dialogue with the industry and assists students in securing internships and placement opportunities. SID is also a member of several national as well as international professional networks which benefit the students in terms of opportunities for participation in design competitions, design events, conferences and seminars thus enhancing their outlook towards the dynamic nature of the design field.

Programme Profile :

Name of the Programme:

- **Bachelor of Design**

Duration:

- Bachelor of Design   : 4 years Full Time Non Residential

Intake

- Bachelor of Design   : 180 students

Industry Connect session by Mr. Pushkar Ingle, Founder Director, Cohesive Labs

Guest Lecture by Mr. Siddharth Kabra, CEO Moonfish Inc during the D_Edge Seminar

- **Bachelor of Design**

  The institute offers four years full time degree programme, Bachelor of Design (B.Des) in following 8 specializations.

  1. Graphic Design (GD)
  2. Video Film Design (VFD)
  3. Animation Film Design (AFD)
  4. User Experience Design (UED)
  5. Product Design (PD)
  6. Interior Space Design (ISD)
  7. Fashion Design (FD)
  8. Fashion Communication (FC)

  The specializations mentioned from 1 to 4 above fall under the discipline Communication Design (CD) and 5 to 6 fall under Industrial Design (ID).

  The curriculum aims at creating professionals who with their creative impulse and skillful ability participate and contribute to the highly dynamic and competitive world of design. The institute puts high emphasis on evaluating the students on the basis of continuous performance and projects.

Eligibility:

- **Bachelor of Design**

  A candidate must have passed 10+2 (any stream; eg. Science, Commerce, Arts, etc.) or equivalent OR 10+3 diploma approved by State Board of Technical Education with minimum 50% (SC/ST - 45%) aggregate marks obtained in the final examination to be eligible for the above-mentioned programme.

  A candidate appearing for the final examination of 10+2 grade or 10+3 Diploma programme may also apply provided the results of the examination should have been declared by June of the admission year or prior to be eligible for the above mentioned programme.

Important:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Admission Process:

Admission to B.Des programme of SID will be according to the following process.

Level 1	Online Symbiosis Entrance Exam for Design (SEED). The result of SEED will be put up on the SID website as per the schedule. If a candidate qualifies SEED, he/she would be eligible to appear for SID's Portfolio Review and Personal Interaction (PRPI). Shortlisting for admission will be based only by specialization selected during online registration.
Level 2	Upload the Portfolio on the portal a day prior to the PRPI (Portfolio Review and Personal Interview).
Level 3	Complete the PRPI Task. This will be shared 3 days prior to the chosen date of online PRPI. Upload the PRPI Task on the portal a day prior to the PRPI.
Level 4	Appear for the online Portfolio Review and Personal Interaction (PRPI)

Final selection will be based on the cumulative performance of the candidate in Symbiosis Entrance Exam for Design (SEED), Portfolio Review, PRPI Task and Personal Interaction as well as on the basis of the information provided by the candidate in the application form and the chosen specialization.

Reservation of Seats: As per University norms.

Mr. Prakash Khanzode Managing Director, Onio Design Pvt. Ltd. and Mr. Manoj Kothari, MD _ Chief Design Strategist, Turian Labs looking at student project during Design Showcase 2022

Important Dates:

Details	Date
Registration / Payment closes on	December 31, 2022 (Saturday)
Admit Card Live on (www.sid.edu.in)	From: January 7, 2023 (Saturday) To: January 15, 2023 (Sunday)
Symbiosis Entrance Exam for Design (SEED) (Online)	January 15, 2023 (Sunday)
Announcement of Result	January 23, 2023 (Monday)
Declaration of shortlisting for PRPI	January 27, 2023 (Friday)
Dates of PRPI Process	From: April 15, 2023 (Saturday) To: April 20, 2023 (Thursday)
Declaration of First Merit List	May 2, 2023 (Tuesday)
Programme Commencement	July 2023 (Tentative)

Disclaimer:

Orientation & Pedagogy:

Design pedagogy or design education may be defined as the set of practices and systems for the training in the field of design; the ways and methods of teaching for the acquisition of necessary knowledge and skills in order to practice the design profession. Design pedagogy at SID follows a combination of techniques entrenched in 'Art and Design' as well as Engineering. The increasing diversification of the design domain and the introduction of specializations related to new technologies have introduced further complexity into the design education landscape

SID uses a combination of Lecture, Studio and Practical sessions in combination with Demonstrations, Film Screenings, Industry Visits, Cultural Visits, Case Studies and Group Discussions. This variety of learning techniques enhances the learning experience of students making them better equipped to undertake design assignments and projects. Student's work and project based assignments are continuously evaluated on the basis of daily performance as well as semester end juries.

Fee Structure   (Annexure I)

Approved Fee Structure for Batch 2023-2027 in the Academic Year 2023-2024-INDIAN STUDENTS

* The fees mentioned here are only for the First Year of the programme. Please note that Academic Fees can be increased up to 10% over the duration of the entire programme. Government taxes (if any) would be additional as and when applicable.

Program Fees For Bachelor of Design	1st Year Academic Year 2023-24 (Amount in ₹)
Academic Fees (Per Annum) *	₹ 4,40,000
Institute Deposit (Refundable)	₹ 20,000

Installments for Bachelor of Design	1st Year 2023-24 (Amount in ₹)	
	1st Installment	2nd Installment
Academic Fees (Per Annum)*	₹ 2,20,000	₹ 2,20,000
Institute Deposit (Refundable)	₹ 20,000	-
Installments	**₹ 2,40,000**	**₹ 2,20,000**
Last date of payment	At the time of Admission	25-Nov-2023

Programme Structure:
* Bachelor of Design

Semester: I
Generic Core Courses
- Design Fundamentals - 1
- Sketching and Drawing - 1
- Culture and Design
- Craft Design Studies - 1
- History of Art and Design
- Core Environmental Studies *

Semester: II
Generic Core Courses
- Design Fundamentals - 2
- Sketching and Drawing - 2
- Visualization Techniques
- Craft Design Studies - 2
- Society, Environment and Design
- Fitness for Life *

Semester: III
Generic Elective Courses Group
- 3D Explorations and Material Handling
- Expressions through Performing Arts
- Fashion Design and Accessories
- Innovative Craft and Painting Techniques
- Innovative Design Processes

Specialization Core Courses: Communication Design - Graphic Design
- Design Processes and Thinking
- Basic Typography
- Elements of Information Systems Design
- Graphic Design Digital Tools - Basic
- Introduction to Photography
- Elements of Graphic Design
- Illustration Techniques and Exploration
- Information Collection and Analysis

Specialization Core Courses: Communication Design - Video Film Design
- Design Processes and Thinking
- Introduction to Photography
- Cinema Appreciation
- Film Language
- Fundamentals of Camera, Sound and Lighting
- Scriptwriting
- Information Collection and Analysis

Specialization Core Courses: Communication Design - Animation Film Design
- Design Processes and Thinking
- Introduction to Photography
- Cinema Appreciation
- Film Language
- Fundamentals of Camera, Sound and Lighting
- Basics of Classical Animation
- Information Collection and Analysis

Specialization Core Courses: Communication Design - User Experience Design
- Design Processes and Thinking
- Introduction to Photography
- Digital Design Tools for UX
- Introduction to User Experience Design
- Visual Ergonomics and HCI - Basic
- Information Collection and Analysis

Specialization Core Courses: Industrial Design - Product Design
- Design Processes and Thinking
- Introduction to Photography
- Introduction to Product Design
- Materials and Processes for Industrial Design - 1
- Product Engineering Drawing
- Material Studio
- Information Collection and Analysis

Specialization Core Courses: Industrial Design - Interior Space Design
- Design Processes and Thinking
- Introduction to Interior Design
- History of Interior Design - 1
- Material Studio
- Representation Techniques - 1
- Space and Form Studies
- Information Collection and Analysis

Specialization Core Courses: Fashion Communication
- Design Processes and Thinking
- Introduction to Photography
- Fashion Studies
- Introduction to Graphic Design
- Visual Merchandising for Fashion Retail
- Information Collection and Analysis

Specialization Core Courses: Fashion Design
- Design Processes and Thinking
- Introduction to Photography
- Elements of Fashion and Illustration
- Fabric Study - 1
- Pattern Making and Garment Construction - 1
- Information Collection and Analysis

Semester: IV
Specialization Core Courses: Communication Design - Graphic Design
- Visual Concept Representation
- Brand Identity Design
- Basics of Media and Film Design
- Basics of User Interface / Experience Design
- Graphic Design Digital Tools - Advance
- Photography for Graphic Design
- Typography and Publication Design
- Visual Ergonomics

Specialization Core Courses: Communication Design - Video Film Design
- Pre-Production Design
- Elements of Direction
- Elements of Editing

- Sound Design
- Production Art Design
- Elements of Cinematography
- Mini Project 1 - Video Film Design
- Digital Design Tools - Film Media

Specialization Core Courses: Communication Design - Animation Film Design
- Pre-Production Design
- Elements of Direction
- Elements of Editing
- Sound Design
- Production Art Design
- Digital Design Tools - Film Media
- Animation Drawing
- Digital Rendering Techniques for Animation

Specialization Core Courses: Communication Design - User Experience Design
- Information Design
- Information Organization for WEB / Mobile Design
- User Interface Design
- Visual Identity Design for HCI
- Visualization of Narrative Structure
- Psychology in UX
- UX Writing

Specialization Core Courses: Industrial Design - Product Design

- Introduction to Computer Aided Drafting
- Introduction to Graphics and Packaging Design
- Materials and Processes for Industrial Design - 2
- Product Analysis and Functional Design
- Product Ergonomics - 1
- Product Representation Techniques

Specialization Core Courses: Industrial Design - Interior Space Design

- Ergonomics for Space Design
- Interior Space Planning and Layout
- ISD Project - 1
- Representation Techniques - 2
- History of Interior Design - 2
- Interior Design Materials and Methods-1
- Services in Interior Design - 1

Specialization Core Courses: Fashion Communication

- Digital Design Tools - Visual Media
- Elements of Typography and Publication Design
- Fashion Merchandising, Marketing and Retailing
- Materials and Processes for Fashion Retail
- Fashion Styling
- Visual Identity Design

Specialization Core Courses: Fashion Design

- Textiles and Surface Craft
- Apparel Manufacturing and Merchandising

Prof. Atul A. Gokhale
MBA, CHE, MIH
Director

Director Profile:

Prof. Atul A Gokhale is a Chef and Academician with 32 years of experience in India and abroad in the field of teaching, administration, and food service industry. He specialises in European and Indian cuisine. Food Science and Food Art though has lot of areas for collaboration but he believes that beyond a certain limit culinary art, like any other art cannot and should not be well put to test of science every time.

He graduated from IHM Bhubaneswar and is an MBA graduate. He is nominated as member on American Hotel and Lodging Educational Institute (AHLEI) Education Certification Advisory Council. He is a Certified Hospitality Educator (CHE) and master trainer from the AHLEI, USA. He has experience in running Hotel Schools in India and the Gulf countries especially in Bahrain and Saudi Arabia. He was instrumental in designing the National Skills Qualification Framework for the Hospitality Skills trade in Bahrain.

As an Entrepreneur he has done project consultancies for hotels and restaurants and owned and operated "Pinch of Salt" a corporate catering & consultancy service firm.

He is a Member (MIH) of Institute of Hospitality (IoH, UK) since July 2005 and member faculty of AHLEI, Orlando, USA, since 2006.

He is a member of Toastmasters International since 2011 and is a certified Competent Communicator and Competent Leader.

Institute Profile:

Symbiosis School of Culinary Arts (SSCA) is a constituent of Symbiosis International University, founded in 2016, and is the first school fully dedicated in offering niche qualifications in culinary science and arts in the country. SSCA was established with a view to cater to the need of the Food Industry to train and develop specialized culinary professionals. Our flagship Bachelor's degree in Culinary Arts has been one of the most sought after culinary degree in the country.

In order to cater to growing demand of well-trained hospitality professionals, SSCA has started a specialized Hospitality Management bachelor's degree from 2020.

The Indian tourism and hospitality industry has emerged as one of the key drivers of growth among the services sector in India. The forecasted 8% growth of Indian tourism industry for the next 10 years* along with the global market trends of ever increasing number of travels for business and leisure, the long term outlook for the hotel & hospitality industry is indeed positive. Hospitality sector has now become a significant industry in India. It is a sun rise industry, an employment generator, a significant source of foreign exchange for the country. The booming tourism industry has had a cascading effect on the hospitality sector with an increase in the occupancy ratios and average room rates.

Hospitality and Food service is among the fastest developing sector in the world. The projected growth is expected to throw open many opportunities for Indian students to pursue career in both hospitality and food service industry. During the last decade, culinary has emerged as a preferred career option in the food service industry.

Keeping in view the increasing demand for specialized programs both in Culinary and Hospitality field, SSCA offers two unique three- year, full-time bachelor's degree programmes- BSc (Culinary Arts) and BSc (Hospitality and Culinary Management). Both our programmes are designed to prepare students for a wide range of career options in Culinary and Hospitality fields.

Symbiosis believes in industry and academia interaction at all stages of student development and as a part of our curricula, the students undergo well planned and monitored internship in collaboration with leading hotel and food industry organizations.

Innovation in culinary field, adaptability, business ethics and social responsibility are emphasized to develop students into becoming leaders as well as responsible citizen.

Programme Profile:

Name of the Programme:

- **Bachelor of Science (Culinary Arts)**
- **Bachelor of Science (Hospitality and Culinary Management)**

Orientation and Pedagogy:

The study of fact, theory and concept is not sufficient to educate a culinary and hospitality professional. The individual must have the opportunity to see the skills, processes and ingredients in action, and to practice them. Culinary and Hospitality involves high level of motor and interpersonal skills learning. The profession requires a great combination of the art and science, and these skills can only be learned in practice.

Pedagogy at SSCA, Pune is largely based on this principle and is a mix of many learning methodologies. Apart from the usual chalk-n-talk, there is a conscious effort to make the sessions interactive by using case studies and references of latest developments in the culinary and hospitality field. The pedagogy at SSCA is designed to incorporate the appropriate practical components to have a thorough grounding in the art and science of practical learning.

In addition, students are encouraged to undertake multiple hands-on projects to hone their research and analytical skills. Latest state-of-the-art equipment and techniques are used wherever possible. Ample guest lectures are organized by inviting Industry leaders, managers, specialists Chefs and Leading Celebrity Chefs for classroom inputs and demonstrations. Field visits to relevant areas of culinary and hospitality skills are also a regular feature. SSCA also offers an opportunity to the students to get a first-hand feel in managing food events, outlets and pastry shop.

Dr. Nandini Kulkarni
Officiating Director

Officiating Director Profile:

Dr Nandini Kulkarni is currently the Officiating Director at the Symbiosis School of Planning, Architecture and Design. She is a Doctorate and the Ph D was awarded her on "Investigating The Impact of Quality of Life on the Peri urban Area of Metro cities."

With a Master's degree in Urban Planning from VNIT, and Bachelor of Architecture, she has also completed the Bachelor of Technology in Interior Design. With the vast experience in the field of Architecture, Planning and Interior Design, she has Independently completed the designing and construction of Residences, commercial buildings and Multispecialty Hospital Building. She has a specialisation in designing a module for the Urban –Rural fringe area development with respect to Quality of Life of the people residing in fringe areas.

Dr. Nandini is an author of a Book titled "The Urban Edges". The book is an effort to evolve and present a humane approach for planning urban fringes / peri urban areas in Indian cities.

Dr Nandini has a wide experience of more than 25 years including professional Architectural practice and teaching. She is also a National awardee of Birla White "YuvaRatna" National award for three years and Birla White "YuvaRatna" Regional award for two years.

Institute Profile:

Symbiosis School of Planning Architecture and Design (SSPAD) is an institution, which brings together a perfect blend of three streams namely planning, architecture and design under one roof. We offer a five-year degree programme in Bachelor of Architecture (B. Arch), a four-year Bachelor of Design (B. Design) undergraduate degree wherein, the students opting for these programs choose their discipline of choice and will engage for four years honing the skills that will allow them to be industry ready at the end of it.

Design is a field where you use your creative abilities to conceptualize most of the things that you see around you. From the clothes that you are wearing to the bag that you are carrying, this booklet that you are reading, and the frames of the glasses that you are using if you are wearing specs, the furniture that you see around you, the material that you see in movies, all is 'designed'. It is a lifetime commitment.

Programme Profile:

Name of the Programme:

- **Bachelor of Design**

Duration:

- Bachelor of Design   : 4 Year Full Time Non-Residential

Intake:

- Bachelor of Design   : 60 students

- **Bachelor of Design**

  Bachelor of Design (B.Des.) programme is aimed at sculpting professionals who:

  ❖ Contribute to the highly dynamic world of design

  ❖ Develop basic know-how of visual perception

  ❖ Pertain professional attitudes

  ❖ Spread awareness in the historical and modern aspects of design

  First year (Foundation) comprises Semester 1 and 2 and is common for all disciplines of B. Des Programme

Eligibility:

- **Bachelor of Design**

  ❖ A candidate must have passed 10+2 (any stream; eg. Science, Commerce, Arts, etc.) or equivalent

  Or

  10+3 diploma approved by State Board of Technical Education with minimum 50% aggregate marks obtained in the final examination to be eligible for the above-mentioned programme.

  ❖ A candidate appearing for the final examination of 10+2 grade or 10+3 Diploma programme may also apply provided the results of the examination should have been declared by June of the admission year or prior to be eligible for the above mentioned programme.

  Nagpur Domicile:

  ❖ 25% (Twenty-five percent) seats are reserved for candidates domiciled in Nagpur.

  Meaning of "Nagpur Domiciled" Candidates for admission to UG programmes:

  "Nagpur Domiciled" means persons, who are domiciled in Nagpur for a period of 5 (five) years as on the date of commencement of the academic year, and who have class XII from Maharashtra State Board or equivalent exam or Degree certificate or are appearing for the qualifying examination of Nagpur University before admission to the programme.

  1) Domicile certificate issued by the competent authority (Collector`s office).

  2) Standard XIIth Marksheet. Applicants appearing Standard XII can submit Bonafide certificate from the current institution and Standard Xth Mark sheet.

  3) Last five year education documents which prove the Nagpur domicile category

Desirable:

The candidate should possess Creative Aptitude & Skills necessary to pursue Design Education as well as adoptability to the situations, which the profession demands. Candidates with the relevant portfolio would be preferred.

Important:

It is the responsibility of the Candidates to ascertain whether they possess the requisite qualifications for admission. Having been admitted provisionally does not mean acceptance of eligibility. Symbiosis International (Deemed University) will decide final eligibility for admission.

Admission procedure:

Bachelor of Design

Admission to B.Des programme of SSPAD will be according to the following process.

1. Online Symbiosis Entrance Exam for Design (SEED). The result of SEED will be put up on the SSPAD website as per the schedule. If a candidate qualifies SEED, he/she would be eligible to appear for SSPAD's Portfolio Review and Personal Interaction (PRPI). Shortlisting for admission will be based only by specialization selected during online registration.

2. Upload the Portfolio on the portal a day prior to the PRPI. For portfolio specifications

3. Perform the PRPI Task. This will be shared 3 days prior to the chosen date of online PRPI. Upload the PRPI Task on the portal a day prior to the PRPI.

4. Appear for the online Portfolio Review and Personal Interaction (PRPI)

    Final selection would be based on the cumulative performance of the candidate in Symbiosis Entrance Exam for Design (SEED), Portfolio Review, PRPI Task and Personal Interaction as well as on the basis of the information provided by the candidate in the application form and the chosen specialization.

Reservation of Seats: As per University norms.

Programme Structure:
* Bachelor of Design

Semester I
Generic Core Courses
- Design Fundamentals - 1
- Sketching and Drawing - 1
- Culture and Design
- Craft Design Studies - 1
- History of Art and Design

Semester II
Generic Core Courses
- Design Fundamentals - 2
- Sketching and Drawing - 2
- Visualization Techniques
- Craft Design Studies - 2
- Society, Environment and Design
- Integrated Disaster Management *
- Fitness for Life *

Semester III
Generic Core Courses
- Design Processes and Thinking
- Information Collection and Analysis

Specialization Core Courses: Communication Design - Graphic Design
- Elements of Graphic Design
- Illustration Techniques and Exploration
- Basic Typography
- Elements of Information Systems Design
- Introduction to Photography
- Graphic Design Digital Tools - Basic

Specialization Core Courses: Industrial Design - Interior Space Design
- Material Studio
- Introduction to Interior Design
- History of Interior Design - 1
- Representation Techniques - 1
- Space and Form Studies

Semester IV
Specialization Core Courses: Communication Design - Graphic Design
- Visual Concept Representation
- Brand Identity Design
- Basics of User Interface / Experience Design
- Graphic Design Digital Tools - Advance
- Photography for Graphic Design
- Typography and Publication Design
- Basics of Media and Film Design
- Visual Ergonomics

Specialization Core Courses: Industrial Design - Interior Space Design
- Ergonomics for Space Design
- Interior Space Planning and Layout
- ISD Project - 1
- Interior Design Materials and Methods - 1
- History of Interior Design - 2
- Representation Techniques - 2
- Services in Interior Design - 1

Semester V
Generic Core Courses
- Craft Documentation Internship
- Core Environmental Studies *

Generic Elective Courses Group
- Interaction Design
- Accessory Design
- Advanced Digital Design
- Advanced Elements of Design
- Advanced Photography for Design
- Advanced Rendering Techniques
- Advanced Studies in Form
- Creative Book Design
- Design Thinking and Innovation - Advanced
- e-Learning Design
- Exhibition and Ramp Design
- Exhibition Design
-
- Experimental Typography
- Game Design for UX
- Graphic Printing Technology
- Information Design
- Instructional Design
- Interior Product Design
- Mobile Applications Interface Design
- Product Interface Design

Dr K. P. Venugopala Rao
Officiating Director,

Officiating Director Profile:

Dr. K P Venugopala Rao is an academician with a wealth of experience in teaching, research, and academic administration. He holds a Doctorate in Commerce from Osmania University and has degrees in Law and Education. His thesis, which explored the area of Commodity Derivatives in India, reflects his deep understanding of the subject matter.

With over two decades of experience in the field, Dr. Venugopala Rao has held various academic and administrative positions in renowned educational institutions. He has taught and conducted research at esteemed universities such as Osmania University and Kakatiya University.

Dr. Venugopala Rao is an accomplished researcher with several publications in various national and international peer-reviewed journals. His interests are mainly in Accounting, Taxation, and Capital Markets.

Dr. Rao actively promotes innovative teaching pedagogy to make learning more effective and engaging for students. He is a member of BoS in Banking and Finance at Symbiosis International (Deemed University). He has held the leadership role as the Director of Symbiosis Centre for Management Studies in Hyderabad.

In addition to his academic engagements, Dr. Rao conducts training programs for corporate executives and leaders at prominent organizations like Cogent Ltd, Indian Railways, Bayer Ltd, and L&T.

Dr. Rao is often invited to speak at various academic workshops and National Seminars to share his knowledge and expertise on markets, research and other related topics. As the officiating director for Symbiosis Centre for Management Studies, Hyderabad, Dr. Rao is committed to nurturing the next generation of business leaders and managers with a focus on innovative teaching pedagogy, research, and academic excellence.

Institute Profile:

SCMS Hyderabad is the latest addition to the Faculty of Management at Symbiosis International Deemed University. Established in 2022, the institute nurtures future managers to adapt to the ever-evolving business environment and solve business predicaments compassionately. As envisioned by our Honorable Chancellor, Prof (Dr.) S. B. Mujumdar, the students are trained to work towards making the world a better place with fire in their bellies, passion, and compassion in their minds and their hearts.

At SCMS Hyderabad, the Bachelor of Business Administration program is offered, which is designed with insights from academia and industry experts. This comprehensive management program is an excellent opportunity for candidates to pursue their passion for business after completing their 10+2 education. Students can tailor their education to their interests and career goals with various specializations, like Finance, Marketing, Human Resource, FBM & Entrepreneurship. The highly qualified faculty members adopt a multi-disciplinary approach to imparting education based on learning by doing. Students are engaged in real-time projects, helping them acquire

21st-century skills effortlessly. The institute deploys the latest technology in imparting the students' domain and functional knowledge, exposing them to corporate work.

Another area of focus is Internationalisation. With businesses going global, grasping the diverse practices and understanding the culture is essential. To make it possible, the institute provides a cohort with diversity not only in gender but across nationalities. Inbound international students are pursuing the program at the institute. Additionally, the student exchange programs, immersion programs, and celebration of national and international festivals provide a rich learning experience of working with a diverse population.

SCMS Hyderabad is located on a 40-acre campus in the serene environment at Mammidipally, on the outskirts of the historic city of Hyderabad. The fully residential campus has world-class infrastructure and facilities in a safe environment which helps foster academic and personal growth.

The holistic approach to the BBA program nurtures well-rounded individuals ready to tackle future challenges with passion, determination, and a sense of responsibility toward society.

Step III: Print Admit Card for appearing in SET

Step IV: Appear for SET Exam

The Symbiosis Entrance Test for BBA is a comprehensive exam that assesses candidates' aptitude and knowledge in various areas. The assessment will be in General English (16 marks), Quantitative Aptitude (16 marks), General Awareness (16 marks), and Analytical & Logical Reasoning (12 marks). The duration of the test is 60 minutes.

Step V: After the SET Results are declared on 24 May 2023. Check the Result

Step VI: Shortlisting of the candidates take place based on scores earned in SET. The shortlisted candidates will be informed through registered email and SMS. The shortlisted candidates have to attend the Personal Interaction & Writing Ability Test (PI-WAT) process conducted by SCMS Hyderabad.

Step VII: Generate the Call Letter which will be available on the SET portal.

Step VIII: Appear for PI-WAT process on the date and time mentioned in the call letter. The candidate is required to produce the documents as specified in the call letter.

Step IX: Final result is declared on the basis on SET and PI-WAT scores, uploaded on the website.

Note:

Online Payment for SCMS Hyderabad – Through Net Banking, account details are available on the online application form.

Offline Payment for SCMS Hyderabad– Through Demand Draft in favour of "Symbiosis Centre for Management Studies" payable at Hyderabad, to the Institute. In case payment is made by Demand Draft, please mention your name and the SET ID number on the back of the Demand Draft.

Reservation of Seats: As per University norms.

Institute Profile:

About SMCW

The Symbiosis Medical College for Women is the brainchild of Prof. Dr. S. B. Mujumdar, the Founder and Chancellor of the Symbiosis International(Deemed University).After seeing the biographic movie about India's first lady doctor, Ms. Anandibai Joshi, the idea of creating a medical college exclusively for women was born. With an objective of women empowerment and contributing to nation building by increasing the number of female doctors, Symbiosis has established this exclusive Medical college for Women under the Faculty of Health Sciences. The medical college is located in the scenic campus of the Symbiosis International (Deemed University) at Lavale, Pune. The annual intake will be 150 students. The medical college and its attached Symbiosis University Hospital and Research Centre have state-of-the-art infrastructure and facilities. Sister Institutes in the Lavale campus like the Symbiosis Institute of Business Management, Pune, Symbiosis Institute of Digital and Telecom Management, Symbiosis Institute of

Media & Communication, Symbiosis School of Biological Sciences, Symbiosis School of Photography, Symbiosis School of Culinary Arts, Symbiosis School of Sports Sciences, Symbiosis Institute of Technology, Symbiosis School of Banking and Finance & research centers like Symbiosis Centre for Waste Resource Management, Symbiosis Centre for Stem Cell Research, Symbiosis Centre for Behavioural Studies, Symbiosis Centre for Nano science and Nanotechnology and Symbiosis Centre for Medical Image Analysis will assist in the strong focus on academics and research.

In addition to the academic infrastructure, excellent residential facilities for residents and staff are available within the campus. The college has a fully air-conditioned library with the requisite array of national and international textbooks and medical journals which form a vital part of the college facilities. Our highly experienced and senior staff will ensure the best of training to produce skilled women doctors who are empathetic, ethical and compassionate. As has been the culture of Symbiosis, we believe it is our responsibility to contribute to nation building by providing excellent training and creating the next generation as qualified and ethical human beings.

Prof. Sharvari Shukla
Director

Director Profile:

Prof. Dr. Sharvari Shukla has been a Bio-statistician at various research institutes and advisor for pharmaceutical companies and hospitals. Her interest in translating research into practice led her to undergo training in epidemiology, epigenetics and clinical trials. She handles various national and international funded projects. Recently she received grant from DST ICIMPACT, also big data analytics grant under DST/EDA scheme and SERB under METRICS rapid response call on COVID-19 data.

Sharvari Shukla works with a team of epidemiologists and clinical scientists investigating the fetal origins of cardiovascular disease and Type 2 diabetes. Her fields of expertise include longitudinal data analysis, modelling-simulation, big data analysis and artificial intelligence, clinical trials and research methodology. She has more than 70 research papers to her credits and 5 students are working under her guidance on their doctoral thesis.

Institute Profile :

The major focus of the Symbiosis Statistical Institute (SSI) is to train students to translate and apply statistical knowledge to solve real-world problems in various inter-disciplinary domains. In today's innovative world new forces are shaping the analytics so education becomes very important for developing next generation creative thinkers and innovators. Both programmes, four year BSc. (Applied Statistics and Data Science) honours and MSc. (Applied Statistics), shall offer modules which are application oriented that facilitates learning statistical methodologies and best practices in statistical analysis. The programme prepares students for career opportunities in different areas such as Finance, Automobile, Information Technology, Pharma, Insurance, and many other sectors that will entail market research, forecasting and predictive analysis. It will also provide opportunities for students to be gainfully employed with National and International Research Institutes, Research laboratory, Academia, Non-Governmental Organizations, Consulting, and Doctoral Studies among other opportunities.

Programme Profile:

Name of the Programme:

Bachelor of Science (Applied Statistics and Data Science) - Honours/ Bachelor of Science (Applied Statistics and Data Science) - Honours with Research B.Sc. (As and DS) Honours / B.Sc. (As and DS) Honours with Research

Duration:

Bachelor of Science (Applied Statistics and Data Science) - Honours/
Bachelor of Science (Applied Statistics and Data Science) - Honours with Research
B.Sc. (As and DS) Honours / B.Sc. (As and DS) Honours with Research   : 4 years full time Non residential

Intake:

Bachelor of Science (Applied Statistics and Data Science) - Honours/

Bachelor of Science (Applied Statistics and Data Science) - Honours with Research

B.Sc. (As and DS) Honours / B.Sc. (As and DS) Honours with Research   : 60 seats

Bachelor of Science (Applied Statistics and Data Science) - Honours/ Bachelor of Science (Applied Statistics and Data Science) - Honours with Research B.Sc. (As and DS) Honours / B.Sc. (As and DS) Honours with Research

This four year Bachelor of Science in Applied Statistics and Data Science is four-year full time Honours programme designed in the spirit of implementing National Education Policy 2020. The primary focus of this programme is to provide a thriving ecosystem to develop data driven technological solutions based on statistical techniques.

The aim of the programme is to develop a critical awareness of the state-of-the-art in applied statistics and data science field along with business studies understanding and demonstrate the applications with practical skills necessary to critically think and develop solutions which can address short-term and long-term industry business and societal needs.

The four year BSc. (Applied Statistics and Data Science) Honours programme, shall offer major as 'Applied Statistics and Data Science' subjects along with minor as 'Business Studies. All modules included are application oriented that facilitates learning statistical methodologies and best practices in statistical analysis. This programme is designed towards lifelong learning by imbibing our ancient and prominent knowledge system in education through the type of courses as- multi-disciplinary, value added, vocational, ability and skill enhancement courses etc. Internships and Industry projects are important components included in this honours programme which will cater for advanced industry required 21st century analytical skills.

Constitute day celebration

Human resource development in the areas of Statistics and Data Science along with 'Business Studies' who can be further trained expeditiously for advanced applied statistical techniques for data analytics is a major goal of this programme. Programme will enable students for better employability in industries like IT, manufacturing, education, finance, healthcare, legal and governance, academics etc.

Eligibility:

Bachelor of Science (Applied Statistics and Data Science) - Honours/ Bachelor of Science (Applied Statistics and Data Science) - Honours with Research B.Sc. (As and DS) Honours / B.Sc. (As and DS) Honours with Research

Std. XII (10 + 2) pass or equivalent examination from any recognised Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste / Scheduled Tribes), with Mathematics/ Applied Mathematics/Statistics as one of the subjects.

Students who wish to opt for Honours with Research must earn 7.5 CGPA and above at the end of Semester-6. Eligibility Criteria for the Multiple entries would be as per University's Lateral Entry Rules for FYUG Programmes.

Visit to Bhandarkar Institute

Imortant:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Admission Process:

Bachelor of Science (Applied Statistics and Data Science) - Honours/ Bachelor of Science (Applied Statistics and Data Science) - Honours with Research B.Sc. (As and DS) Honours / B.Sc. (As and DS) Honours with Research

- It is mandatory to appear for the Symbiosis Entrance Test (SET) for admission to BSc Applied Statistics and Data Science programme at SSI. For more details about SET, kindly visit www.set-test.org

- For more details regarding Registration and Payment follow the link: https://www.set-test.org/register.html

- Admission is against qualifying the Symbiosis Entrance Test (SET), Writing Ability Test (WAT) and Personal Interaction (PI). The Writing Ability Test (WAT) and Personal Interaction (PI) will be conducted only for the shortlisted candidates.

Programme Structure:

* Bachelor of Science (Applied Statistics and Data Science) - Honours/ Bachelor of Science (Applied Statistics and Data Science) - Honours with Research B.Sc. (As and DS) Honours / B.Sc. (As and DS) Honours with Research

Semester : I
Discipline-Specific Courses/Major Courses- Compulsory
- Introductory Probability and Statistics

Minor Courses- Compulsory
- Introduction to Business Studies

Multidisciplinary Courses - (To choose from SIU Basket)
- MD1

Ability Enhancement Course- Compulsory/ Choose any one/two – whichever is applicable
- Business communication

Skill Enhancement Course- Compulsory/ Choose any one/two – whichever is applicable
- Statistical Data Analysis Using Microsoft Excel

Common Value-Added Courses (To choose from SIU Basket)
- CVAC1

Semester : II
Discipline-Specific Courses/Major Courses- Compulsory
- Probability Distributions
- Design and Analysis of Sample Survey

Minor Courses- Choose any one (cannot be the same as Major specialization)
- Business Accounting
  OR
- Financial Management

Multidisciplinary Courses - (To choose from SIU Basket)
- MD1

Ability Enhancement Course- Compulsory/ Choose any one/two – whichever is applicable
- French Language
  OR
- Technical or Report writing
  OR
- Statistical Lyrics

Skill Enhancement Course- Compulsory/ Choose any one/two – whichever is applicable
- Questionnaire development
  OR
- Data acquisition tools

Common Value-Added Courses (To choose from SIU Basket)
- CVAC1

Vocational Courses (Summer): Only for students who wish to exit after the First Year with a Certificate
- Introductory R programming / Tableau

Courses- Compulsory
- Introductory Probability and Statistics

Semester : III
Discipline-Specific Courses/Major Courses- Compulsory
- Statistical Inference

Major Courses- Students to Choose ANY ONE
Minor Course- Compulsory
- Marketing Management

Minor Courses- Choose any one (cannot be the same as Major specialization)
Multidisciplinary Courses - (To choose from SIU Basket)
- MD3

Ability Enhancement Course- Compulsory/ Choose any one/two – whichever is applicable
- Classical Language

Skill Enhancement Course- Compulsory/ Choose any one/two – whichever is applicable
- Lilavati & Lilavati Hands-on

Common Value-Added Courses (To choose from SIU Basket)
- CVAC1

Semester : IV

Discipline-Specific Courses/Major Courses- Compulsory

- Design and Analysis of Experiments
- Introduction to Python
- Data Science I

Major Courses- Students to Choose ANY ONE

Minor Course- Compulsory

- Digital Marketing

Minor Courses- Choose any one (cannot be the same as Major specialization)

Multidisciplinary Courses - (To choose from SIU Basket)

- MD1

Ability Enhancement Course- Compulsory/ Choose any one/two – whichever is applicable

- Organizational Behavior OR
- Design Thinking

Skill Enhancement Course- Compulsory/ Choose any one/two – whichever is applicable

Common Value-Added Courses (To choose from SIU Basket)

- CVAC1

Vocational Courses (Summer): Only for students who wish to exit after the Second Year with a Diploma

- Introductory R programming / Tableau

Semester : V

Discipline-Specific Courses/Major Courses- Compulsory

- Optimization Techniques
- Statistical Quality Control
- Calculus for Data Science
- Data Science II

Major Courses- Students to Choose ANY ONE

Minor Course- Compulsory

- Retail Analytics

Semester : VI

Discipline-Specific Courses/Major Courses- Compulsory

- Data Visualization
- R Programming
- Database Management System with SQL
- Research Methodology
- Industry Project

Major Courses- Students to Choose ANY ONE

Minor Course- Compulsory

- Supply chain Management

Semester: VII (Honours)

Discipline-Specific Courses/Major Courses- Compulsory

- Stochastic Process
- Reliability and Survival Analysis
- Bayesian Inference

Major Courses- Students to Choose ANY ONE

Minor Course- Compulsory

- Financial Analytics

Semester: VIII (Honours)

Discipline-Specific Courses/Major Courses- Compulsory

- Machine learning
- Time Series
- Demography

Major Courses- Students to Choose ANY ONE

Minor Course- Compulsory

- Healthcare Analytics

Semester: VII (Honours with Research)

Discipline-Specific Courses/Major Courses- Compulsory

Major Courses- Students to Choose ANY ONE

Minor Course- Compulsory

Minor Courses- Choose any one (cannot be the same as Major specialization)

Dissertation/ Research Project

Major Courses- Students to Choose ANY ONE

Minor Course- Compulsory

• Agri business

Semester: VIII (Honours with Research)

Discipline-Specific Courses/Major Courses- Compulsory

• Data Mining

Minor Courses- Choose any one (cannot be the same as Major specialization)

Research Project/ Dissertation

• Dissertation

Dr. Nayana Nimkar
Director

Director Profile:

Dr. Nayana Nimkar is currently the Director at Symbiosis School of Sports Sciences at Symbiosis International University Pune. She holds a Doctorate in Physical Education from Mumbai University and has previously worked as a PhD Guide with Savitribai Phule University of Pune (SPPU). She holds three master's degrees from Pune University in (M.Ed.) Education, (M.Ed.) Physical Education and (M.Phil.) Education. She has also completed 5 credits from Springfield University Massachusetts, in USA (1981) in 'Psychology of Sports' (under the MS Sports Program).

She has represented the state in several sports at various reputable levels in her earlier times. She has worked on several National committees like the Steering committee for Sports of the 11th and 12th Planning Commission of Government of India, she has also worked for NAAC (National Assessment and Accreditation Council) and NCTE (National Council for Teacher Education) as a peer committee member. She has represented India on professional bodies like ACESS (Asian Council for exercise and Sports Science) and NAPESS (National Association for Physical Education and Sport Sciences). She has been a keynote speaker in several conferences and has several publications to her credit.

Her academic and administrative experience is of 38 years, which started with Maharashtriya Mandal's Chandrasekhar Agashe College in Pune, which she headed for 20+ years. She also held prestigious positions as Director, Board of College and University Development (SPPU) and as founder HOD of the Department of Physical Education (SPPU) where she was awarded the Best Principal's award.

When asked about the source of her energy and enthusiasm, she says "...making fitness and physical education a part of the routine of a common man is my real source of inspiration and my relentless drive towards excellence". This is so much in consonance with the 'Fit India Movement', which was launched a couple of years back by our Prime Minister. The urge to contribute to the field of sports, be it sports management, sports science, sports technology or making sports available for the not so privileged is what drives Dr. Nayana Nimkar to run the Symbiosis School of Sports Sciences with the ultimate zeal and definitive purpose.

Institute Profile:

Symbiosis has embarked into a niche area, that of Sports Sciences by establishing the Symbiosis School of Sports Sciences (SSSS) in 2016. SSSS offers a two years full-time MBA programme in Sports Management, the options being specialization in Sports Marketing, Event Management (Sports) and Sports Technology. The objective of Symbiosis School of Sports Sciences is to impart skills and knowledge to create future managers, leaders and entrepreneurs in the Sports Industry. Till date it has already created a force of managers and leaders ready to take on leading positions in the sporting industry and many of them are making their way wonderfully through this upcoming industry.

The main reasons for so many success stories of students from SSSS within such short span of time are the multitude of unique activities conducted by SSSS which are the key differentiators between SSSS and other education institutions, which include the following -

1. **SSSS Sports Science Conference:** This has been conducted every year since the inception of the institute, the main objective of which is to provide a platform for students to interact with the stalwarts of the sports industry, exposure to recent scientific research and developments and a solid networking platform for students, faculties and management of the institute.

2. **Global Immersion Program:** SSSS has collaborated with premier global sports management institutes to provide a global exposure to SSSS students in the field of sports through education and peer interaction. Developed countries are ahead of the Indian curve in the field of sports and this global exposure creates a certain level of awareness of best global practices in the sports industry to the budding managers at SSSS.

3. **World Football Summit, Spain:** SSSS has in the past facilitated their students to attend the World Football Summit held in Spain to not only give a true fan moment to the football follower but also help them provide a glimpse at the economics behind the operation of such a global summit, to explore new sports ventures and startups, the sporting culture and the consumer behaviour of a hardcore sporting fan of a developed nation like Spain.

4. **Collaboration with Global Sports Wearable Technology Provider:** SSSS has tied up with the topmost technology provider of sports wearable technology which provides a real-time generation of player performance data to the analysts, who can then understand the effectiveness of data-based decisions-making instead of traditional/biased methods.

5. **Prestigious Internships:** SSSS has been able to provide its students work-experience in the form of internships at the best places in the sports industry like Khelo India, Sports Authority of India, Under-19 FIFA World Cup, Sports Interactive et al to learn and enhance their practical knowledge and provide them insights into the qualities and skill sets required in addition to the knowledge to be an effective contributor to the sports world.

6. **Social Responsibility Initiatives:** Sports in India is still at a nascent stage and a lot of grassroot development initiatives are required to bring to surface the talent in the country. Many times in the past such talent has come to the forefront from the humble backgrounds of small villages. SSSS understands the importance and potential of this and thus encourages its students to conduct projects in nearby villages to help and create awareness about sports and also provide sporting facilities for encouraging local talent to greater heights.

7. **Other initiatives:** Apart from the above SSSS also conducts Sporting Events at University level, Mock Auctions and Business Plan Competitions to prepare the students not just for sports but in general develop an all-round management perspective and personality of the students over a period of two years, to take on the top-most jobs or even to be smart, tech-savvy and dynamic entrepreneurs for the coming times.

8. **Internationalization:** SSSS promotes sharing of academic and research best practices through interactions with the diverse education systems. The school conducts Master Classes by Leeds Beckett University which is the leading University in the field of Sport in UK. The exchange of ideas and knowledge acquisition help the students develop into global citizens.

9. **Industry Connect:** SSSS regularly conducts sessions by the stalwarts in the sports industry who share their experiences on the global sports ecosystem, discuss new opportunities and innovations that are improving data collection, fan experience, and athletic performance and training. Apart from this, SSSS also invites alumni to interact with the students and share their learnings in the industry.

BSc (Sport & Exercise Science) : Batch 2022-25 – Trek to Sinhagad

Programme Profile:

Name of the Programme:

Bachelor of Science (Sports and Exercise Science) (Honours/ Honours with Research) - B.Sc. (Sports and Exercise Science) (Honours/ Honours with Research)

Explore the new exciting degree at Symbiosis School of Sports Sciences and contribute towards making India a SPORTING NATION. An opportunity to study the science behind Sports Performance, Exercise, Health and Physical activity at a Health Promoting International University. The multi-disciplinary nature of sports will be addressed by the experts from the fields of Medical Sciences and Engineering to provide you with the latest knowledge across all allied sciences and cutting edge technology as applied in Sports. The program provides for a unique blend of theory and on-field practical. Research forms an integral part of our curriculum and you will have an opportunity to make your own contribution to the field of Sports Science.

This program would lay the foundation for a deeper understanding and application of the science behind Sport performance, Exercise, Health and Physical activity. This is a three-year full-time application-based program with a unique blend of theory and practical components. The program will help you develop your knowledge and gain scientific understanding of the four strands of Sport and Exercise Science namely Anatomy & Physiology, Psychology, Biomechanics and Nutrition.

The program will help develop your knowledge and gain a scientific understanding of the four strands of Sport and Exercise Science namely Anatomy & Physiology, Biomechanics, Psychology and Nutrition.

Highlights of the program:

- Benchmarking against Global sports education programs.

- Emphasis on interdisciplinary sports science courses like Strength & Conditioning, Talent Identification & Development, Sports Coaching, Sports Technology, Exercise Testing & Prescription, Research and Statistics.

- In-built flexibility in the program through electives in Exercise Physiology, Sports Biomechanics, Sports Psychology and Sports Nutrition.

- One of its kind practical electives in different Games and Sports.

- Emphasis on experiential learning through applied practice in sport and exercise domain.

- Specially designed courses to develop vocational, employability and entrepreneurial skills.

- Novel program with emphasis on Sports technology.

Duration:
Bachelor of Science (Sports and Exercise Science) (Honours/ Honours with Research) - B.Sc. (Sports and Exercise Science) (Honours/ Honours with Research) **:** 4 Years Full Time Non Residential

Intake:

Bachelor of Science (Sports and Exercise Science) (Honours/ Honours with Research)

- B.Sc. (Sports and Exercise Science) (Honours/ Honours with Research)   **:** 60 seats

Eligibility:

Bachelor of Science (Sports and Exercise Science) (Honours/ Honours with Research) - B.Sc. (Sports and Exercise Science) (Honours/ Honours with Research)

Passed Standard XII (10+2) or equivalent examination from any recognized Board with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste/ Scheduled Tribes)

Participation in sports at the International/National/State/District level (in games recognized by School Games Federation of India (SGFI) is desirable.

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Admission Process:

Bachelor of Science (Sports and Exercise Science) (Honours/ Honours with Research) - B.Sc. (Sports and Exercise Science) (Honours/ Honours with Research)

and Group Exercise(GE)+ Personal Interview (PI) + Written Ability Test (WAT)

Reservation of Seats:
As per SIU norms

Important Dates:

Details	Date
Commencement of Registration	9th February 2023
Closure of Registration	15th May 2023
Email Regarding Field Test to be sent by	17th May 2023
Online Submission of Field Test	17th to 23rd May 2023
Online PIWAT	26th to 28th May 2023
Declaration of First Merit List	7th June 2023
Last Date of Payment	26th June 2023
Program Commencement	11th July 2023

DISCLAIMER:

These dates are tentative and are subject to change. Any changes will be reflected on the institute website www.ssss.edu.in

Orientation and Pedagogy :

The B.Sc. (Sport and Exercise Science) programme is aimed at nurturing aspiring sport and exercise science passionate students into sport and exercise scientists and professionals endowed with practical skills, creative thinking, leadership qualities, and a sound ethical grounding. The classroom environment is highly interactive and a variety of teaching-learning methods are followed at SSSS which includes:

• Interactive Lectures

• Group Discussions

• Case Studies

• Presentations

• Group/Collaborative Tasks

• Screening and Discussion

• Infographics

• Socratic Seminars

Classroom sessions are complemented by activities such as:

• Lab-based Practical Work

• Outdoor/Field Practical Work

• Self-driven Practical Projects

• Research-based Projects

• Seminars & Conferences

• Experiential Learning

• Field Visits

• Service Learning

• Classroom Guest Sessions with Industry Professionals

• On-field Interactions with Industry Professionals

Programme Structure:

* Bachelor of Science (Sports and Exercise Science) (Honours/ Honours with Research) - B.Sc. (Sports and Exercise Science) (Honours/ Honours with Research)

Semester: I

Discipline-Specific Courses/Major Courses- Compulsory

- Functional Human Anatomy
- Basics of Exercise Physiology
- Foundations of Sports and Exercise Biomechanics
- Essentials of Sports and Exercise Psychology

Minor Courses- Compulsory

- Fundamentals of Sport

Minor Courses- Choose ANY ONE (cannot be the same as Major specialization)

- Exercise Technique
- Science of Training - I

Multidisciplinary Courses - (To choose from SIU Basket)

- MD1

Skill Enhancement Course- Compulsory

- First Aid and CPR

Semester: II

Discipline-Specific Courses/Major Courses- Compulsory

- Exercise Testing and Assessments – I
- Introduction to Sports and Exercise Nutrition
- Fundamentals of Strength Training and Conditioning - I

Minor Course- Compulsory

- Physical, Technical & Tactical Programming

Minor Courses- Choose any one (cannot be the same as Major specialization)

- Essentials of Personal Training
- Science of Training - II

Multidisciplinary Courses - (To choose from SIU Basket)

- MD2

Ability Enhancement Course- Compulsory

- Soft skills & Conversational Skill

Skill Enhancement Course- Choose any one

- Fitness & Sports
- Introduction to Entrepreneurship

Common Value-Added Courses (To choose from SIU Basket)

- CVAC1

Vocational Courses (Summer): Only for students who wish to exit after the First Year with a Certificate (Choose any one)

- Field Experience in Strength and conditioning
- Field Experience in Sports Coaching

Semester: III

Discipline-Specific Courses/Major Courses- Compulsory

- Motor Learning and development
- Assessment for Sport and Exercise Performance

- Fundamentals of Strength Training and Conditioning - II

Minor Course- Compulsory

- Anatomy of Sports

Minor Courses- Choose any one (cannot be the same as Major specialization)

- Monitoring Training and Performance
- Coaching Psychology

Multidisciplinary Courses - (To choose from SIU Basket)

- MD3

Ability Enhancement Course- Compulsory

- Academic Writing Skills

Common Value-Added Courses (To choose from SIU Basket)

- CVAC2

Semester: IV

Discipline-Specific Courses/Major Courses- Compulsory

- Research Methodology
- Fundamentals of Sport Coaching
- Science of Training in Sports
- Athlete Injury and Prevention

Minor Course- Compulsory

- Conditioning & Testing in Sport

Minor Courses- Choose any one (cannot be the same as Major specialization)

- Strength and Conditioning Program Design
- Coaching Pedagogy - Process and Practice
- Ability Enhancement Course- Compulsory
- Presentation Skills

Skill Enhancement Course- Compulsory

- Basics of Data Visualization

Common Value-Added Courses (To choose from SIU Basket)

- CVAC3

Vocational Courses (Summer): Only for students who wish to exit after the Second Year with a Diploma

- Field Experience in Strength and conditioning
- Field Experience in Sports Coaching

Semester: V
Discipline-Specific Courses/Major Courses- Compulsory

- Basics of Statistics in Sports
- Essentials of Sports Analytics and Performance Analysis
- Introduction to Technology in Sports
- Ergogenic Aids, Supplements and Anti-doping
- Recovery and Rehabilitation in Sports & Exercise
- Sports Governance & Policy

Minor Course- Compulsory

- Injury and Recovery in Sport

Skill Enhancement Course- Compulsory/ Choose any one/two – whichever is applicable

- Introduction to Video Analysis

Semester: VI
Discipline-Specific Courses/Major Courses- Compulsory

- Applied Exercise Physiology
- Applied Sports and Exercise Biomechanics
- Applied Sports Nutrition
- Applied Sports Psychology

Minor Course- Compulsory

- Analytics in Sport

Internship

- Internship

Semester: VII (Honours)
Discipline-Specific Courses/Major Courses- Compulsory

- Advanced Sports Statistics
- Advanced Research methodology
- Talent Identification in Sports
- Physical Activity and Health

Minor Course- Compulsory

- Periodization for Sports
- High Performance in Sport

Semester: VIII (Honours)
Discipline-Specific Courses/Major Courses- Compulsory

- Physiology for Exercise & Sport Performance
- Nutrition for Performance in Exercise & Sport
- Biomechanics for Optimizing Human Performance
- Psychology for Performance Excellence

Minor Course- Compulsory

- Essentials for Training Special Population
- Grassroot Development

Semester: VII (Honours with Research)
Discipline-Specific Courses/Major Courses- Compulsory

- Advanced Sports Statistics
- Advanced Research methodology
- Talent Identification in Sports
- Physical Activity and Health

Minor Course- Compulsory

- Periodization for Sports
- High Performance in Sport

Semester: VIII (Honours with Research)
Major Courses- Students to Choose ANY TWO

- Physiology for Exercise & Sport Performance
- Nutrition for Performance in Exercise & Sport
- Biomechanics for Optimizing Human Performance
- Psychology for Performance Excellence
